Education is a natural process carried out by the human individual, and is acquired not by listening to words, but by experiences in the environment.

The land is where our roots  
are. The children must be  
taught to feel and live in  
harmony with the Earth.

# Steps to Success

- Leverage 5 Essentials Climate Survey
  - Need feedback from Parents
- Continued emphasis on Chronic Absenteeism
  - 45.3% students in 2023-2024

Illinois law defines “chronic absentee” as a student who misses 10 percent of school days within an academic year with or without a valid excuse. That’s 18 days of an average 180-day school year. Excused absences include illness, suspension, need to care for a family member, etc. Students need daily instruction in order to succeed. Chronic absentees are at risk of academic and social problems.

\_\_\_\_TOPIC\_\_\_\_\_DISCUSSION\_\_\_\_\_ACTION\_\_\_\_\_

### Levy Update

There were four different Levy options for consideration:

- Option A: Builds the levy on \$890M plus Old Towne TIF \$14.6M = \$904,717,455
- Option B: Builds the levy on \$890,029,120
- Option C: Same as Option B but incorporates .04 reduction into an .04 increase to Tort.
- Option D: Same as Option A but incorporates .06 reduction into an .04 increase to Tort.

The rationale for Options C and D was that these funds have not been increased for the past 5+ years. Costs continue to rise. Every year these three funds are manipulated to support the fund with the lowest Fund balance.

### Recommendations

- Option D
- If we get confirmation that the Old Towne TIF EAV has not yet been added to the current EAV.
- This allows for an increase in funds that have been status-quo for the last 5+ years.
- This also reduces the rate by approx. 2c – which is what the BOE did last year.
- If it turns out that the EAV is closer to \$890M then, we may consider Option C.
- Option C is under (but very close) to the same tax rate as last year. Dr. Curry would continue to watch for any significant drops in the EAV prior to posting date and adjust the increase in F80 down accordingly to prevent an increase in the rate.

The consensus from the Board of Education was for administration to proceed with Option D, but if the 14.6 was not coming, he will move to Option C.

Mr. Scheider noted that IL (ISBE) has a special education tuition waiver. If you receive a special education certified teaching degree and sign a contract for two-years at an IL public school, all four-years of tuition would be paid in full.

<b>Superintendent Search</b>	President Clevenger noted that since Superintendent Clark announced her retirement (June 2026), he and Vice President Dion will have a discussion with the Illinois Association of School Boards regarding a superintendent search and the timeline. Mr. Wetzel asked for full communication during the process so that the Board could adequately communicate the information to the community. Mr. Scheider asked for all Board Members to be involved with the search firm; more information forthcoming.	Information only.
<b>Reports from Admins DPS Job Fairs</b>	Monica Wilks, Director of Human Resources, presented information regarding the DPS 61 job fairs and HR's recruitment efforts. She also noted the signage on city buses and in the Champaign area. Dr. Collins asked for marketing in the Charleston area with EIU graduates. Monica replied yes.	Information only.
<b>Cartwheel Services</b>	Eldon Conn, Director of Student Services, presented an update on the partnership between Cartwheel and Decatur Public Schools.	Information only.

TOPIC	DISCUSSION	ACTION
	He also explained the process for services/referrals at the building level. Cartwheel provides mental health services to students and families.	
<b>Roadmap 2030 Update</b>	<p>Superintendent Clark presented an update on the Roadmap 2030 - Strategic Plan and Master's Facilities Plan. The Board Members also spoke and shared information on the sessions. Please note: Information from each of the sessions will continue to be uploaded and posted on the District's website.</p> <p>The community engagement sessions that will be open to the public will be January 30, 2025 and February 20, 2025. ## Board of Education Decatur Public School District #61

<b>Date:</b> December 10, 2024	<b>Subject:</b> 2024 Tax Levy – Paid in 2025
<b>Initiated By:</b> Dr. Mike Curry, Chief Operations Officer	<b>Attachments:</b> <ul style="list-style-type: none"><li>• 2024 Tax Levy Worksheet &amp; ISBE Levy Form</li><li>• Resolution Regarding Annual Tax Levy &amp; Truth in Taxation Certificate of Compliance</li><li>• P.A. 102-0895 Legislative Required Cash Balance Report</li></ul>
<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent	

### **BACKGROUND INFORMATION:**

Each fall the Board of Education approves a tentative tax levy not less than 20 days prior to adopting the levy in December. The final levy must be filed with Macon County before the last Tuesday in December. The Board approved the tentative estimated levy on November 12, 2024.

The District is required to hold a public hearing if the non-debt service levy is anticipated to increase by 5.0% or more over the prior year's, non-debt service extension. Since the balloon levy request is an increase of 7.7% over the prior year, a public hearing is required. This year's tax levy includes potential revenue from portions of the expiring Old Towne TIF.

### **CURRENT CONSIDERATIONS:**

The final extension and related tax rate are contingent upon the District's final Equalized Assessed Value (EAV). The District's EAV will not be final until February 2025. Since the Preliminary Levy, the estimated EAV has reduced slightly and TIF and EZ Reductions are unknown. The restricted levy rates are ballooned (more funds requested than anticipated) to capture additional EAV increases that may occur after the levy is submitted.

Current legislation mandates annual disclosure of cash balances. School Code, Section 17-1.3 requires 'Disclosure of cash balance' mandating the annual disclosure of the school district's cash reserve balance of 'all funds held by the district related to its operational levy and, if applicable, any obligations secured by those funds'. This slide represents the audited beginning fund balance as of June 30, 2024.

### **FINANCIAL CONSIDERATIONS:**

The annual levy provides one of the primary sources of revenues for the District. For operational funds, the District anticipates tax revenues of approximately \$37,000,000 – \$38,751,966.

**STAFF RECOMMENDATION:**

The Administration respectfully requests the Board of Education approve the attached Tax Levy Certificate and Resolution as presented.

<b>Reviewed By:</b> Michael Curry, Chief Operating Officer, and Dr. Rochelle Clark, Superintendent	

### BACKGROUND INFORMATION:

On an ongoing basis, the roofs of the DPS facilities have reached and/or exceed their serviceable lives. The DPS buildings and their associated roofs are critical assets to the educational process. As roof improvements are costly, DPS has opted to prioritize projects through a continuing effort to inventory and document the condition of roofs on all buildings. Prioritization will continue and additional roofing projects will be required in the future.

### CURRENT CONSIDERATIONS:

Considering the various roofs throughout DPS, the priority projects included in this bid package includes work at Montessori Academy for Peace. B&G worked with BLDD Architects to develop bidding documents to improve a portion of the roof on this building. The bidding documents allowed the contractor to provide either Tremco Roofing and/or Garland Roofing products as both manufacturers provide high quality and comparable roofing systems. Contractors were considered which are qualified to install either, or both, of the manufacturer's systems. Bids were received from three (3) qualified roofing contractors. The lowest responsible bid was:

Montessori Academy for Peace – \$1,209,000.00 – Top Quality Roofing

Top Quality met the MBE requirements presented in the bidding documents.

### FINANCIAL CONSIDERATIONS:

Services covered by these bids will be paid for under Fund(s) 60 and/or 90.

### STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education accept and approve the bid as detailed above. The awarded amounts to Top Quality Roofing of Mt. Zion, IL will be \$1,209,000.00 for Montessori Academy for Peace.

<b>Initiated By:</b> Kent Metzger, Director of Building and Grounds	<b>Attachments:</b> Quote dated November 18, 2024
<b>Reviewed By:</b> Dr. Michael Curry, Chief Operating Officer, and Dr. Rochelle Clark, Superintendent	

### **BACKGROUND INFORMATION:**

During a previous window and door replacement project at Pershing Early Learning Center, the main entrance vestibule was removed to allow replacement of the windows and doors. A new pre-fabricated canopy was installed. After usage, the new canopy was found to be insufficient to provide adequate weather protection for people entering the building, particularly people with mobility impairment. In order to provide more appropriate weather protection, bid documents were developed to purchase materials to expand the size of the new canopy with matching components.

### **CURRENT CONSIDERATIONS:**

Rusco Custom Canopies was the only bidder to provide a quote to provide the materials for expanding the size of the canopy with matching components. Rusco Custom Canopies quote for materials is \$37,370.00. Installation of the canopy will be performed by DPS 61 staff.

### **Project Summary**

SD 61 is experiencing their Audio-Visual (AV) system failing in their 2 main conference/training rooms. Except for the newer Epson L570U projectors in the Keil Building the remaining AV components should be updated to give users better experience during meetings.

There are 2 Rooms being considered for upgrades, the conference room in the Keli Building and the large training room in the PDI.

### **Scope of Work-Keil**

#### **Keil Conference Room-Summary**

Room components that will not change:

- 3 Epson L570U projectors
- 3 projection screens of varying sizes

#### **Video-Functional Description**

- MCP will repurpose the 3 Epson L570U projectors and Infrastructure in this room. SD 61 wants the following devices as sources:

    - This is used for video calls.
- The front wall plate shall be a dual auto sensing HDMI Plate. MCP will program the plate to auto sense signal upon plugging in device.
- The Apple TV can reside either next to the switcher in the ceiling or at the projector and connect to the switcher (see switching section).
- Since all 3 projectors will have the same signal, we may use a 4 in, 1 out HDMI DA for signal distribution.
  - Clients should use remote to turn off any of the projectors if they choose to.
- The Poly C70 is controlled via IP from a separate TP and will output Video/Audio during video calls.

#### **Switching-Signal Distribution**

- MCP will install an appropriately sized switcher (4 input minimum) for this system.
  - The client's desire is to reuse the existing PoleVault ceiling rack.

#### **Audio**

<b>Date:</b> December 10, 2024	<b>Subject:</b> iPad Chargers
<b>Initiated By:</b> Maurice Payne, Director of Information Technology	<b>Attachments:</b> iPad Chargers – AGi Quote
<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent	

### **BACKGROUND INFORMATION:**

Apple has changed the charger type for the iPad 10s to USB-C. Currently, all K-8 students are issued an iPad 10. In the event the district sends K-8 iPads home, whether that is for E-learning or due to building closures, the district needs to be prepared to issue chargers for students that request one. High school students have not been upgraded to iPad 10s yet. They were issued a lightning charger when they received their iPad, and IT has stock of chargers if a student needs a replacement.

### **CURRENT CONSIDERATIONS:**

This recommendation would purchase 2,250 USB-C chargers.

### **FINANCIAL CONSIDERATIONS:**

The total cost is \$52,875.00 and would be paid from the FY25 Information Technology budget.

### **STAFF RECOMMENDATION:**

The Administration respectfully requests the Board of Education approve the iPad Chargers purchase in the amount of \$52,875.00 as presented.

<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent, Dr. Larry Gray, Assistant Superintendent of T&L, and Dr. Michael Curry, Chief Operations Officer	

### **BACKGROUND INFORMATION:**

Decatur Public Schools District 61 began utilizing Raptor Technologies software (Visitor Management) in 2014. On October 10, 2023, the Board approved updating the product lines which included Emergency Management software to schedule drills and track compliance for State requirements and District policy. The Board also approved a volunteer management system to make the volunteer sign-up process more efficient, accurate, and consistent. Additionally, a threat assessment tool was added to the product suite in 2024.

### **CURRENT CONSIDERATIONS:**

The use of one company has provided combined software to support the district's emergency management scenarios including notification of upcoming drills, visitor management, threat assessment and volunteer management programs.

### **FINANCIAL CONSIDERATIONS:**

Safety and Security anticipated renewal for these software programs during the FY25 budget process for funding. The district receives multiple product line discounts for all software, training, and licenses totaling \$93,260.00.

### BACKGROUND INFORMATION:

AED units have been found to save lives in an emergency. Every school has been provided with an AED plus defibrillator. These units need to be ready to use at a moment's notice. There is a seven-year warranty, and automatic self-testing helps ensure a state of readiness. With a five-year shelf life for batteries and pads, this means fewer replacements.

### CURRENT CONSIDERATIONS:

Twenty of the AED units currently in schools are due to be replaced this year, per their warranty date of November 2024. This BID also includes CPR/AED training at two different times, one day a month.

<b>Initiated By:</b> Kent Metzger, Director of Building and Grounds	<b>Attachments:</b> Quote dated November 21, 2024
<b>Reviewed By:</b> Dr. Michael Curry, Chief Operating Officer, and Dr. Rochelle Clark, Superintendent	

### BACKGROUND INFORMATION:

DPS utilizes a proprietary access control system through our building automation systems to control entrance into the buildings to authorized people. The existing access CPU controllers are becoming antiquated and will soon be obsolete. The supply of replacement controllers is extremely limited as they are no longer manufactured.

### CURRENT CONSIDERATIONS:

The proprietary access control CPUs are provided by the District's long-term vendor that maintains our building automation system, Entec Services, Inc. Entec Services has provided a quote for \$49,385.00 to provide the controllers and to perform their installation during the upcoming Christmas break.

### FINANCIAL CONSIDERATIONS:

These services will be paid out of Fund 60.

### STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education accept/approve the quote from Entec Services in the amount of \$49,385.00 as presented.
