TOPIC	DISCUSSION	ACTION
-------	------------	--------

	Jammie Goodman, Teacher, spoke to the Board regarding the illiteracy of parents in our District. There was need for home support from parents. The issues take away from actual instructional time. Teachers were relying on the Board of Education to help set them up for success.	
--	--	--

	Andrew Miller, parent at ADSA, spoke to the Board regarding the difficulty of being a parent. He stated that there was a teacher at ADSA that needed to be removed. There were many allegations against this teacher online. This teacher publicly shamed his son in front of the class and this should have been discussed with the parent. He asked for the teacher to be removed and there has been very little response.	
--	--	--

	Maria Franklin spoke to the Board regarding concerns with ADSA where a teacher was indicated by DCFS. The teacher was removed, but only because there was pressure placed upon the District. There was no clear assurance that the teacher would not have access to any children. Were protocols put in place? She asked the Board to prioritize the safety of our students.	
--	--	--

	Otiyuna Lyles spoke to the Board regarding recent events at ADSA regarding at teacher. The District's response was to shuffle staff around instead of holding them accountable, which puts children at risk. Policies and procedures need to be in place with clear guidance. There must be consequences and she encouraged the Board of Education to be proactive instead of reactive.	
--	---	--

	Toby Propst, Custodian, spoke to the Board regarding his concern of the morale of the custodial department. He felt they had been disrespected and threatened by their supervisor. He asked for supervision that would set them up for success.

Board Discussion	Mr. Reynolds asked for quarterly reports from schools regarding improvements; this sends a huge message to our community. Superintendent Clark replied that reports will be presented during the fall, winter and spring. However, the building principals choose their highlights for their presentations.	Information only.
	Dr. Collins-Brown noted that the staff in the buildings were addressing the needs of the students. It may not be significant, but each gain counts. DPS was doing a great job.	
	Mr. Wetzel would like to move things forward as the community was hurting. We must look long range with a strategic plan.	

TOPIC	DISCUSSION	ACTION
	Vice President Dion noted that WAND was here for controversy and was not present to hear the good news in the District. There were great things going on in the District and he hate when others turn people away from enrolling in DPS 61.

DIRECTOR OF TEACHING & LEARNING CONTRACT
Fiscal Year 2024 (March)-2025

This Contract between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter “the Board” or “the District”) and **Edwin Robinson** (hereinafter “the Director of Teaching & Learning”), and ratified at the meeting of the Board held on February 27, 2024, as found in the minutes of that meeting.

IT IS AGREED:

1. Employment. The Director of Teaching & Learning is hereby hired and retained from March 1, 2024 to June 30, 2025, as Director of Teaching & Learning for the District.

2. Duties. The duties and responsibilities of the Director of Teaching & Learning shall be all those duties incident to the office of the Director of Teaching & Learning as set forth in the job description, a copy of which can be found in the employee’s file; those obligations imposed by the law of the State of Illinois upon a Director of Teaching & Learning; and to perform such other duties normally performed by a Director of Teaching & Learning as from time to time may be assigned to the Director of Teaching & Learning by the Superintendent of Schools or the Board. The work day, work year, contract year and holidays and holiday pay for the Director of Teaching & Learning shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (June 13, 2023).

3. Salary. The Board shall set the salary for the Director of Teaching & Learning. For the 2023-2024 year the amount of the Director of Teaching & Learning’s salary shall be set by the Board but shall not be less than **One Hundred Twenty-Eight Thousand Four Hundred Forty-Three and 00/100 (\$128,443.00)** per annum, which annual salary shall be prorated for the period of March 1, 2024 to June 30, 2024 for partial year’s work to the sum of **Forty-Two Thousand Four Hundred Eighty-Four Dollars and 99/100 (\$42,484.99)**. For each subsequent year of the Contract, the Board shall pay an amount to be determined before the beginning of each subsequent Contract year, but in no case shall the salary be less than the amount paid during the previous Contract year. The Director of Teaching & Learning hereby agrees to devote such time, skill, labor and attention to his employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of Director of Teaching & Learning for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of an approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Director of Teaching & Learning, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board motion.

4. Pension. In addition to the salary of the Director of Teaching & Learning as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or 9% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 9.8901% of the salary paragraph 3) as an employer paid pension

contribution consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36. Such payments shall be consideration for this Contract, shall be creditable earnings for purposes of Teacher Retirement System pension calculations and the Assistant Superintendent did not have the option of choosing to receive such amount directly instead of having such contribution paid by the employer to the Teacher Retirement System of the State of Illinois.

5. Performance Provisions. This Contract is a performance-based, linked to student performance and academic improvement of the schools within District as required by Section 10-23.8a of the Illinois School Code. The Director of Teaching & Learning shall meet the goals enumerated in Appendix A during the term of the Contract. In consideration for performance pursuant to a multi-year agreement, the Director of Teaching & Learning waives acquisition of tenure pursuant to this Contract.

6. Evaluation. Annually, but no later than March 1st of each year, the Superintendent or designee shall review with the Director of Teaching & Learning progress toward established goals and working relationships among the Superintendent, the District leadership team, principals, the faculty, the staff and the community, and shall consider the Director of Teaching & Learning's annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Director of Teaching & Learning in writing within 30 days following the evaluation, pursuant to the district's evaluation plan for administrators.

7. License. The Director of Teaching & Learning shall furnish to the Board, during the term of this Contract, a valid and appropriate license to act as Director of Teaching & Learning in accordance with the laws of the State of Illinois and as directed by the Superintendent and Board.

8. Other Work. The Director of Teaching & Learning may undertake consultative work, speaking engagements, writing, lecturing, college or university, and other professional duties and obligations provided that these activities do not interfere with the effective performance of his duties as Director of Teaching & Learning. The Director of Teaching & Learning shall have the responsibility to discuss with the Superintendent or Assistant Superintendent and mutually agree to such outside activity in a timely fashion.

9. Discharge for Good Cause. Throughout the term of this Contract, the Director of Teaching & Learning shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Director of Teaching & Learning shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Director of Teaching & Learning chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Director of Teaching & Learning. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge, as provided in this Contract.

10. Termination by Contract. During the term of this Contract, the Board and Director of Teaching & Learning may mutually agree, in writing, to terminate this Contract.
