TOPIC	DISCUSSION	ACTION
<b>Open Work Session/Board Discussion Continued</b>	<p>The Board Members discussed the presentation and discussed priorities with administration as follows:</p> <ul style="list-style-type: none"> <li>● Teaching Assistants – Hire one TA per class (prek-5).</li> <li>● Hire Reading Specialists.</li> <li>● PD for staff on curriculum.</li> <li>● Volunteer Coordinator position.</li> <li>● New Strategic Plan.</li> <li>● Immediate Priorities.</li> <li>● Staff and community input (surveys) on climate and culture.</li> <li>● Finances – CFO’s processes, funding flows, reviews, communication and responsibilities.</li> <li>● Resources for grades K-3.</li> <li>● Staff vacancies.</li> <li>● Discipline.</li> <li>● Attendance.</li> <li>● New building.</li> <li>● District’s facilities’ plan.</li> <li>● Data security (access).</li> <li>● Social promotion.</li> <li>● Extra curriculars – comprehensive plan.</li> <li>● Climate and culture of staff.</li> <li>● Academic remediation.</li> <li>● Develop a plan and address the causes for teacher burnout.</li> </ul>	Information only.

The Board of Education would like to address immediate needs and realize the entire plan cannot be re-done at this time.

The Board of Education would like to discuss the philosophy at another time.

Mr. Scheider asked for the Board Members to set a goal to hire as many teaching assistants as possible. Superintendent Clark replied administration discussed every K-2 or K-3 (if possible) will have a TA.

Mrs. Lewis asked about the 3-5 graders. She felt as if subject matters were not getting mastered and it was quick paced. Should staff receive additional professional development? This could possibly help staff with a better understanding while teaching.

Mr. Scheider realized that the goal regarding the hiring of TAs will not be achieved, but he asked for as many people in the building as possible. He suggested the District hire a Volunteer Coordinator. This person would go to social service organizations, churches and work with teachers regarding the role of a volunteer. Continue to talk to community colleges regarding students who were majoring in education. This would be a message that the District was trying to get as much help as possible.

TOPIC	DISCUSSION	ACTION
<b>Open Work Session/Board Discussion Continued</b>	Mrs. Lewis supported having as many grown-ups in our buildings as possible, but some may not know how to help the students. This could possibly be offloaded onto a only coordinator. We want to make sure people are trained as appropriate.	Information
	Mrs. Lewis noted that if a new plan is needed, start the process. She rejected the ideas of placing things on hold due to the change in Board Members. Mr. Clevenger agreed and noted that the data speaks for itself. There was more regression versus progression. Should the District continue or this path or start a new path? We must address the immediate issues and start the action.	
	President Taylor noted that administration presented some good initiatives moving forward, which were the operational functions of a school district, however, priorities would need to be discussed. Mrs. Lewis asked if they could do some work together.	
	Mr. Dion noted he would like to stay the course, but we had the pandemic.	
	President Taylor noted that if the Board wanted to start a new Strategic Plan, they need to voice that and continue with moving forward. It takes a lot longer to put the Strategic Plan together from scratch.	
	Mrs. Lewis noted that if the Board Members noted the priorities, this would direct administration. If we start a new Plan, should we hire an outside source to have the group meetings (etc.)? The real priorities were the students that were behind and staff vacancies. Superintendent Clark replied that during the Board's discussion, she took away the following priorities: <ol style="list-style-type: none"> <li>1. Staff Vacancies</li> <li>2. Attendances</li> <li>3. Curriculum Implementation for Everyone (Academic Achievement)</li> </ol>	
	Mr. Scheider asked for staff input (survey) on a confidential basis as it relates to the teacher burnout and they leave because they felt as if they were not heard. This was an immediate need.	
	Mrs. Grayned noted that during the last Board workshop in October 2021, it was asked if the Board wanted administration to charge forward with the current plan and develop priorities and action steps based on the current culture and climate of the District coming out of COVID or start a new Strategic Plan. The feedback and direction from the current Board was to continue with the current Strategic Plan as is. The process is about a year long. If the Board wants to re-do, refresh it would be a different direction. Administration wanted to let you know that the work was still continuing and we need direction.	
	President Taylor noted that it was a large under-taking to start over.	
	Mrs. Lewis noted that she did not want a new Strategic Plan to take priority over current immediate needs that were discussed. Mr. Clevenger agreed.	

TOPIC	DISCUSSION	ACTION
<b>Open Work Session/Board Discussion Continued</b>	<p>Superintendent Clark asked if the Board wanted a completed survey before the discussion of a new Strategic Plan. Mr. Scheider replied he wanted a survey completed as soon as possible. Mr. Dion replied it could be started before the discussion. The Board does not want to wait until the end of the school year for the survey. This would be regarding how the staff feels.</p> <p>President Taylor asked Superintendent Clark to discuss with DEA. Superintendent Clark noted that survey needs to be neutral and not bias.</p> <p>President Taylor asked if the Board needed permission to ask union members certain questions. Attorney Braun replied correct. Mr. Scheider noted that this would be for all staff.</p> <p>Attorney Braun noted that they would have to go to each employee union group regarding the process and intent.</p> <p>President Taylor asked to have a meeting to create the questions for this survey.</p> <p>Mr. Clevenger asked to use an outside source to help with the survey.</p> <p>Mr. Scheider noted that this was for the Board of Education. Attorney Braun noted that you still have to follow the same protocol with union groups.</p> <p>President Taylor asked if any Board Members objected to the goals from administration for the next year. At this time, the Board did not agree or disagree.</p> <p>More discussion and information will be forthcoming.</p>	Information only.
<b>Call for Closed Executive Session</b>	<p>President Taylor moved into Closed Executive Session in the 3<sup>rd</sup> Floor Conference Room at the Keil Administration Building to conduct an employee discipline hearing and to discuss appointment, employment and compensation of specific employees of the public body and collective negotiating matters between the Board and representatives of its employees, seconded by Mr. Dion.</p> <p>President Taylor called for a Roll Call Vote:  Aye: Dion, Clevenger (audio), Banks, Taylor, Scheider, Lewis  Nay: None  Absent: Collins-Brown  Roll Call Vote: 6 Aye, 0 Nay, 1 Absent</p> <p>For the record, Board Member Clevenger left the meeting and did not join Closed Session via audio in the 3<sup>rd</sup> floor Conference Room.</p>	Board moved to Closed Executive Session at 5:05 PM.
<b>Closed Executive</b>	<p>President Taylor noted that the Board of Education was currently in Closed Executive Session and asked for a motion. Mrs. Lewis motioned and Mr. Dion seconded. President Taylor called for a Roll Call Vote:</p>

	<p>Kristi Mullinix, Principal of South Shores Elementary School, shared information regarding the great things that were happening at her building. Principal Mullinix was currently “fully staffed” and their climate has changed for the better. They were working very hard on student attendance and brainstorming ways to make South Shores a priority. She thanked the DPS Maintenance Department for the upgrades at South Shores, her staff for their hard work and dedication and several churches that contribute to their success.</p>	
<b>Public Participation</b>	<p>President Taylor noted that during Public Participation, the Board of Education asked for the following:</p> <ul style="list-style-type: none"> <li>● Identify oneself and be brief.</li> <li>● Comments should be limited to 3 minutes.</li> <li>● Any public comments submitted to the Board Secretary will be included in the record.</li> </ul>	<p>Information only.</p>
	<p>For our listening audience, please note that during any Board of Education meeting and public participation, Board Members do NOT respond and/or comment to public comments; ALL COMMENTS ARE REFERRED TO ADMINISTRATION. Furthermore, the Board refrains from referring to specific students or staff members by name, and requests that public commenters refrain from doing so as well. The request that you omit names was made to protect you from allegations of libel or slander or from violations of the Illinois School Student Records Act. It was not intended to shield an employee from criticism.</p>	
	<p>Shontrale Williams, DPS Grandparent, spoke to the Board regarding her history of why she has custody of four grandchildren and how thankful she was for the South Shores staff. The communication was always open.</p>	

TOPIC	DISCUSSION	ACTION
<b>Public Participation Continued</b>	<p>Megan Meyrick, DPS Parent, spoke to the Board regarding the picture day company. Ms. Meyrick had been in communication regarding the issues with the company; other schools were also having issues with the company. She asked the Board to look into the company to see if the District should continue with their services, due to all of the current issues. She does not believe the company was equipped to handle the District.</p> <p>Eric Patton, DPS Foster Parent, spoke to the Board regarding the support at South Shores Elementary School. He is a foster parent and South Shores has helped his family tremendously.</p> <p>Y’Kina Perry, DPS Parent, spoke to the Board regarding how proud she was of her son, A’Zharien Perry, and thanked him for being a good role model for students. She also thanked South Shores Elementary School for their support with students and families from COVID to now. They are a caring staff.</p> <p>William Wetzel, DPS Parent, spoke to the Board regarding their decisions and how it would affect students and families. The Board’s policy decisions would be effective for a long time. They refused to engage the community on decisions regarding the build of a new school. Families were left to bridge the learning gaps of children on their own. They need to act like public servants.</p>	Information only.
<b>Student Ambassadors Report</b>	<p>A’Zharien Perry, EHS Ambassador, noted the following:</p> <ul style="list-style-type: none"> <li>● EHS freshmen, juniors and seniors had the opportunity to visit the BOS center for trade school. This was another career for students after graduation.</li> <li>● Sophomores visited the Heartland Tech Academy. The programs offered were shared with the students.</li> </ul>	Information only.
<b>Board Discussion</b>	<p>Mr. Scheider noted that a company came to the Finance Committee meeting to discuss solar panels (clean energy) at no cost. The company would pay the District to lease the land, they would pay for the panels and handle the state contract language. The District could receive 10% to 40% reduction with the utility bills. He asked for the Board to have a consensus to encourage the Operation’s Department to send out RFPs. This would possibly give the Board an opportunity to choose from different companies. President Taylor replied that he had questions and was not opposed to utilizing solar panel to lower the energy bills; it’s worth exploring. Ms. Banks asked if we were purchasing the land. Mr. Scheider replied no, they were paying the District to lease our land; prices would have to be negotiated. President Taylor noted that internally, if this was not a good idea, administration needs to inform the Board. Superintendent Clark asked was the consensus to move forward with the investigation. Mr. Scheider replied and to send RFPs for other company presentations.</p> <p>Mr. Scheider noted that Superintendent Clark was going to establish a goal regarding the hiring of teaching assistants (TAs). If administration was in-favor, he would like to vote on hiring as many TAs as possible.</p>	Information only.

TOPIC	DISCUSSION	ACTION
<b>Board Discussion Continued</b>	<p>Dr. Mike Curry, Chief Operational Office, noted that the question was next steps. Superintendent Clark noted that Dr. Curry researched numbers and the cost behind it, which were shared with Mr. Scheider previously. The average salary was \$32k-\$33k and 166 classrooms; the total cost would be over \$5mil. Mr. Scheider noted that realistically we could not hire that many people in the next year, but he would like to move forward and ask administration to add something to the agenda to be voted on at the next meeting. President Taylor replied that this was not on the agenda due to the concern with the pledge of \$5mil for TAs and it could affect the upcoming negotiations with DFTA. Mr. Scheider replied that we were not saying that \$5mil was going to DFTA, but were going to hire as many TAs as possible; they would receive the money, not DFTA. We would return to what we used to do, TAs in every K-1 classroom. We need to proceed.</p> <p>Attorney Braun noted that if the Board was to direct administration to hire, it would require a motion and a vote. If the Board authorized administration to move in a particular direction, it would require a consensus. Mr. Scheider wants a general district objective to hire more TAs and trusts administration to make decisions on where the hires would be placed; this calls for a collective consensus.</p> <p>Mr. Scheider felt it would be an important message to the community if there was a Board vote. Attorney Braun replied that he would be worried about the language and the affect it would have on the Superintendent and Chief Operational Officer. Mr. Scheider's message was received and if there was a consensus, allow administration to continue.</p> <p>President Taylor supported the hiring of TAs, but there could be a bargaining consequence.</p> <p>Attorney Braun noted that to increase the number of TAs (staffing) was at the Board's discretion. The District does not know DFTA's aspirational goals at this time and the Board could be limiting their ability to resolve issues at the bargaining table by unilaterally doing things that may not be their aspirational goals.</p> <p>Superintendent Clark asked for a consensus to hire TAs as warranted moving forward. Mr. Scheider did not agree with the word "warranted" as he felt it was limiting the hires. Superintendent Clark replied she was not limiting. Mr. Scheider wants this to remain open at all times. The consensus from the Board of Education was for administration to move forward with the Superintendent's language.</p> <p>The Board discussed the process for items on the Board agenda. Mr. Scheider wants the public to see his items on the agenda.</p>	Information only.

Consent Item E. was approved as presented.</p>

TOPIC DISCUSSION ACTION

Mr. Scheider asked about Safety and Security Administrator and Multi-Tiered Systems of Support (MTSS) Facilitator positions and like to see an organizational chart before he votes on them. Superintendent Clark replied that this was not the first or second time these two job descriptions were brought before the Board. There was a previous Board approved job description, Director of Safety, Diversity, Equity and Inclusion, that was posted several times and not filled. In a previous meeting, she explained to the Board that she would be separating the job description into two. As it relates to the Multi-Tiered Systems of Support (MTSS) Facilitator position, administration was still trying to fill the positions that were previously approved by the Board at PDI. They needed more academic support and behavioral support at Student Services. Administration hired the additional staff at Student Services and they were mimicking the same type of support in academics. These were discussed previously.

Counselor job descriptions had not been updated for many years. She cannot continue to work in the role as Safety and Security Administrator and Jeff Dase cannot continue to work in the role as Multi-Tiered Systems of Support (MTSS) Facilitator.

President Taylor noted that he understood that the job description was split because of having trouble of filling the Director of Safety, Diversity, Equity and Inclusion position. He suggested that the Board moved forward.

There was no motion to table.

Hearing no questions, President Taylor called for a Roll Call Vote:

Aye: Banks, Lewis, Taylor, Dion

Nay: Scheider – he voted nay due to the organizational chart for d) and e)

<b>Reviewed By:</b> Jason Fox, Director of Human Resources, Deanne Hillman, Interim Director of Human Resources and Dr. Rochelle Clark, Superintendent	

**BACKGROUND INFORMATION:**

There is a shortage of speech-language pathologists and vacant positions posted. Due to high caseloads, the current speech-language pathologists cannot cover for the vacancies during the school day. Attempts to fill the vacant positions have not been successful to date. Contract SLPs can only cover a portion of the vacancies.

**CURRENT CONSIDERATIONS:**

The MOU allows for the same rate of pay school psychologists may earn when filling in for a vacant position. Current contract language was considered in the development of the MOU.

**FINANCIAL CONSIDERATIONS:** The hourly rate for this is \$50/hour, not to exceed five (5) hours weekly. MPSED will incur the costs of any MPSED speech-language pathologist who needs this provision.

**STAFF RECOMMENDATION:**

The Administration respectfully requests the Board of Education approve the Memorandum of Understanding (MOU) between Decatur Public Schools District 61, Macon-Piatt Special Education District and the Decatur Education Association as presented.

**Speech-Language Pathologist Workload Compensation**

WHEREAS, The Decatur Education Association (DEA), the Decatur Public School District 61 (DPS), and Macon Piatt Special Education District (MPSED) are desirous of establishing fair compensation for extra caseload responsibilities relating to vacant positions.

WHEREAS, the speech-language pathologist shortage has continued and many positions remain unfilled.

Therefore, it is agreed, by and between DEA, DPS, and MPSED as follows:

Speech-Language Pathologists who are over a combined weighted caseload of 60 and who require the time outside of a normal school day to complete the extra duties associated with managing this caseload will be compensated at the rate of \$50 an hour, not to exceed five (5) hours weekly.

When a bargaining unit member in the retirement track performs these duties, they will be granted a vacation day per fifteen (15) hours of performed work. Each vacation day will be paid post-retirement at the rate of five hundred dollars (\$500) per day.

## Board of Education Decatur Public Schools District #61

<b>Date:</b> December 13, 2022	<b>Subject:</b> 2022 Tax Levy, but Paid in 2023
<b>Initiated By:</b> Dr. Mike Curry, Chief Operations Officer	<b>Attachments:</b> <ul style="list-style-type: none"> <li>• 2022 Tax levy</li> <li>• ISBE Levy Form</li> <li>• Resolution Regarding Annual Tax Levy &amp; Truth in Taxation Certificate of Compliance</li> <li>• P.A. 102-0895 Legislative Required Cash Balance Report</li> </ul>
<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent	

**BACKGROUND INFORMATION:**

Each fall the Board of Education approves a tentative tax levy not less than 20 days prior to adopting the levy in December. The final levy must be filed with Macon County before the end of December. The Board approved the tentative estimated levy on November 15, 2022.

The District is required to hold a public hearing if the non-debt service levy is anticipated to increase by 5.0% or more over the prior year's, non-debt service extension. Since the balloon levy request is an increase of only 4.95% over the prior year, no public hearing is required.

**CURRENT CONSIDERATIONS:**

The final extension and related tax rate are contingent upon the District's final Equalized Assessed Value (EAV).

Since the Preliminary Levy, the estimated EAV has reduced slightly to \$753,338,478 **before** unknown TIF and EZ Reductions. The restricted levy rates are ballooned (more funds requested than anticipated) to capture any additional EAV increases.

Noteworthy changes in the unlimited funds include an increase in the IMRF request by \$100,000 from \$2,100,000 to \$2,200,000 and an increase in the FICA/Medicare request by \$100,000 from \$1,900,000 to \$2,000,000. As an offset, the Tort request was **decreased** \$200,000 from \$3,100,000 to \$2,900,000.

New legislation, mandates annual disclosure of cash balances. P.A. 102-0895 creates a new provision in the School Code, Section 17-1.3 entitled 'Disclosure of cash balance' mandating the annual disclosure of the school district's cash reserve balance of 'all funds held by the district related to its operational levy and, if applicable, any obligations secured by those funds'. This slide represents the estimated beginning fund balance as of June 30, 2022. The Auditor's End of Year FY22 Statement of Assets, Liabilities, and Major Funds is attached.

**FINANCIAL CONSIDERATIONS:**

The annual levy provides one of the primary sources of revenues for the District. For operational funds, the District anticipates that the tax revenues of approximately \$32.5 - \$33.4 million.

After estimated TIF/EZ reductions, the estimated EAV for LY22 is approximately \$734.9 million. The non-debt service levy rate request would **decrease** by approximately \$0.02. Due to the one-time abatement and rate reduction of \$0.51 in FY21- implemented to offset additional unabated taxes from the FY 20 levy and the additional \$0.31 FY 20 tax rate, the FY 22 debt service levy rate will increase by approximately \$0.28 to a more appropriate level. The overall tax rate would increase by approximately \$0.26.

**STAFF RECOMMENDATION:**

The Administration respectfully requests that the Board of Education approve the attached 2022 Tax Levy Certificate and adopt the Resolution regarding the Annual Tax Levy as presented.

<b>Initiated By:</b> Dr. Mike Curry, Chief Operations Officer	<b>Attachments:</b> <ul style="list-style-type: none"> <li>• Abatement Resolutions (1) and County Filing Certificates (1)</li> </ul>
<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent	

**BACKGROUND INFORMATION:**

Previously, the District issued Taxable General Obligation School Bonds (Alternate Revenue Source) Series 2011B Qualified Zone Academy Bonds in the amount of \$4,675,000. Revenues collected from the \$0.01 County Sales Tax provide the alternate revenue to pay the debt service obligations for Calendar Year 2023 allowing the property taxes to be abated.

**CURRENT CONSIDERATIONS:**

Macon County has an obligation to levy property taxes for the Alternate Revenue Source bonds. To ensure that property taxes are not levied, the Board of Education files resolutions each year with the County to “abate” these taxes. The resolutions notify the County that adequate sales tax revenues are available to make the debt service payments. The District will abate a sum of taxes for the Series 2011B Series bonds in the amount of \$178,638.

To ensure the County abates taxes for the debt service payments, resolutions must be approved by the Board and filed with Macon County on an annual basis. After approval of a resolution, the Board Secretary will sign the Certificate of Resolution; and the Resolution will be filed with Macon County along with the attached the Filing Certificate.

**FINANCIAL CONSIDERATIONS:**

The required Calendar Year 2023 payment for the 2011B Series is \$178,638. The approval and filing of this resolution will instruct the County to suppress the collection of 2022 property taxes, paid in 2023.

**STAFF RECOMMENDATION:**

The Administration respectfully requests that the Board of Education adopt the Resolution to Abate 2022 Taxes in full for the 2011B Bond Series as presented and direct administration to file the associated Resolution and associated Filing Certificate with Macon County.

## 2.2. Training and Knowledge Transfer

Knowledge Transfer provided during the course of the engagement are informal sessions and consist of our engineers sharing their knowledge as they work through various tasks related to the project, and at the time the tasks are performed. The conduct of these sessions will be in a manner that does not slow down the pace of work or distract the engineers. These are not dedicated Knowledge Transfer sessions.

## 2.3. Deliverables

Documentation may be created by Presidio and provided as part of the Project Deliverables. Some of these deliverables may be delivered as a single document. The specific documentation to be provided depends on your chosen solution(s); several example documentation items are listed below. Additional documentation and/or printed documentation is available upon request for an additional cost.

Deliverable	Format

This senior-level resource will be the principal technical resource for the engagement and will have ownership of the final deliverables.
- **Engineer(s)** – one or more individuals assigned to complete technical project tasks. Assignment of these resources depends upon the skillset of the task(s) and the timeline(s) within which the task(s) must be completed. ## 2.6. Project Change Request Process

Any items that are determined to be outside of this Scope of Work and deliverables defined must be submitted with a Project Change Request Form. No work outside of this Scope of Work will be undertaken without written approval and processing of a Project Change Request.

In the event that both Presidio and Client agree to a change in this Statement of Work, a written description of the agreed-upon change will be prepared using a Project Change Request (PCR) form, which both parties must sign. The PCR form will be used to describe the change, the rationale for the change, and to specify any change in the scope, schedule, or budget. The terms of a mutually agreed upon Change Authorization will prevail over those of this Statement of Work or any previous Change Authorization.

Modifications in project scope including, but not limited to, the following will require a Project Change Request:

- Client-requested changes in outcome, approach, features, or capabilities.
- Additional required tasks discovered through the planning and design review, but not mentioned in this SOW, or changes to the design after the signoff of the design phase and/or during the implementation phase.
- Upgrade, modification, or repair of equipment or applications to effectively deploy this scope.

- Changes required to existing infrastructure components, not called out in this Statement of Work, including patching and/or reconfiguration.
- Remedial work for the resolution of issues that existed prior to the installation (bad cables, lost passwords, third-party solutions, and so forth).
- Defective equipment provided by Client and integrated into the solution requiring additional diagnostic troubleshooting and/or remediation.
- Troubleshooting issues due to Client changes to configurations made “after” releasing the system or “after” a specific milestone completion in a multi-site phased deployment.
- Delays due to issues relating to site preparation that result in delays to the project.
- Delays in responding to scheduling requests, acceptance requests, and requests for information.
- Insufficient notice of a schedule change. If 24-hour notice is not provided, charges may be applied.

### 3. ASSUMPTIONS AND RESPONSIBILITIES

Presidio makes the following assumptions and has identified the following Client responsibilities in developing this Statement of Work. These assumptions and responsibilities serve as the foundation to which the project estimate, approach, and timeline were developed. By signing this SOW, Client agrees that these assumptions and responsibilities are correct and valid. Any changes to the following assumptions and responsibilities must be processed using the Presidio Change Management Process and may impact the project duration and labor requirements.

#### 3.1. General Assumptions

The following project assumptions are made and will be verified as part of the engagement:

1. Client has read and agrees with all items contained or omitted within this Statement of Work.
2. This SOW supersedes any previous scope discussion or agreement including “Vision Deck” PowerPoint proposals, emails, or verbal communications.
3. All Presidio activities will take place during normal working hours (Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding holidays) unless noted as “Off Hours” in this SOW.
4. Any items or tasks not explicitly listed as in-scope within this SOW are considered to be outside of the scope and not associated with this SOW and price.
5. If integration of the product is performed at a Presidio facility, then transfer of ownership (acceptance) occurs upon the receipt and integration of goods at Presidio, regardless of shipment, as manufacturers will not accept returns of opened products.
6. Presidio will not be held responsible for troubleshooting networks, applications and/or hardware if Client has no formal change management documented processes and policies.
7. Presidio may engage subcontractors and third parties in performing a portion of this work.
8. Presidio will not make changes to the configuration of any network equipment after it has been installed and tested.
9. Some activities included in this project may be performed on Presidio’s premises.
10. Not all features or functions of the installed system are included in the scope of this engagement.
11. Presidio reserves the right to modify the approach outlined within this SOW if it does not alter the timeline or overall outcome of the engagement.
12. Presidio will configure the systems outlined within this Statement of Work, with a unique set of authentication credentials, unless otherwise provided by Client. Upon the completion of the engagement, Presidio will provide Client with all user names, passwords, and additional authentication information that were implemented during the engagement. Presidio strongly recommends that these credentials be changed upon the completion of the engagement.

13. Time and Materials engagements do not provide defined deliverables. To the extent that documentation or other task-related materials or deliverables are required, time to prepare, deliver, and review those deliverables will accrue against the hours purchased.
14. Hours for Time and Materials services are best effort estimates and may require additional hours in order to satisfy the request.
15. For Time and Materials services, it is Client's responsibility to direct the activities of the Presidio consultant through the creation of a prioritized Task List or similar documented instruction. It is recommended that this be provided to the Presidio Engineer 48 hours prior to the first day of services.
16. Time and Materials Services will be invoiced monthly and will be based on actual hours incurred.
17. For hourly service, a 4-hour daily minimum applies for remote services. An 8-hour daily minimum applies for on-site services.

9. Provide to Presidio all required IP addresses, passwords, system names, and aliases.
10. Validate the site readiness prior to the dispatch of Presidio personnel to perform the services being contracted.

**WHEREAS**, upon the City's demolition of the structures presently upon said real estate, the District desires to acquire said real estate, and has adopted a Resolution declaring that it is necessary or convenient for it to use, occupy or improve City's real estate for school purposes; and

**NOW, THEREFORE**, in consideration of the premises, which are hereby incorporated hereinafter by reference, and the agreements, covenants and conditions hereinafter set forth, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. **Incorporation of Recitals.** The parties hereby find that all of the recitals contained in the preambles to this Agreement are full, true and correct and do incorporate them into this Agreement by this reference.

2. **Purchase Price.** As the purchase price for Property, District agrees to reimburse and pay the City fifty percent (50%) of the total costs incurred by the City to demolish the structure located at 1140 West Sunset Avenue, Decatur, Illinois. Total costs shall include, but not be limited to, actual cost of demolition, fees for permits, environmental remediation costs, outstanding taxes and assessments (if any), and court costs. The purchase price minus any credits allowed Buyer under this Agreement, shall be paid at closing.

3. **Condition of Property.** District warrants that, subject to the demolition occurring, it has inspected said Property, and is acquainted with the condition thereof, and District accepts the same in its present, "As Is" condition. CITY DISCLAIMS ALL WARRANTIES AS TO CONDITION, EXPRESS OR IMPLIED, INCLUDING ALL WARRANTIES OF HABITABILITY AND FITNESS, AND SELL SAID PROPERTY IN "AS IS" CONDITION.

4. **Deed of Conveyance.** City shall execute and deliver to District at closing a Quitclaim Deed to Property.

5. **Evidence of Title.** (a) Within a reasonable time prior to closing, City shall provide to District as evidence of title a Commitment for Title Insurance issued by a Title Insurance Company regularly doing business in Macon County, committing the Company to issue a Policy of Title Insurance in the usual form, insuring title to Property, subject only to the permissible exceptions to title set forth below, in the amount of the Purchase Price.

City shall have a reasonable time to cure any unpermitted exception of which District gives notice. If City is unable to cure any such exceptions and is unable to procure a Title Policy insuring over such exceptions, then District shall have the option of terminating this Contract, or of accepting title

subject to such exceptions and proceeding to close without any reduction in the Purchase Price, in which case such exceptions shall be deemed permissible exceptions to title.

(d) The evidence of title, including the cost of an Owner's Policy Of Title Insurance in the full amount of the Purchase Price, issued by the Company making the Title Insurance Commitment, shall be at the sole expense of City, except that District shall pay the buyer's customary share of search charges in connection with the issuance of the Title Policy.

6. **Possession and Closing.** City shall deliver possession of Property to District concurrently with the closing of this transaction, which shall be held on a mutually agreeable date, time and place following the demolition of Property, or within thirty (30) days written request by the City, provided said request is issued after the completion of demolition .
