Superintendent Fregiau recommended the Board approve the FY2018-2019 Decatur Public School District 61 Tentative Budget as presented.

Mrs. Creighton moved to approve the recommendation, seconded by Mrs. Briscoe.

Dr. Todd Covault, Chief Operational Officer, presented information on this item. This was not a “balanced budget” based on Operations Funds (Education, Operations/Maintenance, Transportation and Working Cash) and at this time, a reduction plan was not required.

Vice President Nolan requested the following:
- How would each of the items from the 2018-2019 Balanced Scorecard, which align with the Strategic Plan, be measured?
- Evidence from Executive Cabinet that the District has moved forward according to the Strategic Plan.
- An increase in the budget each year for communication as it relates to the Strategic Plan.

Mrs. Briscoe noted that the District has permission to stop doing some things.

Vice President Nolan noted that the facilities need to be addressed for sustainability reasons as it relates to identifying those that should possibly be closed and/or consolidated. Administration has to submit to the Illinois State Board of Education (ISBE) in order to start any building process.

Dr. Covault noted that Districts need to align their expenditures and revenues; either grow revenues or eliminate some expenditures. The state was in the midst of correcting tax payments to Districts.

Dr. Todd Covault noted that the latest date to amend the budget was June 30th and the first (tentative) budget must be adopted by September 30th.

The final budget will be recommended at the September 25, 2018 Board meeting.

Subject: Dennis Lab School Fundraiser  

Initiated By: Paul Ranstead, Interim Principal, Dennis Lab School  
Attachments: N/A  

Reviewed By: Dr. Paul Fregeau, Superintendent  

BACKGROUND INFORMATION:  
Illinois Statute 105 ILCS 5/10-20.21 (b-5) and Board Policy 4:60 requires that fundraisers that will generate more than $1,000 be approved by the Board of Education.  

The Dennis music department is requesting a fundraiser using Fan Cloth, a design merchandise company. Fan Cloth is frequently used for band and orchestra programs as a means of generating additional funding. The company provides t-shirts, long sleeves, hoodies, mugs, stadium chairs, blankets, hats, socks and some other items for Dennis band and orchestra students to sell. The fundraising campaign window is September 10 through September 24, 2018.  

CURRENT CONSIDERATIONS:  
Although the fundraiser earnings vary each year based upon parent participation, the revenues generate may generate in excess of the $1,000 which requires board approval. The funds generated would be used to expand the music library for Dennis as well as provide funds for traveling.  

FINANCIAL CONSIDERATIONS:  
There is no cost to the District. Revenues generated will be dispersed to the building activity accounts to support the band and orchestra program at Dennis Lab School.  

STAFF RECOMMENDATION:  
The Administration respectfully requests that the Board of Education approve the Dennis Lab School Fundraiser as presented in accordance with Board Policy 4:60.

Police School Liaison (PSL) Detective

Organizational Relationships:
The PSL shall communicate with the principal of the respective schools for which he/she are currently assigned, staying abreast of the current issues and matters impacting both school staff and the student body. The PSL remains an employee of the City of Decatur and is obligated to follow all Decatur Police Department policy and procedures. The PSL shall only disseminate police reports to the principal of their respective schools, or their designee.

General Responsibilities:
The PSL shall serve as a liaison between the school community and the Police Department. The PSL is expected to enforce state law and ordinance when necessary. The PSL is expected to utilize good judgment, considering what is in the best interest of the student, school district and the police department when making decisions. The Police School Liaison Detectives shall not directly enforce the school district rules and policies. If asked to do so, the Liaison Detectives will politely refuse and explain why, with any further concerns being directed through the Police/School Administration staff. This does not prevent the PSL’s from aiding school personnel and trying to mediate matters with students and gain voluntary compliance when the situation arises.

The PSL shall exhibit concern and understanding of youth problems. Assistance provided by PSL’s to school personnel should help to establish a relationship that will promote a positive image of the Police Department.

Specific Duties:
The Police School Liaison Detective shall:
- Promote rapport between police officers and students in the school.
- Promote a positive working relationship with school counselors and staff.
- Investigate criminal matters that involve school staff and students, both on and off campus as needed.
- Investigate cases as assigned by the Juvenile Sergeant.
- Document and investigate all other matters that are of importance to the safety of the school and community (i.e. threats by students and to school students/employees, gang activity, drug activity, etc.)
- PSL’s shall immediately bring to the attention of the school principal/administration and Police Administration concerning matters of a serious nature or matters that could bring about media attention.
- Investigate missing or runaway students when assigned by a Juvenile Supervisor.
- Perform assigned police related tasks when not required to be presence within the schools due to school being out of session.

**Date:** 8/22/2018  
**Subject:** Go Math! Resources

**Initiated By:** Charlotte Thompson, Director of Curriculum and Instruction – Elementary and Dr. Joshua Peters, Director of Curriculum and Instruction – Secondary  
**Attachments:** Proposal and Supplies

**Reviewed By:** Dr. Paul Fregeau, Superintendent

**BACKGROUND INFORMATION:**
The Go Math! resources were selected for purchase for all K-8 classrooms and students. The numbers at the time were based on projections formulated from enrollment. In an effort to be good stewards of resources, the district avoided ordering additional resources.

**CURRENT CONSIDERATIONS:**
Upon reviewing actual enrollment numbers and actual staffing patterns, additional material will be needed to ensure that all students have the same Go Math! resources in grades K-8.

**FINANCIAL CONSIDERATIONS:**
The Go Math! resources would be purchased from the Curriculum and Instruction Materials budget.

**STAFF RECOMMENDATION:**
The Administration respectfully requests that the Board of Education approve the Purchase of the Go Math! Resources at a cost not to exceed $40,000.

PRINCIPAL’S CONTRACT
Fiscal Year 2018-21

This Contract made and entered into this ________ day of __________________ 2018 by and between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter “the Board”) and Matthew Fraas, (hereinafter “the Principal”), ratified at the meeting of the Board held on August 6, 2018 as found in the minutes of that meeting.

IT IS AGREED:

1. Employment. The Principal is hereby hired and retained from August 1, 2018, to June 30, 2021, as Principal – Middle School and assigned initially to Stephen Decatur. The Principal’s work year shall be August 1, 2018 to June 30, 2019 in the initial year of this Contract and July 1 to June 30 in each subsequent year of this Contract.

2. Duties. The duties and responsibilities of the Principal shall be all those duties incident to the office of the Principal as set forth in the job description, a copy of which is attached as Exhibit A; those obligations imposed by the law of the State of Illinois upon a Principal – Middle School; and to perform such other duties normally performed by a Principal as from time to time may be assigned to the Principal by the Superintendent of Schools or the Board. The work day, work year, contract year and holidays and holiday pay for the Principal shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (December 16, 2016).

3. Salary. The Board shall set the Principal’s salary. For the 2018-2019 fiscal year the amount of the Principal’s salary shall be Ninety-Three Thousand Seven Hundred Twenty-One Dollars and 65/100 ($93,721.65) prorated for 2018-2019 and One Hundred Two Thousand Three Hundred Eighty-Five Dollars and no/100 ($102,385.00) per annum. For each subsequent year of the contract the Principal’s salary shall be an amount to be determined before the beginning of each subsequent contract year, but in no case shall the salary be less than the amount paid during the previous contract year. The Principal hereby agrees to devote such time, skill, labor and attention to her employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of Principal for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of a Board approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Principal, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board approved amendment.

4. Pension. In addition to the salary of the Principal as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or 9% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 9.8901% of the salary paragraph 3) as an employer paid pension contribution consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36.
Such payments shall be consideration for this contract, shall be creditable earnings for purposes of Teacher Retirement System pension calculations and Principal did not have the option of choosing to receive such amount directly instead of having such contribution paid by the employer to the Teacher Retirement System of the State of Illinois.

5. **T.H.I.S.** From and out of the salary and pension payments of the Principal as set forth hereinabove in paragraphs 3 and 4 the Board shall withhold any such amount as may be required by law, on behalf of the Principal to the Teacher Health Insurance Security Fund.

6. **Academic Improvement and Student Performance Goals.** This Contract is a performance-based Contract linked to student performance and academic improvement of the District. The Principal shall strive to meet the goals during the term of this Contract. The parties agree the goals and indicators are linked to student performance and academic improvement of the District.

   Annually, the Principal, with the assistance of her administrative team, shall:

   (a) evaluate student performance, which shall include, but not be limited to student performance on standardized tests, completion of the curriculum, attendance and dropout rates:

   (b) review the curriculum and instructional services of the District as they impact her school; and

   (c) report to the Board on her findings as to (i) student performance and (ii) recommendations, if any, for curriculum or instructional changes as a result of her evaluation of student performance.

   In addition, the parties agree that in the initial year of this Contract, July 1, 2018, through June 30, 2019, the Principal shall develop goals to enhance student performance and academic achievement in his building as well as the indicators to measure same. The goals and indicators will be submitted to the Board not later than the January 2019 Board Meeting for discussion and approval.

7. **Evaluation.** Annually, but no later than March 1st of each year, the Assistant Superintendent or designee shall review with the Principal progress toward established goals and working relationships among the Superintendent, the District leadership team, other Principals, the faculty, the staff and the community, and shall consider the Principal’s annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Principal in writing within 30 days following the evaluation, pursuant to the District’s evaluation plan for Administrators.

8. **License.** The Principal shall furnish to the Board during the term of this Contract, a valid and appropriate license to act as Principal in accordance with the laws of the State of Illinois and as directed by the Board.

9. **Other Work.** The Principal may undertake consultative work, speaking
engagements, writing, lecturing, college or university teaching, and other professional duties and obligations provided that these activities do not interfere with the effective performance of her duties as Principal. The Principal shall have the responsibility to inform the Superintendent of such outside activity in a timely fashion.

10. **Discharge for Good Cause.** Throughout the term of this Contract, the Principal shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Principal shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Principal chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Principal. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge as provided in this Contract.

11. **Termination by Contract.** During the term of this Contract, the Board and Principal may mutually agree, in writing, to terminate this Contract. The termination and/or reclassification at the end of the term of this Contract shall be as provided by law.

12. **Referrals to Principal.** The Board collectively and individually and the Superintendent shall promptly refer all criticisms, complaints, and suggestions called to its/their attention to the Principal for study and recommendation.

13. **Professional Activities.** The Principal shall be encouraged to attend appropriate professional meetings at the local, state, and national levels. Within budget constraints, such costs of attendance shall be paid by the Board upon receipt of a full, itemized account of such costs.

14. **Reimbursement for Use of Personal Car.** The Board shall pay the Internal Revenue Service rate to the Principal for vouchered reimbursable mileage expenses incurred by the Principal while using the Principal’s personal vehicle for the conduct of approved District business. Reimbursement shall be pursuant to the District’s policies, rules and regulations.

15. **Membership Dues.** The Board shall pay the cost of the Principal’s annual membership dues as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (December 16, 2016).

19. **Sick Leave and Personal Leave.** The Principal shall be provided with sick leave and personal leave days as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (December 16, 2016).

20. **Disability.** Should the Principal be unable to perform the duties and obligations of this Contract, by reason of illness, accident or other cause beyond the Principal’s control and such disability exists after the exhaustion of accumulated leave days and vacation days during any school year, the Board, in its discretion, may make a proportionate deduction from the salary stipulated. If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Principal’s duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. The Principal shall provide medical evidence of illness to the Board President upon request.

21. **Criminal Records Check.** Pursuant to 105 ILCS 5/10-21.9, Boards of Education are prohibited from knowingly employing a person who has been convicted of committing or attempting to commit the named crimes therein. If the fingerprint-based criminal records check required by Illinois law is not completed at the time this Contract is signed, and any subsequent investigation or report reveals there has been such a conviction, this Contract shall immediately become null and void.

25. **Contract Extension.** At the end of any year of this Contract, the Board and Principal may mutually agree to extend the employment of the Principal for a multi-year period of up to five (5) years. In such event, the Board shall take specific action to discontinue this Contract and enter into a multi-year Contract of Employment as allowed by law. Notwithstanding the foregoing, prior to April 1 of the year in which this Contract expires, the Board shall take action
to extend or not to extend the terms of this Contract for one additional year, and shall notify the Principal in writing of such action. Failure of the Board to take such action shall extend this Contract for one (1) additional year.

The Assistant Principal shall have the responsibility to inform the Superintendent of such outside activity in a timely fashion.

9. **Discharge for Good Cause.** Throughout the term of this Contract, the Assistant Principal shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Assistant Principal shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Assistant Principal chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Assistant Principal. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge as provided in this Contract.

10. **Termination by Contract.** During the term of this Contract, the Board and Assistant Principal may mutually agree, in writing, to terminate this Contract. The termination and/or reclassification at the end of the term of this Contract shall be as provided by law.

If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Assistant Principal's duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. Dear Mr. Altig:

Before you can execute the release contained in the attached Agreement you must do it knowingly and voluntarily and be aware of your rights under the Age Discrimination in Employment Act (ADEA). If you do not understand any of the terms or conditions of the Agreement or Release contained in it, or if you have any questions, please feel free to contact me. In addition, I recommend and advise that you consult your attorney before signing.

Before you sign the Agreement and Release, the law requires that you be given twenty-one (21) days to consider the Release. After you sign the Release, you have a period of seven (7) days following the execution of the Release to change your mind and revoke the Release. After a period of seven (7) days following the execution of the Release, if you do not revoke the Release, the Release will have full force and effect.

The law also requires that in any settlement agreement in which you waive your rights and claims under the ADEA against the District, that you do so only in exchange for a consideration in addition to anything of value that you are already entitled to receive. The payments provided for in the Agreement and other performance by the Board is the additional consideration required by law.

The Release provides that you waive any and all claims under the ADEA that you have against the District and its Board of Education, up to and including the date of release. These are the terms of the Release of your ADEA claim. This Release will not affect any of your other rights.

Sincerely,

BOARD OF EDUCATION OF
DECATUR PUBLIC
