 - District Appeal Committee needs to be established as soon as possible

- Finance Committee members and members and other Board present intend to go forward with (approve) the recommendation that was presented at December 10th Board meeting
 - Boundary Recommendation will be presented for consideration of approval at the January 14th Board meeting

BOLD Facility Plan – Update/Discussion

- Current plan intentions were reviewed
 - Add four (4) classrooms at South Shores
 - No additional space currently planned for French
 - Gym spaces would be prefab concrete
- Current space issues were discussed
 - The issuance of Health Life Safety bonds requires replacement of equivalent square footage from Durfee and old Johns Hill.
 - South Shores likely doesn't need four spaces, but could plan for two with two additional as an alternate.
 - Two (2) classrooms could be added to either Parsons, Muffley, or west side of Franklin.
 - Two (2) classrooms could be added at “new” French providing space for future 7th and 8th grade students
 - Changes in design elements would require gym spaces to be built as metal gyms instead of precast concrete.
- Finance Committee members, along with other Board members present, support proceeding the following recommendation:
 - South Shores:
 - Add two (2) planned classrooms at South Shores
 - Level Floor before adding any additional classrooms beyond the base of two
 - Alternate bid for an additional two (2) classrooms contingent on available funding
 - French
 - Add two (2) additional classrooms at now French Academy, allowing for future expansion of the middle school program.
 - All Gymnasiums
 - Move forward with metal gymnasiums with alternate bids for precast concrete
- Julie Fane and Eldon Conn will be told about the updated recommendations before the January 14th Board meeting
- Discussion regarding Baum and Muffley
 - Administration will provide guidance, similar to the expansion of Dennis, allowing the two building staffs to develop the dual campus concept.

Meeting adjourned at 5:10 PM
