- Expanded/improved secondary athletic/activities facilities
- Efficient reuse of NC and SC
- 8th and 10th grades will feel like they are in HS
- Less student transitions

CONS OF THIS OPTION:

- Land availability
- New HS unlikely to be in WBL (identity?)
- Closing CM and SP - empty - how to use? Boundaries?
- New HS Location - If not central than transp. issues
- Alt: #1: 760 seats unused
- Alt: #1: Staffing/programming expensive
- Alt: #1: No MS in Hugo
- Equity across ES?
- NC - not good for MS?

**Lets continue the activities we offer such as, Journal writing, IXL(10 3rd grade LA skills 20k Math questions, 5K SS questions), 99Math, [TimesTables.com](https://www.timestables.com), PBS Kids, visits from Children’s Museum, 4-H (Robotics) Homework Help, acknowledging seasonal holidays, Black History Month (WHO AM I), Women’s History Month, Spelling Bee, Olympics, as well as celebrate our Students and Staff’s personal achievements. We offer some of the same activities as Champion does with the exception of Summer hours, Spring Break, and Schools-Day out...this could be an added bonus for our working families.

**Lets continue to be pro-active and work together to help Families, Staff and students make the program the best it can be.

*****I ask that you reach out to these families, Staff and Community partners that we have relationships with and please let us continue to provide a high quality program that is much needed and that the children deserve. Where can you go to find a more qualified, responsible, dependable staff that cares for the success of children.**

TOGETHER. We want to be that ONE VOICE and embrace the inevitable change to come. I understand that it may not look the same in the way of funding and salaries but sacrifices and concessions will have to be made. The success of this program thus far and the waiting list is saying let’s continue what we have.

**Let us all continue to be CHAMPIONS.
Thank you for your attention to this matter.**

- Issuing a report on your internal control over compliance in accordance with the Uniform Guidance
- Issuing a report on your schedule of expenditures of federal awards

We understand the basic financial statements are prepared in accordance with the modified cash basis of accounting and the annual financial report is prepared in accordance with the regulatory basis of accounting.

We will also express an opinion on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will complete the auditee portion of the Form SF-SAC (Data Collection Form) through the Federal Audit Clearinghouse. We will not make the submission on your behalf. You will review a draft(s) of the submission prior to transmission and agree that you are solely responsible for approving the final draft for transmission as well as for the auditee submission and certification.

We will also provide you with the following nonattest services:

- Clerical assistance with preparing the financial statements and related notes

You agree to assume all management responsibilities and to oversee the nonattest services we will provide by designating an individual possessing suitable skill, knowledge, and/or experience. You acknowledge that nonattest services are not covered under *Government Auditing Standards*. You are responsible for:

- Making all management decisions and performing all management functions
- Evaluating the adequacy and results of the services performed
- Accepting responsibility for the results of such services
- Designing, implementing, and maintaining internal controls, including monitoring ongoing activities

Heather M. Powell is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report(s) upon completion of our audit(s), addressed to the following parties:

Entity Name

Decatur School District No. 61

Party Name

Board of Education

You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports.

The following apply for the audit services described above:

**Our
Responsibilities**

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the Uniform Guidance. Those standards require that we plan and perform:

- The audit of the financial statements to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error
- The audit of compliance to obtain reasonable rather than absolute assurance about whether the entity(ies) complied with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each major federal award program

We will exercise professional judgment and maintain professional skepticism throughout the audit.

We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

We will identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the entity's compliance with compliance requirements subject to audit and performing such other procedures as the auditor considers necessary in the circumstances.

We will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that the auditor identified during the audit.

**Limitations &
Fraud**

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit that is planned and conducted in accordance with GAAS will always detect a material misstatement or material noncompliance with federal award programs when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

The risk of not detecting a material misstatement or material noncompliance resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and Forvis Mazars, LLP.

Opinion

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph(s) to our auditor's report, or if necessary, decline to express an opinion or withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Your
Responsibilities**

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the accuracy and completeness of all information provided and for the following:

- **Audit Support** – to provide us with:
 - Unrestricted access to persons within the entity or within components of the entity (including management, those charged with governance, and component auditors) from whom we determine it necessary to obtain audit evidence
 - Information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including access to information relevant to disclosures
 - Information about events occurring or facts discovered subsequent to the date of the financial statements, of which management may become aware, that may affect the financial statements
 - Information about any known or suspected fraud affecting the entity involving management, employees with significant role in internal control, and others where fraud could have a material effect on the financials
 - Identification and provision of report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the audit, including whether related recommendations have been implemented
 - Additional information that we may request for the purpose of the audit

- **Internal Control and Compliance** – for the:
 - Design, implementation, and maintenance of internal control relevant to compliance with laws and regulations and the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
 - Alignment of internal control to ensure that appropriate goals and objectives are met; that management and financial information is reliable and properly reported; and that compliance with and identification of the laws, regulations, contracts, grants, or agreements (including any federal award programs) applicable to the entity's activities is achieved
 - Remedy, through timely and appropriate steps, of fraud and noncompliance with provisions of laws, regulations, contracts, or other agreements reported by the auditor
 - Establishment and maintenance of processes to track the status and address findings and recommendations of auditors

- **Accounting and Reporting** – for the:
 - Maintenance of adequate records, selection and application of accounting principles, and the safeguard of assets
 - Adjustment of the financial statements to correct material misstatements and confirmation to us in the representation letter that the effects of any uncorrected misstatements aggregated by us are immaterial, both individually and in the aggregate, to the financial statements taken as a whole
 - Preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (or other basis if indicated in the contract)
 - Inclusion of the auditors' report in any document containing financial statements that indicates that such financial statements have been audited by us
 - Distribution of audit reports to any necessary parties

**Required
Supplementary
Information**

Accounting principles generally accepted in the United States of America provide for certain required supplementary information (RSI) to accompany the basic financial statements. We understand the following RSI will accompany the basic financial statements:

1. Management's Discussion and Analysis (MD&A)
2. Budgetary comparison
3. Pension and Other Postemployment Benefit information

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management is responsible for the fair presentation of the RSI. As part of our engagement, we will apply certain limited procedures to the RSI in GAAS. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Supplementary
Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

Such information is:

- Presented for the purpose of additional analysis of the financial statements
- Not a required part of the financial statements
- The responsibility of management
- Subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS

**Written
Confirmations
Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

**Peer Review
Report**

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract, upon request. If you would like a copy, please request from your engagement executive.

GENERAL

1. **Overview.** This addendum describes **Forvis Mazars, LLP's** standard terms and conditions ("Terms and Conditions") applicable to Our provision of services to the Client ("You"). The Terms and Conditions are a part of the contract between You and Forvis Mazars, LLP. For the purposes of the Terms and Conditions, any reference to "Firm," "We," "Us," or "Our" is a reference to Forvis Mazars, LLP ("Forvis Mazars"), and any reference to "You" or "Your" is a reference to the party or parties that have engaged Us to provide services and the party or parties ultimately responsible for payment of Our fees and costs.

BILLING, PAYMENT, & TERMINATION

2. **Billing and Payment Terms.** We will bill You for Our professional fees and costs as outlined in Our contract. Unless otherwise provided in Our contract, payment is due upon receipt of Our billing statement. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10 percent. All fees, charges, and other amounts payable to Forvis Mazars hereunder do not include any sales, use, excise, value-added, or other applicable taxes, tariffs, or duties, payment of which shall be Your sole responsibility, and do not include any applicable taxes based on Forvis Mazars' net income or taxes arising from the employment or independent contractor relationship between Forvis Mazars and Forvis Mazars' personnel.

We reserve the right to suspend or terminate Our work for this engagement or any other engagement for nonpayment of fees. If Our work is suspended or terminated, You agree that We will not be responsible for Your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against You resulting from Your failure to meet such deadlines, and for any other damages (including but not limited to consequential, indirect, lost profits, or punitive damages) incurred as a result of the suspension or termination of Our services.

Our fees may increase if Our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards. Our engagement fees do not include any time for post-engagement consultation with Your personnel or third parties, consent letters and related procedures for the use of Our reports in offering documents, inquiries from regulators, or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

3. **Billing Records.** If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, We agree to make available to the Secretary of Health and Human Services, or to the U.S. Comptroller General, or any of their duly authorized representatives, such of Our books, documents, and records that are necessary to certify the nature and extent of Our services, until the expiration of four (4) years after the furnishing of these services. This contract allows access to contracts of a similar nature between

subcontractors and related organizations of the subcontractor, and to their books, documents, and records.

4. **Termination.** Either party may terminate these services in good faith at any time for any reason, including Your failure to comply with the terms of Our contract or as We determine professional standards require. Both parties must agree, in writing, to any future modifications or extensions. If services are terminated, You agree to pay Forvis Mazars for time expended to date. In addition, You will be billed costs and fees for services from other professionals, if any, as well as an administrative fee of five (5) percent to cover certain technology and administrative costs associated with Our services. Unless terminated sooner in accordance with its terms, this engagement shall terminate upon the completion of Forvis Mazars' services hereunder.

DISPUTES & DISCLAIMERS

5. **Mediation.** Any dispute arising out of or related to this engagement will, prior to resorting to litigation, be submitted for nonbinding mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. The mediator will be selected by agreement of the parties. The mediation proceeding shall be confidential. Each party will bear its own costs in the mediation, but the fees and expenses of the mediator will be shared equally.
6. **Indemnification.** Unless disallowed by law or applicable professional standards, You agree to hold Forvis Mazars harmless from any and all claims which arise from knowing misrepresentations to Forvis Mazars, or the intentional withholding or concealment of information from Forvis Mazars by Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. You also agree to indemnify Forvis Mazars for any claims made against Forvis Mazars by third parties, which arise from any wrongful actions of Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. The provisions of this paragraph shall apply regardless of the nature of the claim.
7. **Statute of Limitations.** You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether Forvis Mazars performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of Forvis Mazars in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.
8. **Limitation of Liability.** You agree that Forvis Mazars' liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. This

limitation shall not apply to the extent it is finally, judicially determined that the liability resulted from the intentional or willful misconduct of Forvis Mazars or if enforcement of this provision is disallowed by applicable law or professional standards.

9. **Waiver of Certain Damages.** In no event shall Forvis Mazars be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise.

THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY THE PARTIES, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE.**
12. **Severability.** In the event that any term or provision of this agreement shall be held to be invalid, void, or unenforceable, then the remainder of this agreement shall not be affected, and each such term and provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.
13. **Assignment.** You acknowledge and agree that the terms and conditions of this contract shall be binding upon and inure to the parties' successors and assigns, subject to applicable laws and regulations.
14. **Disclaimer of Legal or Investment Advice.** Our services do not constitute legal or investment advice. You should seek the advice of legal counsel in such matters. This fee will be payable prior to Our personnel commencing employment with You. Provided, however, You shall not be in violation of the nonsolicitation covenant set forth herein with respect to any position You advertise in the form of a general solicitation not delivered to or focused upon any single individual.
31. **Use of Forvis Mazars Name.** Any time You intend to reference Forvis Mazars' firm name in any manner in any published materials, including on an electronic site, You agree to provide Us with draft materials for review and approval before publishing or posting such information.
32. **Network.** Forvis Mazars, LLP is a Delaware limited liability partnership and an independent member of Forvis Mazars Global Ltd., a leading global professional services network. Board of Education Decatur Public School District #61

Date: April 14, 2026	Subject: Establish Permanent Blanket Purchase Order Limit for Menards
Initiated By: Floyd Bolt, Director of Buildings and Grounds	Attachments: N/A
Reviewed By: Dr. Michael Curry, Chief Operations Officer, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Blanket purchase orders (POs) are created to purchase supplies for the Buildings and Grounds Department that are needed immediately and must remain within predetermined daily and aggregate limits. As outlined in the current document, “we have blanket POs set up with suppliers that we commonly frequent,” and historically these limits “do not exceed the predetermined limit which is currently \$24,999.00.” Due to sustained increases in material costs and the ongoing need for timely procurement, the current blanket PO limit for Menards is no longer adequate to support operational needs. Rising costs have required this limit to be increased each year, and although the intent last year was to establish a permanent increase, the limit was only raised temporarily. The department again requires a higher limit this year and is requesting that this increase be made permanent to ensure consistent, uninterrupted purchasing capability moving forward.

CURRENT CONSIDERATIONS:

The Buildings and Grounds department is requesting that the Board of Education approve a **permanent increase** to the Menards blanket PO limit. Rather than adjusting the PO annually, this change would establish a new standing limit that reflects current market pricing and ensures uninterrupted purchasing capability. The department recommends increasing the permanent blanket PO limit from **\$24,999.00 to \$39,999.00**, aligning with the updated operational needs and cost realities.

FINANCIAL CONSIDERATIONS:

A permanent increase to the blanket PO limit will reduce administrative delays and eliminate the need for repeated approval requests. This adjustment reflects ongoing inflationary price increases, higher costs of essential building and maintenance supplies, a sustained increase in project volume, and the continued need for rapid procurement to maintain facilities and learning environments.

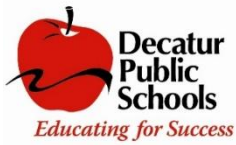

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the permanent increase of the Menards Blanket PO from \$24,999.00 to \$39,999.00 as presented.

Board of Education Decatur Public School District #61

Date: April 14, 2026	Subject: Award of Roofing Improvements for: Buildings & Grounds (partial)
Initiated By: Floyd Bolt, Director of Buildings and Grounds	Attachments: Bid Tabulation Letter and Form from BLDD Architects dated March 17, 2026
Reviewed By: Dr. Michael Curry, Chief Operations Officer, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

On an ongoing basis, the roofs of Decatur Public Schools (DPS) facilities have reached and/or exceed their serviceable lifespan. DPS has prioritized projects through a continuing effort to inventory and document the condition of roofs on all buildings.

CURRENT CONSIDERATIONS:

This bid package holds a Base Bid A and an Alternate Bid A-1 for work to be completed at Buildings and Grounds (B&G). It is Administrations recommendation that if we do not pursue both Base Bid A and Alternative Bid A-1, then administration respectfully requests that the Board of Education accept and approve Base Bid A. B&G Administration worked with BLDD Architects to develop bidding documents to improve portions of the B&G roof decks. The bidding documents allowed the contractor to provide either Tremco Roofing and/or Garland Roofing products as both manufacturers provide high quality and comparable roofing systems. Contractors were considered which are qualified to install either, or both, of the manufacturer's systems. Bids were received from two (2) qualified roofing contractors. The lowest responsible bid was:

- Buildings & Grounds Base Bid A – \$159,175.00 – Top Quality Roofing
- Buildings & Grounds Alternative Bid A-1 – \$183,400.00 – Top Quality Roofing
- Buildings & Grounds Base Bid A + Alternative Bid A-1 – \$342,575 – Top Quality Roofing

FINANCIAL CONSIDERATIONS:

Services covered by the bid for Buildings and Grounds will be paid for under Fund 60.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education accept and approve the bid as detailed above. The awarded amounts to Top Quality Roofing of Mt. Zion, IL will be \$342,575 for B&Gs.

Reviewed By: Dr. Larry Gray, Assistant Superintendent of Teaching & Learning, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Decatur Public Schools is making the transition from balanced literacy to structured literacy (Science of Reading) in alignment with the guidance from the Illinois Literacy Plan. Structured literacy an evidence-based, explicit, and systematic approach to teaching reading and writing. It breaks down literacy into foundational skills—phonology, phonics, and syntax—using a diagnostic, cumulative approach that moves from simple to complex. The Institute for Multi-Sensory Education (IMSE) provides Orton-Gillingham (OG) training and curricula designed to make structured literacy accessible to all educators, particularly for reading, writing, and spelling interventions. IMSE’s approach (often called OG+) is evidence-based, focusing on explicit, multisensory, and sequential instruction suitable for all students.

CURRENT CONSIDERATIONS:

As part of the District’s Professional Development plan, OG+ and Morphology+ will be offered to teachers from the district. Teachers who participated in OG+ last summer will also receive additional coaching. The professional development also includes resources for teachers to implement practices immediately in their classroom.

FINANCIAL CONSIDERATIONS:

The total cost is \$61,288 and will be paid utilizing Title II funds.

The Administration respectfully requests the Board of Education approve IMSE Orton Gillingham Professional Development as presented.

NO VARIATION OF THESE TERMS AND CONDITIONS ARE BINDING ON SELLER UNLESS AGREED TO IN WRITING SIGNED BY AN AUTHORIZED REPRESENTATIVE OF IXL LEARNING.

1. **PRICING:** The quoted purchase price of the license is valid through the "Price valid until" date on page 1. This price is not binding on IXL unless you have accepted it by sending us an executed Sales Contract by that date.
2. **PAYMENT:** If IXL decides to accept your Sales Contract, we will issue you an invoice. Complete payment of the amount of the stated purchase price is due within sixty (60) days of the invoice date. If payment is not received by the Seller within 60 days, the invoice is considered past due. IXL licenses with past due payments will be put on hold and are subject to termination. Termination does not relieve the Purchaser of the obligation to pay fees due to the Seller.

The full invoice amount must be paid either by check or by credit card. We accept Visa, MasterCard, American Express, and Discover.

All checks should be mailed to:

IXL Learning
777 Mariners Island Blvd., Suite 600
San Mateo, CA 94404

Credit card payments may be made by phone at (855) 255-8800.

Any late payment will incur interest at the rate of the lesser of 1% a month or the maximum permissible by law.

3. **CANCELLATION AND REFUND:** No cancellation will be accepted, and no refund issued, if it is more than thirty (30) days beyond the date of purchase for the license referenced in this Sales Contract. For cancellations and refunds of the license tendered under this Sales Contract to be accepted, the Seller must receive written notification of the cancellation within 30 days of purchase. Cancellations requested outside of the 30-day period will not be refunded, and the Purchaser will be responsible for completing the purchase as stated in the Sales Contract.
4. **LICENSES:** IXL grants you the right to provide access, through unique log-in IDs, to no more individuals than the quantity indicated on the first page. The terms and conditions of use for each of these individuals are governed by our website's Terms of Service. You agree to be responsible for their accounts, to monitor their use of their accounts, and to indemnify, defend, and hold us harmless for any claims arising out of or related to their use of IXL Learning's website and services. To the extent that these individuals are minors, you consent to our collection of their personal information as described in our Privacy Policy.

Classroom and Site licenses will be activated immediately upon receipt of your payment unless another date is specified or agreed to by IXL. Activation confirmation will be sent to the e-mail address provided by the school or individual completing the purchase.

If an individual who has an IXL account through a Classroom or Site license purchased by you is no longer affiliated with you, you may request that we deactivate the individual's account, or no longer associate it with your license, so that that license can be reassigned to another individual associated with your institution.

If you are a teacher, you represent and warrant that you have permission and authorization from your school and/or district to use the Services as part of your curriculum, and for purposes of Children's Online Privacy Protection Act ("COPPA") compliance, you represent and warrant that you are entering into these Terms on behalf of your school and/or district.

5. **PRIVACY:** If you are a school, district, or teacher, you acknowledge and agree that you are responsible for complying with COPPA, meaning that you must obtain advance written consent from all parents or guardians whose children under 13 will be accessing the website and services and you represent and warrant that you have obtained that consent. When obtaining consent, you must provide parents and guardians with our Privacy Policy. You are to keep all consents on file and provide them to us if we request them.

 - a. YOUR USE OF THE SERVICE IS AT YOUR SOLE RISK. THE SERVICE IS PROVIDED "AS IS," "AS AVAILABLE," AND WITH ALL FAULTS. Date: April 14, 2026	Subject: Renaissance Renewal for the 2026-2027 School Year
Initiated By: Mary Brady and Dr. Edwin Robinson, P-12 Directors of Teaching & Learning	Attachments: Quote #Q-438754
Reviewed By: Dr. Larry Gray, Assistant Superintendent of Teaching & Learning, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Since 2018 Decatur Public Schools has utilized Fastbridge for their Benchmark Assessment measures as well as the tool for MTSS Academic Progress Monitoring. Fastbridge is purchased on a yearly subscription. In 2023 the parent company for Fastbridge was purchased by Renaissance. Renaissance has a suite of products, which includes STAR Assessments and DnA. Star Assessments are computer-adaptive tests, meaning each student’s testing experience is unique. For new students, Star starts at grade level—or at the level set by their teacher. For returning students, Star picks up at the level they left off. By adapting to students and eliminating unnecessary questions, Star can accurately measure student performance and growth with fewer items and less time. Complete results are immediately available for educators via interactive, easy-to-read reports. DnA is an assessment bank of over 80,000 questions which can be customized to align with the District’s scope and sequence. DnA is also an assessment storage solution.

CURRENT CONSIDERATIONS:

In 2026, the District will transition to the STAR for the Benchmark Assessment at all grade levels. Fastbridge will be maintained for MTSS Academic Progress Monitoring. In addition to the assessment and assessment storage solutions the following items will also be included myON News, a portion of the myON books collection, formative knowledge checks, the core Nearpod library, plus the AI teacher tools and Star Phonics.

FINANCIAL CONSIDERATIONS:

The total cost is \$146,304.69. The cost will be covered through Title I funds.

The Administration respectfully requests the Board of Education approve the Renaissance Renewal for the 2026-2027 School Year as presented.

Board of Education Decatur Public School District #61

Date: April 14, 2026	Subject: School Supply Boxes
Initiated By: Mary Brady, P-12 Director of Teaching & Learning	Attachments: Quote #D911; Sole Source Vendor Letter
Reviewed By: Dr. Larry Gray, Assistant Superintendent of Teaching & Learning, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

In March 2026, Decatur Public Schools received a significant amount of Title I Roll-Over funds. These funds need to be spent prior to August 30, 2026 or they will be forfeited by the district. Title I funds provide supplemental funding to state and Local Education Agencies (LEAs). The funding provides resources to LEAs and schools with high percentages of children from low-income families. Title I resources improve education quality and help ensure that all children meet challenging state academic standards. Title I services focus on children who are failing or who are most at risk of failing to meet state academic standards.

CURRENT CONSIDERATIONS:

School supply boxes will be purchased for each student in grades Kindergarten through Eighth grade. Each student will be provided with a 32-piece (K-4) and 51-piece (5-8) school supply box. The school supply boxes include Crayola brand crayons, marker, and colored pencils; Elmer glue/glue sticks; and Dixon #2 pencils. School Supply Boxes are the sole provider of these kits. An overage on the student counts will assist with students needing additional supplies throughout the year to have access to supplies.

FINANCIAL CONSIDERATIONS:

The total cost is \$187,235.00 and will be covered by Title I funds.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the purchase of the School Supply Boxes as presented.

Board of Education Decatur Public School District #61

Date: April 14, 2026	Subject: Take Home Kits
Initiated By: Mary Brady, P-12 Director of Teaching & Learning	Attachments: Quote #D911; Sole Source Vendor Letter
Reviewed By: Dr. Larry Gray, Assistant Superintendent of Teaching & Learning, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

In March 2026, Decatur Public Schools received a significant amount of Title I Roll-Over funds. These funds need to be spent prior to August 30, 2026 or they will be forfeited by the district. Title I funds provide supplemental funding to state and Local Education Agencies (LEAs). The funding provides resources to LEAs and schools with high percentages of children from low-income families. Title I resources improve education quality and help ensure that all children meet challenging state academic standards. Title I services focus on children who are failing or who are most at risk of failing to meet state academic standards.

CURRENT CONSIDERATIONS:

Take-Home Kits from Teacher Created Materials will include grade-level appropriate materials and activities that students can complete independently or with family support. The resources selected are engaging, accessible, and aligned to key standards, ensuring that students have meaningful opportunities to practice reading, writing, and critical thinking skills away from the classroom. Distribution plans are being finalized to ensure that all students in grades Kindergarten through 8th grade receive their kits prior to the end of the school year.

FINANCIAL CONSIDERATIONS:

The total cost is \$228,764 and it will be paid utilizing Title I grant funds.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the purchase of the Take Home Kits as presented.
