

Where tomorrow's learning takes place today!

Your New Before and After School Provider in Decatur SD 61!

Innovation Learning is an extended learning provider, offering before and after school programs that help children develop 21st Century skills in a safe, fun, and structured setting, right at your school!

Registration Open on June 14! Only \$5 per Child to Register June 14 - July 30

We are focused on recreation, academics and fun! Our program engages students in using problem-solving skills, cultivating creativity, and building their capacity for innovation. We offer fun and stimulating activities so students succeed socially and academically, and are better prepared for their innovative futures. For more information on how your child can be part of the Innovation Learning program at your school, contact us at 1-866-239-3661.

Innovation Learning offers a sibling discount, accepts Illinois DHS subsidy and has financial aid and scholarships available at every Decatur SD 61 School.
