Until the CPPRT Bubble, we were a Tier 1 District. Tiers are based on a formula that the State uses to calculate how adequately a district is funded. The lower the Tier, the higher the State EBF contribution. The contribution amounts are dependent of State Budgets. • The continued rising cost of Transportation. • The need for more Activity Buses. • The rising costs of being competitive in a scarce labor market. • The EAV roller coaster and the potential for a downturn. • Potential of lost revenue through Property Value challenges – we have no control in the process. <p>President Clevenger asked if the District received any public input and/or written comments regarding the Truth in Taxation hearing. None had been received and none were presented.</p> <p>President Clevenger asked if anyone wished to speak on this subject and no one requested to speak.</p> <p>President Clevenger again asked the Board Members if they had any questions.</p> <p>The Board of Education discussed the Truth in Taxation options with administration. Administration's recommendation was the full EAV request at 4.99%. Vice President Dion noted that this was not a change with the tax rate. Community growth was becoming an issue in the city. Mr. Reynolds suggested 5%. Legal counsel noted that the levy debate could take place during the actual recommendation under roll call.</p> <p>President Clevenger noted that he had given an opportunity for public participation, oral and written testimony, and then declared the public hearing closed at 6:42 PM.</p>	Information only.

TOPIC	DISCUSSION	ACTION
Returned to Closed Executive Session	<p>President Clevenger noted that due to other Closed Session Agenda items, the Board of Education and Administration would return to Closed Executive Session and would notify the public, in a timely manner, when they planned to return to Open Session. President Clevenger made a motion to return to Closed Executive Session to conduct student expulsions, employee discipline hearings, and discuss the appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body, and collective negotiating matters between the Board & representatives of its employees, seconded by Vice President Dion. Furthermore, the Board refrains from referring to specific students or staff members by name, and requests that public commenters refrain from doing so as well. The request that you omit names was made to protect you from allegations of libel or slander or from violations of the Illinois School Student Records Act. It was not intended to shield an employee from criticism.</p> <p>Charles Tiner, MPSED Teaching Assistant, spoke to the Board regarding how he felt the Macon-County Board and the Director of Special Education failed to follow administrative policy and had a history of retaliation against him.</p> <ol style="list-style-type: none"> 1. Policy 2:60 Uniform Grievance Procedure was not adhered to by that board. 2. The Board President acknowledged the policy in other cases and each side could appeal if not satisfied with the findings; the complaint manager would do other reports if warranted. 3. The Special Education Director stated that the Board’s role was to affirm, reverse or amend the decision, not do a separate investigation. 4. He felt he was discriminated against by someone else and nothing was done to the other individual; the Director tried to transfer him. 5. The same individual entered his room and made the following statement, “white nights are going to fly at midnight” because of his complaints against that principal. That was a KKK threat towards him and she was not fired. 6. After nothing was done after that incident, she and others created a false report that he intimidated them; the case was dismissed. He mentioned that the false report was number 7. <p>The same individual aggressively yelled at him and he was recommended to be fired for responding to her. The administrators hired a third-party and did not accept the findings and no one appealed the original findings that was a mandate in Policy 2:60.</p>	Information only.

TOPIC	DISCUSSION	ACTION
	They hired their own investigator. The hearing was not legal and he asked the DPS Board to vote no. During his evaluation, nine out of the 11 categories were unsatisfactory and he was never given any consultation. He again asked the Board of Education to vote no on the recommendation.	
Board Committee Reports	None at this time.	Information only.
Junior Board Members	<p>Lily Rinchiuso shared the following regarding cell phones at school:</p> <ul style="list-style-type: none"> • Cell phones in the school environment is an issue. • The phone policy is a problem without a clear solution. • There was a clear problem with phones in the classrooms and students maintaining attention. • A 100% phone ban is an uphill battle; there would be no change with behavior. • Some teachers change their phone policy based on the class. • A stricter policy on phones was not the answer; removal privileges would not change problematic students' behaviors. • Focus on teaching good phone habits in moderation starting at grades 6-8th and place emphasis on the right and wrong ways. • As it relates to a policy, what works for one class may not work for another and it's not fair to the students and teachers to try to make one policy fit in different situations. • The Junior Board Members and Student Ambassadors will continue these discussions regarding phones with classmates, teachers, families and Board Members. • MHS and EHS were participating in blood drives before winter break. 	Information only.
Board Discussion	<p>Mr. Reynolds asked about the individualized instruction for teachers and principals. He asked about Dr. Clark's thoughts on cell phones and increased participation in teaching areas. Superintendent Clark replied yes, they were spending additional funds on student achievement. Dr. Larry Gray, Assistant Superintendent of Teaching and Learning, and his team were focusing on data in order to determine the strengths and weaknesses in those areas. Superintendent Clark noted that there was always a cell phone policy in place, some staff were enforcing and some were not. There needs to be continued conversations regarding what was best for everyone.</p> <p>Vice President Dion asked if administration discussed AI (large language models), chat GPT, etc. Dr. Gray replied administration could detect if a student wrote a submitted paper. Maurice Payne, Director of IT, replied that at this time, he does not have anything to detect the validity of AI and GPT. IT can add and/or block certain sites and control traffic through the District's network. Everything that goes through the firewall were tracked.</p> <p>Mr. Wetzel asked if there were steps taken by the District regarding staff entering student data with personal information.</p>	Information only.

TOPIC	DISCUSSION	ACTION
	Mr. Payne replied, no there was nothing at this time to determine all protection. He receives alerts if a large amount of personal data was released through email. Vendors must have permission to use student data through their system. All devices have ransom ware protection and cyber security protection. These protections could deem that public certain public Wi-Fi was not safe network and therefore, login was denied; this would protect the devices from attacks. Students should contact the help desk or inform a staff member in their building of any issues. After that, IT would be notified.	
	President Clevenger asked for a report in January 2024 or early February 2024 regarding the cell phone policy. He asked for staff to present on the academic benefits or detriments on cell phones in the classrooms. There needs to be a comprehensive review before the report/conversation. Vice President Dion asked if other personnel issues that were at a level below discipline could be discussed as well.	
Reports from Admins Robertson Charter School	Niki Fenderson, Principal of Robertson Charter (RCS), presented an annual report on Robertson Charter School (attached). Principal Fenderson shared initiatives and programs that were implemented at RCS this year. They also focused on a number of student recognitions.	Information only.
Responses to FY23 Annual Audit	Dr. Mike Curry, Chief Operational Officer, presented information on how the District responded to this year's audit findings (attached). Due to the vacancies and turnovers, only multiple team members were doing their work and picking up additional duties to assist. There have been action plans in place and more cross training throughout the department.	Information

I received a tip alleging that there were guns brought to Hope Academy school twice in the last two weeks.

If #1 returns items that also exist in the keyword searches for #2 & #3, duplicate records are fine, or you may group them under whichever item seems most convenient for you.

1. Any emails regarding a gun being brought to Hope Academy between November 1, 2023 and December 14, 2023. This item should include individuals returning their own responsive email records, and is not a keyword search. The individuals should include Hope Academy administrators, Hope Academy Staff, Dr. Clark, Val Talley, Ms. Bradford, the Board of Education, and anyone else likely to be involved in or knowledgeable of such an incident.

3. Any emails sent by Hope Academy staff with the search string "gun" (case insensitive) between November 1, 2023 and December 14, 2023

ASSISTANT PRINCIPAL CONTRACT
Fiscal Year 2024 (January)-2025

This Contract between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter “the Board” or “the District”) and **Talia Hopkins** (hereinafter “the Assistant Principal”), and ratified at the meeting of the Board held on January 9, 2024, as found in the minutes of that meeting.

IT IS AGREED:

1. Employment. The Assistant Principal is hereby hired and retained from January 10, 2024 to June 30, 2025, as Assistant Principal for the District.

2. Duties. The duties and responsibilities of the Assistant Principal shall be all those duties incident to the office of the Assistant Principal as set forth in the job description, a copy of which can be found in the employee’s file; those obligations imposed by the law of the State of Illinois upon a Assistant Principal; and to perform such other duties normally performed by a Assistant Principal as from time to time may be assigned to the Assistant Principal by the Superintendent of Schools or the Board. The work day, work year, contract year and holidays and holiday pay for the Assistant Principal shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (June 13, 2023).

3. Salary. The Board shall set the salary for the Assistant Principal. For the 2023-2024 year the amount of the Assistant Principal’s salary shall be set by the Board but shall not be less than **Ninety-Four Thousand Five Hundred Ninety-One and 00/100 (\$94,591.00)** per annum, which annual salary shall be prorated for the period of January 10, 2024 to June 30, 2024 for partial year’s work to the sum of **Forty-Four Thousand Seven Hundred Forty-Eight Dollars and 82/100 (\$44,748.82)**. For each subsequent year of the Contract, the Board shall pay an amount to be determined before the beginning of each subsequent Contract year, but in no case shall the salary be less than the amount paid during the previous Contract year. The Assistant Principal hereby agrees to devote such time, skill, labor and attention to his employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of Assistant Principal for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of an approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Assistant Principal, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board motion.

4. Pension. In addition to the salary of the Assistant Principal as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or 9% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 9.8901% of the salary paragraph 3) as an employer paid pension contribution consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36.

Such payments shall be consideration for this Contract, shall be creditable earnings for purposes of Teacher Retirement System pension calculations and the Assistant Superintendent did not have the option of choosing to receive such amount directly instead of having such contribution paid by the employer to the Teacher Retirement System of the State of Illinois.

5. Evaluation. Annually, but no later than March 1st of each year, the Superintendent or designee shall review with the Assistant Principal progress toward established goals and working relationships among the Superintendent, the District leadership team, principals, the faculty, the staff and the community, and shall consider the Assistant Principal's annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Assistant Principal in writing within 30 days following the evaluation, pursuant to the district's evaluation plan for administrators.

6. License. The Assistant Principal shall furnish to the Board, during the term of this Contract, a valid and appropriate license to act as Assistant Principal in accordance with the laws of the State of Illinois and as directed by the Superintendent and Board.

7. Other Work. The Assistant Principal may undertake consultative work, speaking engagements, writing, lecturing, college or university, and other professional duties and obligations provided that these activities do not interfere with the effective performance of his duties as Assistant Principal. The Assistant Principal shall have the responsibility to discuss with the Superintendent or Assistant Superintendent and mutually agree to such outside activity in a timely fashion.

8. Discharge for Good Cause. Throughout the term of this Contract, the Assistant Principal shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Assistant Principal shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Assistant Principal chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Assistant Principal. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge, as provided in this Contract.

9. Termination by Contract. During the term of this Contract, the Board and Assistant Principal may mutually agree, in writing, to terminate this Contract.

10. Referrals to Assistant Principal. The Board, collectively and individually, and the Superintendent shall promptly refer all criticisms, complaints, and suggestions called to its/their attention to the Assistant Principal for study and recommendation.

11. Professional Activities. The Assistant Principal shall be encouraged to attend appropriate professional meetings at the local, state, and national levels. Within budget constraints, such costs of attendance shall be paid by the Board upon receipt of a full, itemized account of such costs.

12. Reimbursement for Use of Personal Car. The Board shall pay the Internal Revenue Service rate to the Assistant Principal for vouchered reimbursable mileage expenses incurred by the Assistant Principal while using the Assistant Principal's personal vehicle for the

conduct of approved District business. Reimbursement shall be pursuant to the District's policies, rules and regulations.

13. Membership Dues. The Board shall pay the cost of Assistant Principal's annual membership dues as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (June 13, 2023).

14. Medical Insurance. Assistant Principal shall be provided with medical insurance and medical insurance options as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (June 13, 2023).

15. Life Insurance. Assistant Principal shall be provided with life insurance as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (June 13, 2023).

16. Vacation. Assistant Principal shall be provided with vacation days as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (June 13, 2023).

17. Sick Leave and Personal Leave. Assistant Principal shall be provided with sick leave and personal leave days as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (June 13, 2023).

18. Disability. Should the Assistant Principal be unable to perform the duties and obligations of this Contract, by reason of illness, accident or other cause beyond the Assistant Principal's control and such disability exists after the exhaustion of accumulated leave days and vacation days during any school year, the Board, in its discretion, may make a proportionate deduction from the salary stipulated. If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Assistant Principal's duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. The Assistant Principal shall provide medical evidence of his ability to perform the essential functions of his job to the Board President upon request.

19. Criminal Records Check. Pursuant to 105 ILCS 5/10-21.9, Boards of Education are prohibited from knowingly employing a person who has been convicted of committing or attempting to commit the named crimes therein. If the fingerprint-based criminal records check required by Illinois law is not completed at the time this Contract is signed, and any subsequent investigation or report reveals there has been such a conviction, this Contract shall immediately become null and void.

20. Employment History Review. Pursuant to 105 ILCS 5/22-94, the Assistant Principal shall submit to an employee history review, and shall execute and deliver to the Board of Education all necessary consent and forms necessary to accomplish such task. If the Assistant Principal fails to disclose necessary information, fails to complete and deliver appropriate forms

upon demand, or if a subsequent employment history review reveals there has been a report or investigation that did not result in an unfounded or fabricated result, this Contract shall immediately become null and void.

21. Notice. Any notice required under this Contract shall be in writing and shall become effective on the day of mailing thereof by first class, registered or certified mail, postage prepaid, addressed:

To the Board:

22. Headings. Paragraph headings and numbers have been inserted for convenience or reference only, and if there shall be any conflict between any such headings or numbers and the text of this Contract, the text shall control.

23. Contract Extension. At the end of any year of this Contract, the Board and Assistant Principal may mutually agree to extend the employment of the Assistant Principal for a multi-year period of up to five (5) years. In such event, the Board shall take specific action to discontinue this Contract and enter into a multi-year Contract of Employment as allowed by law. Notwithstanding the foregoing, prior to April 1 of the year in which this Contract expires, the Board shall take action to extend or not to extend the terms of this Contract for one additional year, and shall notify the Assistant Principal in writing of such action. Failure of the Board to take such action shall extend this Contract for one (1) additional year.

24. Copies of Contract. This Contract may be executed in one or more counterparts, each of which shall be considered an original, and all of which taken together shall be considered one and the same instrument.

27. Complete Understanding. This Contract contains all the terms agreed upon by the parties with respect to the subject matter of this Contract and supersedes all prior agreements, arrangements, and communications between the parties, whether oral or written.

28. Relevant Law. This Contract is authorized under the provisions of Illinois law.

IN WITNESS WHEREOF, the parties have caused this Contract to be executed in their respective names; and in the case of the Board, by its President and attested to by its Secretary, on the day and year first above written.

ATTEST:

Secretary

Board of Education Decatur Public School District #61

Date: January 09, 2024	Subject: 2023 Property Tax Abatement Resolution (1) Series 2011B
Initiated By: Dr. Mike Curry, Chief Operational Officer	Attachments: <ul style="list-style-type: none">• Abatement Resolution (1)• County Filing Certificate (1)
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Previously, the District issued Taxable General Obligation School Bonds (Alternate Revenue Source) Series 2011B Qualified Zone Academy Bonds in the amount of \$4,675,000. Revenues collected from the \$0.01 County Sales Tax provide the alternate revenue to pay the debt service obligations for Calendar Year 2024 allowing the property taxes to be abated.

CURRENT CONSIDERATIONS:

Macon County has an obligation to levy property taxes for the Alternate Revenue Source bonds. To ensure that property taxes are not levied, the Board of Education files resolutions each year with the County to “abate” these taxes. The resolutions notify the County that adequate sales tax revenues are available to make the debt service payments. The District will abate a sum of taxes for the Series 2011B Series bonds in the amount of \$926,388.

To ensure the County abates taxes for the debt service payments, resolutions must be approved by the Board and filed with Macon County on an annual basis. After approval of a resolution, the Board Secretary will sign the Certificate of Resolution; and the Resolution will be filed with Macon County along with the attached the Filing Certificate.

FINANCIAL CONSIDERATIONS:

The required Calendar Year 2024 payment for the 2011B Series is \$926,388. The approval and filing of this resolution will instruct the County to suppress the collection of 2023 property taxes, paid in 2024.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the resolution to abate 2023 taxes in full for the 2011B bond series as presented and direct administration to file the associated resolution and associated filing certificate with Macon County.

Board of Education Decatur Public School District #61

Date: January 09, 2024	Subject: 2023 Property Tax Abatement Resolution (1) Series 2020C
Initiated By: Dr. Mike Curry, Chief Operational Officer	Attachments: <ul style="list-style-type: none">• Abatement Resolution (1)• County Filing Certificate (1)
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Previously, the District issued General Obligation Refunding Bonds (Alternate Revenue Source) Series 2020C in the amount of \$59,755,000. Revenues collected from the \$0.01 County Sales Tax provide the alternate revenue to pay the debt service obligations for Calendar Year 2024 allowing the property taxes to be abated.

CURRENT CONSIDERATIONS:

Macon County has an obligation to levy property taxes for the Alternate Revenue Source bonds. To ensure that property taxes are not levied, the Board of Education files resolutions each year with the County to “abate” these taxes. The resolutions notify the County that adequate sales tax revenues are available to make the debt service payments. The District will abate a sum of taxes for the Series 2020C Series bonds in the amount of \$3,318,400.

To ensure the County abates taxes for the debt service payments, resolutions must be approved by the Board and filed with Macon County on an annual basis. After approval of a resolution, the Board Secretary will sign the Certificate of Resolution; and the Resolution will be filed with Macon County along with the attached the Filing Certificate.

FINANCIAL CONSIDERATIONS:

The required Calendar Year 2024 payment for the 2020C Series is \$3,318,400. The approval and filing of this resolution will instruct the County to suppress the collection of 2023 property taxes, paid in 2024.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the resolution to abate 2023 taxes in full for the 2020C bond series as presented and direct administration to file the associated resolution and associated filing certificate with Macon County.

Board of Education Decatur Public School District #61

Date: January 09, 2024	Subject: School Improvement Plans
Initiated By: Dr. Mary Ann Schloz, Assistant Director of Finance, Grants, & Special Projects; Dr. Larry Gray, Assistant Superintendent, Mary Brady, P-12 Director of Teaching and Learning.	Attachments: School Improvement Plans for each of the following schools: American Dreamer STEM Academy, Baum, Dennis, Franklin Grove, Hope, Johns Hill, Montestorri Academy for Peace, Muffley, Parsons, South Shores, Stephen Decatur Middle School, MacArthur High School, and Eisenhower High School
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

The Illinois State Board of Education expects all schools to implement and sustain an improvement process designed to ensure equitable outcomes for all students.

All school districts receiving Title I federal funding must have an approved Title I District Plan (Local Educational Plan) on file at the Interactive Illinois Report Card (IIRC) prior to receiving Title I funds. A step in this compliance effort is also making the Board of Education aware of each school required to provide a plan and approving the submission of the plan to the State.

Assistance with Developing and/or implementing a school improvement plan has been provided by DPS Department of Teaching and Learning along with the Finance Department, specifically Grants Management.

Each school's plan provides data and next steps needed to support academic achievement. Unless stated otherwise, plans approved by ISBE will be considered acceptable but fluid documents.

CURRENT CONSIDERATIONS:

The School Improvement Plans serve as a narrative that identifies the processes, programs, and policies that outline how the school will serve the students identified by their ESSA summative designation of Commendable(2) schools, Targeted (2) schools, Comprehensive (4) schools and Intensive (5) schools. These plans guide the professional development, instructional delivery, and interventions for each school and as such are documents that do not remain static but are updated, reviewed, and revised as needed. As a note- while academic goals were multi-year, the action steps and budget are for current 2023-2024 school year only.

FINANCIAL CONSIDERATIONS:

The ESSA School Improvement Budgets will support the costs outlined in the school improvement plans.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the District's ESSA School Improvement Plans as presented.

Board of Education Decatur Public School District #61

Date: January 09, 2024	Subject: Ava Aware Camera Licensing Renewal
Initiated By: Maurice Payne, Director of Information Technology	Attachments: Ava Aware Camera Licensing Renewal Quote from Beck Tech
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

Ava Aware (previously Vaion) is the districts software that operates building security cameras that was implemented in 2020. The district received substantial discounts for equipment purchases as well as security camera licensing. Motorola aquired Ava in 2022 and established it as their Safety Reimagined platform.

Ava provides video management that assists in identifying anomalies, provides intelligent alerts before threats escalate, and improves safety by leveraging occupancy data. Ava also integrates with the newly purchased radios that will be used by district admins as well as safety and security personnel.

CURRENT CONSIDERATIONS:

Currently, the districts annual license renewal date was August 2023. Despite having approximately 900 cameras, the district was originally paying licensing for approximately 300 security cameras. The district has made significant efforts to upgrade interior and exterior cameras district wide. The district now has increased its camera count to approximately 1100. While the district previously received substantial savings on camera licensing, the acquisition by Motorola has adjusted the licensing structure and costs. The district uses Beck Tech as the local reseller of Ava products and systems. Beck Tech worked with Motorola to negotiate annual licensing renewal fees at a discounted rate.

FINANCIAL CONSIDERATIONS:

The total cost of the Ava Aware camera licensing renewal is \$96,749.50 and would be paid from the FY24 Information Technology budget.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the Ava Aware Security Camera Software renewal through Beck Tech in the amount of \$96,749.50 as presented.

Board of Education Decatur Public School District #61

Date: January 09, 2024	Subject: Accept Proposal for Distributed Generation (DG) Energy Services Agreement
Initiated By: Kent Metzger, Director of Buildings and Grounds	Attachments: Nania Energy Advisors - Distributed Generation Energy Services Agreement
Reviewed By: Dr. Michael Curry, Chief Operational Officer and Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION:

There is a movement underway throughout the nation to install Distributed Generation (DG) energy systems to advance what is commonly referred to in laymen terms as “Green Energy”. Members of the DPS Board of Education have requested DPS Administration seek proposals to install DG (namely solar arrays) systems within DPS. DPS administration and the BOE Finance and Facilities Committee have participated in presentations and discussions with multiple DG development vendor representatives. Each vendor has provided different potential ideas for consideration with significant variations in what they are proposing to provide.

CURRENT CONSIDERATIONS:

During the November 14, 2023 Board meeting, Nania Energy Advisors presented to the BOE about their services as consultants providing services to seek out and vet proposals from various DG development vendors. Nania Energy Advisors plans to seek input from DPS about what DPS is wanting to achieve, the parameters associated with DPS’s desires and facilities, and then perform a feasibility study to determine if a DG solution is viable. If Nania Energy Advisors determines DG is viable for DPS, DPS will authorize Nania Energy Advisors to initiate a Request for Proposals (RFP’s) from DG development vendors. Once RFP’s are received, Nania Energy Advisors will vet the RFP’s and work with DPS to accept/reject the RFP’s. If DPS moves forward with an RFP from a DG development vendor, Nania Energy Advisors’ fees will be covered by the DG development vendor. If DPS does not moves forward with an RFP from a DG development vendor, DPS is obligated to pay Nania Energy Advisors a fee of \$10,000. The agreement from Nania Energy Advisors is contingent on the outcome of the feasibility study. If the feasibility study indicates DG is not a viable solution for DPS, DPS has no obligation to pay Nania Energy Advisors.

FINANCIAL CONSIDERATIONS:

Contingent on the feasibility study outcome.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education authorize the Administration to enter into the non-binding (contingent on feasibility) contractual agreement with Nania Energy Advisors.

Nania Energy Advisors Distributed Generation Energy Services Agreement

Decatur Public School District 61 (“CLIENT”) and Nania Energy, Inc dba Nania Energy Advisors (“NANIA”), acting as an independent contractor, enter into this Distributed Generation (“DG”) Energy Consulting Agreement (“Agreement”) as of 12/12/23, the effective date. The foregoing are sometimes referred to herein individually as a “Party” and collectively as the “Parties”. The Parties agree to the terms as follows:

Scope of Services- NANIA is qualified and committed to provide comprehensive services related to a review of on-site distributed generation energy installation(s). This review may include:

1. Pro-forma review of expected array size, costs, tax credits, and Return on Investment provided by the installation of an on-site distributed generation system (pro-forma is an estimate only of each item and does not constitute a guarantee).
2. Development of a Request for Proposals, RFP, based on CLIENT needs and site specifics, that will work as a solicitation to 3rd party distributed generation developers and installers to obtain quotes for the installation of on-site distributed generation.
3. Review of 3rd party RFP submissions with respect to the quality and costs of such submissions in order to provide the CLIENT with the best possible information to make a vendor selection, if such a selection is made.
4. Contract negotiation with the selected vendor to provide the best total value to the CLIENT.
5. Upon vendor selection, determination of the best funding source for selected distributed generation project.
6. Auditing of CLIENT energy bills upon completion of the distributed generation installation to verify results and productivity of the project.

Compensation- In return for its services, NANIA will be compensated:
\$0.07 per watt DC, based on the size of the installed array.

All fees will be paid to NANIA by the selected distributed generation developer/installer. As part of this agreement, CLIENT agrees to authorize this payment from the selected 3rd party to NANIA.

If during the pro-forma review it is determined that a satisfactory project is not feasible, either party may cancel this Agreement before the RFP is issued and all obligations under this Agreement shall cease immediately.

In the event the CLIENT decides not to move forward with the project after the RFP has been issued, CLIENT agrees to compensate NANIA \$10,000 for its time and materials to organize the RFP. This fee will only be due if the project is not executed and completed due to CLIENT decision. CLIENT has 12 months from the issuance of the distributed generation RFP to execute the agreement with the distributed generation provider before the project would be deemed “not completed.” In the event that the project is executed at a later date with the selected provider, the original per-watt fee would be authorized to be paid to NANIA by the distributed generation provider. In this instance, if the CLIENT has paid the \$10,000 fee directly to Nania due to the delay in executing

the agreement, the \$10,000 would be refunded to the client once NANIA has been paid by the distributed generation provider.

Exclusivity- CLIENT agrees that NANIA is the exclusive representative of CLIENT in regard to solicitations regarding distributed generation and solar energy at the determined site (see Exhibit A for site list). This exclusivity will be in place for the term of this agreement. CLIENT agrees that all requests from NANIA to 3rd party distributed generation providers should be regarded as if they are requests from CLIENT.

Term- This Agreement shall remain in effect for two years from the effective date. The agreement auto renews for an addition year term after the first two years unless written thirty-day notice of non-renewal of the agreement is provided by CLIENT or NANIA.

Authorization- CLIENT provides authorization to NANIA to contact and receive from both the utility and its contracted suppliers required monthly utility invoices and agreements for the business purpose of this agreement so that NANIA may calculate accurate ROI on all distributed generation projects. Furthermore, CLIENT directs that all requests from NANIA to both energy suppliers and distributed generation providers should be considered as if the request came from CLIENT itself. This authorization in no way allows NANIA to enter into any binding agreements or energy supply contracts on CLIENT's behalf.

Additional Services- NANIA is committed to providing all necessary services and guidance to the CLIENT in regard to their energy & utility needs. Additional products and services may be consulted on and implemented during the term of this Agreement at the request of the CLIENT. Any such products and services including supply contracts for Electricity and Natural Gas will be outlined in a separate Energy Services Agreement. Additional services will be compensated separate from this agreement.

Applicable Law/Venue- This Agreement shall be governed by and shall be construed, enforced and performed in accordance with the laws of the State of Illinois without regard to principles of conflicts of law. Any lawsuit, action or proceeding arising out of or relating to the services or this Agreement shall be brought in a federal or state court in the jurisdiction where NANIA maintains its corporate headquarters, and each party hereto irrevocably submits to the exclusive jurisdiction and venue of any such court in any such suit, action or proceeding. THE RIGHT TO TRIAL BY JURY OF ANY SIZE IS IRREVOCABLY WAIVED. The prevailing party to any dispute or legal proceeding arising out of this Agreement shall recover from the non-prevailing party reasonable attorneys' fees and costs.

Severability- If any clause, sentence, paragraph or part of the Agreement should be declared or rendered unlawful by a court or regulatory agency of competent jurisdiction, the remainder of this Agreement shall remain in full force and effect.

Limitations of Liability

-CLIENT understands that NANIA is a 3rd party consultant and is therefore not responsible for the actions of any third party that is not party to this Agreement. Any liability and obligations for any DG project will solely exist between CLIENT and contractor. CLIENT's sole remedy for any damages will be against the contractor.

-NANIA expressly disclaims any liability with respect to any product or service purchased by CLIENT from any contractor or other third party in connection with the project. The decision to acquire any contractor or any other third party products and/or equipment is CLIENT'S decision, even if NANIA assists client in identifying, evaluating, selecting, or otherwise recommends to CLIENT that it utilize any contractor or any third party equipment or products. NANIA is not responsible for, and expressly disclaims liability for, the performance, operation, quality or failure of any equipment, product, and/or service provided by any contractor or other third party and/or the installation of any products or equipment by any contractor or other third party, including, without limitation, any damages to CLIENT's property arising in connection with such installation of products or equipment.

-NANIA will be relying on all know industry standards, costs and incentives (federal and local) in connection with its creation of the pro formal analysis. CLIENT understands that the pro forma is just an estimate of costs and is not a guarantee of results of the actual project, if implemented. Moreover, NANIA is not a party to agreements between the CLIENT and any suppliers, vendors, or utilities and makes no guarantee of specific results or dollar savings based in connection with any particular project.

-NANIA does not certify the accuracy of or availability of any of the incentives and tax credits included in both the NANIA pro forma estimate and contractor proposal(s), nor is NANIA rendering any tax advice in connection with its proposal. It is CLIENT's responsibility to consult with a licensed accountant or other tax professional to verify all project tax benefits and the applicability and availability of such project tax benefits to the CLIENT.

-In no event shall NANIA be liable to CLIENT any damages, including without limitation, any incidental, special, indirect, consequential, or punitive damages, including, without limitation, damages based upon loss of use, lost profit or revenue, lost goodwill, work stoppage, business interruption, impairment of other products, loss by reason of shutdown or non-operation, increased expenses of operation, cost of purchase of replacement products or services, or any claims of CLIENT for service interruption, even if advised in advance of the possibility for such damages.

Insurances- Each of the parties shall carry at its own cost and expense, all insurances that are required by law in addition to insurances that may be reasonably required to insure against damages or losses.

Miscellaneous- CLIENT may not assign its rights, interests or obligations under this Agreement without the express written consent of NANIA. Subject to the forgoing, this Agreement shall be binding upon and inure to the benefit of the parties and any of NANIA's respective successors and lawful assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. The provisions of this Agreement and all attachments hereto shall constitute the entire agreement between the parties and shall supersede all prior agreements and understandings between the Parties and no representations or statements made by any

representative of NANIA that are not stated herein shall be binding. This Agreement may not be amended, supplemented, changed, or modified, except by a writing signed by the parties. This Agreement may be executed simultaneously in one or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

In Witness Whereof, the Parties have executed this Agreement as of the date first written above.

Board of Education Decatur Public School District #61

Date: January 09, 2024	Subject: Bid for Two (2) New Mini Activity Buses
Initiated By: High School Athletic Directors and Dr. Mike Curry, Chief Operational Officer	Attachments: Bid Results
Reviewed By: Dr. Rochelle Clark, Superintendent	

BACKGROUND INFORMATION: Due to a shortage of bus drivers and the prioritization of to-and-from school routes, athletic teams are often required to arrive hours early for an event or arrive late to events.

CURRENT CONSIDERATIONS: Currently, MacArthur High School and Eisenhower High School both have one activity bus each that can be used for sporting events or other student events. These activity buses hold 14 passengers and can be driven by a coach or sponsor with no additional requirements, other than a checkride with our Transportation Director Mrs. Kimmy Taylor. Adding two new additional activity buses will allow for more players and teams to arrive at events on time. The buses will be utilized at both the high school and middle school level. These activity buses will be housed at the District Office and can be reserved by Middle School and High School Athletic Directors.

FINANCIAL CONSIDERATIONS: Inflation and logistical issues inside the transportation market have driven the cost of an activity bus to over \$106,000.00. Long lead times combined with high demand and low supply necessitate purchasing ASAP. Two (2) new 14 passenger activity buses will cost \$213,416.00. This will be paid out of Fund 10.

STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the bid proposal as presented from Midwest Transit Equipment, Inc. for two (2) new 2024 Chevrolet Collins 14 passenger MFSAB buses.

All express warranties are limited to Collins Bus Corporation's written specifications and printed literature. All implied warranties and consequential damages are excluded to the extent permitted by law.

Collins Bus Corporation will undertake no contractual indemnification of any purchaser against claims, loss, expense or liability which arise out of the use of said company's products and accepts no contract terms which call for said indemnification.

To the extent that a purchaser specifies any component which is optional or other than that which would be standard, Collins Bus Corporation disclaims all implied warranties regarding said component.

Unless notified in writing to the contrary within (10) days of order date shown, this acknowledgment and disclaimer will be deemed controlling as to contract terms.

Due to market volatility in producer material costs, Collins Bus Corporation reserves the right to adjust pricing on any order 60 days prior to scheduled production.

Any and all 'body material', 'OEM chassis', and 'freight' cost increases from the original date of quote will be passed along to the dealer. These increases, if applicable, will be the sole responsibility of the dealer.

Collins Bus Corporation recommends dealers advise potential customers pricing may increase prior to production due to OEM inflationary actions.
