**DIRECTOR OF BUILDINGS & GROUNDS CONTRACT**  
**Fiscal Year 2025-2028**

This Contract made between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter “the Board” or “the District”) and **Floyd Bolt** (hereinafter “the Director of Buildings & Grounds”), and ratified at the meeting of the Board held on August 5, 2025, as found in the minutes of that meeting.

**IT IS AGREED:**

**1. Employment.** The Director of Buildings & Grounds is hereby hired and retained from August 20, 2025 to June 30, 2028, as Director of Buildings & Grounds for the District.

**2. Duties.** The duties and responsibilities of the Director of Buildings & Grounds shall be all those duties incident to the office of the Director of Buildings & Grounds as set forth in the job description, a copy of which can be found in the employee’s file; those obligations imposed by the laws of the State of Illinois upon an Director of Buildings & Grounds; and to perform such other duties normally performed by an Director of Buildings & Grounds as from time to time may be assigned to the Director of Buildings & Grounds by the Superintendent of Schools or the Board. The work day, work year, contract year and holidays and holiday pay for the Director of Buildings & Grounds shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (October 8, 2024).

**3. Salary.** The Board shall set the salary for the Director of Buildings & Grounds. For the 2025-2026 fiscal year the amount of the Director of Buildings & Ground’s salary shall be set by the Board but shall not be less than **One Hundred Fifty-One Thousand Five Hundred Sixteen Dollars and 00/100 (\$151,516.00)** per annum, which annual salary shall be prorated for the period of August 20, 2025 to June 30, 2026 for partial year’s work to the sum of **One Hundred Thirty Thousand Six Hundred Seventeen Dollars 00/100 (\$130,617.00)**. The Director of Buildings & Grounds hereby agrees to devote such time, skill, labor and attention to her employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of Director of Buildings & Grounds for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of an approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Director of Buildings & Grounds, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board motion.

**4. Pension.** In addition to the salary of the Director as set forth hereinabove in paragraph 3, the Board shall pay 4.71204% of the salary set forth in paragraph 3 (or 4.5% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 4.71204% of the salary paragraph 3) as an employer paid pension contribution consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36. Such payments shall be consideration for this contract, shall be creditable earnings for purposes of

the Illinois Municipal Retirement Fund pension calculations and Director did not have the option of choosing to receive such amount directly instead of having such contribution paid by the employer to the Illinois Municipal Retirement Fund.

**5. Evaluation.** Annually, but no later than March 1st of each year, the Assistant Superintendent or designee shall review with the Director's progress toward established goals and working relationships among the Superintendent, the District leadership team, the Principal, the faculty, the staff and the community, and shall consider the Director's annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Director of Buildings & Grounds in writing within 30 days following the evaluation, pursuant to the District's evaluation plan for Directors.

**6. License.** The Director of Buildings & Grounds shall furnish to the Board, during the term of this Contract, a valid and appropriate license to act as Director of Buildings & Grounds in accordance with the laws of the State of Illinois and as directed by the Superintendent and Board.

**7. Other Work.** The Director of Buildings & Grounds may undertake consultative work, speaking engagements, writing, lecturing, college or university, and other professional duties and obligations provided that these activities do not interfere with the effective performance of his duties as Director of Buildings & Grounds. The Director of Buildings & Grounds shall have the responsibility to discuss with the Superintendent or Assistant Superintendent and mutually agree to such outside activity in a timely fashion.

**8. Discharge for Good Cause.** Throughout the term of this Contract, the Director of Buildings & Grounds shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Director of Buildings & Grounds shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Director of Buildings & Grounds chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Director of Buildings & Grounds. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge, as provided in this Contract.

**9. Termination by Contract.** During the term of this Contract, the Board and Director of Buildings & Grounds may mutually agree, in writing, to terminate this Contract.

**10. Referrals to Director of Buildings & Grounds.** The Board, collectively and individually, and the Superintendent shall promptly refer all criticisms, complaints, and suggestions called to its/their attention to the Director of Buildings & Grounds for study and recommendation.

**11. Professional Activities.** The Director of Buildings & Grounds shall be encouraged to attend appropriate professional meetings at the local, state, and national levels. Reimbursement for Use of Personal Car.** The Board shall pay the Internal Revenue Service rate to the Director of Buildings & Grounds for vouchered reimbursable mileage expenses incurred by the Director of Buildings & Grounds while using the Director of Buildings & Ground's personal vehicle for the conduct of approved District business. Reimbursement shall be pursuant to the District's policies, rules and regulations.

If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Director of Buildings & Ground's duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. The Director of Buildings & Grounds shall provide medical evidence of her ability to perform the essential functions of her job to the Board President upon request.

**19. **20. **DEFICIT BUDGET SUMMARY INFORMATION - Operating Funds Only (School Districts Only)**

Description	EDUCATIONAL FUND (10)	OPERATIONS & MAINTENANCE FUND (20)	TRANSPORTATION FUND (40)	WORKING CASH FUND (70)	TOTAL
Direct Revenues	23,558,253				23,558,253
Direct Expenditures	23,558,253				23,558,253
Difference					
Estimated Fund Balance - June 30, 2026	6,588,230				6,588,230

**Deficit Reduction Plan is not required**

A deficit reduction plan is required if the local board of education adopts (or amends) the 2025-2026 school district budget in which the "operating funds" listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

**Note:** The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2024-2025 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.					
<i>Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.</i>					
<b>1)</b>	What are the Organizational Unit's strategic goals for student success for the 2025-26 school year? What measures will be used to evaluate progress? (No more than 2000 characters, including spaces. )				
		Top Strategy 1	Top Strategy 2	Top Strategy 3	
<b>2)</b>	Select the top three strategies that the Organizational Unit will employ to achieve student growth and make progress toward state education goals. (Select three different responses from the dropdown list.)				
	If "Other" was selected in question 2, please describe. (No more than 1000 characters, including spaces. )				
<b>Part II: Planned Use of Evidence-Based Funding</b>					
The questions below provide an opportunity to document the stakeholders with whom you consulted and the data you analyzed as you determined your strategic allocations of FY 2026 EBF dollars. Key statistics related to EBF distributions are provided for your reference. Form 50-36/50-39 is typically released before current-year appropriations are known. Therefore, the figures provided are for the prior fiscal year.					
<i>Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed if led by finance leaders in consultation with program leaders.</i>

4)	Given the data analyzed, the stakeholders consulted, and the priorities identified in Part I, indicate the top three priority investments the Organizational Unit will make with its FY 2026 Base Funding Minimum (e.g., excluding Tier Funding). Choose "Other" if investments do not match the provided list. (Select three different responses. "Other" may be selected more than once if needed.)

<p align="center"><b>Cost Factor Table</b></p> <p>The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2025 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least \$5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at <a href="https://www.isbe.net/ebfspendingplan">https://www.isbe.net/ebfspendingplan</a>.</p> <p>5) <b>Column G:</b> If the Organizational Unit will receive at least \$5,000 in FY 2026 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2026 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93.</p> <p><b>Column H:</b> Optionally, Organizational Units may populate column H with total planned expenditures in FY 2026 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.</p>

Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least \$5,000 for any of the student groups, a response to Questions 2 through 4 below is required. Please complete the assurances below related to Article 14C of the Illinois School Code, which contains provisions for EL services, parent participation, and the use of EBF dollars provided for English learners. It is the joint responsibility of home and serving entities to ensure compliance related to the use of state funding provided for English learners. Organizational Units should maintain supporting documentation (e.g., sign-in sheets, meeting agendas) to affirm the veracity of the below assurances. Responses in this section are only required if an Organizational Unit receives any amount of EBF dollars attributable to English learners.								
<b>Collaboration Opportunity</b> - Organizational Units may find that the plan assurances are most easily and effectively completed if led by program leaders.

**Balanced budget; no Deficit Reduction Plan is required.**

A deficit reduction plan is required if the local board of education adopts (or amends) the 2025-2026 school district budget in which the "operating funds" listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

**Note:** The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2024-2025 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

<p><b>Part I: Achieving Student Growth and Making Progress Toward State Education Goals</b></p> <p>The questions below allow you to indicate the strategic priorities and strategies that will drive your efforts to achieve student growth and make progress toward state education goals. These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.</p> <p><i>Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.</i></p>					
1)	What are the Organizational Unit's strategic goals for student success for the 2025-26 school year? What measures will be used to evaluate progress? (No more than 2000 characters, including spaces. )

Therefore, the figures provided are for the prior fiscal year.</p> <p><i>Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed if led by finance leaders in consultation with program leaders.</i></p>

5)	<b>Cost Factor Table</b>  The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2025 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least \$5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at <a href="https://www.isbe.net/ebfspendingplan">https://www.isbe.net/ebfspendingplan</a> .  <b>Column G:</b> If the Organizational Unit will receive at least \$5,000 in FY 2026 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2026 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93.  <b>Column H:</b> Optionally, Organizational Units may populate column H with total planned expenditures in FY 2026 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.

Part III: Support for Special Student Groups					
EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statue these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least \$5,000 for any of the student groups, a response to Questions 2 through 4 below is required. For amounts less than \$5,000, a response is optional for those questions. All other EBF funds may be spent in any manner deemed appropriate by the school district.					
Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed through collaboration between program leaders affiliated with each student group and finance leaders.					
			Enter Amounts	Select type	*Note: Allocations for each of the three student groups are published annually at isbe.net/ebfdist under "Reports." Amounts are typically available by September 1. Districts must use actual funding amounts if they are available before submitting the budget to ISBE.

Plan Assurances											
Please complete the assurances below related to Article 14C of the Illinois School Code, which contains provisions for EL services, parent participation, and the use of EBF dollars provided for English learners. It is the joint responsibility of home and serving entities to ensure compliance related to the use of state funding provided for English learners. Organizational Units should maintain supporting documentation (e.g., sign-in sheets, meeting agendas) to affirm the veracity of the below assurances. Responses in this section are only required if an Organizational Unit receives any amount of EBF dollars attributable to English learners.											
Collaboration Opportunity - Organizational Units may find that the plan assurances are most easily and effectively completed if led by program leaders.
