A note from your organizer:

Hello Families!

The Parent Mentor program is currently operating out of two schools, South Shores and American Dreamer. We hope to expand to other schools soon, so please continue to watch our page for updates on when the Parent Mentor program will be implemented at your school.

Although we are currently learning in a virtual environment, we still want to build a strong community in our schools.

We are currently looking for parents, grandparents and/or legal guardians of South Shores and American Dreamer students who would like to be a part of this wonderful program. If you are interested in being a part of this program there are two ways to get signed up today...

1. Contact Samantha Karch, Parent Mentor Organizer at 217-341-4364;
2. Join our Facebook group page “Parent Mentors of Macon County” and notify me of your interest.

Look forward to hearing from you soon,

Samantha Karch,
Parent Mentor Organizer
