### **District Quarter Update for Year One of Overall Strategic Plan**

Decatur, IL- A quarterly update on the progress of the District's Strategic Plan was presented by Superintendent Dr. Fregeau at a regularly scheduled Board of Education meeting on Tuesday, October 23rd.

"I am pleased to share our team has begun the important work to make progress towards achieving our focus for year one of our overall plan. Over the last few months, we have been productive and found efficient ways to achieve the best outcome for our students while operating with the focus of our core strategies."

Some of the key highlights of the programs and initiatives implemented under the strategic plan for year one include:

- New CARE rooms in all school buildings
- Career Exploration Events
- Safety & Security Committee formed
- Identified SAEBRS Tool to be used district-wide (Social, Academic, and Emotional Behavior Risk Screener)
- Aspiring Principal Institute will begin 2019
- Established partnerships benefitting high school students with RCC to provide training as well as a joint venture with the local IBEW for MC3 curriculum

Information about the district's Strategic Plan can be found on our website:
