Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration for an upcoming meeting. District residents may suggest inclusions for the agenda. Upon consent of a majority of members present, the order of business at any meeting may be changed.

A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member.

The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, ~~or~~ (3) a family or other emergency, or (4) unexpected childcare obligations. [PRESSPlus1](#) If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless

advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination. The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

To the extent possible, the tentative budget shall be balanced as defined by ISBE guidelines. The Superintendent shall complete a tentative deficit reduction plan if one is required by ISBE guidelines.

Preliminary Adoption Procedures

After receiving the Superintendent's proposed budget, the Board sets the date, place, and time for:

1. A public hearing on the proposed budget, and
2. The proposed budget to be available to the public for inspection.

The Board Secretary shall arrange to publish a notice in a local newspaper stating the date, place, and time of the proposed budget's availability for public inspection and the public hearing. The proposed budget shall be available for public inspection at least 30 days before the time of the budget hearing.

At the public hearing, the proposed budget shall be reviewed, including the cash reserve balance of all funds held by the District related to its operational levy and, if applicable, any obligations secured by those funds, and the public shall be invited to comment, question, or advise the Board.

Final Adoption Procedures

In the event the District's combined cash reserve balance of its operational funds is more than 2.5 times the annual average expenditures of those funds for the previous three fiscal years, the Board will adopt and file with ISBE a reserve reduction plan by December 31. [PRESSPlus1](#)
5. Make all preparations necessary for the Board to timely file its Certificate of Tax Levy, including preparations to comply with the Truth in Taxation Act; file the Certificate of Tax Levy with the County Clerk on or before the last Tuesday in December. PRESSPlus Comments

PRESSPlus 1. 105 ILCS 5/17-1.10(a), added by P.A. 103-394, requiring a board to present "at a board meeting" a written report that includes the annual average expenditures of its operational funds, which include the educational, transportation, and operation and maintenance funds. The average expenditures are calculated based on the district's most recently audited annual financial report (AFR). For ease of administration, this sample policy language manages presentation of the report in conjunction with the meeting at which a board adopts its levy, or earlier, if a district's AFR is available. Consult the board attorney if a district's AFR is not available before December 31 (the date by which a reserve reduction plan must be filed, if applicable); the board may need to rely upon estimated numbers in that scenario. If a district's ratio of its combined cash reserves of its operational funds to its average annual expenditures of those funds over the past three fiscal years exceeds 2.5, then the board must adopt and file a plan with the Ill. State Board of Education to reduce its cash reserves to expenditures ratio to at or below 2.5 within three years.

Each institution designated as a depository shall, while acting as such depository, furnish the District with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

The District may consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The District may consider factors including:

2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
3. The financial impact that the withdrawal or denial of District deposits might have on the financial institution;
4. The financial impact to the District as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
5. Any additional burden on the District's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds Investment Act, [30 ILCS 235/](#). The Superintendent or designee shall keep the Board informed of collateral agreements.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in the District's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The Board will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Superintendent shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The Board and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence.

Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No District employee having influence on the District's investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which the District is authorized to invest,
2. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or
3. Receive, in any manner, compensation of any kind from any investments in that the agency is authorized to invest.

Use of Illinois County School Facility Sales Tax Revenues

The District has issued, and may issue additional, bonds secured by revenues obtained pursuant to the County School Facility Occupation Tax Law (the Sales Tax Law). Sales Tax Law revenues shall first be used to pay debt service on such bonds pursuant to and in accordance with the resolution(s) of the Board which authorized the issuance of such bonds and shall be deposited into the applicable bond fund. Such resolution(s) may require a monthly set aside of a fractional amount of the next succeeding debt service payment. Sales Tax Law revenues not necessary for the payment of debt service and/or in excess of required monthly deposit, as applicable, shall be deposited into Capital Projects Fund. The Superintendent or designee shall annually prepare all documents and notices necessary for the Board to annually abate the Bond and Interest Levy for all outstanding alternate bonds secured by revenues obtained by the District pursuant to the County School Facility Occupation Tax Law.

The Superintendent shall manage the District's purchases and contracts in accordance with State law, the standards set forth in this policy, and other applicable Board of Education policies.

Standards for Purchasing and Contracting

All purchases and contracts shall be entered into in accordance with applicable federal and State law. The Board Attorney shall be consulted as needed regarding the legal requirements for purchases or contracts. All contracts shall be approved or authorized by the Board.

All purchases and contracts should support a recognized District function or purpose as well as provide for good quality products and services at the lowest cost, with consideration for service, reliability, and delivery promptness, and in compliance with State law. No purchase or contract shall be made or entered into as a result of favoritism, extravagance, fraud, or corruption.

Adoption of the annual budget authorizes the Superintendent or designee to purchase budgeted supplies, equipment, and services, provided that State law is followed. Purchases of items outside budget parameters require prior Board approval, except in an emergency.

The authority to enter contracts, make purchases, and to expend monies properly budgeted shall be vested in the Purchasing Coordinator under the direction of the Superintendent for those materials, supplies, and services whose total cost is not more than twenty-five thousand dollars (\$25,000), provided the Purchasing Coordinator has secured competitive quotes for items or a group of like items whose total cost is more than or equal to twelve thousand dollars (\$12,000), but less than twenty-five thousand dollars (\$25,000). In these instances no prior Board approval is required for the Purchasing Coordinator to make purchases after securing the quotes.

1. Supplies, materials, or work involving an expenditure in excess of ~~\$35,000~~ ^{\$25,000} ^{PRESSPlus1} must comply with the State law bidding procedure, [105 ILCS 5/10-20.21](#), unless specifically exempted.

The Superintendent or designee shall keep a record of: (1) each vendor, product, or service provided, (2) the actual net revenue and non-monetary remuneration from each contract or agreement, and (3) how the revenue was used and to whom the non-monetary remuneration was distributed. The Superintendent or designee shall report this information to the Board by completing the necessary forms that must be attached to the District's annual budget.

[PRESSPlus 1](#). Updated in response to 105 ILCS 5/10-20.21, amended by P.A. 103-8, eff. 1-1-24. **Issue 113, October 2023**

[PRESSPlus 2](#). Updated in response to 105 ILCS 5/15A-1 et seq., added by P.A. 103-491, eff. 1-1-24. Under a *design-build* delivery system for a construction project, a board contracts with a *design-build entity* that furnishes architecture, engineering, land surveying, public art or interpretive exhibits, and other construction services, as required for the project. It allows a single contractor to manage both the design and construction of a project, creating the potential for greater efficiency. Contrast this method with the traditional *design-bid-build* delivery method, in which a board contracts with multiple entities and utilizes a competitive bidding process for certain contractors, such as a general contractor. 105 ILCS 5/15A-1 et seq., added by P.A. 103-491, eff. 1-1-24, does not impact a district's ability to use a qualification-based selection process under 50 ILCS 510/, Local Government Professional Services Act (LGPSA), to select design professionals or construction managers for design-build projects. 105 ILCS 5/15A-50. See sample policy 2:170, *Procurement of Architectural, Engineering, and Land Surveying Services*, available at PRESS Online by logging in at www.iasb.com.

For design-build projects, consult with the board attorney as needed to ensure the district: (1) complies with the specific procedural requirements related to requests for proposals (RFPs) and evaluation of RFP submissions for these contracts, and (2) incorporates additional criteria for requests for proposals and evaluation of proposals based on local conditions and the specific project, as permitted by the statute. Note that under 105 ILCS 5/15A-20, added by P.A. 103-491, eff. 1-1-24, a board must employ or contract with an independent design professional or public art designer (as applicable) selected under the LGPSA to assist with developing the scope and criteria for performance for a request for proposal under a design-build delivery system. **Issue 113, October 2023**

OPERATIONAL SERVICES

4:130 Free and Reduced-Price Food Services

Notice

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

If State funding is available for the Healthy School Meals for All Program, the Board will annually determine if it will participate in the program. [PRESSPlus1](#)

Eligibility Criteria and Selection of Children

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Dept. of Agriculture and distributed by the Ill. State Board of Education. From time to time, the income eligibility guidelines and standards may not be necessary when reimbursements for students' free breakfasts and lunches are claimed through the U.S. Depts. of Agriculture and Education's Community Eligibility Provision (CEP). When claiming the CEP, the District will follow its requirements.

To the extent that the food service program is able to provide breakfast to all students from program reimbursements and at no additional District expense, schools that provide Breakfast in the Classroom are authorized to provide the program to paid students and reduced students at no cost to the student.

Notification

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

Appeal

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Dept. of Agriculture in [7 C.F.R. §245.7](#), Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal. The status of a student's appeal or eligibility for free or reduced-price food services shall not relieve the District of its obligation to provide him or her with a free meal or snack under the Hunger-Free Students' Bill of Rights Act if he or she requests one, regardless of his or her ability to pay.

The Superintendent shall keep on file for a period of three years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for three years.

State Board of Education (ISBE) is required to establish the Healthy School Meals for All Program. Participating boards must offer eligible meals, without charge, to all students enrolled in schools that participate in the National School Breakfast Program (NSBP) and National School Lunch Program (NSLP). To receive State reimbursement under the Healthy School Meals for All Program, a board must: (1) annually notify ISBE of its intent to participate in the program; (2) maximize its access to federal funds for NSBP and NSLP by participating in the CEP or another special assistance alternative, if eligible, and (3) operate the NSBP and NSLP in a manner that in the opinion of ISBE, draws down the most possible

federal funding for meals served in the NSBP and NSLP. If State funding is insufficient to cover reimbursement of all interested boards, ISBE is required to inform eligible schools of the impact of the inadequate funding so that boards can make an informed decision about food service administration in their districts.

[PRESSPlus 1](#). Updated in response to the Pesticide Application at Schools Act (PASA), 105 ILCS 160/, added by P.A. 103-496. Areas prohibited from treatment include paved surfaces, playgrounds and playing fields, where children are typically present.

Pesticides is not specifically defined in PASA; however, the Illinois Pesticide Act (IPA) defines both *pesticides* and the subcategory of *restricted use pesticides*. 415 ILCS 60/4. PASA therefore appears broader than the IPA because it applies to all pesticides, including those that are not restricted use pesticides. However, PASA is narrower than the IPA in two ways. First, PASA's geographic scope is narrower than the IPA because PASA does not apply to "areas of school grounds where children are typically not present, including, but not limited to flower beds and lawns surrounding the school not used as playing fields." Second, PASA is narrower in that its prohibition is only in effect when students are in attendance for instruction, compared to the IPA prohibition that applies during *normal school hours* and could extend beyond instructional hours. For ease in administering these slightly different standards, an elementary or unit district may want to follow the more restrictive geographic and temporal prohibitions in the IPA but apply them to all types of pesticides. General Personnel

5:30 Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent or designee is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval. No individual will be employed who has been convicted of a criminal offense listed in [105 ILCS 5/21B-80](#)(c).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in [105 ILCS 5/21B-80](#) or who falsifies, or omits facts from, his or her

employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease.

The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Employment and Supervision of Relatives

The Board of Education is committed to equal opportunity in employment, to employment policies that promote quality of opportunity in employment, that support good morale, and that discourage practices which interfere with these qualities or which present a conflict of interest, bias, or interfere with legitimate supervisor-supervisee relationships.

The Board of Education intends to avoid "conflict of interests" in employment. The Superintendent and respective staff who do the recruiting and interviewing, while seeking the very best person for the position, should be sensitive to the possibility of controversy over the selection of that person.

For the purpose of this Policy, the term "immediate family" is defined in [105 ILCS 5/24-6](#) which includes parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.

Board Member Relationships

Before the Board of Education votes on any employment decision affecting a Board Member's immediate family member, the Board Member shall publicly disclose such relationship and then abstain from such vote. Board Members should disclose and abstain from voting on employment decisions that involve immediate family members if such relationship would raise questions about the fairness or impartiality of that Board Member or the Board, or be deemed to constitute a breach of the public trust. Board decisions include, but are not limited to, hiring, promoting, transferring, reappointing, evaluating, awarding salary to, disciplining or terminating employees.

Board Member Disclosure

To assist in avoiding any conflicts of interest pertaining to this Policy, immediately following the Annual Board reorganization meeting, the Board Secretary will provide a disclosure form to all Board Members, the Superintendent, Board Secretary, Board Treasurer, and Assistant Superintendents. All such recipients shall provide, in writing, the names and job titles of any immediate family members who are employed by the District, and return the form prior to the first regular Board meeting of the new term.

Direct Supervision of Immediate Family

No District employee shall be a direct supervisor of a member of his or her immediate family. No administrator, supervisor, manager or executive may participate in the process of direct supervision, review, recommendation, and/or decision-making in any matter concerning salary, promotion, demotion, discipline, transfer, layoff, recall, evaluation, or discharge of an immediate family member.

Indirect Supervision of Immediate Family

Whenever possible, the District shall avoid a circumstance in which an employee working in a District facility or in a department, who, though not being supervised directly by an immediate family member, has indirect supervision by having an immediate family member in a responsible managerial or executive position.

Employment Application

Application information is necessary to help the District assure that all hiring decisions are free of inappropriate influence by relatives employed within the District and otherwise are consistent with applicable laws and policies. Respective to internal and external applicants, the term "relative" includes: father, mother, husband, wife, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, and/or half-sister.

The intent of this policy section is to ensure that selection of personnel is based on job-related qualifications. Relationship by family, marriage, or domestic partnership will not preclude hiring, promotions, or transfers, as long as the individual meets and fulfills the appropriate appointment standards.

Internal and external applicants are required to self-disclose, at the time of application, relatives employed by the school district. Internal and external final candidates for positions must have an approved alternative arrangement in place prior to the appointment to comply with the nepotism policy.

Exceptions

In the event an open position that is determined by the Board, upon recommendation by the Superintendent, to be difficult to fill, due to unusual job requirements or a shortage of qualified candidates and after full disclosure to the Board regarding an immediate family relationship of the candidate to a Board Member, consideration of employment will be given if the proposed candidate is determined by the Board the most qualified, and is not displacing a candidate of equal or better qualification.

Nothing contained in this Policy shall be construed to limit, reduce or expand any provision in any collective bargaining agreement between any group of employees and the District.

This Policy is not retroactive and shall not render an existing employee ineligible for continued employment in the District due to the assumption of office by a Board Member with whom the existing employee has an immediate familial relationship.

Restrictions in this Policy shall not apply to the hiring of short-term, part-time or temporary employees such as substitute teachers, summer help or game workers. Non-compliant supervisor/subordinate relationships at the time of this Policy's adoption, or subsequently created by marriage or civil union to another District employee, should be remedied at the earliest practical date.

Violations

Any employment decision made in violation of this Policy may be voidable by the Board.

[PRESSPlus 2.](#) 105 ILCS 5/22-96, added by P.A. 103-46 and amended by P.A. 103-564, requires school districts, when hiring or assigning educators for physical education, music, or visual arts, to prioritize the hiring or assigning of educators who hold an educator license and endorsement in those areas. The law also requires educators in these areas to obtain short-term approval if they are not licensed in the content area, or, if no short-term approval is available, they must meet criteria specified by the Ill. State Board of Education (ISBE). Educators must obtain an endorsement in the area being taught prior to the end of the short-term approval period to continue to maintain the educator's employment for subsequent school years. In the alternative, educators do not need to be licensed, obtain short-term approval, or meet other ISBE requirements if they meet the requirements of Title 23 of the Illinois Administrative Code except for Section 1.710.

However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave [PRESSPlus1](#)

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis,^{Q1} an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. Personal Leave

Professional staff members are granted one personal leave day per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

The Victims' Economic Security and Safety Act ([VESSA](#)) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Educational Support Personnel

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement, the administrative support handbook, or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 180 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave. As a condition for paying sick leave after three days absence for personal illness, or as the Board, Superintendent, or designee deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days.

As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need to be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent or designee may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Monthly Accumulation</u>	<u>Maximum Vacation Leave Earned Per Year</u>
<u>From:</u>	<u>To:</u>		
Beginning of year 2	End of year 5	0.83 Days	10 Days per year
Beginning of year 6	End of year 15	1.25 Days	15 Days per year
Beginning of year 16	End of year	1.67 Days	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent or designee will determine the procedure for requesting vacation. Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Unless the District has a waiver or modification of the School Code pursuant to [Section 2-3.25g](#) or [24-2\(b\)](#) allowing the district to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Indigenous Peoples' Day (i.e. Columbus Day)

Spring Break Day (e.g. Friday before Easter)*	Thanksgiving Day
Memorial Day	Day after Thanksgiving*

Those holidays noted with an asterisk are afforded beyond the School Code. To be eligible for holiday pay, the holiday must occur during the respective employee's work year and the employee must be in pay status the day before and the day after the holiday. A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

INSTRUCTION

6:15 School Accountability

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work. To fulfill that purpose, the Ill. State Board of Education (ISBE) prepared *State Goals for Learning and Learning Standards*.

The Board of Education gives priority in the allocation of resources, including funds, time, personnel, and facilities, to fulfilling this purpose.

Quality Assurance

The Board continuously monitors student achievement and the quality of the District's work. The Superintendent shall supervise the following quality assurance components, in accordance with State law and ISBE rules, and continuously keep the Board informed:

Note that instruction on Native American nations' sovereignty and self-determination under 105 ILCS 5/27-21, amended by P.A. 103-422, does not specify a delayed implementation date. Consult the board attorney regarding whether a district may delay implementation of such instruction given that the implementation of Native American experience and Native American history in 2024-2025 must include instruction on tribal sovereignty.

Instruction in events of the Native American experience and Native American history must include “the contributions of Native Americans in government and the arts, humanities, and sciences, as well as the contributions of Native Americans to the economic, cultural, social, and political development of their own nations and of the United States.” Additionally, in grades 6 through 12, the instruction must include “the study of the genocide of and discrimination against Native Americans, as well as tribal sovereignty, treaties made between tribal nations and the United States, and the circumstances around forced Native American relocation.” The Ill. State Board of Education (ISBE) is required to make instructional materials related to Native Americans available on its website, but not until 1-1-25. STUDENTS

7:60 Residence

Resident Students^{Q1}

Only students who are residents of the District may attend a District school without a tuition charge, except as otherwise provided below or in State law. A student's residence is the same as the person who has legal custody of the student.

A person asserting legal custody over a student, who is not the child's natural or adoptive parent, shall complete a signed statement, stating: (a) that he or she has assumed and exercises legal responsibility for the child, (b) the reason the child lives with him or her, other than to receive an education in the District, and (c) that he or she exercises full control over the child regarding daily educational and medical decisions in case of emergency. If the District knows the current address of the child's natural or adoptive parent, the District shall request in writing that the person complete a signed statement or affidavit stating: (a) the role and responsibility of the person with whom their child is living, and (b) that the person with whom the child is living has full control over the child regarding daily educational and medical decisions in case of emergency.

A student whose family moves out of the District during the school year will be permitted to attend school for the remainder of the year without payment of tuition.

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military service obligation if the student's custodian made a written request. The District, however, is not responsible for the student's transportation to or from school.

If, at the time of enrollment, a dependent child of military personnel is housed in temporary housing located outside of the District, but will be living within the District within six months after the time of initial enrollment, the child is allowed to enroll, subject to the requirements of State law, and must not be charged tuition.

Residence of Students with Disabilities^{PRESSPlus1}

The residence of a child with a disability is determined in accordance with 105 ILCS 5/14-1.11, 5.14-1.11a, and 5/14-1.11b.

Admission of Nonresident Students Pursuant to an Agreement or Order

Nonresident students may attend District schools ~~tuition-free~~ pursuant to:

1. A written agreement with an adjacent school district to provide for tuition-free attendance by a student of that district, provided both the Superintendent or designee and the adjacent district determine that the student's health and safety will be served by such attendance.
2. A written agreement with cultural exchange organizations and institutions supported by charity to provide for tuition-free attendance by foreign exchange students and nonresident pupils of charitable institutions.
3. According to an intergovernmental agreement.
4. Whenever any State or federal law or a court order mandates the acceptance of a nonresident student.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required to establish residency. Board of Education policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Challenging a Student's Residence Status

If the Superintendent or designee determines that a student attending school on a tuition-free basis is a nonresident of the District for whom tuition is required to be charged, he or she on behalf of the Board of Education shall notify the person who enrolled the student of the tuition amount that is due. The notice shall detail the specific reasons why the Board believes that the student is a nonresident of the District and shall be given by certified mail, return receipt requested. STUDENTS

7:190 Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the cause of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds, at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school, a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for defiance, disruptive behaviors, or misconduct, including but not limited to the sub-headings outlined below. Disobeying rules of student conduct or directives from staff members or school officials include, but is not limited to, refusing a District staff member's request to stop, present school identification, or report to the office.

Possession

For purposes of this policy, the term possession includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident.

The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Illegal Substance

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes and/or vapes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under Ashley's Law).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
 - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under Ashley's Law.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.

- g. Look-alike or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
- h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

Students in grades 9-12 must keep their cell phones turned off and in their individual lockers. Staff is not responsible for cell phones that are left, lost, damaged, or stolen while at school.

Students that refuse to obey this policy and/or guidelines set for cell phone usage and/or other technology violations may receive the following school discipline.

- 1st offense - Warning – Parent/guardian contacted and student must put device away in the designated area. Student may pick the device up at the end of the day.

1. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property,

retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.

2. Being involved with any public-school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.

Sexual Misconduct

1. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
2. Teen dating violence, as described in Board policy 7:185, Teen Dating Violence Prohibited.

Vandalism/Theft

1. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
2. Entering school property or a school facility without proper authorization.

False Alarms

In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.

Threats

Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.

Disruptive Behaviors/Truancy

1. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
2. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
3. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
4. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a

threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

5. Being absent without a recognized excuse; State Law and Board of Education policy regarding truancy control will be used with chronic and habitual truants.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, Bus Conduct.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended shall also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board policy 7:210, Expulsion Procedures. A student who has been expelled shall also be restricted from being on school grounds and at school activities that include, but not limited to, prom, senior activities, and graduation.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in [Article 13A](#) or [13B of the School Code](#).
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), look-alikes, alcohol, or weapons or in other circumstances as

authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. It is also not an order in which discipline may be administered. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion. Students enrolled in the District's State-funded preschool program(s) may be temporarily removed or transitioned to a new program in accordance with federal and State law. State law prohibits the expulsion of students from the program(s).

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in [105 ILCS 5/10-20.33](#), State Board of Education rules ([23 Ill.Admin.Code §§ 1.280, 1.285](#)), and the District's procedure(s).

Weapons

A student who is determined to have brought one of the following objects to school, any school- sponsored activity or event, or any activity or event that bears a reasonable relationship to school may be expelled for a period not to exceed two calendar years:

- A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code ([18 U.S.C. § 921](#)), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act ([430 ILCS 65/](#)), or firearm as defined in Section 24-1 of the Criminal Code of ~~1961~~2012 ([720 ILCS 5/24-1](#)).
- A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including look-alikes of any firearm as defined above.

The expulsion requirement under either paragraph one or two above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are

licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices [PRESSPlus2](#)

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member or is subject to a battery. ~~Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. State Police (ISP), and any involved student's parent/guardian.~~ *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Upon receiving ~~such~~ a report of (1), above, the Building Principal or designee shall immediately notify ~~the~~ local law enforcement. In addition, upon receiving a report on any of the above (1)-(3), the Building Principal or designee shall notify the Superintendent or designee ~~agency, Ill. State Police (ISP),~~ and any involved student's parent/guardian. [Q1](#)

Upon receiving a report on any of the above (1)-(3), the Superintendent or designee shall immediately notify local law enforcement. The Superintendent or designee shall also report incidents involving battery against staff members to the Ill. State Board of Education through its web-based School Incident Reporting System as they occur during the year and no later than August 1 for the preceding school year. [PRESSPlus3](#)

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent or designee, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies.

These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

Questions and Answers:

*****Required Question 1.** The building principal must notify the student's parent/guardian only when the alleged offense is firearm possession. 105 ILCS 5/27.1A(b). The policy expands this notification duty to include drug-related incidents and battery of a staff member.

Would the board like to expand the notification duty, or align it with 105 ILCS 5/27.1A(b)?

- Expand the notification duty to include drug-related incidents and battery of a staff member. (Default)
- Align notification duty to 105 ILCS 5/27.1A(b). (IASB will amend the second sentence as follows: "In addition, upon receiving a report on any of the above (1)-(3), the Building Principal or designee shall notify the Superintendent or designee and, if a student is reportedly in possession of a firearm, also any involved student's parent/guardian.")

Document Status: Draft Update

STUDENTS

7:270 Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent/guardian.

No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an **allergy emergency action plan**, **III. Food Allergy Emergency Action Plan and Treatment Authorization Form**, [PRESSPlus1](#) (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

School District Supply of Undesignated Asthma Medication

The Superintendent or designee shall implement [105 ILCS 5/22-30\(f\)](#) and maintain a supply of undesignated asthma medication in the name of the District and provide or administer them as necessary according to State law. *Undesignated asthma medication* means an asthma medication prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated asthma medication to a person when they, in good faith, believe a person is having *respiratory distress*. Respiratory distress may be characterized as *mild-to-moderate* or *severe*. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Epinephrine Injectors

The Superintendent or designee shall implement [105 ILCS 5/22-30\(f\)](#) and maintain a supply of undesignated epinephrine injectors in the name of the District and provide or administer them as necessary according to State law. *Undesignated epinephrine injector* means an epinephrine injector prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine injector to a person when they, in good faith, believe a person is having an anaphylactic reaction. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Opioid Antagonists

The Superintendent or designee shall implement [105 ILCS 5/22-30\(f\)](#) [PRESSPlus2](#) and maintain a supply of undesignated opioid antagonists ~~in the name of the District~~ and provide or administer them as necessary according to State law. *Opioid antagonist* means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration. *Undesignated opioid antagonist* is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of the District or one of its schools or obtained by the District without a prescription. A school nurse or trained personnel, as defined in State law, may administer an undesignated opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law. See the website for the Ill. Dept. of Human Services for information about

opioid prevention, abuse, public awareness, and a toll-free number to provide information and referral services for persons with questions concerning substance abuse treatment.

School District Supply of Undesignated Oxygen Tanks^{Q1}

In schools where the District maintains special educational facilities, the Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated oxygen tanks in the name of the District and provide or administer them as necessary. The supply shall be maintained in accordance with manufacturer instructions and local fire department rules.

School District Supply of Undesignated Glucagon

The Superintendent or designee shall implement [105 ILCS 145/27](#) and maintain a supply of undesignated glucagon in the name of the District in accordance with manufacturer's instructions.

When a student's prescribed glucagon is not available or has expired, a school nurse or delegated care aide may administer undesignated glucagon only if he or she is authorized to do so by a student's diabetes care plan.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:
 - a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the District;
 - c. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*; and
 - d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.
2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the District or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **School District Supply of Undesignated Asthma Medication** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated asthma medication from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school asthma medication.

The **School District Supply of Undesignated Epinephrine Injectors** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated epinephrine injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school epinephrine injectors.

The **School District Supply of Undesignated Opioid Antagonists** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain a supply of opioid antagonists due to a shortage, in which case the District shall make reasonable efforts to maintain a supply, for the District a prescription for opioid antagonists from a health care professional who has been delegated prescriptive authority for opioid antagonists in accordance with Section 5-23 of the Substance Use Disorder Act, or (2) fill the District's prescription for undesignated school opioid antagonists.

The **School District Supply of Undesignated Oxygen Tanks** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for oxygen tanks from a qualifying prescriber, [PRESSPlus3](#) or (2) fill the District's prescription for undesignated oxygen tanks.

The **School District Supply of Undesignated Glucagon** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for glucagon from a qualifying prescriber, or (2) fill the District's prescription for undesignated school glucagon.

The **Administration of Medical Cannabis** section of the policy is void and the District reserves the right not to implement it if the District or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated medication permitted by State law, the Superintendent or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Undesignated Medication Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions applicable under State law apply.

No one, including without limitation, parents/guardians of students, should rely on the District for the availability of undesignated medication. This policy does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

Questions and Answers:

***[Required Question 1](#). 105 ILCS 5/22-30(f), amended by P.A. 103-196, eff. 1-1-24, permits a district maintaining special educational facilities to maintain a supply of undesignated oxygen tanks in a secure location that is accessible before, during, and after school where a person with developmental disabilities is most at risk, including, but not limited to classrooms and lunchrooms. *Special educational facility* is not specifically defined in 105 ILCS 5/14-4.01; consult the board attorney for advice regarding this term and if it is limited to separate buildings, self-contained classrooms, and/or programs attended solely by students with disabilities. For example, this option may not be available if a district utilizes a special education cooperative for all of its special education programming. There is a reference to *special education facilities* in 105 ILCS 5/14-12.01, which may provide some guidance; it addresses reimbursement for the construction and maintenance of “special education facilities designed and utilized to house instructional program, diagnostic services” and “other special education services for children with disabilities.” 105 ILCS 22-30(f), amended by P.A. 103-196, eff. 1-1-24, does not specify who can administer undesignated oxygen, nor does it specify any training requirements for its use in schools.

To minimize potential liability and ensure proper administration, a best practice is to restrict who can administer undesignated oxygen to school nurses and other school personnel who have received appropriate training on the emergency use and storage of oxygen. See sample administrative procedure 7:270-AP2, *Checklist for District Supply of Undesignated Medication(s)*, available at PRESS Online by logging in at www.iasb.com.

Consult the board attorney about the consequences of informing the community that the district will obtain a prescription for a supply of undesignated oxygen tanks and implement a plan for their use, and then not doing it, as doing so may be fraught with legal liabilities. Also fraught with legal liabilities is if the district provides them, but does not have them accessible before, during, and after school where a person with development disabilities is most at risk as required by 105 ILCS 5/22-30(f), amended by P.A. 103-196, eff. 1-1-24. See *In re Estate of Stewart*, 406 Ill.Dec. 345 (2nd Dist. 2016)(denying tort immunity to district, finding its response to a student's asthma attack was *willful* and *wanton* (which district disputed as a possible heart attack)); *In re Estate of Stewart*, 412 Ill.Dec. 914 (Ill. 2017)(school district's appeal denied).

Does the district maintain special educational facilities for children with disabilities under 105 ILCS 5/14-4.01?

- No. (IASB will delete the subhead regarding School District Supply of Undesignated Oxygen Tanks.)
- Yes. If yes, does the board want the district to maintain a supply of undesignated oxygen tanks in the name of the District and provide or administer them as necessary? Type "yes" or "no." If no, IASB will delete the subhead regarding School District Supply of Undesignated Oxygen Tanks.)

PRESSPlus 1. Updated in response to 105 ILCS 5/10-22.21b and 105 ILCS 5/22-30, amended by P.A. 103-175, replacing the retired *Illinois Food Allergy Emergency Action Plan and Treatment Authorization Form* with allergy emergency action plan in the School Code provisions regarding administration of medication to students. **Issue 113, October 2023**

PRESSPlus 2. Required by 105 ILCS 5/22-30(f), amended by P.A. 103-348, eff. 1-1-24. In the case of a shortage of opioid antagonists, a district must make reasonable efforts to maintain a supply. At least one opioid antagonist, a naloxone nasal spray, has been approved by the U.S. Federal Food and Drug Administration for over-the-counter, nonprescription use. A district must obtain a prescription for a supply of opioid antagonists from a *health care professional* with prescriptive authority under the Substance Use Disorder Act, 20 ILCS 301/5-23, unless it is able to secure a supply without a prescription. *Health care professional* means a physician licensed to practice medicine in all its branches, a licensed physician assistant with prescriptive authority, a licensed advanced practice registered nurse with prescriptive authority, or an advanced practice registered nurse who practices in a hospital or ambulatory surgical treatment

center and possesses appropriate clinical privileges in accordance with the Nurse Practice Act, 20 ILCS 301/5-23(d)(4). **Issue 113, October 2023**

7:285 Anaphylaxis Prevention, Response, and Management Program

School attendance may increase a student's risk of exposure to allergens that could trigger anaphylaxis. Students at risk for anaphylaxis benefit from a Board of Education policy that coordinates a planned response in the event of an anaphylactic emergency. Anaphylaxis is a severe systemic allergic reaction from exposure to allergens that is rapid in onset and can cause death. Common allergens include animal dander, fish, latex, milk, shellfish, tree nuts, eggs, insect venom, medications, peanuts, soy, and wheat. A severe allergic reaction usually occurs quickly; death has been reported to occur within minutes. An anaphylactic reaction can also occur up to one to two hours after exposure to the allergen.

While it is not possible for the District to completely eliminate the risks of an anaphylactic emergency when a student is at school, an Anaphylaxis Prevention, Response, and Management Program using a cooperative effort among students' families, staff members, students, health care providers, emergency medical services, and the community helps the District reduce these risks and provide accommodations and proper treatment for anaphylactic reactions.

The Superintendent or designee shall develop and implement an Anaphylaxis Prevention, Response, and Management Program for the prevention and treatment of anaphylaxis that:

1. Fully implements the Ill. State Board of Education (ISBE)'s model policy required by the School Code that: (a) relates to the care and response to a person having an anaphylaxis reaction, (b) addresses the use of epinephrine in a school setting, (c) provides a full food allergy and prevention of allergen exposure plan, and (d) aligns with [105 ILCS 5/22-30](#) and [23 Ill.Admin.Code §1.540](#).
2. Ensures staff members receive appropriate training, including: (a) an in-service training program for staff who work with students that is conducted by a person with expertise in anaphylactic reactions and management, and (b) training required by law for those staff members acting as *trained personnel*, as provided in [105 ILCS 5/22-30](#) and [23 Ill.Admin.Code §1.540](#).
3. Implements and maintains a supply of undesignated epinephrine in the name of the District, in accordance with policy 7:270, *Administering Medicines to Students*.
4. Follows and references the applicable best practices specific to the District's needs in the Centers for Disease Control and Prevention's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* and the *National Association of School Nurses Allergies and Anaphylaxis Resources/Checklists*.

5. Provides annual notice to the parents/guardians of all students to make them aware of this policy.
6. Complies with State and federal law and is in alignment with Board policies.

Monitoring

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board reviews and makes any necessary updates to this policy at least once every three years. The Superintendent or designee shall assist the Board with its review and any necessary updates.

Access shall be facilitated according to guidelines from the Superintendent or designee.

The School District expects mutual respect, civility, and orderly conduct among all people on school property or at a school event. No person on school property or at a school event (including visitors, students, and employees) shall perform any of the following acts:

1. Strike, injure, threaten, harass, or intimidate a staff member, Board member, sports official or coach, or any other person.

[PRESSPlus 2.](#) Updated in response to PRESS Advisory Board member feedback requesting clarification that the scope of subhead **Procedures to Deny Future Admission to Athletic or Extracurricular School Events or Meetings** is limited, as specified in the new subhead title, to topics set forth in 105 ILCS 5/24-24.

If a violator is a student, the hearing should be held in a closed meeting. 5 ILCS 120/2(c)(9). Otherwise, a hearing regarding denial of admission to *school events or property* pursuant to 105 ILCS 5/24-24 may take place in an open meeting or in a closed meeting so long as the board prepares and makes available for public inspection a written decision setting forth its determinative reasoning. 5 ILCS 120/2(c)(4.5), added by P.A. 103-311. Note: while 5 ILCS 120/2(c)(4.5), added by P.A. 103-311, refers to *school events or property*, 105 ILCS 5/24-24 only authorizes boards to deny admission to athletic and extracurricular *events*. The term *events* is arguably broader than *property* as school events may take place offsite; consult the board attorney for guidance.

Some boards prefer an open meeting hearing to make it publicly known what alleged conduct could result in someone being denied admission to athletic or extracurricular events, while others prefer a closed meeting hearing so as not to provide a public platform to someone alleged to have engaged in prohibited conduct. Consult the board attorney to determine the best approach for the district and to ensure alignment with local practices and conditions.

Consult the board attorney if the district would like to deny an individual admission to board meetings.

A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

BOARD OF EDUCATION

2:265 Title IX Grievance Procedure

Title has been updated. Original Title: Title IX Sexual Harassment Grievance Procedure

Sexual harassment^{[PRESSPlus1](#)} affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations ([34 C.F.R. Part 106](#)) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in [20 U.S.C. §1092\(f\)\(6\)\(A\)\(v\)](#), *dating violence* as defined in [34 U.S.C. §12291\(a\)\(11\)](#), *domestic violence* as defined in [34 U.S.C. §12291\(a\)\(12\)](#), or *stalking* as defined in [34 U.S.C. §12291\(a\)\(36\)](#).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

Definitions from [34 C.F.R. §106.30](#)

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with [34 C.F.R. §106.45](#). The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with [34 C.F.R.](#)

[§106.45](#) before the imposition of any disciplinary sanctions or other actions against a *Respondent*.

2. Require an objective evaluation of all relevant evidence - including both inculpatory and exculpatory evidence - and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
 - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies.

Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

PRESSPlus Comments

[PRESSPlus 1](#). The policy title only is changed to delete the term *sexual harassment* in anticipation of Title IX rulemaking. The U.S. Department of Education is expected to release final Title IX regulations within the next few months. It is expected that the scope of the updated regulations will be expanded to apply to all sex discrimination allegations, not merely to allegations of sexual harassment (as current regulations do).

Document Status: Draft Update - New

2:270 Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

New/Unpublished Section

NEW

Discrimination and harassment on the basis of race, color, or national origin [PRESSPlus1](#) negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

Examples of Prohibited Conduct [PRESSPlus2](#)

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

Making a Report or Complaint; Investigation Process [PRESSPlus3](#)

Individuals are encouraged to promptly report claims or incidences of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

Federal and State Agencies

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights.^{PRESSPlus4} To contact IDHR, go to: <https://dhr.illinois.gov/about-us/contact-idhr.html> or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which:^{PRESSPlus5}

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

Policy Posting and Distribution

This policy shall be posted on the District's website.^{PRESSPlus6} The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site,^{PRESSPlus7} and/or in other areas where policies and rules of conduct are made available to staff.

[PRESSPlus 1.](#) This policy is created in response to 105 ILCS 5/22-95 (final citation

pending), added by P.A. 103-472, the Racism-Free Schools Law (RFSL). The law requires school districts to have a written policy (or policies) in place by 8-1-24 that prohibit discrimination and harassment based on race, color, and national origin, as well as retaliation. Like other non-discrimination and harassment policies in the PRM, this new policy utilizes the existing complaint process in sample policy 2:260, *Uniform Grievance Procedure*.

The policy must contain the following: (1) descriptions of various forms of discrimination and harassment based on race, color, and national origin, including examples; (2) the district's internal process for filing a complaint regarding a violation of the policy; (3) an overview of the district's prevention and response program that includes procedures for responding to complaints of discrimination and harassment based on race, color, and national origin and retaliation; (4) potential remedies for a violation of the policy; (5) a prohibition on retaliation for making a complaint or participating in the complaint process; (6) the legal recourse available to the Ill. Dept. of Human Rights (IDHR) and federal agencies if a district fails to take corrective action; and (7) directions on how to contact IDHR.

PRESSPlus Comments

PRESSPlus 1. This policy is rewritten due to Public Act 103-542, which significantly streamlines school in-service training requirements into eight categories. Though P.A. 103-542 was to be effective on 1-1-24, most of its changes become operative on 7-1-24. As a result, legislative action during Veto Session amended the effective date of P.A. 103-542 to 7-1-24. For more information, see the footnotes of sample policy 5:100, *Staff Development Program*, available at PRESS Online by logging in at www.iasb.com.

This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. **Issue 114, March 2024**

PRESSPlus 2. Sexual misconduct under Faith's Law is defined in 105 ILCS 5/22-85.5(c), added by P.A. 102-676. **Issue 114, March 2024**

PRESSPlus 3. This list of in-service trainings is required by State law but only numbers 4, 5(d), and 7 are required to be specified in board policy. **Issue 114, March 2024**

PRESSPlus 4. Consult the board attorney about whether:

1. All asthma action plans should require immediate 911 calls based upon In re Estate of Stewart, 406 Ill.Dec. 345 (2nd Dist. 2016); In re Estate of Stewart, 412 Ill.Dec. 914 (Ill. 2017) (school district's appeal denied). The court held that a teacher's failure to dial 911 immediately upon a student's asthma attack was willful and wanton conduct, subjecting the school district to liability under the Local Governmental and Governmental Employees Tort Immunity Act.
2. The duties and responsibilities of the district when it asks for but does not receive an asthma action plan from a parent/guardian and the logistics of distributing any received plans to those employees who need to know based upon Stewart, above.

PRESSPlus 5. From 6-30-23 through 7-1-24, 105 ILCS 5/10-22.39(g), added by P.A. 103-128, requires that at least once every two years, all District personnel be trained on methods to respond to trauma, including instruction on how to respond to an incident involving life-threatening bleeding and, if applicable, how to use a school's trauma kit. See 105 ILCS 5/10-20.85, added by P.A. 103-128, for a

bleeding control kit instead of trauma kit.

Beginning with the 2024-25 school year, training on life-threatening bleeding must be completed within six months of employment and renewed within two years. Beginning with the 2027-28 school year, training on life-threatening bleeding must be completed within six months of employment and renewed at least once every five years thereafter. 105 ILCS 5/10-22.39(b-5)(7), added by P.A. 103-542, eff. 7-1-24. **Issue 114, March 2024**

PRESSPlus 6. Optional. These in-services and/or trainings are required by State and/or federal law but are not required to be specified in board policy. Putting this optional list into the policy will help the board monitor that the required in-service and training topics are being covered. While it is possible to *pick and choose*, this practice is likely to add more confusion to an already confusing responsibility. Unless noted, the School Code does not mandate the frequency with which the training must occur. Several other trainings that are mentioned in laws other than the School Code are addressed in other sample policies and procedures. **Issue 114, March 2024**

Racial Equity

The Decatur Public Schools District #61 acknowledges that complex societal and historical factors contribute to inequities within the Decatur Public School District. This history has negatively impacted the health, education, and economic outcomes for many students. This policy confronts the institutional bias that results in predictability of student performance based on race, background, and/or circumstances (such as, but not limited to: disability, language, income, and culture). Decatur Public Schools is committed to the District mission. To achieve this, the District resolves to address opportunity gaps at every level of the organization through policy, procedure, and practice in order to eliminate persistent achievement gaps.

Each student deserves a learning environment in which diversity is valued and contributes to successful academic outcomes. To that end, Decatur Public Schools District #61 commits to:

- Developing or revising policies and protocols that integrate additional racially and culturally relevant content, along with anti-racism instruction, into the curriculum;
- Implementing an aligned, culturally responsive social-emotional learning curriculum;
- Ensuring the district calendar is inclusive of important cultural holidays celebrated by our students, their families, our staff, and our community;
- Providing mandatory diversity and inclusion, equity, cultural relevancy, and implicit bias training to all who work, volunteer, intern, and/or interact with district students;
- Aggressively recruiting and developing teachers and staff who reflect the diversity of our students;
- Developing a discipline and safety system that protects the physical, mental, and social health of students and staff through a culturally responsive, restorative justice model;
- An annual conversation with a representative group of students, the Chief of Police, and other district stakeholders regarding the SRO contract renewal;
- Establishing Employee Resource Groups focused on supporting and improving retention, morale, professional growth, and opportunities for teachers and staff;
- Regular reports regarding the education outcomes of all students (disaggregated by race and other intersectional categories, including but not limited to: socioeconomic status, gender, etc.) regarding curriculum, discipline, opportunities, and social climate; and
- Preparing an annual report to the community that highlights District progress toward these goals.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator, who also serves as the District's Title IX Coordinator. The Superintendent and Building Principal shall use reasonable measures to inform staff members and students of this policy and related grievance procedures.

STUDENTS

7:180 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, physical appearance, socioeconomic status, academic status, [PRESSPlus1](#) pregnancy, parenting status, homelessness, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from [105 ILCS 5/27-23.7](#)

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; ~~each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12~~

RE: Decatur Public Schools – Executive Summary of Structural Building Evaluations

Dear Mr. Curry:

In accordance with your request, our firm has conducted 25 structural building evaluations for the Decatur Public Schools District 61. Enclosed are the reports for each of these evaluations. The structural evaluations and reports were conducted in general accordance with our proposal dated October 25th, 2023. The reports present the visual structural observations and provides photos, and general recommendations for any issues observed during our site visits.

Many of the issues and recommendations outlined in the reports are minor in nature and can be addressed as funding becomes available in the future. In our professional opinion the following recommendations should be addressed soon for each building:

1. American Dreamer STEM Academy – 2215 S. Taylor Road
 - a. Remove and replace the excessively pack rusted steel angle lintels around the 1955 original building. Repair brick cracks associated with the pack rusted lintels.
 - b. Remove the small metal canopy on the west elevation just north of the south wing due to inadequately bolted hangers. The school district already completed this recommendation.
2. Baum Elementary – 801 S. Lake Ridge Ave.
 - a. There are no major structural issues.
3. Dennis/Kaleidoscope – 520 W. Wood St.
 - a. Stabilize, repair, or replace the deteriorated, leaning, and bowing portions of upper walls and parapets of the original 1914 three-story school building.
 - b. Continue to restrict access to the 1914 building and along the exterior areas surrounding the original 1914 building until the stabilization, repairs, or replacement of the upper walls and parapets can be completed.
4. Dennis/Mosaic – 1499 W. Main St.
 - a. Stabilize, repair, or replace the leaning and sagging sections of stairs and landings of the north multi-story stair of the original 1910 three-story school building.

- b. Continue to restrict access to the 1910 building north multi-story stair, landings, and rooms reliant on the north multi-story stair for access or emergency escape until the stabilization, repairs, or replacement of the north multi-story stair can be completed.
- 5. Garfield School/Dennis Lab – 300 Meadow Terrace Place
 - a. Repair the spalling and cracking deterioration in the masonry wall portions below the roof joist bearings in the Boiler Room.
 - b. Repair or replacement of the pack rust deteriorated column base, baseplate, and anchor bolts of the elevated tank support frame in the Boiler Room.
 - c. Replace the pack rust deteriorated steel guardrail and missing guardrail baseplate anchors for the exterior North steps.
- 6. Hope Academy – 955 N. Illinois
 - a. Clean and further inspect the rusted turnbuckle tension rod connections above the exterior canopies. If the threaded connections on rods and turnbuckles show section loss after cleaning, the rods and their connections need to be replaced.
- 7. Johns Hill Magnet School – 1025 E. Johns Ave.
 - a. There are no major structural issues.
- 8. Montessori Academy for Peace – 4735 E. Cantrell St.
 - a. There are no major structural issues.
- 9. Muffley Elementary – 88 S. Country Club Rd.
 - a. Stabilize, repair, or replace the exterior concrete retaining wall near the north end of the west exterior wall of the original 1956 building to prevent further leaning of the wall.
 - b. Replace the pack rust deteriorated steel guardrail on top of the west exterior concrete retaining wall.
- 10. Parsons Elementary – 3591 MacArthur Blvd.
 - a. The excessively leaning west exterior masonry wall in the Boy's and Girl's Restrooms of the 1965 original building should be replaced or repaired. The top of the wall should be adequately connected to the metal roof deck.
- 11. Pershing Early Learning Center – 2912 N. University Ave.
 - a. There are no major structural issues.
- 12. South Shores Elementary – 2500 S. Franklin St. Rd.
 - a. Repair the spalling deterioration in the masonry wall below one of the roof joist bearings in the Multipurpose Room.

13. Stephen Decatur Middle School – 1 Educational Park

- a. The current and previously repaired cracking in the exterior brick veneer, the dislocation and cracking of the interior concrete block wall at the base of the north side of the west exterior wall, and the shifting brick veneer and concrete block in the middle of the east exterior wall are the biggest issues. Most of the brick veneer cracks were previously repaired with caulking. The caulking used in the past repairs appears to be adequate; however, it is more common to tuckpoint brick cracks with mortar instead of caulking. Currently the exterior concrete block walls with brick veneer appear structurally adequate; however, more evaluation is needed to determine why the brick veneer has many already repaired and current cracks. For now, the exterior concrete block walls with brick veneer appear structurally stable.

14. Eisenhower High School – 1200 S. 16th St.

- a. Repair or replace the rusted or dislodged guardrail on the original southwest retaining wall, on the retaining wall west of Area D and on the 2012 Dock Addition near the northeast side of Area C. Repairing or replacing this guardrail will ensure the guardrail provides adequate fall protection.

15. MacArthur High School – 1499 W. Grand Ave.

- a. There are no major structural issues.

16. Keil Administration Building – 101 W. Cerro Gordo St.

- a. Remove the excessively deteriorated northwest exterior slab over the basement and backfilling this portion of the basement.
- b. Remove and replace the excessively pack rusted steel angle lintels above the 3rd floor windows on the south elevation, and repair the slightly bowed out brick wall above these lintels.
- c. Repair the four (4) heavily rusted steel rod connections at the base of the roof flag pole on the roof.
- d. Remove the structurally inadequate wood columns, beams and plywood roofing south of the building over the exterior HVAC units.

17. Alternative Education/Tech Academy – 300 E. Eldorado St.

- a. Replace the steel cover plate and embedded steel frame of the pack rust deteriorated water valve floor access door located on the first-floor north-west corner of the Coke Building.
- b. Repairs to seal off the opening in the east alley open grate storm drain inlet pit that leads directly to the Coke Building basement to prevent water infiltration into the Coke Building basement.
- c. Repair or replacement of the Coke Building sump pump and floor drains and repair or replacement of deteriorated bottom portions, baseplates, and anchors of existing steel columns in the Coke Building basement that has pack rust water damage deterioration.

18. Professional Development Institute – 601 North Church St.

- a. Repair the excessively cracked brick arch head over the west door opening on the south elevation of the South Building before the cracks worsen.
- b. The paint on the exterior brick walls can trap moisture in the brick behind the paint. This trapped moisture can cause the exterior building walls to deteriorate faster than they normal would.

19. Buildings & Grounds (Office & Repair Garage) – 400 E. Cerro Gordo St.

- a. Remove and replace the excessively deteriorated cantilever exterior docks on the west and east elevations of the Southwest Building and on the south elevation of the Middle North Building of the Office.
- b. Remove and replace the excessively deteriorated exterior stairs near the southwest corner of the Southwest Building of the Office.
- c. Remove and replace the excessively deteriorated exterior concrete dock south of the Northeast Building of the Office.
- d. Remove the steel tower above the Middle North Building of the Office. Or repair the tower's structurally inadequate guy wire connections to the brick parapets and roofs over the Office.
- e. Fully engage the upper threaded rod connection on the west canopy that is not fully engaged into its male connection part.

20. Buildings & Grounds (Continental Building) – 390 E. Cerro Gordo St.

- a. There are no major structural issues.

21. Buildings & Grounds (Warehouse, AKA Annex) – 556 N. Jackson St.

- a. Replace the excessively pack rusted steel lintels and repair the cracks in the west exterior wall of the South Building, so the sidewalk can reopen.
- b. Permanently repair the far east bow-tie truss that failed in the south building, so the temporary shoring can be removed.
- c. Replace the excessively pack rusted steel lintels and repair the cracks over the two large openings in the east exterior wall of the South Building.
- d. Replace the excessively pack rusted steel lintel and repair the cracks over the large opening on the far east side of the north exterior wall of the South Building.

22. Buildings & Grounds (Truck Garage) – 300 E. Cerro Gordo. St.

- a. Replace the north exterior man door brick veneer lintel to provide a lintel for the brick that has adequate bearing on each side of the brick wall door opening.

23. Harris Elementary/SEAP – 620 E. Garfield Ave.

- a. There are no major structural issues.

24. Stevenson Elementary – 3900 Neeley Ave.

- a. Repair the spalling and cracking deterioration in the masonry wall portions below the roof joist bearings in the Boiler Room.
- b. Repair or replacement of the pack rust deteriorated column base, baseplate, and anchor bolts of the elevated tank support frame in the Boiler Room.

25. Franklin Groves Elementary - 2400 N. Summit Ave.

- a. Repair the spalling and cracking deterioration in the masonry wall portions below the roof joist bearings in the Boiler Room of the original 1965 building.

The Klingner recommendations above are assuming all portions of the buildings are going to continue to be used by the schools district in the future. If the Decatur Schools District elects to stop using, partial or fully demolition, sell, or replace any of the buildings, some of the recommendations above may not be necessary.

Most of the recommendations above require more evaluation, design and repair plans. Klingner & Associates is available to assist in providing these additional evaluation and design services to address the recommendations.

We appreciate the opportunity to provide these structural evaluation services. As always, if you have any questions, please do not hesitate to contact us.

He asked to exclude cell phone usage during the lunch periods. He shared information regarding the exclusion of cell phone usage during teaching time. If this was allowed, it would go against what the District was trying to achieve.</p> <p>Attorney Luke Feeney noted that there was a motion on second on the floor to approve the current recommendation and explained options on how to AMEND and vote on the AMENDMENT.</p> <p>Mr. Wetzel seconded the motion to remove the highlighted verbiage, but not to add any additional language to the policy.</p> <p>The AMENDMENT was to strike (remove) the highlighted text:</p> <p><i>Students in grades 9-12 must keep their cell phones turned off and in their individual lockers. Staff is not responsible for cell phones that are left, lost, damaged, or stolen while at school. Cell phone use will be allowed during high school student's individual lunch periods only. Students that refuse to obey this policy and/or guidelines set for cell phone usage and/or other technology violations may receive the following school discipline.</i></p> <p>Attorney Feeney noted that if the motion to AMEND failed, the Board of Education still had the original motion on the floor.</p> <p>The Board of Education discussed the motion to AMEND Policy 7:190.</p> <p>Mr. Scheider noted that he was not in support of the AMENDMENT and would like to give the high school students a chance by allowing them to use them during the lunch periods.</p>	<p>Motion carried. AMENDED Board Policy 7:190 was approved.</p>

TOPIC	DISCUSSION	ACTION
School Board Policy 7:190 Student Behavior (updates)	<p>Mr. Wetzel noted that he was concerned with enforceability. If we allowed them to have their phones during the lunch periods, there could be a time issue. This could be disruptive as some students may decide not to follow policy by putting them away after lunch periods.</p> <p>Mr. Reynolds noted there were responsible high school students, but allowing them to have cell phones during lunch periods would make it harder for administration to enforce the policy.</p> <p>President Clevenger noted that this was a movement across the country and the students would be more comfortable after a couple months without their devices. He supported banning the cell phones during the lunch periods.</p> <p>Hearing no questions, President Clevenger called for a Roll Call Vote: Aye: Reynolds, Wetzel, Clevenger Nay: Scheider and Dion Absent: Banks and Collins-Brown Roll Call Vote: 3 Aye, 2 Nay, 2 Absent</p> <p>Attorney Feeney noted that the AMENDED motion was on the floor to adopt Policy 7:190 with the highlighted language stricken.</p> <p>Mr. Scheider noted that this was a great step forward and he would vote for the policy with the AMENDMENT.</p> <p>Mr. Wetzel asked for the strategy for communicating the policy out to our community, students and families. Assistant Superintendent Gray noted that Dr. Clark and the Communication's Department has a Communication Plan. There will be an adjustment to the handbook regarding the modification.</p> <p>Attorney Feeney noted that the District may want to have parents sign the amended handbook, as appropriate. They need to all sign the same version.</p> <p>Mr. Wetzel asked for the percentage of students' success rate. Assistant Superintendent Gray replied that this was a baseline year and there was not a current policy in place that banned cell phones. The data would have to come at the end of the school year.</p> <p>Mr. Wetzel asked about parents and guardians who were belligerent to the staff. Would they receive a "no trespass letter?" Assistant Superintendent Gray replied yes and Dr. Clark would include that in her messaging to the community.</p> <p>The Board of Education continued discussion.</p> <p>Vice President Dion motioned to table this item, there was NO second to the motion. The motion to table failed for lack of a second to the motion.</p>

Date: August 13, 2024	Subject: Memorandum of Understanding between Decatur Public Schools, MPSED and the Decatur Federation of Teaching Assistants
Initiated By: Kathy Horath, Director of Macon-Piatt Special Education District	Attachments: Memorandum of Understanding – Extra Student Compensation
Reviewed By: Deanne Hillman, HR Transition and Labor Administrator, Monica Wilks, Director of Human Resources and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

There is a shortage of available qualified substitute teachers. At times a classroom without a teacher may fail to fill, triggering other teachers to “pick up” additional students per DEA contract language. Teaching assistants under the DFTA contract also have language in their contract to be compensated extra when there are additional students in the classroom. This language is specific to elementary only.

CURRENT CONSIDERATIONS:

The MOU allows for the same extra compensation for teaching assistants in self-contained Macon-Piatt Special Education program, even at the secondary level if their teacher has “picked up” additional students under the DEA contract.

FINANCIAL CONSIDERATIONS: The additional pay is \$25 per half day, and \$50 per full day for each teaching assistant impacted by their teacher’s decision to “pick up” additional students. MPSED will incur the costs.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the Memorandum of Understanding between Decatur Public Schools, Macon-Piatt Special Education District and the Decatur Federation of Teaching Assistants as presented.

WHEREAS, The Decatur Federation of Teaching Assistants (DFTA), the Decatur Public School District 61 (DPS), and Macon Piatt Special Education District (MPSED) are desirous of allowing compensation of existing benefits to Macon-Piatt Special Education self-contained classrooms.

WHEREAS, the language of Article XXII, P offers \$25.00 for each half day an elementary or Pre-K classroom receives extra students and \$50.00 for each full day.

WHEREAS, secondary buildings have some Macon-Piatt Special Education self-contained classrooms that may have extra students for half or full day if a substitute fails to fill.

Therefore, it is agreed, by and between DFTA, DPS, and MPSED to adjust Article XXII, P as follows:

Any classroom teaching assistant in a Pre-K or elementary classroom (including K-5 classrooms in K-8 buildings) or self contained Macon Piatt program where a teacher has taken on extra students as a result of an unfilled teacher absence, the classroom teaching assistant shall receive \$25.00 for each half day their classroom has extra students and shall receive \$50.00 for each full day. The minimum a teaching assistant shall receive is \$25.00.

ASSISTANT PRINCIPAL'S CONTRACT

Fiscal Year 2024-2025

This Contract made between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter “the Board”) and **Khari Grant**, (hereinafter “the Assistant Principal”), ratified at the meeting of the Board held on August 13, 2024 as found in the minutes of that meeting.

IT IS AGREED:

1. Employment. The Assistant Principal is hereby hired and retained for the extended contract term of August 14, 2024 to June 2, 2025, as the Assistant Principal for the District.

2. Duties. The duties and responsibilities of the Assistant Principal shall be all those duties incident to the office of the Assistant Principal as set forth in the job description, a copy of which can be found in the employee's personnel file; those obligations imposed by the law of the State of Illinois upon the Assistant Principal; and to perform such other duties normally performed by the Assistant Principal as from time to time may be assigned to the Assistant Principal by the Superintendent of Schools, Assistant Superintendent(s) or the Board. The work day, work year, contract year and holidays and holiday pay for the Assistant Principal shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

3. Salary. The Board shall set the Assistant Principal's salary. For the period extending from August 14, 2024 to June 2, 2025, the Assistant Principal shall be paid such annual salary as may be agreed to by the Board, but in no case less than the salary set for the preceding year. (The 2023-2024 fiscal year amount is **Seventy-Seven Thousand Seven Hundred Sixty-One Dollars and 28/100 (\$77,761.28.00)**). The Assistant Principal hereby agrees to devote such time, skill, labor and attention to his employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of the Assistant Principal for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of a Board approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Assistant Principal, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board approved amendment.

4. Pension. In addition to the salary of the Assistant Principal as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or 9% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 9.8901% of the salary paragraph 3) as an employer paid pension contribution consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36. Such payments shall be consideration for this contract, shall be creditable earnings for purposes of Teacher Retirement System pension calculations and the Assistant Principal did not have the

A summary of the evaluation will be provided to the Assistant Principal in writing within 30 days following the evaluation, pursuant to the District's evaluation plan for Administrators.

8. License. The Assistant Principal shall furnish to the Board during the term of this Contract, a valid and appropriate license to act as the Assistant Principal in accordance with the laws of the State of Illinois and as directed by the Board.

The Assistant Principal shall have the responsibility to discuss with the Superintendent and mutually agree to such outside activity in a timely fashion.

10. Discharge for Good Cause. Throughout the term of this Contract, the Assistant Principal shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Assistant Principal shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Assistant Principal chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Assistant Principal. Initiated By: Monica Wilks, Director of Human Resources, and Dr. Mary Ann Schloz, Assistant Director of Finance, Grants, and Special Projects	Attachments: N/A
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

The District received a grant to address chronic shortages by providing the state's most understaffed districts with resources to attract, hire, support, and retain teachers.

The grant allows maximum flexibility to use allocated funds in innovative, creative, and evidenced-based ways, such as retention stipends for current certified staff, student teaching stipends, tuition reimbursement, and relocation benefits.

CURRENT CONSIDERATIONS:

The grant specifications were bargained with both District and DEA leadership to determine common priorities which includes two \$500 stipends for all staff under the DEA collective bargaining agreement that are currently active employees.

A \$500 stipend was paid in December and the second \$500 stipend was paid in May.

Due to the grant funding for the 23-24 school year not being exhausted, the District would like to pay an additional \$250 stipend to returning certified teachers on the August 23 pay date.

FINANCIAL CONSIDERATIONS:

The cost of the \$250 stipend will be paid from the Teacher Vacancy Grant.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the Teacher Vacancy Grant Stipend for Certified staff as presented.

Appendix A: Standards of Conduct

Contracted Provider's Standards of Conduct

In demonstrating the Macon County Mental Health Board (Board) [A unit of Macon County government] commitment to honest, ethical, and responsible conduct, the Board has voluntarily implemented a compliance plan with the relevant Office of Inspector General (OIG) and Centers for Medicare & Medicaid Services (CMS) statutory and regulatory transmittals, program memoranda and other guidance and the Federal and State fraud and abuse statutes. This includes relevant state and county laws, rules, and regulations that govern the operation of the Macon County Mental Health Board. Within the compliance plan are the following standards of conduct for contracted providers which will be a part of the contracting process for the Board.

Standards of Conduct

The Standards of Conduct (Standards) apply to all contracted providers and include a clearly delineated commitment by the Board to insure compliance with all Local, Federal and State and private insurer standards. The Standards promote integrity, support objectivity, and foster trust. The standards are distributed to all contracted providers. Each contracted provider's Executive Director or Designee is asked to sign a statement certifying that they have received, read, and understood the Standards. Each certification shall be kept by the Board in each contracted provider's file. The contracted provider demonstrates this commitment upon legal execution of their service contract. These standards are developed by the Board and apply to all contracted providers.

1. The Board will monitor contracted providers to ensure provider personnel delivering services under such contract have the proper qualification, licensure or credentials.
2. Ensure that all employees and contracted providers protect the confidentiality of protected health information (PHI) and individually identifiable health information, as defined in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its related Rules and Regulations and state laws;
3. Ensure that providers are required to maintain good standing with Federal and State healthcare programs and that they have a continuing duty to report any investigations, sanctions or exclusions immediately to the Board;
4. Ensure that contracted providers have not billed another public or private funding source for a service that has been billed to and/or reimbursed by the Board;
5. Ensure that contracted providers have not billed and/or received reimbursement from the Board for services that should have been vouchered to another public or private funding source;

6. Ensure that the Board monitors various aspects of the compliance plan by conducting periodic audits to the effectiveness of operations and adherence to applicable laws in its own operations and in contracted providers operations.
7. Ensure that whenever billing errors or overpayments are found, whether in the Board's operation or a contracted provider's operation, corrective action is taken immediately.
8. Ensure that any contracted provider that violates their Board contract, their compliance plan, these standards of conduct, Board funding regulations and guidelines and/or any State, or Federal regulations are subject to a review of their contractual status and appropriate Board action.

BACKGROUND INFORMATION:

In October 2023, ISBE released Summative Designations for Continuous Improvement Planning. Through a framework of rapid, iterative change, leaders learn and apply the key transferable knowledge and skills needed to create coherent system-wide strategies that address compelling and measurable goals that directly impact adult practice, student learning and engagement, so that every child has an educational experience they deserve.

FINANCIAL CONSIDERATIONS:

The total cost is \$92,912.00 and will be funded utilizing Title I School Improvement funds. It is inclusive of instructional and leadership coaching days and a comprehensive instructional practice assessment.

Date: August 13, 2024	Subject: Blanket Purchase Orders for Fuel Purchases
Initiated By: Joanie Watson, Coordinator of Purchasing	Attachments: None
Reviewed By: Dr. Michael Curry, Chief Operations Officer and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

The District purchases large amounts of fuel throughout the year for a large fleet of vehicles. Fuel is purchased from Evergreen FS, Morgan Distributing, or Big B Argo, depending on which supplier has the best cost at the time of purchase. A Blanket Purchase Order (PO) is created for each supplier. Both Evergreen and Morgan purchases are over \$25,000 and require Board of Ed approval.

CURRENT CONSIDERATIONS:

With the current cost per gallon of gas, the blanket will be entered at \$60,000.00 for Evergreen FS and \$40,000.00 to Morgan Distributing. The total purchase from Big B Agro is under \$25,000.00 and does not require BOE approval.

FINANCIAL CONSIDERATIONS:

The purchase of fuel will be paid using the Warehouse Gasoline and General Maintenance Fuel budgets.

STAFF RECOMMENDATION:

The Administration respectfully request the Board of Education approve the Blanket Purchase Orders to Evergreen FS at \$60,000.00 and Morgan Distributing at \$40,000.00 for the current fiscal year.

Date: August 13, 2024	Subject: Keil Administration Building Chair-Stair Lift
Initiated By: Dr. Mike Curry, Chief Operations Officer	Attachments: Scope of Work/Estimate
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

The Keil Administration Building is not ADA accessible. There is not an elevator for employees or visitors to use to reach the second and third-floors. Aramark has moved out of the Keil Building due to a lack of accessibility.

CURRENT CONSIDERATIONS:

Currently we have one employee who has not been able to access her office for the past two and ½ months. We have had to make accommodations for a third-floor employee to work on the first-floor for more than a month due to a leg injury. We no longer have any undedicated spaces on the first-floor to provide such an accommodation. We have been forced to move meetings from the large third-floor conference room to a smaller first-floor location due to attendees not being able to climb stairs.

FINANCIAL CONSIDERATIONS:

The cost for the commercial grade chair-lift, as presented, is \$39,368.99. Installing an elevator, machinery, site preparation, and installation is likely to cost more than \$750,000.00. This project can be funded through Fund 80.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the purchase and installation of the chair-lift as presented.

The Construction Documents shall illustrate and describe the further development of the approved Design Development Documents and shall consist of Drawings and Specifications setting forth in detail the quality levels and performance criteria of materials and systems and other requirements for the construction of the Work. The Owner and Architect acknowledge that, in order to perform the Work, the Contractor will provide additional information, including Shop Drawings, Product Data, Samples and other similar submittals, which the Architect shall review in accordance with Section 3.6.4.

§ 3.4.2 The Architect shall incorporate the design requirements of governmental authorities having jurisdiction over the Project into the Construction Documents.

§ 3.6 Construction Phase Services

§ 3.6.1 General

§ 3.6.1.1 The Architect shall provide administration of the Contract between the Owner and the Contractor as set forth below and in AIA Document A201™–2017, General Conditions of the Contract for Construction. If the Owner and Contractor modify AIA Document A201–2017, those modifications shall not affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement.

§ 3.6.1.2 The Architect shall advise and consult with the Owner during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.

§ 3.6.1.3 Subject to Section 4.2 and except as provided in Section 3.6.6.5, the Architect's responsibility to provide Construction Phase Services commences with the award of the Contract for Construction and terminates on the date the Architect issues the final Certificate for Payment.

§ 3.6.2 Evaluations of the Work

§ 3.6.2.1 The Architect shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 4.2.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work.

§ 3.6.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not the Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, suppliers, their agents or employees, or other persons or entities performing portions of the Work.

§ 3.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 3.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201–2017, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 3.6.3 Certificates for Payment to Contractor

§ 3.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 3.6.4 Submittals

§ 3.6.4.1 The Architect shall review the Contractor's submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Architect's professional judgment, to permit adequate review.

§ 3.6.4.2 The Architect shall review and approve, or take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 3.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor's design professional, provided the submittals bear such professional's seal and signature when submitted to the Architect. The Architect's review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Architect shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

§ 3.6.4.4 Subject to Section 4.2, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth, in the Contract Documents, the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to the requests for information.

§ 3.6.4.5 The Architect shall maintain a record of submittals and copies of submittals supplied by the Contractor in accordance with the requirements of the Contract Documents.

§ 3.6.5 Changes in the Work

§ 3.6.5.1 The Architect may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to Section 4.2, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 3.6.5.2 The Architect shall maintain records relative to changes in the Work.

§ 3.6.6 Project Completion

§ 3.6.6.1 The Architect shall:

- .1 conduct inspections to determine the date or dates of Substantial Completion and the date of final completion;
- .2 issue Certificates of Substantial Completion;
- .3 forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract Documents and received from the Contractor; and,
- .4 issue a final Certificate for Payment based upon a final inspection indicating that, to the best of the Architect's knowledge, information, and belief, the Work complies with the requirements of the Contract Documents.

§ 3.6.6.2 The Architect's inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 3.6.6.3 When Substantial Completion has been achieved, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens, or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

§ 3.6.6.5 Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Architect shall, without additional compensation, conduct a meeting with the Owner to review the facility operations and performance.

The Owner shall promptly notify the Architect of the substance of any direct communications between the Owner and the Contractor otherwise relating to the Project. Communications by and with the Architect's consultants shall be through the Architect.

§ 5.13 Before executing the Contract for Construction, the Owner shall coordinate the Architect's duties and responsibilities set forth in the Contract for Construction with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction.

§ 5.14 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

§ 5.15 Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of, or enforce lien rights.

ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work also includes the reasonable value of labor, materials, and equipment, donated to, or otherwise furnished by, the Owner. The Cost of the Work does not include the compensation of the Architect; the costs of the land, rights-of-way, financing, or contingencies for changes in the Work; or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5. Evaluations of the Owner's budget for the Cost of the Work, and the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work, prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials, or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market, or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Architect.

§ 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include contingencies for design, bidding, and price escalation; to determine what materials, equipment, component systems, and types of construction are to be included in the Contract Documents; to recommend reasonable adjustments in the program and scope of the Project; and to include design alternates as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requires a detailed estimate of the Cost of the Work, the Architect shall provide such an estimate, if identified as the Architect's responsibility in Section 4.1.1, as a Supplemental Service.

§ 6.4 If, through no fault of the Architect, the Procurement Phase has not commenced within 90 days after the Architect submits the Construction Documents to the Owner, the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.

§ 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality, or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.6 If the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated proposal, the Owner shall

- .1 give written approval of an increase in the budget for the Cost of the Work;

- .2 authorize rebidding or renegotiating of the Project within a reasonable time;
- .3 terminate in accordance with Section 9.5;
- .4 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or,
- .5 implement any other mutually acceptable alternative.

§ 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect, as an Additional Service, shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1.

ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums due pursuant to Article 9 and Article 11. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§ 7.5 Except as otherwise stated in Section 7.3, the provisions of this Article 7 shall survive the termination of this Agreement.

ARTICLE 8 CLAIMS AND DISPUTES

§ 8.1 General

§ 8.1.1 The Owner and Architect shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, in accordance with the requirements of the binding dispute resolution method selected in this Agreement and within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 8.1.1.

§ 8.1.2 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents, and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201–2017, General Conditions of the Contract for Construction. The Owner or the Architect, as appropriate, shall require of the contractors, consultants, agents, and employees of any of them, similar waivers in favor of the other parties enumerated herein.

§ 8.1.3 The Architect and Owner waive consequential damages for claims, disputes, or other matters in question, arising out of or relating to this Agreement. This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination of this Agreement, except as specifically provided in Section 9.7.

§ 8.2 Mediation

§ 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.

§ 8.2.2 The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration proceeding is stayed pursuant to this section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

§ 8.2.3 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

§ 8.2.4 If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:

(Check the appropriate box.)

- ☐ Arbitration pursuant to Section 8.3 of this Agreement
- ☒ Litigation in a court of competent jurisdiction
- ☐ Other: *(Specify)*

If the Owner and Architect do not select a method of binding dispute resolution, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.

§ 8.3 Arbitration

(Paragraphs deleted)

§ 8.3.1 If the parties have selected arbitration as the method for binding dispute resolution in this Agreement, any claim, dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

§ 8.3.1.1 A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the claim,

dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question.

§ 8.3.2 The foregoing agreement to arbitrate, and other agreements to arbitrate with an additional person or entity duly consented to by parties to this Agreement, shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof.

§ 8.3.3 The award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

§ 8.4 The provisions of this Article 8 shall survive the termination of this Agreement.

ARTICLE 9 TERMINATION OR SUSPENSION

§ 9.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect's option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services, the Architect shall give seven days' written notice to the Owner before suspending services. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Owner shall pay the Architect all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Architect's services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.2 If the Owner suspends the Project, the Architect shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Architect shall be compensated for expenses incurred in the interruption and resumption of the Architect's services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.3 If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days' written notice.

§ 9.4 Either party may terminate this Agreement upon not less than seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

§ 9.5 The Owner may terminate this Agreement upon not less than seven days' written notice to the Architect for the Owner's convenience and without cause.

§ 9.6 If the Owner terminates this Agreement for its convenience pursuant to Section 9.5, or the Architect terminates this Agreement pursuant to Section 9.3, the Owner shall compensate the Architect for services performed prior to termination, Reimbursable Expenses incurred, and costs attributable to termination, including the costs attributable to the Architect's termination of consultant agreements.

§ 9.7 In addition to any amounts paid under Section 9.6, if the Owner terminates this Agreement for its convenience pursuant to Section 9.5, or the Architect terminates this Agreement pursuant to Section 9.3, the Owner shall pay to the Architect the following fees:

(Set forth below the amount of any termination or licensing fee, or the method for determining any termination or licensing fee.)

.1 Termination Fee:

To be determined by mutual agreement

.2 Licensing Fee if the Owner intends to continue using the Architect's Instruments of Service:

To be determined by mutual agreement

§ 9.8 Except as otherwise expressly provided herein, this Agreement shall terminate one year from the date of Substantial Completion.

§ 9.9 The Owner's rights to use the Architect's Instruments of Service in the event of a termination of this Agreement are set forth in Article 7 and Section 9.7.

ARTICLE 10 MISCELLANEOUS PROVISIONS

§ 10.1 This Agreement shall be governed by the law of the place where the Project is located, excluding that jurisdiction's choice of law rules. If the parties have selected arbitration as the method of binding dispute resolution, the Federal Arbitration Act shall govern Section 8.3.

§ 10.2 Terms in this Agreement shall have the same meaning as those in AIA Document A201-2017, General Conditions of the Contract for Construction.

§ 10.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns, and legal representatives to this Agreement. Neither the Owner nor the Architect shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner's rights and obligations under this Agreement, including any payments due to the Architect by the Owner prior to the assignment.

§ 10.4 If the Owner requests the Architect to execute certificates, the proposed language of such certificates shall be submitted to the Architect for review at least 14 days prior to the requested dates of execution. If the Owner requests the Architect to execute consents reasonably required to facilitate assignment to a lender, the Architect shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Architect for review at least 14 days prior to execution. The Architect shall not be required to execute certificates or consents that would require knowledge, services, or responsibilities beyond the scope of this Agreement.

§ 10.5 Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or Architect.

§ 10.6 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 10.7 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect's promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project. This Section 10.7 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 9.4.

§ 10.8 If the Architect or Owner receives information specifically designated as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 10.8.1. This Section 10.8 shall survive the termination of this Agreement.

§ 10.8.1 The receiving party may disclose "confidential" or "business proprietary" information after 7 days' notice to the other party, when required by law, arbitrator's order, or court order, including a subpoena or other form of compulsory legal process issued by a court or governmental entity, or to the extent such information is reasonably necessary for the receiving party to defend itself in any dispute. The receiving party may also disclose such information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 10.8.

§ 10.9 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or

unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

ARTICLE 11 COMPENSATION

§ 11.1 For the Architect's Basic Services described under Article 3, the Owner shall compensate the Architect as follows:

(Paragraphs deleted)

Compensation shall be a fixed fee of Two Hundred Sixty-Nine Thousand Dollars (\$269,000)

§ 11.2 For the Architect's Supplemental Services designated in Section 4.1.1 and for any Sustainability Services required pursuant to Section 4.1.3, the Owner shall compensate the Architect as follows:

(Insert amount of, or basis for, compensation. If necessary, list specific services to which particular methods of compensation apply.)

To be determined by mutual agreement

Construction Phase	Twenty-Two	percent (22	%)
<hr/>				
Total Basic Compensation	one hundred	percent (100	%)

§ 11.6 When compensation identified in Section 11.1 is on a percentage basis, progress payments for each phase of Basic Services shall be calculated by multiplying the percentages identified in this Article by the Owner's most recent budget for the Cost of the Work. Compensation paid in previous progress payments shall not be adjusted based on subsequent updates to the Owner's budget for the Cost of the Work.

§ 11.6.1 When compensation is on a percentage basis and any portions of the Project are deleted or otherwise not constructed, compensation for those portions of the Project shall be payable to the extent services are performed on those portions. The Architect shall be entitled to compensation in accordance with this Agreement for all services performed whether or not the Construction Phase is commenced.

§ 11.7 The hourly billing rates for services of the Architect and the Architect's consultants are set forth below. The rates shall be adjusted in accordance with the Architect's and Architect's consultants' normal review practices.

(If applicable, attach an exhibit of hourly billing rates or insert them below.)

- .10 Site office expenses;
- .11 Registration fees and any other fees charged by the Certifying Authority or by other entities as necessary to achieve the Sustainable Objective; and,
- .12 Other similar Project-related expenditures.

§ 11.8.2 For Reimbursable Expenses the compensation shall be the expenses incurred by the Architect and the Architect's consultants plus ten percent (10%) of the expenses incurred.

§ 11.9 Architect's Insurance. If the types and limits of coverage required in Section 2.5 are in addition to the types and limits the Architect normally maintains, the Owner shall pay the Architect for the additional costs incurred by the Architect for the additional coverages as set forth below:

(Insert the additional coverages the Architect is required to obtain in order to satisfy the requirements set forth in Section 2.5, and for which the Owner shall reimburse the Architect.)

(Paragraph deleted)

§ 11.10.2 Progress Payments

§ 11.10.2.1 Unless otherwise agreed, payments for services shall be made monthly in proportion to services performed. Payments are due and payable upon presentation of the Architect's invoice. Amounts unpaid thirty (30) days after the invoice date shall bear interest at the rate entered below, or in the absence thereof at the legal rate prevailing from time to time at the principal place of business of the Architect.

(Insert rate of monthly or annual interest agreed upon.)

12% per annum

§ 11.10.2.2 The Owner shall not withhold amounts from the Architect's compensation to impose a penalty or liquidated damages on the Architect, or to offset sums requested by or paid to contractors for the cost of changes in the Work, unless the Architect agrees or has been found liable for the amounts in a binding dispute resolution proceeding.

Note:
Additional information regarding warranty such as manufacturer and duration can be added to the master spreadsheet. This will ensure DPSD does not spend money on maintaining roof items that are under warranty. It will also ensure the plan is the most accurate.

It is also recommended to utilize the institutional knowledge of the DPS roof maintenance technician. He is more aware of issues past and present than any school district employee we have ever visited in 15 years. His knowledge can make the plan much more detailed.
