Initiated By: Maria Robertson, Community Engagement Director	Attachments: Lamar Contract #4501459
Reviewed By: Dr. Mike Curry, Chief Operational Officer, and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

The Communications Department has allocated advertising funds out of the department's budget for the use of digital billboards as a platform to share district news and updates. Currently, two (2) billboards in Decatur are being used for advertising. Graphics for digital billboards can be swapped out at any time and as frequently as needed.

CURRENT CONSIDERATIONS:

The Communications Department would like to add a third digital billboard location:

- 1) Billboard Location #1: 525 Franklin Street (north bound traffic)
- 2) Billboard Location #2: 1816 N. Water Street (north bound traffic)
- 3) ***NEW Billboard Location #3: 2767 N. Main Street (south bound traffic)***

These locations are positioned in high-traffic areas (along Hwy 51) which have repeated exposure ensuring messaging can be seen multiple times by commuters. Large and dynamic formats of a digital billboard allow for creative and impactful advertisements.

FINANCIAL CONSIDERATIONS:

The advertising cost for three (3) digital billboards is \$32,500.00 for thirteen months starting May 2024 through June 2025. Adding a third billboard location is discounted \$2,600.

- Expressing an opinion on the financial statements
- Issuing a report on your internal control over financial reporting and compliance and other matters based on the audit of your financial statements in accordance with *Government Auditing Standards*

We understand the annual financial report is prepared in accordance with the regulatory basis of accounting.

We will also express an opinion on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will complete the auditee portion of the Form SF-SAC (Data Collection Form) through the Federal Audit Clearinghouse. We will not make the submission on your behalf. You will review a draft(s) of the submission prior to transmission and agree that you are solely responsible for approving the final draft for transmission as well as for the auditee submission and certification.

We will also provide you with the following nonattest services:

- Preparing a draft of the financial statements and related notes
- Preparing a draft of the supplementary information, including the schedule of expenditures of federal awards

You agree to assume all management responsibilities and to oversee the nonattest services we will provide by designating an individual possessing suitable skill, knowledge, and/or experience. You acknowledge that nonattest services are not covered under *Government Auditing Standards*. You are responsible for:

- Evaluating the adequacy and results of the services performed
- Accepting responsibility for the results of such services

Entity Name

Decatur School District No. 61

Party Name

Board of Education

You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports.

The following apply for the audit services described above:

**Our
Responsibilities**

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and the Uniform Guidance. Those standards require that we plan and perform:

- The audit of the financial statements to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error
- The audit of compliance to obtain reasonable rather than absolute assurance about whether the entity complied with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each major federal award program

We will exercise professional judgment and maintain professional skepticism throughout the audit.

We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

We will identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the entity's compliance with compliance requirements subject to audit and performing such other procedures as the auditor considers necessary in the circumstances.

We will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that the auditor identified during the audit.

Limitations & Fraud

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit that is planned and conducted in accordance with GAAS will always detect a material misstatement or material noncompliance with federal award programs when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

The risk of not detecting a material misstatement or material noncompliance resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and FORVIS.

Opinion

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph(s) to our auditor's report, or if necessary, decline to express an opinion or withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Your
Responsibilities**

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the accuracy and completeness of all information provided and for the following:

- **Audit Support** – to provide us with:
 - Unrestricted access to persons within the entity or within components of the entity (including management, those charged with governance, and component auditors) from whom we determine it necessary to obtain audit evidence
 - Information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including access to information relevant to disclosures
 - Information about events occurring or facts discovered subsequent to the date of the financial statements, of which management may become aware, that may affect the financial statements
 - Information about any known or suspected fraud affecting the entity involving management, employees with significant role in internal control, and others where fraud could have a material effect on the financials
 - Identification and provision of report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the audit, including whether related recommendations have been implemented
 - Additional information that we may request for the purpose of the audit
- **Internal Control and Compliance** – for the:
 - Design, implementation, and maintenance of internal control relevant to compliance with laws and regulations and the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
 - Alignment of internal control to ensure that appropriate goals and objectives are met; that management and financial information is reliable and properly reported; and that compliance with and identification of the laws, regulations, contracts, grants, or agreements (including any federal award programs) applicable to the entity's activities is achieved
 - Remedy, through timely and appropriate steps, of fraud and noncompliance with provisions of laws, regulations, contracts, or other agreements reported by the auditor
 - Establishment and maintenance of processes to track the status and address findings and recommendations of auditors
- **Accounting and Reporting** – for the:
 - Maintenance of adequate records, selection and application of accounting principles, and the safeguard of assets
 - Adjustment of the financial statements to correct material misstatements and confirmation to us in the representation letter that the effects of any uncorrected misstatements aggregated by us are immaterial, both individually and in the aggregate, to the financial statements taken as a whole
 - Preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (or other basis if indicated in the contract)
 - Inclusion of the auditors' report in any document containing financial statements that indicates that such financial statements have been audited by us
 - Distribution of audit reports to any necessary parties

The results of our tests of compliance and internal control over financial reporting performed in connection with our audit of the financial statements may not fully meet the reasonable needs of report users. Management is responsible for obtaining audits, examinations, agreed-upon procedures, or other engagements that satisfy relevant legal, regulatory, or contractual requirements or fully meet other reasonable user needs.

**Required
Supplementary
Information**

Accounting principles generally accepted in the United States of America provide for certain required supplementary information ("RSI") to accompany the basic financial statements. We understand the following RSI will accompany the basic financial statements:

1. Management's Discussion and Analysis ("MD&A")
2. Budgetary comparison
3. Pension and Other Postemployment Benefit information

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management is responsible for the fair presentation of the RSI. As part of our engagement, we will apply certain limited procedures to the RSI in GAAS. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Supplementary
Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

Such information is:

- Presented for the purpose of additional analysis of the financial statements
- Not a required part of the financial statements
- The responsibility of management
- Subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS

**Written
Confirmations
Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

**Peer Review
Report**

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract, upon request. If you would like a copy, please request from your engagement executive.

GENERAL

1. **Overview.** This addendum describes **FORVIS LLP's** standard terms and conditions ("Terms and Conditions") applicable to Our provision of services to the Client ("You"). The Terms and Conditions are a part of the contract between You and FORVIS, LLP. For the purposes of the Terms and Conditions, any reference to "Firm," "We," "Us," or "Our" is a reference to FORVIS, LLP ("FORVIS"), and any reference to "You" or "Your" is a reference to the party or parties that have engaged Us to provide services and the party or parties ultimately responsible for payment of Our fees and costs.

BILLING, PAYMENT, & TERMINATION

2. **Billing and Payment Terms.** We will bill You for Our professional fees and costs as outlined in Our contract. Unless otherwise provided in Our contract, payment is due upon receipt of Our billing statement. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10 percent. All fees, charges, and other amounts payable to FORVIS hereunder do not include any sales, use, excise, value-added, or other applicable taxes, tariffs, or duties, payment of which shall be Your sole responsibility, and do not include any applicable taxes based on FORVIS' net income or taxes arising from the employment or independent contractor relationship between FORVIS and FORVIS' personnel.

We reserve the right to suspend or terminate Our work for this engagement or any other engagement for nonpayment of fees. If Our work is suspended or terminated, You agree that We will not be responsible for Your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against You resulting from Your failure to meet such deadlines, and for any other damages (including but not limited to consequential, indirect, lost profits, or punitive damages) incurred as a result of the suspension or termination of Our services.

Our fees may increase if Our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards. Our engagement fees do not include any time for post-engagement consultation with Your personnel or third parties, consent letters and related procedures for the use of Our reports in offering documents, inquiries from regulators, or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

3. **Billing Records.** If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, We agree to make available to the Secretary of Health and Human Services, or to the U.S. Comptroller General, or any of their duly authorized representatives, such of Our books, documents, and records that are necessary to certify the nature and extent of Our services, until the expiration of four (4) years after the furnishing of these services. This contract allows access to contracts of a similar nature between subcontractors and related organizations of the subcontractor, and to their books, documents, and records.

4. **Termination.** Either party may terminate these services in good faith at any time for any reason, including Your failure to comply with the terms of Our contract or as We determine professional standards require. Both parties must agree, in writing, to any future modifications or extensions. If services are terminated, You agree to pay FORVIS for time expended to date. In addition, You will be billed costs and fees for services from other professionals, if any, as well as an administrative fee of five (5) percent to cover certain technology and administrative costs associated with Our services. Unless terminated sooner in accordance with its terms, this engagement shall terminate upon the completion of FORVIS' services hereunder.

DISPUTES & DISCLAIMERS

5. **Mediation.** Any dispute arising out of or related to this engagement will, prior to resorting to litigation, be submitted for nonbinding mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. The mediator will be selected by agreement of the parties. The mediation proceeding shall be confidential. Each party will bear its own costs in the mediation, but the fees and expenses of the mediator will be shared equally.
6. **Indemnification.** Unless disallowed by law or applicable professional standards, You agree to hold FORVIS harmless from any and all claims which arise from knowing misrepresentations to FORVIS, or the intentional withholding or concealment of information from FORVIS by Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. You also agree to indemnify FORVIS for any claims made against FORVIS by third parties, which arise from any wrongful actions of Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. The provisions of this paragraph shall apply regardless of the nature of the claim.
7. **Statute of Limitations.** You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether FORVIS performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of FORVIS in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.
8. **Limitation of Liability.** You agree that FORVIS' liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. This limitation shall not apply to the extent it is finally, judicially determined that the liability resulted from the intentional or

willful misconduct of FORVIS or if enforcement of this provision is disallowed by applicable law or professional standards.

9. **Waiver of Certain Damages.** In no event shall FORVIS be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise.
10. **Choice of Law.** You acknowledge and agree that any dispute arising out of or related to this contract shall be governed by the laws of the State of Texas, without regard to its conflict of laws principles.
11. **WAIVER OF JURY TRIAL. THE PARTIES HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THIS AGREEMENT, OR ANY CLAIM, COUNTERCLAIM, OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY THE PARTIES, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE.**
12. **Severability.** In the event that any term or provision of this agreement shall be held to be invalid, void, or unenforceable, then the remainder of this agreement shall not be affected, and each such term and provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.
13. **Assignment.** You acknowledge and agree that the terms and conditions of this contract shall be binding upon and inure to the parties' successors and assigns, subject to applicable laws and regulations.
14. **Disclaimer of Legal or Investment Advice.** Our services do not constitute legal or investment advice. You should seek the advice of legal counsel in such matters. Regulatory authorities may interpret circumstances differently than We do. In addition, the applicable laws, regulations, and regulators' enforcement activities may change over time.

RECORDS, WORKPAPERS, DELIVERABLES, & PROPRIETARY INFORMATION

15. **Maintenance of Records.** You agree to assume full responsibility for maintaining Your original data and records and that FORVIS has no responsibility to maintain this information. You agree You will not rely on FORVIS to provide hosting, electronic security, or backup services, e.g., business continuity or disaster recovery services, to You unless separately engaged to do so. You understand that Your access to data, records, and information from FORVIS' servers, i.e., FORVIS portals used to exchange information, can be terminated at any time and You will not rely on using this to host Your data and records.

16. **FORVIS Workpapers.** Our workpapers and documentation retained in any form of media for this engagement are the property of FORVIS. We can be compelled to provide information under legal process. In addition, We may be requested by regulatory or enforcement bodies (including any State Board) to make certain workpapers available to them pursuant to authority granted by law or regulation. Unless We are prohibited from doing so by law or regulation, FORVIS will inform You of any such legal process or request. You agree We have no legal responsibility to You in the event We determine We are obligated to provide such documents or information.
17. **Subpoenas or Other Legal Process.** In the event FORVIS is required to respond to any such subpoena, court order, or any government regulatory inquiry or other legal process relating to You or Your management for the production of documents and/or testimony relative to information We obtained or prepared incident to this or any other engagement in a matter in which FORVIS is not a party, You shall compensate FORVIS for all time We expend in connection with such response at normal and customary hourly rates and to reimburse Us for all out-of-pocket expenses incurred in regard to such response.
18. **Use of Deliverables and Drafts.** You agree You will not modify any deliverables or drafts prepared by Us for internal use or for distribution to third parties. You also understand that We may on occasion send You documents marked as draft and understand that those are for Your review purpose only, should not be distributed in any way, and should be destroyed as soon as possible.

Our report on any financial statements must be associated only with the financial statements that were the subject of Our engagement. You may make copies of Our report, but only if the entire financial statements (exactly as attached to Our report, including related footnotes) and any supplementary information, as appropriate, are reproduced and distributed with Our report. You agree not to reproduce or associate Our report with any other financial statements, or portions thereof, that are not the subject of Our engagement.

19. **Proprietary Information.** You acknowledge that proprietary information, documents, materials, management techniques, and other intellectual property are a material source of the services We perform and were developed prior to Our association with You. Any new forms, software, documents, or intellectual property We develop during this engagement for Your use shall belong to Us, and You shall have the limited right to use them solely within Your business. All reports, templates, manuals, forms, checklists, questionnaires, letters, agreements, and other documents which We make available to You are confidential and proprietary to Us. Neither You, nor any of Your agents, will copy, electronically store, reproduce, or make any such documents available to anyone other than Your personnel. This provision will apply to all materials whether in digital, "hard copy" format, or other medium.

REGULATORY

20. **U.S. Securities and Exchange Commission ("SEC") and other Regulatory Bodies.** Where We are providing services either for (a) an entity that is registered with the SEC, (b) an affiliate of such registrant, or (c) an entity or affiliate that is subject to rules, regulations, or standards beyond those of the American Institute of Certified Public Accountants ("AICPA"),

any term of this contract that would be prohibited by or impair Our independence under applicable law or regulation shall not apply to the extent necessary only to avoid such prohibition or impairment.

21. **Offering Document.** You may wish to include Our report(s) on financial statements in an exempt offering document. You agree that any report, including any auditor's report, or reference to Our firm, will not be included in any such offering document without notifying Us. Any agreement to perform work in connection with an exempt offering document, including providing agreement for the use of the auditor's report in the exempt offering document, will be a separate engagement.

Any exempt offering document issued by You with which We are not involved will clearly indicate that We are not involved by including a disclosure such as, "FORVIS, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. FORVIS, LLP also has not performed any procedures relating to this offering document."

22. **FORVIS Not a Municipal Advisor.** FORVIS is not acting as Your municipal advisor under Section 15B of the *Securities Exchange Act of 1934*, as amended. As such, FORVIS is not recommending any action to You and does not owe You a fiduciary duty with respect to any information or communications regarding municipal financial products or the issuance of municipal securities. You should discuss such matters with internal or external advisors and experts You deem appropriate before acting on any such information or material provided by FORVIS.
23. **FORVIS Not a Fiduciary.** In providing Our attest services, We are required by law and our professional standards to maintain our independence from You. We take this mandate very seriously and thus guard against impermissible relationships which may impair the very independence which You and the users of Our report require. As such, You should not place upon Us special confidence that in the performance of Our attest services We will act solely in Your interest. Therefore, You acknowledge and agree We are not in a fiduciary relationship with You and We have no fiduciary responsibilities to You in the performance of Our services described herein.

TECHNOLOGY

24. **Electronic Sites.** You agree to notify Us if You desire to place Our report(s), including any reports on Your financial statements, along with other information, such as a report by management or those charged with governance on operations, financial summaries or highlights, financial ratios, etc., on an electronic site. You recognize that We have no responsibility to review information contained in electronic sites.
25. **Electronic Signatures and Counterparts.** This contract and other documents to be delivered pursuant to this contract may be executed in one or more counterparts, each of which will be deemed to be an original copy and all of which, when taken together, will be deemed to constitute one and the same agreement or document, and will be effective when counterparts have been signed by each of the parties and delivered to the other parties. Each party agrees that the electronic signatures, whether digital or encrypted, of the

parties included in this contract are intended to authenticate this writing and to have the same force and effect as manual signatures. Delivery of a copy of this contract or any other document contemplated hereby, bearing an original manual or electronic signature by facsimile transmission (including a facsimile delivered via the internet), by electronic mail in "portable document format" (".pdf") or similar format intended to preserve the original graphic and pictorial appearance of a document, or through the use of electronic signature software, will have the same effect as physical delivery of the paper document bearing an original signature.

26. **Electronic Data Communication and Storage.** In the interest of facilitating Our services to You, We may send data over the internet, temporarily store electronic data via computer software applications hosted remotely on the internet, or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, We employ measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with Our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that We have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by Us. You consent to Our use of these electronic devices and applications during this engagement.

OTHER MATTERS

27. **Cooperation.** You agree to cooperate with FORVIS in the performance of FORVIS' services to You, including the provision to FORVIS of reasonable facilities and timely access to Your data, information, and personnel. You shall be responsible for the performance of Your employees and agents.
28. **Third-Party Service Providers.** FORVIS may from time to time utilize third-party service providers, including but not limited to domestic software processors or legal counsel, or disclose confidential information about You to third-party service providers in serving Your account. FORVIS maintains, however, internal policies, procedures, and safeguards to protect the confidentiality and security of Your information. In addition, FORVIS will secure confidentiality agreements with all service providers to maintain the confidentiality of Your information. If We are unable to secure an appropriate confidentiality agreement, You will be asked to consent prior to FORVIS sharing Your confidential information with the third-party service provider.
29. **Independent Contractor.** When providing services to You, We will be functioning as an independent contractor; and in no event will We or any of Our employees be an officer of You, nor will Our relationship be that of joint venturers, partners, employer and employee, principal and agent, or any similar relationship giving rise to a fiduciary duty to You. Decisions regarding management of Your business remain the responsibility of Your personnel at all times. Neither You nor FORVIS shall act or represent itself, directly or by implication,

as an agent of the other or in any manner assume or create any obligation on behalf of, or in the name of, the other.

30. **Hiring of FORVIS Personnel.** We ask that You respect the employment relationship that Our personnel have with Our firm and to refrain from any employment offers to FORVIS personnel. However, if You find it necessary to make an offer of employment and if it is accepted, during the term of this engagement and for a period of 18 months after FORVIS stops providing services, You agree that We will be paid a one-time employment fee equal to 100 percent of the employee's highest annual salary. This fee will be payable prior to Our personnel commencing employment with You. Provided, however, You shall not be in violation of the nonsolicitation covenant set forth herein with respect to any position You advertise in the form of a general solicitation not delivered to or focused upon any single individual.
31. **Use of FORVIS Name.** Any time You intend to reference FORVIS' firm name in any manner in any published materials, including on an electronic site, You agree to provide Us with draft materials for review and approval before publishing or posting such information.
32. **Praxity.** FORVIS is an independent accounting firm allowed to use the name "Praxity" in relation to its practice. FORVIS is not connected, however, by ownership with any other firm using the name "Praxity." FORVIS will be solely responsible for all work carried out on Your behalf. In deciding to engage FORVIS, You acknowledge that We have not represented to You that any other firm using the name "Praxity" will in any way be responsible for Our work.
33. **Entire Agreement.** The contract, including this Terms and Conditions Addendum and any other attachments or addenda, encompasses the entire agreement between You and FORVIS and supersedes all previous understandings and agreements between the parties, whether oral or written. Any modification to the terms of this contract must be made in writing and signed by both You and FORVIS.
34. **Force Majeure.** We shall not be held responsible for any failure to fulfill Our obligations if such failure was caused by circumstances beyond Our control, including, without limitation, fire or other casualty, act of God, act of terrorism, strike or labor dispute, war or other violence, explosion, flood or other natural catastrophe, epidemic or pandemic, or any law, order, or requirement of any governmental agency or authority affecting either party, including without limitation orders incident to any such epidemic or pandemic, lockdown orders, stay-at-home orders, and curfews.

If the P12 Director of Teaching & Learning chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the P12 Director of Teaching & Learning. PHILOSOPHY OF THE DECATUR PUBLIC SCHOOLS ATHLETIC PROGRAM

The athletic program is an integral part of the education of all students who attend the Decatur Public Schools. Our goals and objectives are consistent with and comparable to those of the school district. All students have an equal opportunity to participate in athletic programs. No student shall be deprived of the right to participate because of lack of financial resources, nationality, race, color, religion, or sex, sexual orientation, disability, or marital status.

The Middle School Athletics Parent/Student Guide is designed for middle school parents and middle school students. The information is annually reviewed and updated by administrators, athletic directors, and coaches.

The athletic program will be broad based and as extensive as the facilities, staff, and finances can adequately support.

The leadership shall be of the highest quality so as to exemplify to the participants the desired type of individual to be developed from the athletic program.

The measurement of success of the leadership is not limited to win/loss records. It includes the success experienced in helping each participant develop his/her talents and desirable personal characteristics to their fullest.

The athletic program is a laboratory where students experience many of life's situations. Participation in this laboratory activity offers students the opportunity to improve character, dignity, self-worth, and concern for others. Students may learn to develop these human traits and grow as individuals to the extent of their capacity.

STATEMENT OF PURPOSE FOR THE ATHLETIC PROGRAM OF DPS #61

- A. Participation helps develop character, social competence, cooperation, and moral and ethical values that are an everyday part of our society.
- B. Participation develops a mutual respect for all who are involved in the competition: teammates, opponents, coaches, and officials.
- C. Participants must learn to abide by the rules, regulations, and decisions of officials, just as we all must abide by the laws that govern our society.
- D. Participation leads to a better understanding of our democratic ideals, social and economic well-being, and the spirit of fair play.
- E. Participation teaches a student that discipline and self-sacrifice are necessary ingredients of teamwork, if the end result is to be accomplished.
- F. Through participation, the individual will develop a healthy body, a sound mind, and a better understanding of individual differences.
- G. Participation provides valuable lessons which are learned in the course of competition; for example, winning, as well as losing, reflects team effort.
- H. Competition helps to develop the fundamental processes that lead to emotional maturity and self-control.
- I. Participation in the athletic program will cause participants and spectators to look forward to attending school, resulting in an improved student attitude toward school and school- related activities.
- J. Participation in athletic competition will give students an opportunity to achieve, not only for themselves, but for their team and school community and receive their just rewards in return.
- K. The individual school administration must provide adequate control and safety measures for the participants, officials, and spectators in order to insure the proper atmosphere for interscholastic events.
- L. Members of the athletic staff shall abide by the rules and regulations and officials' decisions which govern each sport, maintain the highest standard of ethics, recognize each participant as an individual, conduct themselves in a manner befitting their responsibilities, and develop the kind of rapport with the total school community that will improve the total educational program.

STUDENT CODE OF ETHICS

Decatur Public Schools #61 considers the welfare of the student our priority consideration.

A firm and fair policy of enforcement is necessary to uphold the regulations and standards of the athletic department. Decatur Public Schools Administration and the coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program of athletics. All athletes shall abide by a code of ethics which will earn them the honor and respect that participation and competition in the interscholastic program affords.

Any conduct that results in dishonor to the athlete, the team, the school, or Decatur Public Schools will not be tolerated. Acts of unacceptable conduct, such as, but not limited to theft, vandalism, disrespect, immorality or violations of law, tarnish the reputation of everyone associated with the athletic programs and will not be tolerated.

The student's first responsibility is to acquire a quality education. Our athletic programs are co-curricular activities, and the students first priority must be academic achievement.

Athletes are representatives of their school, and their actions and behavior must be such as to reflect a respected image of themselves, fellow students, parents, school, and community. They will spend a great amount of time and effort in participation with their respective sport, but hopefully, they will find it to be a rewarding and enjoyable experience that will be important to them now and in the years to come.

DPS #61 ATHLETIC CODE PROCEDURES

1. Coaches' rules shall be written and distributed so all participants and parents may read and review them. Rules will be shared through mandatory parent meetings.
2. Each coach will hold a team meeting to review team rules with the participants at the beginning of the sport season to make sure the participants are aware of them. A copy of the team rules, seasonal activity participation, and the Athletic Code will be distributed to the parents, or available online, attached to a participation permission form.
3. Coaches' rules must also include consequences for students who violate the rules.
4. Any student accused of violating a rule and subject to a consequence of a suspension of greater than three (3) games shall be informed of the nature of the offense and may request a hearing before the Principal and Athletic Director.

PROCEDURAL OFFENSES IN VIOLATION OF THE ATHLETIC CODE

A student found in violation of the Athletic Code may receive consequences up to and including dismissal from the team/activity for the remainder of the season or school year. Such violations include, but are not limited to:

- Use, possession, transfer, attempted transfer, sale or attempted sale of alcohol, tobacco products, e-cigarettes and/or any controlled/illegal substances or any lookalike, including any substance held out to be a drug, alcohol or tobacco product.
- Violations of individual coaches' rules, insubordination, poor sportsmanship, conduct detrimental to the team and to school spirit.
- Violations of academic integrity and ethics.
- Violations of the DPS 61 Student Code of Conduct.

DISCIPLINARY ACTION / ENFORCEMENT

Participation in athletics is a privilege.

A student who violates the Athletic Code and who has been provided a hearing and assessed a consequence cannot avoid the consequence by transferring to another Decatur Public School. The penalty will be enforced at the student's new school before the student can become eligible for participation.

When a student is dropped from his/her team for disciplinary reasons, it is important that he/she receive a fair notice and that he/she be given a hearing.

All coaches are responsible for reviewing the athletic code, individual school rules, and rules for their respective sport during the first week of practice with the Athletic Director, assistant coaches, students, and parents.

OUT-OF-SCHOOL SUSPENSION / CARE – TRANSITION ROOM PLACEMENT

Any situation where a student athlete is receiving an out-of-school suspension for disciplinary reasons by the Building Administrator automatically deems said student unable to practice and/or compete in any athletic events scheduled for the duration of the suspension. The student and parent/legal guardian shall be notified by the Building Administrator as such.

This includes the date the suspension is issued, and any weekends/ school holidays, throughout the time until the student returns to regular class attendance status. The appropriate sport Coach(s) and Athletic Director shall be notified by Building Administration upon any student athlete being suspended from school.

In example, a student athlete is suspended on Friday morning for a disciplinary infraction and is out of school for the suspension through Monday... successfully returning to classes Tuesday morning. This student CANNOT participate in any school-sponsored

athletic event, nor practice, beginning Friday thru Monday night... They may resume activities Tuesday morning.

In the case where a student athlete is placed in the school's Care Room or Transition Room for disciplinary action reasons by the Building Administrator, resulting in a 1/2 day placement or more, the same denial of athletic participation and notification shall occur - as indicated for an out-of-school suspension. **Placements less than the individual school's "½ day bell schedule" will not result in any suspension of participation in athletics.*

Illinois Elementary School Association

The Association shall be known as the Illinois Elementary School Association (IESA). The Association shall be registered with the State of Illinois as a not-for-profit corporation.

- The Association through the employment of the instrumentalities hereinafter established shall:
 - Regulate all the interscholastic activities in which its member schools may engage; and
 - Perform such other functions related to interscholastic activities as may from time to time be approved and adopted by the Board of Directors.
- In the performance of these functions, the ultimate educational objectives of the Association are:
 - To elevate standards of sportsmanship
 - To encourage the growth of responsible citizenship; and
 - To encourage academic excellence

ACADEMIC ELIGIBILITY

The IESA requires that a weekly grade check is completed for every athlete who is on a competition athletic roster. This report must be completed on the same day of each week and athletes must be notified of any failing grade. The IESA determines eligibility considering all grades that are reported on the quarterly report card. The athlete must pass each class in which he or she is enrolled with a grade of D or better. If an athlete has a failing grade in any of his or her classes, the athlete is ineligible the next week and will continue to be ineligible until all failing grades have been raised to at least a D.

Eligibility can be recorded in one of two methods: Skyward computer program printouts or Teacher/Athletic Director hard copy checklists. Coaches may address grade issues with individual athletes who are showing signs of grade trouble in classes. In some cases, the coach will request a parent conference to help the student athlete improve his or her grades.

Most schools run grades the day before a week concludes, which in most weeks, is Thursday. Some weeks, however, are shorter due to in-service days and holidays. Those weeks' grades must be submitted the day before the week concludes.

The element of eligibility that confuses athletes and their parents is that the measure is always a week behind the week of the contests. The athlete can be showing passing grades after the weekly grade check has been recorded but is still excluded from participation due to the failing grades that were recorded at the end of the prior week.

The grade recorded on the weekly eligibility check is final and cannot be changed at a later date.

Ex: Grades are turned in Thursday and show that a student athlete is failing a subject, but when the parent looks on Skyward on Friday afternoon, it shows as a passing grade. That athlete is still ineligible for any event the following week.

The cutoff day must be the same each week and reporting must be consistent.

Once the grades are turned in and the computer grade check run, print the weekly report and retain (in files) as proof of grades. Notify the athlete, coach, teachers and athletic administration. A report of ineligibility should be delivered to an ineligible athlete before he or she leaves the building on the last day of each week.

2.040 SCHOLASTIC STANDING

2.041 - All contestants shall be in grades five through eight (5-8) and shall not have passed eighth grade standing. At no time, may a student who is in fourth grade or lower practice or participate with a member school.

2.042 - A student shall be doing passing work as determined by the local school district in all school subjects and the school shall certify compliance with this By-Law. Use of a player, contestant, or participant shall be deemed such certification.

2.043 - For all IESA activities, athletic as well as non-athletic, passing work shall be checked weekly. Eligibility will be applied to the Monday through Saturday following the week that was checked. Students must be passing each subject each week to be eligible. Grades shall be cumulative for the school's grading period.

2.044 - The eligibility check shall be the same day each week unless school is not in session; then it must be taken on the last day of student attendance that week.

2.045 - For fall sports, the first eligibility check shall be made following the first full week of attendance at the beginning of the school year. During the succeeding weeks of the school year, the eligibility check shall begin the week prior to the first contest in an activity.

2.046 - In cases where a contest has been postponed or re-scheduled, the current week eligibility shall be used to determine a student's eligibility. For example, a contest is scheduled to be played on Tuesday and because of poor weather, the contest is

rescheduled for two weeks later. A student who was grade eligible for the originally scheduled game but is ineligible during the week of the rescheduled game is not eligible. Conversely, a student who was ineligible the week of the originally scheduled game and is grade eligible the week of the rescheduled contest is eligible to play.

IESA Penalties: Ejections for Unsportsmanlike Behavior

The IESA Board of Directors approved a change to the penalties assessed to players, coaches, and now fans who are removed from a contest for unsportsmanlike behavior. These changes will become effective with the start of the 2020-21 school year.

Consequences for behaviors meriting ejection from a school sponsored event:

A. Student – Athletes:

- 1st ejection: the student is required to miss the next 2 contests and complete the National Federation of State High School Association Sportsmanship course. This course can be found at www.iesa.org Upon course completion, a printed certificate of completion must be submitted to the IESA via the school Athletic Director.
- 2nd ejection(same sport): the student is required to miss the next 5 contests and pay \$100 fine to the IESA.

B. Coaches:

- 1st ejection: the coach is required to miss the next 2 contests, pay \$100 fine and complete the National Federation of State High School Association Sportsmanship course. This course can be found at www.iesa.org Upon course completion, a printed certificate of completion must be submitted to the IESA via the school Athletic Director.
- 2nd ejection: the coach will be required to miss the next 5 contests and pay \$250 fine to the IESA.

C. Fans/Parents:

- Removal from ALL future contests until completion of the National Federation of State High School Association Sportsmanship course. This course can be found at www.iesa.org Upon course completion, a printed certificate of completion must be submitted to the IESA via the school Athletic Director.

IESA Transfer Rules 2.060

A transfer student is defined as one who transfers from one school to another school after the first day of classes at his/her school.

Effective with the start of the 2022-23 school year, a student who transfers after the first day of practice in a given activity will be allowed to join the team for his or her new school only if he/she did not tryout, practice, or participate in a contest for the previous school prior to the beginning of the IESA regulated season. They would still need to sit 10 days before participating in a contest for the new school.

A student who transfers from one school to another is eligible immediately if the school from which he/she transfers is involved in a co-op with the school to which he/she is transferring.

CONFERENCE AFFILIATION: Soy City Conference

The following schools: American Dreamer, Dennis Lab, Hope Academy, Johns Hill Magnet, Montessori Academy of Peace, Robertson Charter, and Stephen Decatur are members of the Soy City Conference.

No conference commitments shall be made which would be inconsistent with the athletic policies of the Decatur Public Schools.

Participating Schools & Activities

American Dreamer: Baseball (Co-Op), Softball (Co-Op), Cross Country, Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

Dennis Lab: Baseball, Softball (Co-Op), Cross Country, Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

Hope Academy: Baseball (Co-Op), Softball (Co-Op), Cross Country, Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

Tryouts / Team Roster Cuts/Sports Physicals

In all sports/activities where there are “roster limitations”, there is a chance that the school’s coaching staff might have to hold tryouts and make roster cuts to meet these limits due to the number of students trying out. The IESA and/or DPS restricts roster numbers in the following sports/activities: Softball, Baseball, Soccer, Girls Basketball, Boys Basketball, Cheerleading, and Volleyball.

The District requires a minimum of a 3-day tryout in Middle School sports/activities where cuts are deemed necessary. The try-out schedule will be designated by the coach and

Athletic Director. **A current physical MUST be on file with the office, nurse, or Athletic Director prior to try-out for an activity. *These Physicals must be renewed EVERY year of participation.*** A pre-season informational meeting will be held (in addition to in-school announcements and/or fliers and online notifications) as to when a specific sport/activity will begin tryouts or practices. Coaches will determine (with the assistance of the school's Athletic Director) a practice schedule utilizing the availability of the school's athletic facilities. Every effort will be made to notify all students (prior to the beginning of a sport season) as to when tryouts/practices will begin.

Team roster cuts may be based upon (but not limited to) the student's: ability in the sport; age/academic status; disciplinary/behavior issues in school; attendance at tryouts/practices/contests; and their ability to work cooperatively with other team athletes and coaches in the sport.

ACTIVITY / PARTICIPATION FEES:

Every student athlete is expected to pay a participation fee of \$10.00 per sport upon making the team and by the end of the first week of regular practice activity. There is a \$50 maximum per student/ school year. If a parent/guardian writes a check, it must be made out to the school of enrollment.

Dual Participation in Middle School Sports*

In DPS61, Middle School students may participate in more than one athletic activity at a time throughout the school year. Due to the various calendar dates over which DPS/IESA sports seasons occur, there might be a situation where a student wishes to try-out for/participate in more than 1 sport and/or activity at the same time (dual participation). In the instances where this occurs, the student athlete must determine, in writing, which sport/activity is their primary activity at the beginning of the seasons in conflict. Their commitment of a "primary" sport/activity will indicate their 1st area priority (choice) in the event of a scheduling conflict between 2 or more co-existing athletic events. *A copy of the athlete's choice of their primary sport/activity will be on file with the school Athletic Director and given to all coaches involved.

The precedent for attendance at/participating in the primary sport/activity is as follows:

- Games over Practice
- Primary choice Games over secondary choice Games
- Games/Practices over Open Gyms
- Primary practices over secondary practices.
- In the event where there are overlapping /conflicting practices the coaches shall get together to work out a shared time schedule so that the student might be able to attend both sports where the overlap might occur.
- No coach may penalize a student athlete participating in multiple overlapping activities for missing a practice or contest when following the precedent set above.

Daily Attendance / Athletic Contest Participation:

District policy states that a student must be “in attendance” at school at least ½ day on the day of an athletic contest in order to be allowed to participate in that day’s contest.

*Each individual school’s “1/2 day” is determined by their actual bell schedule... *i.e.: a ½ day at an “early dismissal school” might be 10:45 AM, whereas at a “later dismissal school” their ½ day might be 12:05 PM.*

Items such as “doctor/dentist appointments, funerals, and court appearances.” are all excused providing that the parent/legal guardian signs the student in/out at the school office for said events. *School-sponsored events, such as off-campus field trips and performances are also excused.

Punctuality

Parent will bring their child to practice on time and they will pick up their child from practice, home games and away games no later than 10 minutes after practice or game is over. The coaches stay to protect your child, please respect the coach by being responsible. Failure to be to practice on time and coming later than 10 minutes to pick your child up, may affect their playing time.

Parental Concerns Policy

A copy of the team rules, seasonal activity participation, and the Athletic Code will be distributed to parents and attached to the permission form. Coaches shall have mandatory parent meeting before the start of the sport season and review their rules and schedules. Parents are expected to be role models of good sportsmanship and support for the sport that their student participates.

In the event that a parent has a concern involving a coach or sport program that their student participates; the following guidelines shall be followed:

1. Concerns such as playing time, player positions, coaching philosophy and/or game strategy are **NOT** items warranting individual coach/parent discussion.
2. No conversations between player, coach, or parent should occur within 24 hours of situation.
3. The student-athlete should directly address the coach to attempt to resolve the issue at hand.

Concussion Information Sheet

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a “ding” or a bump on the head can be serious. You can’t see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

Symptoms may include one or more of the following:	
<ul style="list-style-type: none">• Headaches• “Pressure in head”• Nausea or vomiting• Neck pain• Balance problems or dizziness• Blurred, double, or fuzzy vision• Sensitivity to light or noise• Feeling sluggish or slowed down• Feeling foggy or groggy• Drowsiness• Change in sleep patterns	<ul style="list-style-type: none">• Amnesia• “Don’t feel right”• Fatigue or low energy• Sadness• Nervousness or anxiety• Irritability• More emotional• Confusion• Concentration or memory problems (forgetting game plays)• Repeating the same question/comment
Signs observed by teammates, parents and coaches include:	
<ul style="list-style-type: none">• Appears dazed• Vacant facial expression• Confused about assignment• Forgets plays• Is unsure of game, score, or opponent• Moves clumsily or displays in coordination• Answers questions slowly• Slurred speech• Shows behavior or personality changes• Can’t recall events prior to hit• Can’t recall events after hit• Seizures or convulsions• Any change in typical behavior or personality• Loses consciousness	

What can happen if my child keeps on playing with a concussion or returns too soon?

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescent or teenage athletes will often fail to report symptoms of injuries. Concussions are no different. As a result, education of administrators, coaches, parents and students is the key to student-athlete's safety.

If you think your child has suffered a concussion

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours. The Return-to-Play Policy of the IESA and IHSA requires athletes to provide their school with written clearance from either a physician licensed to practice medicine in all its branches or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches prior to returning to play or practice following a concussion or after being removed from an interscholastic contest due to a possible head injury or concussion and not cleared to return to that same contest. In accordance with state law, all schools are required to follow this policy.

You should also inform your child's coach if you think that your child may have a concussion. Remember it's better to miss one game than miss the whole season. And when in doubt, the athlete sits out.

For current and up-to-date information on concussions you can go to:

PHILOSOPHY OF THE DECATUR PUBLIC SCHOOLS ATHLETIC PROGRAM

The athletic program is an integral part of the education of all students who attend the Decatur Public Schools. Our goals and objectives are consistent with and comparable to those of the school district. All students have an equal opportunity to participate in athletic programs. No student shall be deprived of the right to participate because of lack of financial resources, nationality, race, color, religion, or sex, sexual orientation, disability, or marital status.

The athletic program will be broad based and as extensive as the facilities, staff, and finances can adequately support.

The leadership shall be of the highest quality to exemplify to the participants the desired type of individual to be developed from the athletic program.

The measurement of success of the leadership is not limited to won and lost records. It includes the success experienced in helping each participant develop his/her talents and desirable personal characteristics to their fullest.

The athletic program is a laboratory where students experience many of life's situations. Participation in this laboratory activity offers students the opportunity to improve character, dignity, self-worth, and concern for others. Students may learn to develop these human traits and grow as individuals to the extent of their capacity.

**STATEMENT OF PURPOSE FOR THE ATHLETIC PROGRAM OF
SCHOOL DISTRICT 61**

- A. Participation helps develop character, social competence, cooperation, and moral and ethical values that are an everyday part of our society.
- B. Participation develops a mutual respect for all who are involved in the competition: teammates, opponents, coaches, and officials.
- C. Participants must learn to abide by the rules, regulations, and decisions of officials, just as we all must abide by the laws that govern our society.
- D. Participation leads to a better understanding of our democratic ideals, social and economic well-being, and the spirit of fair play.
- E. Participation teaches a student that discipline and self-sacrifice are necessary ingredients of teamwork, if the end result is to be accomplished.
- F. Through participation, the individual will develop a healthy body, a sound mind, and a better understanding of individual differences.
- G. Participation provides valuable lessons which are learned during competition; for example, winning, as well as losing, reflects team effort.
- H. Competition helps to develop the fundamental processes that lead to emotional maturity and self-control.
- I. Participation in the athletic program will cause participants and spectators to look forward to attending school, resulting in an improved student attitude toward school and school-related activities.
- J. Participation in athletic competition will give students an opportunity to achieve, not only for themselves, but for their team and school community and receive their just rewards in return.
- K. The individual school administration must provide adequate control and safety measures for the participants, officials, and spectators in order to insure the proper atmosphere for interscholastic events.
- L. Members of the athletic staff shall abide by the rules and regulations and officials' decisions which govern each sport, maintain the highest standard of ethics, recognize each participant as an individual, conduct themselves in a manner befitting their responsibilities, and develop the kind of rapport with the total school community that will improve the total educational program.

ORGANIZATION AND ADMINISTRATION THE ILLINOIS HIGH SCHOOL ASSOCIATION

Dwight D. Eisenhower and Douglas MacArthur High Schools are members of the state association which determines the overall pattern for inter-school athletics in Illinois.

As stated in the constitution of the IHSA:

This Association shall be known as the Illinois High School Association (IHSA). It shall be the purpose of this Association to provide leadership for the development, supervision, and promotion of interscholastic competition and other activities in which its member schools engage. Participation in such interscholastic activities offers eligible students experiences in an educational setting which may provide enrichment to the educational experience.

This Association, through the employment of the instrumentalists, hereinafter shall:

1. Supervise and regulate all the interscholastic activities in which its member schools may engage; and
2. Perform such other functions related to interscholastic activities as may from time to time be approved and adopted by the membership.

In the performance of these functions, the objectives of the Association shall be:

1. To stress the educational importance, the cultural values, the appreciations and skills involved in all interscholastic activities, and to promote cooperation and friendship.
2. To regulate interscholastic programs in both character and quantity according to the accepted objectives of secondary education so that interscholastics shall not unduly interfere with nor abridge the regular program of teachers and students in the performances of their regular day to day school duties.
3. To encourage economy in the time of the student and teacher personnel devoted to interscholastic activities.
4. To encourage economy in expenses of interscholastic activities; and to promote only those activities which enhance the school's desired educational goals.

CONFERENCE AFFILIATION

The two Decatur public high schools (Dwight D. Eisenhower and Douglas MacArthur) are members of the Central State 8 Conference.

No conference commitments shall be made which would be inconsistent with the athletic policies of the Decatur high schools.

THE DECATUR SCHOOL BOARD

The Board of Education, responsible directly to the people, is the supreme educational agency for the public schools.

The duties of the Board of Education in athletic matters may be considered to be the same as for education generally. They are as follows:

1. Interpreting the needs of the community and requirements of the professional organization.
2. Developing policies in accordance with the law and in accordance with the educational needs and wishes of the people.
3. Approving means by which professional agents and agencies may make these policies effective.
4. Furnishing financial means which provide physical and educational conditions by which organized activity may be carried on.
5. Appraising the efficiency of the agents and of the service rendered in terms of their value to the community.
6. Keeping the people intelligently informed of the purpose, value, conditions, and needs of the public education within the community.

THE SUPERINTENDENT OF SCHOOLS

The executive function is delegated to the Superintendent of Schools who is charged with the responsibility for devising means and ways of executing efficiently the policies adopted by the Board of Education.

The Superintendent of Schools recommends to the Board of Education the appointment of principals, coaches, assistant coaches, supervisors, and others who are given any responsibility for the handling of inter-school athletics.

He or she approves all policies and procedures recommended by his/her staff and is, in fact, directly responsible to the school board for the successful performance of the organization.

THE HIGH SCHOOL PRINCIPALS

The high school principal is the administrative head of the inter-scholastic athletic activities just as he/she is of all other activities at the school.

As members of Administrative Cabinet, the high school principals help formulate policies. As administrative heads of the schools, they are directly responsible to the state athletic association and the Deputy Superintendent of Schools for the conduct of the schools' athletic activities. Some specific duties of the Administrative Team and/or Athletic Director are:

- A. Certifying the eligibility of all players,
- B. Signing contracts for games,
- C. Signing contracts for officials,
- D. Representing the school's position concerning issues which are presented by the IHSA and the Athletic Conference.
- E. Management and consistent monitoring of the overall athletic program.

PROCEDURE FOR ESTABLISHING ATHLETIC POLICY GUIDE

The athletic directors receive input from the coaching staff in their buildings. Annually, the athletic directors then meet to make recommendations for additions, revisions, or deletions to the present policy.

Recommendations are then taken to the Assistant Superintendent, Chief Financial Officer and/or designated designee. Items recommended by the athletic directors and approved by the Assistant Superintendent become included in the athletic policy guide. Changes to the policy guide must be approved by the Board of Education.

THE COACHES CODE OF ETHICS

(National Federation Interscholastic Coaches Association)

The function of a coach is to educate students through participation in interscholastic competition. The activity shall be designed to enhance academic achievement and never interfere with opportunities for academic success. Each student shall be treated with the upmost respect, and his or her welfare must be considered in decisions by the coach at all times. Accordingly, the following guidelines for coaches have been adopted by the NFHS Board of Directors.

The coach must be aware that he or she has a tremendous influence, either good or ill, in the education of the student and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.

The coach shall follow the social media rules and guidelines as outlined by District policy. The coach shall uphold the honor and dignity of the profession. In all personal contact with the students, officials, athletic directors, school administrators, the state high school athletic association, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct.

The coach shall take an active role in the prevention of drug, alcohol, and tobacco abuse.

The coach shall avoid the use of alcohol and tobacco products when in contact with players.

The coach shall promote the entire interscholastic program of the school and direct his or her program in harmony with the total school program.

The coach shall master the contest rules and shall teach them to his or her to team members. The coach shall not seek an advantage by circumvention of the spirit or letter of the rules.

The coach shall exert his or her influence to enhance sportsmanship by spectators, and by working closely with cheerleaders, pep club sponsors, booster clubs, and administrators.

The coach shall respect and support contest officials. The coach shall not indulge in conduct which will incite players or spectators against the officials. Public criticism of officials or players is unethical.

The coach should meet and exchange cordial greetings with the opposing coach to set the correct tone for the event before and after the contest.

The coach shall not exert pressure on faculty members to give student special consideration.

The coach shall not scout opponents by any means other than those adopted by the league and/or state high school athletic association.

ATHLETIC PROGRAM INTERSCHOLASTIC PROGRAM

Each of the high schools will offer a program for boys which consists of football, basketball, baseball, cross country, track and field, tennis, golf, soccer, and wrestling. The girl's program will include cross country, soccer, volleyball, tennis, golf, basketball, bowling, track and field, and softball. The following sports are offered as a co-op between the 2 high schools: Cross Country, Tennis, Soccer, Golf, and Bowling. Cheerleading and E-Sports are co-educational programs offered at both high schools. DPS also offers swimming as individual entries for the IHSA series.

Our district also sponsors representatives to state meets for sports in which we do not have teams. Please see the section entitled "Special Entry Program" for guidelines.

The following chart includes the sports and number of contests permitted in each sport including all tournaments except the IHSA series.

Additional Program Guidelines:

If, because of the shortage of coaches, a coach cannot be hired to coach a team, the team may not be formed.

GUIDELINES FOR CUTTING

Each participant shall be assured a minimum of three practices before he/she is cut. The number three is used for sports where a large number of candidates try out and there is a limited amount of practice time before the first scheduled contest. Where a fewer number try out, the coach may want to permit more practices before making his first cut. Students, who report late due to participation in other approved school district sports or activities, will have the opportunity to participate in a least three practices before they are cut.

Every effort shall be made by the coach to provide each candidate with an opportunity to demonstrate his/her skill in as many areas as feasible which relate to that sport and with the proper equipment to demonstrate this skill.

In all his/her contact with the players, the coach must make every effort to treat all candidates fairly and as impartially as possible, recognizing that he may know some candidates from previous associations.

It shall also be the responsibility of the coach, when asked, to encourage, advise, and counsel those athletes cut from the squad to help them prepare for the following year and better understand the reasons for being cut.

DISCIPLINARY ACTION

Participation in athletics is a privilege.

When a student is dropped from his/her team for disciplinary reasons, it is important that he/she receive a fair notice and that he/she be given an opportunity to appeal to administration.

All coaches are responsible for reviewing the athletic code, individual school rules, and rules for their respective sport during the first week of practice with the Athletic Director, assistant coaches, students, and parents.

ATHLETIC DIRECTOR AND ATHLETIC OFFICIALS

Hiring of Officials

The hiring of officials shall be mutually satisfactory to the schools involved in the contest concerned. Decatur Public Schools also will conform with conference rules pertaining to the selection of officials. For varsity basketball contests involving intra-city teams, three officials will be hired.

TRANSPORTATION POLICY

The guidelines for using school district transportation are:

- A. A yellow school bus or school activity bus shall be used whenever possible. This is the safest means of transportation for our athletes.
- B. A school district van shall be used when there are eight or fewer people making the trip (eight passenger vans includes the driver). Consideration may also be given to using the vans when they are not being used for other school district business and it is more economical to take vans than a bus. For example, vans may be used to transport basketball or wrestling teams to holiday tournaments.

Only school district employees with a valid driver's license shall be permitted to drive a school van. No school employee may transport students in school or private vehicles unless authorized by the administration.

- C. The district prefers that a coach not use his/her personal vehicle to transport players to an athletic contest. If a coach receives permission to transport in his/her vehicle he/she must show adequate insurance coverage, each student must sign a permission form, and the coach will be reimbursed the current school district's rate for mileage when using a personal vehicle for this purpose.
- D. Students are expected to arrive and return from athletic events with their team and coach in the district provided transportation. In the rare event that a student must leave the activity due to an unusual event, the student's parent/legal guardian must present to the student's coach a note signed by them indicating they are taking the student with them and relieving the school of their responsibility of transporting the student back to the school building. A student may only leave with their parent/legal guardian. The District reserves the right to require court documentation of parental / guardian status when releasing a student to a parent/legal guardian.
- E. Every effort will be made to minimize transportation needs through the scheduling of activities.

When ordering a bus or van, a bus request shall be completed electronically. The bus request forms for fall and winter sports shall be submitted prior July 1st. Bus requests for spring sports shall be submitted by February 1st.

TRANSPORTATION PROCEDURES

The Decatur Public School District provides transportation for IHSA sanctioned contests using the following as guidelines. All arrangements for the transportation of students is to be arranged by the district's transportation department, phone 362-3026.

High School: Transportation is restricted to active participants. Active participants include students expected to be in uniform, student manager(s), school district paid coaches, approved volunteer coaches, trainer, adults paid to act as scorekeepers or minor officials, athletic directors, and school/district administrators. Persons not eligible to ride include parents, student spectators, pom pon squads, spouses/children.

Cheerleaders: The district-paid cheerleading advisor must accompany the cheerleaders on the bus.

Bus Information: All buses must be requested through the normal district procedure. Athletics have a priority over other types of events only if ordered in advance and in this manner. Buses utilized for athletic transportation have a capacity of 62 if seated 3 to a seat. If seated 2 to a seat, the capacity is 44.

Vans: District 61 has a fleet of 5 student vans. Seating capacity is 8 persons including the driver. The transportation department may rent cars or vans which meet state requirements when

necessary. Students are never allowed to drive district-owned or rented vehicles and are never given mileage reimbursement. Drivers must be district-approved persons. The vans are to be picked up the day of use and returned immediately after use.

Personal Cars: District 61 prefers that personal vehicles are not used. In limited circumstances, the district will pay a coach mileage in lieu of using a district van. A coach should never be required to drive his/her own vehicle when transporting student athletes to compete in out-of-town IHSA events. A coach is required to have administrative permission to use his/her personal vehicle prior to the event, shall submit proof of insurance, and student athletes shall be required to submit a permission form if riding in a coach's personal vehicle. Student athletes shall never be permitted to use private vehicles as transportation to compete in an out-of-town event. Students will not be reimbursed for mileage.

Vans and buses may be used for reward purposes, such as team trips to University of Illinois games. Trips to theme parks cannot be charged to the transportation or education fund. School buses and vans may be used, if available, but must be paid for from building and/or activity funds.

STUDENT CODE OF ETHICS

Decatur Public Schools 61 considers the welfare of the student our priority consideration.

A firm and fair policy of enforcement is necessary to uphold the regulations and standards of the athletic department. Decatur Public Schools Administration and the coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program of athletics. All athletes shall abide by a code of ethics which will earn them the honor and respect that participation and competition in the interscholastic program affords.

Any conduct that results in dishonor to the athlete, the team, the school, or Decatur Public Schools will not be tolerated. Acts of unacceptable conduct, such as, but not limited to theft, vandalism, disrespect, immorality or violations of law, tarnish the reputation of everyone associated with the athletic programs and will not be tolerated.

Policy Regarding Parental Concerns

A copy of the team rules, seasonal activity participation, and the Athletic Code will be distributed to parents and attached to the permission form. Coaches shall have mandatory parent meetings before the start of the sport season and review their rules and schedules. Parents are expected to be role models of good sportsmanship and support for the sport that their student participates.

In the event that a parent has a concern involving a coach or sport program that their student participates, the following guidelines shall be followed:

1. Concerns such as playing time, player positions, coaching philosophy or game strategy are NOT items warranting individual coach/parent discussion.
2. Other parent concerns shall be addressed by the parent making an appointment with the coach for a private parent/coach conversation to discuss the concern and reach a resolution.
3. If the meeting between the parent and coach does not resolve the concern, the parent may request a meeting with the Athletic Director and the coach to further discuss the concern and reach a resolution.
4. If this meeting does not resolve the concern, a final meeting between the Principal, the Athletic Director, the coach and the parent will be scheduled to discuss the concern.
5. The Principal is the administrative head of all inter-scholastic activities in the school and is the IHSA or IESA District Representative for the District. The final decision and appeal for a resolution of the concern will be made by the Principal after the final meeting.
6. Do not approach the coaches or players immediately following a game.

DECATUR PUBLIC SCHOOLS ATHLETIC CODE

PROCEDURES

1. Coaches' rules shall be written and distributed so all participants and parents may read and review them. Rules will be shared through mandatory parent meetings.
2. Each coach will hold a team meeting to review team rules with the participants at the beginning of the sport season to make sure the participants are aware of them. A copy of the team rules, seasonal activity participation, and the Athletic Code will be distributed to the parents, or available online, attached to a participation permission form.

3. Coaches' rules must also include consequences for students who violate the rules.
4. Any student accused of violating a rule and subject to a consequence of a suspension of greater than three (3) games shall be informed of the nature of the offense and may request a hearing before the Principal and Athletic Director.

OFFENSES IN VIOLATION OF THE HIGH SCHOOL ATHLETIC CODE

A student found in violation of the Athletic Code may receive consequences up to and including dismissal from the team/activity for the remainder of the season or school year. Such violations include, but are not limited to:

- **Use, possession, transfer, attempted transfer, sale or attempted sale of alcohol, tobacco products, e-cigarettes and/or any controlled/illegal substances or any lookalike, including any substance held out to be a drug, alcohol or tobacco product.**
- **Violations of individual coaches' rules, insubordination, poor sportsmanship, conduct detrimental to the team and to school spirit.**
- **Violations of academic integrity and ethics.**
- **Violations of the DPS 61 Student Code of Conduct.**

ENFORCEMENT

A student who violates the Athletic Code and who has been provided a hearing and assessed a consequence cannot avoid the consequence by transferring to another Decatur Public High School. The penalty will be enforced at the student's new school before the student can become eligible for participation.

SEASONAL ACTIVITY PARTICIPATION

Limited dual participation in activities is permissible. The philosophy of our district is to permit a student with a special talent to contribute to the success of an activity in an additional program. The student must designate one activity as his/her primary activity. His/her first commitment is to the activity that he/she is considered to have designated as his/her primary activity.

To apply this guideline to a situation where a student has a conflict between school activities, the following procedure will be followed to resolve the situation:

- Step 1** The student shall inform teachers, coaches, etc. of the conflict and attempt to resolve the situation on his/her own.
- Step 2** Unresolved conflicts will be jointly discussed by both instructors in an attempt to reach resolution. Where possible, teachers/coaches will work to share the student fairly between conflicting activities. Consideration will be given to the nature and importance of the opposing activities. For example, games/matches, competitions, and performances take precedence over practices.
- Step 3** If the conflict cannot be resolved in the preceding steps, the matter shall be appealed to the building level administration for resolution. Resolution will then involve consideration of the designated primary activity and the nature and importance of the conflicting activity. Care will be taken to resolve the conflict in the best interest of the student and the school.

No penalty shall be assessed to the student if the resolution procedure results in a missed practice, performance, competition, etc.

Examples of dual participation in two athletic teams are:

1. A soccer player who wishes to punt, kick field goals, and/or kick off for football.
Special note - players who cross over from soccer to football need to be physically conditioned to football situations.
2. A volleyball player who wishes to participate in girls IHSA golf tournament.
3. A baseball or softball player who can fill in on the relay team for track.
4. A cheerleader must be permitted to participate in spring sports.

Sophomores, Juniors, or Seniors who quit a fall sport may not go out for a winter sport until the fall sports season is over. Special circumstances will be considered in an appeal.

Sophomores, Juniors, or Seniors who quit a winter sport may not go out for a spring sport until the winter sports season is over. Special circumstances will be considered in an appeal.

A freshman shall be allowed to leave a team on or before the first day of school for a fall sport and on or before Thanksgiving for a winter sport without being penalized.

STUDENT ASSIGNMENTS, RESIDENCY, AND TRANSFERS

Student enrollment and attendance center assignments shall be governed by the Decatur School District No. 61 policies and the Illinois school residency laws found in the *Illinois School Code*.

- A. If the parent(s) of a middle/high school student move(s) after the start of the school year, the *Illinois School Code* allows that student to complete the current school year only at the same school. IHSA Athletic Eligibility By-Laws require a ruling on IHSA eligibility by the Executive Director in the event of such circumstances.
- B. Students who have attended one school while enrolled in Decatur Public Schools for their entire high school career and whose parents, custodial parent, or court appointed guardian move from the attendance area traditionally served by that school following the student's completion of the eleventh (11th) grade, may remain in that school and retain eligibility if the student has attained senior classification by the beginning of the new academic year and with the appropriate amount of credits subject to IHSA eligibility restrictions and the DPS 61 criteria below:
 - a. Parent(s) provide transportation.
 - b. Absenteeism and tardiness shall not increase beyond the student's previous record.
 - c. The student shall be picked up promptly after school or practice.
- C. Transfer Rules for Athletics
 1. If a student's attendance center is determined by an IEP Team, the student shall be eligible at either their home high school or eligible at both their home high school or a the school housing the special education setting as governed by IHSA by-laws.

2. If a student transfers from one attendance center to another attendance center in the Decatur School District, IHSA rules will apply in all cases.

Also, the Decatur Public Schools shall abide by the IHSA Athletic Eligibility By-Laws for all provisions including Attendance (3.010), Residence (3.030), Transfer (3.040), and Scholastic Standing (3.020).

SCHOLASTIC STANDING

The Board of Education Policy states:

Students in grades 9-12 must satisfy the Illinois High School Association's scholastic standing requirements (in District 61 the requirement of passing at least 25 credit hours of high school work per week). Any student participant failing to meet these academic criteria shall be suspended from the activity until the specified academic criteria are met.

Each team coach will provide the athletic director a list of participants that will be used to generate the official eligibility list. The athletic director will then provide the official participant list to the eligibility secretary who will in turn generate a master eligibility list. The secretary will then provide this official list to each teacher for the eligibility grade checks. Each week the eligibility secretary will provide to the athletic director, appropriate coach, and the building principal a list of any student athlete who is failing and/or is ineligible for athletic participation the next week. It is imperative that all teachers enter grades into the grading system by Thursday midnight. The period of ineligibility shall run from Monday morning through Sunday evening following the grade check announcement on Friday. A student shall be declared academically ineligible if he/she is not passing twenty-five credit hours of course work for the preceding week of the scheduled contests.

MAKING THE WEEKLY ELIGIBILITY CHECK

The following procedure shall be followed in making the weekly eligibility check. "Twenty-five (25) credit hours of high school work" is defined as any combination of subjects, accepted by local high school authorities in determining the requirements for graduation and which accumulates at least two (2) credits or its equivalent per semester. Since the rules require that a student must be passing in twenty-five (25) credit hours per week, a weekly check of each student athlete's scholastic eligibility is necessary.

Most important to note is that "a student must satisfy all academic standards (i.e., pass five classes with a grade of D or above)" is determined to measure a student's performance on a cumulative basis from the beginning of a semester through the date on which the check is made.

Schools shall conduct this weekly check in a consistent manner convenient to its individual operations. Student eligibility or ineligibility is then enforced on the Monday following the date of the check. For example, consider a school which checks eligibility every Wednesday. Records are processed through the computer and a printout of all athletes' standings is given to the athletic director on Friday. His office reviews the list and reports Thursday afternoon to the principal that a student is not passing twenty-five (25) hours as of this check. The principal informs the student

and coaches on Friday morning that the student is not passing the required work and is, thus, ineligible for one week, beginning the following Monday morning. The student may play in contests held that evening or on Saturday, the next day; however, the entire next week, the student is ineligible.

AGE

IHSA By-Law

4.061: "A student shall be eligible through age nineteen (19) unless the student shall become twenty (20) during a sport season, in which event eligibility shall terminate on the first day of such season (as the season is defined in Section 5.000 of these By-laws).

ATHLETIC INJURIES

The procedure for reporting accidents in the interscholastic program shall be as follows:

Accidents that occur in the interscholastic program shall be reported on the Decatur Public Schools Student Accident Report form using the same criteria for reporting as in any other reportable accident. The accident form shall be completed and provided to the school office.

School District 61 contracts HSHS St. Mary's to provide athletic training services. Athletic Trainer will provide Services within the scope of his/her license under the provisions of 225 ILCS 5/1 et seq., referred to as the Illinois Athletic Trainers Practice Act, and 68 Illinois Administrative Code 1160. Athletic Trainer will offer treatment options, including without limitation, ice, heat, therapeutic exercises, taping and bracing. Athletic Trainer may only suggest over-the-counter medication. When appropriate, Athletic Trainer may suggest further testing or treatment. Documentation of the Services will be provided, and a copy made available for the athlete's record file.

INSURANCE

The District has an accident insurance policy in place that covers all student athletes. Requirement for student proof of insurance is no longer necessary.

PHYSICAL EXAMINATION

Students in their first seven (7) semesters of attendance shall have filed with their high school principal a certificate of physical fitness issued by a licensed physician not more than one-year preceding practice or participation in any interscholastic athletic contest or activity. Students in their eighth (8th) semester of attendance shall have filed with their high school principal a certificate of physical fitness issued by a licensed physician not more than thirteen (13) months preceding practice or participation in any interscholastic athletic contest or activity.

PARENT PERMITS

Parent permit forms will be provided by the district. Each participant shall be required to have a signed form on file in the athletic director's office before the student may participate in any sport. A sample of a parent permit may be found on page **PARTICIPATION FEE**

All students who participate in the athletic program will be assessed a participation fee. The participation fee is \$20 per sport or a total cap of \$100 per family, (please refer to the Finger Tips Facts and Figures on page 33). The fee will be used to offset the cost of supplies and other program expenses. The procedure for collecting the money is:

- A. Participant should pay the fee before he/she is permitted to compete unless he/she has successfully completed a DPS 61 fee waiver.
- B. In those sports where it is necessary to cut, only those students who make the squad will be expected to pay.

POLICY FOR STUDENT-ATHLETE PARTICIPATION AND GAME DAY ATTENDANCE

Student-athletes must be in attendance at least one-half day on the day of an activity to be eligible to participate that day. The school administration will make all eligibility decisions concerning any unusual circumstances.

STANDARDS AND AWARDS FOR INTERSCHOLASTIC SPORTS

In addition to meeting the minimum standards for earning awards as outlined below, a participant must complete the season in good standing as determined by the athletic director and the coach of that particular sport. In case of injury, the participant's record shall count only for those games in which he/she was physically able to participate.

The criteria for earning awards in the various sports are:

Football

A player must participate in one-third or more of the total number of quarters.

Basketball

A player must participate in one-third or more of the total number of quarters.

Baseball and Softball

A player shall participate in at least one-half of the games; a pitcher in one-third of the games.

Bowling

Volleyball

Cross Country, Golf, Tennis, Track, Wrestling

A player shall receive one point for participation in a meet or match or two points if the player wins his match, but not on a forfeit, or if he scores points in a track meet.

Freshman and sophomore awards in all sports shall be determined in the same way as varsity awards. Participants who have finished the season in good standing and do not qualify for a plaque or certificate medallion shall be given a certificate of appreciation.

Standards for Cheerleaders

Awards shall be governed by the Cheerleader's Constitution.

Special Awards

Patches (4 inches) may be purchased for state championship team members or for individuals who win a state championship.

A senior who has participated three full seasons in any given sport shall be awarded a plaque at the completion of his senior year of competition in that sport.

Concussion Information Sheet

A concussion is a brain injury, and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a “ding” or a bump on the head can be serious. You can’t see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

Symptoms may include one or more of the following:	
<ul style="list-style-type: none">• Headaches• “Pressure in head”• Nausea or vomiting• Neck pain• Balance problems or dizziness• Blurred, double, or fuzzy vision• Sensitivity to light or noise• Feeling sluggish or slowed down• Feeling foggy or groggy• Drowsiness• Change in sleep patterns	<ul style="list-style-type: none">• Amnesia• “Don’t feel right”• Fatigue or low energy• Sadness• Nervousness or anxiety• Irritability• More emotional• Confusion• Concentration or memory problems (forgetting game plays)• Repeating the same question/comment

Signs observed by teammates, parents and coaches include:
<ul style="list-style-type: none">• Appears dazed• Vacant facial expression• Confused about assignment• Forgets plays• Is unsure of game, score, or opponent• Moves clumsily or displays incoordination• Answers questions slowly• Slurred speech• Shows behavior or personality changes• Can’t recall events prior to hit• Can’t recall events after hit• Seizures or convulsions• Any change in typical behavior or personality• Loses consciousness

What can happen if my child keeps on playing with a concussion or returns too soon?

Athletes with the signs and symptoms of concussion shall be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescent or teenage athletes will often fail to report symptoms of injuries. Concussions are no different. As a result, education of administrators, coaches, parents and students is the key to student-athlete's safety.

If you think your child has suffered a concussion

Any athlete even suspected of suffering a concussion shall be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance and adherence to the School District's return-to-play and return-to-learn protocols. Close observation of the athlete shall continue for several hours. IHSA Policy requires athletes to provide their school with written clearance from either a physician licensed to practice medicine in all its branches or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches prior to returning to play or practice following a concussion or after being removed from an interscholastic contest due to a possible head injury or concussion and not cleared to return to that same contest. In accordance with state law, all IHSA member schools are required to follow this policy. Per the HSHS St. Mary's Athletic Trainer agreement, the District shall adhere to the IHSA Protocol for Implementation of NFHS Sports Playing Rule for Concussions.

You should also inform your child's coach if you think that your child may have a concussion. Remember it's better to miss one game than miss the whole season. And when in doubt, the athlete sits out.

Date: April 23, 2024	Subject: School Library Refresh for 11 (eleven) Schools
Initiated By: Ms. Mary Brady, P-12 Director of Teaching & Learning	Attachments: Summarized Quotes for School Library Refresh for 11 (eleven) Schools
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

In January 2024, Decatur Public Schools received a significant amount of Title I Roll-Over funds. These funds need to be spent prior to September 1, 2024 or they will be forfeited by the district. Title I funds provide supplemental funding to state and Local Education Agencies (LEAs). The funding provides resources to LEAs and schools with high percentages of children from low-income families. Title I resources improve education quality and help ensure that all children meet challenging state academic standards. Title I services focus on children who are failing or who are most at risk of failing to meet state academic standards.

CURRENT CONSIDERATIONS:

Each school receiving Title I funds across the District was allocated \$25,000 to refresh their libraries. The library refresh included but is not limited to expanding grade appropriate text which address diversity, equity and inclusion. Children's literature plays an essential role in the literacy development of children. Providing a variety of literature provides children with information across multiple genres that are representative of the world in which we live.

FINANCIAL CONSIDERATIONS:

Total cost is \$275,00 and is covered by Title I funds. The following schools will receive a \$25,000 library refresh (American Dreamer STEM Academy, Baum Elementary, Dennis Lab School, Franklin Grove Elementary, Hope Academy, Johns Hill Magnet School, Montessori Academy for Peace, Muffley Elementary, Parsons Elementary, South Shores Elementary and Stephen Decatur Middle School).

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the School Library Refresh for American Dreamer STEM Academy, Baum Elementary, Dennis Lab School, Franklin Grove Elementary, Hope Academy, Johns Hill Magnet School, Montessori Academy for Peace, Muffley Elementary, Parsons Elementary, South Shores Elementary and Stephen Decatur Middle School with Macklin Education (\$25,000 each) in the amount of \$275,000 as presented.

- The price included herein reflects a 3% discount for payment by cash, check or wire transfer. This discount will not apply in the event that CLIENT pays using a credit card or debit card.
- Prices exclude freight, handling or insurance (unless itemized in the quote).
- Pricing for Professional Services are best-effort estimates only. Actual pricing will be finalized as part of a mutually-agreeable Statement of Work.

Invoicing

- CLIENT is invoiced for hardware ("goods") upon shipment from the manufacturer and shall accept and pay for partial shipments. Software is invoiced upon shipment of media or when download capability is provided. OEM services are billed per the OEM SOW. Presidio services are billed per the Presidio SOW.
- Usage-Based Services Terms and Conditions. For Usage-Based Services purchased by CLIENT, Presidio shall invoice CLIENT once a month. Notwithstanding the amounts included on the applicable purchase order, the invoice for Usage-Based Services will vary from month to month based upon CLIENT's usage and CLIENT shall be obligated to pay all charges for the Usage-Based Services used by CLIENT in the previous month. If CLIENT is delinquent in its payment obligations for the Usage-Based Services, then, upon reasonable, prior notice, Presidio reserves the right to suspend or discontinue such services at its sole discretion. CLIENT acknowledges and agrees that such discontinuation or suspension by PRESIDIO will not constitute a breach of PRESIDIO'S obligations to CLIENT. CLIENT agrees to indemnify and hold harmless PRESIDIO for any resulting damages due to the suspension or discontinuation of the Usage-Based Services due to CLIENT's delinquent or non-payment.
- Enterprise Software, Licensing and Subscription Services ("Enterprise Agreement"). For Third-Party-provided, enterprise-based software licensing and services, Presidio shall invoice CLIENT according to the terms of the Enterprise Agreement between CLIENT and the Third Party. If CLIENT is delinquent in its payment obligations hereunder, then, upon reasonable, prior notice, Presidio reserves the right to suspend or discontinue such services at its sole discretion. CLIENT acknowledges and agrees that such discontinuation or suspension by PRESIDIO will not constitute a breach of PRESIDIO'S obligations to CLIENT. CLIENT agrees to indemnify and hold harmless PRESIDIO for any resulting damages due to the suspension or discontinuation of the services due to CLIENT's delinquent or non-payment.

Freight, Handling, Shipping

- CLIENT will be billed for hardware's and/or the manufacturer's freight charges for shipment of goods.
- Title/Risk of loss passes to CLIENT Freight on Board (FOB) origin unless otherwise agreed to in writing by Presidio. Orders shipped from a manufacturer to Presidio at CLIENT request for warehousing, configuration, storage or otherwise, shall be deemed to have been shipped to CLIENT.
- Presidio accepts no responsibility / liability in connection with the shipment.
- Goods held in a Presidio warehouse either a) at the CLIENT's request or b) in the event CLIENT refuses to accept delivery, may be subject to warehousing fees. Client may be asked to execute a Presidio "Warehousing Agreement". CLIENT must provide primary insurance coverage for CLIENT equipment held in a Presidio warehouse.

Warranty and Limitation of Liability

Product is warranted by the Manufacturer, not by Presidio. Please consult Manufacturer for warranty terms. IN NO EVENT SHALL PRESIDIO BE LIABLE TO CLIENT FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND WHATSOEVER, ARISING IN CONTRACT, TORT OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. PRESIDIO'S ENTIRE LIABILITY AND CLIENT'S EXCLUSIVE REMEDY FOR DAMAGES FROM ANY CAUSE WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, NONPERFORMANCE OR MISREPRESENTATION, AND REGARDLESS OF THE FORM OF ACTIONS, SHALL BE LIMITED TO THE AMOUNT WHICH HAS BEEN ACTUALLY PAID TO PRESIDIO BY CLIENT FOR PRODUCTS HEREUNDER.

Return Policy

- CLIENTS return rights are subject to the return policies (& fees including restocking) of the applicable manufacturer
- A Presidio-issued Return Material Authorization (RMA) is required & needs to accompany returned items before any credit is issued to a CLIENT. Presidio reserves the right to deny RMA requests in the event the Manufacturer will not provide for an authorized return. If integration of product is performed at a Presidio facility, transfer of ownership occurs as of inception of integration regardless of shipment terms as manufacturers will not accept return of open product.
- CLIENTS have 15 calendar days from original ship date to request a RMA (unless shorter period is required by manufacturer)
- Items returned must be in original shipping cartons, unopened, unused, undamaged and unaltered failing which Presidio is entitled to reject acceptance of items or charge further fees
- The CLIENT is responsible for shipping fees to the destination highlighted in the RMA
- Opened software cannot be returned

Cancellation Policy

- CLIENT's cancellation of purchase order rights are subject to the cancellation policies (& fees) of the applicable manufacturer

Leases

- In the event Presidio does not receive payment for leased goods purchased on the CLIENT's behalf from the applicable third-party financing entity, CLIENT is obligated to pay Presidio for all such goods as indicated in the applicable Presidio invoice.

Software terms

- Software is subject to the license terms that accompany it.
- License terms are established between the CLIENT & owner of the software
- Unless Presidio is the owner or licensor, Presidio makes no representations and/or warranties relating to its operation, ownership or use.
- Delivery of software licenses are agreed to be accepted in electronic form from the third party software company. Otherwise, you agree to self-accrue any applicable sales tax at the rate in effect for the jurisdiction.

Term and Termination of Orders: Usage-Based Services, Enterprise Agreements and Multi-Year Orders

- The terms of use for Usage-Based Services (i.e. Cisco-provided WebEx or Software as a Service (SaaS)) are established by the applicable third-party provider of such services either at the applicable third-party provider website or via the separate agreement between CLIENT and third-party provider.
- The "Initial Term" of an order for Usage-Based Services and/or Enterprise Agreement ("Order") starts on the date the Usage-Based Services and/or Enterprise Agreement are available for use by CLIENT and lasts for the time period stated in the Order. After the Initial Term, unless prohibited by applicable law, there will be an automatic "Renewal Term" of the same length of time unless CLIENT notifies Presidio in writing that CLIENT does not want to renew at least sixty (60) days before the end of the then current Initial Term or Renewal Term. If the fees will change for the Renewal Term, Presidio will notify CLIENT reasonably in advance of the Renewal and in time for CLIENT to accept or reject renewing the Usage-Based Services and/or Enterprise Agreement. If CLIENT agrees with the fee changes, CLIENT may do nothing and the new fees will apply for the upcoming Renewal Term.
- Either party may terminate an Order by providing the other party written notice of termination at least sixty (60) days before the end of such Initial or Renewal Term. The termination will be effective on the last day of the Initial or Renewal Term and CLIENT will pay for the Usage-Based Services and/or Enterprise Agreement until the end of the current Initial or Renewal Term regardless of when CLIENT provided notice. Notwithstanding the foregoing, Usage-Based Services and Enterprise Agreements ordered are strictly non-cancelable during the Initial Term or Renewal Term except as otherwise provided in the applicable Service Terms and/or otherwise agreed upon in writing by Presidio. CLIENT will not be entitled to any refund for terminated Usage-Based Services or Enterprise Agreements during the Initial Term or Renewal Term except as agreed upon in writing by Provider and/or Presidio

Multi-Year Agreements

- For multi-year agreements, CLIENT expressly agrees to enter into a binding, non-cancelable agreement per the billing schedule set forth in the quote. THE CLIENT ACKNOWLEDGES AND AGREES THAT THE CLIENT'S AGREEMENT AND PAYMENTS FOR A MULTI-YEAR TRANSACTION ARE ESSENTIAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES FOR MULTI-YEAR AGREEMENTS, SUCH THAT PRESIDIO WOULD NOT HAVE ENTERED INTO A MULTI-YEAR TRANSACTION WITHOUT SUCH AGREEMENT.

SmartNet (Third party Maintenance)

- CLIENTS rights are subject to the terms provided by the applicable manufacturer. (per website address)
- Delivery of software maintenance, including upgrades and updates are agreed to be accepted electronically. Otherwise, you agree to self-accrue applicable sales tax.

Confidential Information.

- CLIENT agrees that this quote is Presidio Confidential Information. CLIENT shall not disclose this quote to any third party for any purpose. CLIENT agrees to protect this Quote to the same extent that it protects its own Confidential Information, but with no less than a reasonable degree of care.

Presidio's performance of such purchase order shall not constitute Presidio's acceptance of new or different terms, including pre-printed terms on such order. In absence of a purchase order, CLIENT agrees that its signature below grants Presidio the right to invoice CLIENT and authorizes payment to Presidio for the amounts owed.
