12.0 ADJOURNMENT
High School Dress Code Proposal

Board of Education Meeting
February 25, 2020

Superintendent’s Youth Advisory Council
Objective for addition to the dress code:

First and foremost we seek not to do away with the current uniform policy, but to reduce the amount of interruptions caused by the dress code in the form of removal from classrooms, and subsequently removal from learning due to violation of dress code.

Instead, we want to add to the dress code to improve our learning environment.

These are only additions. The current dress code remains unchanged in addition to this proposal.
Hoodies:

- Plain approved school colors (pg.33):
  - EHS- black, white, gray, or yellow
  - MHS- black, white, gray, or blue
- Allow school spirit wear hoodies to be worn all week
- Hoods down during the school day
★ Spirit wear t-shirts of all colors can be worn in place of a polo.

T-Shirts
“School uniforms should give students a sense of belonging to their high school and create an identity for the school. Please continue supporting our efforts to help our young people become responsible, caring, and productive citizens in our community.”
The Process

1. SYAC Project
2. Peer Review
3. Principal Review
4. Dr. Fregeau DEA Team
Without the threat of punishment caused by strict dress code, our high schools would become a much more fruitful academic environment. One where education is the true priority of student life and not the stress of “dressing the part.”
Thank You,

BACKGROUND INFORMATION: The next phase of projects in the DPS #61 BOLD Facility Plan is additions and improvements at South Shore Elementary School. The facility additions include two classrooms, HVAC through the entire school, HVAC controls and a fire hydrant. The HVAC improvements will be partially paid through Health Life Safety funds currently in the ISBE approval process. BLDD has been in contact with ISBE regarding the recently submitted amendment for South Shores and anticipates an approval without issues. This would be expected because the other elementary schools were very similar and received quick approval.

CURRENT CONSIDERATIONS:
Administration, in conjunction with BLDD, recommends the Board approve attached bids. The bids were gathered through the competitive bid process and then each contractor was vetted by O’Shea Builders. The HVAC work would not start until the summer which gives ISBE ample time to approve the amendment specific to this work.

FINANCIAL CONSIDERATIONS:
Total estimated cost for the additions and improvements at South Shores is $2,421,200. Upon Board approval the lowest responsible bidder for each bid package is accepted and O’Shea Builders will direct the contracts and manage the work by lowest responsible bidders (see addendum).

Funding for this project will be paid from Fund 60 (Bond Fund) and Fund 90 (Health Life Safety).

STAFF RECOMMENDATION:
The Administration respectfully requests the Board of Education approve the accepted construction bids for South Shores Elementary School.

South Shores Elementary School
Decatur Public School District 61,

After careful review of the subcontractor’s proposals for the South Shores Elementary School Addition Project, it is our recommendation that the school district proceed by accepting alternates A1 and M1 and awarding contracts to the apparent low bidders as follows:

- Christy-Foltz: Site Improvement, Structural Steel, General Trades $452,679
- JJ Braker & Sons: Masonry $49,750
- Henson Robinson Co: Roofing & Sheet Metal $126,879
- Gardner L&M Glass: Aluminum & Glass $11,890
- Allied Construction: Gypsum Board Assemblies $64,300
- Flooring Systems: Flooring $57,638
- Mid Illinois Co: Painting $27,200
- King-Lar: Plumbing $49,140
- E.L. Pruitt: HVAC $681,540
- Anderson Electric: Electrical $186,896

This totals $1,707,912. With the General Conditions and Allowances the Direct Construction Costs total $1,897,089. Adding the CM fee, Construction Contingency and Erosion Control Permit totals $2,040,250. Finally, including the Owner Costs of $380,381 the total project amount for this project totals $2,421,082. This is within our revised project budget target of $2,421,563.

  - Information from parent(s).  
  - Follow up with student or students that were involved.  
  - Video and/or camera support, if applicable.  
  - Discuss with staff.

  - A student will receive additional supports based on the type of infraction and/or the number of infractions.  
| Mark Ritz and other BLDD Representatives, and Tim Hickey, O’Shea, presented an overview of the facilities and the construction at the Montessori Academy for Peace (see attached). Mr. Hickey also shared and discussed completion dates.  
President Nolan asked about the alternate bids and the process. Mr. Ritz replied that there has been alternate bids, which increases the District’s number of choices. Air conditioning and construction additions will be first and others will be secondary, depending upon the budget. The priorities will be evaluated and discussed once the District receives all of the bids.  
Mr. Hickey noted that the bids will be compared to the total budget and recommendations will be forthcoming as it relates to the budget(s) for the project(s).

**BACKGROUND INFORMATION:**
Each month, the Board approves the agenda of bills at the first meeting of the month. The bills are for the previous month’s invoices and have a printed check date of the last day of the month.

**CURRENT CONSIDERATIONS:**
The first board meeting in March is the 3rd, the first Tuesday of the month. Since the last day of February is the prior Friday, it would be difficult to have the bills ready for the first meeting in March. The Business Office is requesting the Board’s authority to release the checks on March 11th, the normal day the checks would be released. The agenda of bills would be brought to the Board to approve retroactively at the March 24th Board meeting.

**FINANCIAL CONSIDERATIONS:**
Checks would be released a week later than the first Board meeting; but, a week prior to the meeting in which the bills are approved.

**STAFF RECOMMENDATION:**
The Administration recommends that the Board approve the Business Office to release February 2020 checks on March 11, 2020 prior to Board approval on March 24, 2020 as presented.

**RECOMMENDED ACTION:**
