Board of Education Decatur Public School District #61

Date: January 13, 2026	Subject: Tentative FY26 DPS 61 Amended Budget
Initiated By: Cheyanne Patterson, Accounting and Auditing Administrator	Attachments: Tentative FY26 DPS 61 Amended Budget
Reviewed By: Dr. Mike Curry, Chief Operating Officer, Dr. Rochelle, Clark, Superintendent, and Dr. Larry Gray, Assistant Superintendent of Teaching & Learning	

BACKGROUND INFORMATION:

The Board approved the original fiscal year 2025-2026 budget in late September. In the months since approval, a coding error for multiple employees was identified. This error resulted in the 5% administrative cost calculation being incorrectly overstated.

CURRENT CONSIDERATIONS:

The Administration is recommending the adoption of the tentative amended budget to correct the 5% administrative cost error, along with additional cost-cutting changes. These include Title I benefits, Superintendent supplies, and Teaching and Learning purchased services, totaling over \$200,000 in reduced budget costs. In addition, the amended budget reflects two purchases that were not included in the original budget. The amended budget includes an additional \$63,000 to account for the Raptor agreement approved after the original budget was adopted. Additionally, the Maintenance department needs a new step van. The original plan was to operate the 1979 vehicle for one more year; however, it has reached a point where it is no longer roadworthy. If approved, the replacement step van will be included in the O&M capital equipment amount of \$85,000.

FINANCIAL CONSIDERATIONS:

The additional budget costs of \$63,000.00 and \$85,000.00 represent necessary expenses. The correction of previously miscoded employees is necessary to ensure transparency and the proper accounting of payroll. The reductions to Title I benefits, Superintendent supplies, and Teaching and Learning purchased services represent a projected budgeted savings of \$203,545.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the Tentative Amended Fiscal Year 2025–2026 Decatur Public School District 61 Budget as presented.

DR. MIKE CURRY

BOARD OF EDUCATION MEETING
13 JANUARY 2026

Illinois School District Amended Budget Process

Amended Budget Requirements

Use the **same public process** as the original budget:
(notice → hearing → board action)

Submit the adopted/amended budget to

ISBE via IWAS within 30 days of adoption.

File a certified copy with the **county clerk** within 30 days of adoption.

Post the adopted budget on the district website (if applicable).

FY 26 Amendment Drivers

1. Code Corrections
2. Unbudgeted Expenses
3. Place Holder Corrections

Amendment Drivers #1: Coding Corrections #2: New vehicle

Employee Coding Issues

Why it is part of this amendment:

- Payroll/benefits were charged to the wrong account code (fund, function, object, location, or program).
- Four strategists were coded as administrative positions.
- This caused a false and bloated administrative increase in FY 26.
- All other strategists are properly coded in Instructional Support Function Codes

Budget fix:

- Add/adjust the specific line(s) so the amended budget reflects the proper function
- Shows the true picture of Administrative costs year over year.

New vehicle (purchase or lease)

Why it is part of this amendment:

- Vehicle wasn't in the adopted budget. It has since truly reached end-of-life.
- 1979 Chevy Step Van – scrap value = \$300-\$400
- 2026 Ford E350 = \$72,699 was the low bid.

Budget fix:

- Add/adjust the specific line(s) so the amended budget reflects the true plan.
- \$72,699 to the expenditures of Fund 20
- The Finance Committee was more inclined to buy the vehicle outright with a substantial upfront cost over a lease program that would not have a significant upfront cost but would cost more over the life of the lease.

Amendment Drivers #3: New Raptor Wearables #4: Inadvertent Placeholders

New Raptor Software

Why it is part of this amendment

- The new agreement and safety badges were not in the initial budget.
- Chief Talley did his due diligence to leverage our relationship with Raptor to obtain savings as an early adopter.

Budget fix:

- Add/adjust the specific line(s) so the amended budget reflects the true plan.
- This BOE approved purchase can be added to the budget as part of this amendment

Inadvertent Placeholders

What they are:

- “Holding” line items (e.g., TBD Supplies, TBD services) that were never intended to be final budgeted expenses.

Why they matter:

- During the planning phase we want to ensure that departments have what they think they need.

Clean-up approach in the amendment:

- Replace placeholders with specific line items or remove them and re-balance appropriations.
- Two placeholders totaling over \$200,000 were not reduced when determining final numbers.

THANK YOU

TENTATIVE Tax Levy	Public Hearing was held from 6:30 PM – 7:20 PM.

TOPIC	DISCUSSION	ACTION
Truth in Taxation Hearing Continued	<p>2. Certificate of Tax Levy</p> <p>3. Treasurer's Report per SB 1975</p> <p>There were no questions for administration at this time.</p> <p>President Clevenger asked if the District received any public input and/or written comments regarding the Truth in Taxation hearing.</p> <p>Ayn Owens shared her input on the Truth in Taxation Hearing. Ms. Owens noted that if we raised taxes and, in this day, and age, the community has to budget for groceries, medical bills, etc., and there were a lot of small businesses that own their properties, which the increase would affect them and landlords. If the Board of Education voted to raise property taxes, the community also wants to see a raise in student test scores; this would be a fair trade.</p> <p>Bret Robertson shared his input on the Truth in Taxation Hearing. Mr. Robertson noted that last year, the Board of Education passed the largest tax levy increase in the entire 160-year history of Decatur Public Schools. The Decatur poverty rate is over 21%, which is almost twice of the state average and, some household incomes are 40% lower than the state average and yet, Decatur property taxes were 40% higher than the IL average. High property tax rates are a barrier to first-time homeowners, will drive families and businesses out of the city and they discourage others from investing in the community. He asked for the Board of Education to do the right thing for the community and manage within your means and reduce the overhead, which has grown out of control. The county has kept their tax levy at 2024 levels this year and the city of Decatur held their tax levy flat with last year. He asked the Board of Education to do the right thing and hold the line with property taxes.</p> <p>The Board of Education discussed the hearing, options and tax levy rate increases with administration.</p> <p>President Clevenger again asked the Board Members if they had any other questions.</p> <p>The consensus from the Board of Education was for administration to move forward with the 4% tax levy increase.</p> <p>President Clevenger noted that he had given an opportunity for public participation, oral and written testimony, and then declared the public hearing closed at 7:20 PM.</p>	Information only.
Open Session Continued	<p>President Clevenger noted that the Board of Education had been in Closed Executive Session to discuss the appointment, employment or compensation of a specific employee of the public body and pending litigations. <u>No action was taken during Closed Executive Session.</u></p>	Information only.
Pledge of Allegiance	<p>President Clevenger led the Pledge of Allegiance.</p>	

TOPIC	DISCUSSION	ACTION
Approval of Agenda, December 16, 2025	<p>Superintendent Clark recommended the Board of Education approve the December 16, 2025 Open Session Board Meeting Agenda as presented.</p> <p>Mr. Reynolds moved to approve the recommendation, seconded by Mrs. Tyus. All were in favor.</p>	<p>Agenda was Approved as presented.</p>
District Highlights	<p>Nate Tallent, Principal of Montessori Academy for Peace, shared information regarding academics (data), community partners, staff and career development, family events and comments from DPS graduates (see attached presentation in Board packet).</p> <p>Delia Jackson, Agriculture STEAM Teacher & FFA Advisor, at Ellsworth Dansby Jr. Magnet School, shared information regarding the FFA program and its curriculum (see attached presentation in Board packet). She was working very hard with academics with her students and helping them understand how agriculture connects with STEAM.</p>	<p>Information only.</p>
Public Participation	<p>President Clevenger noted that during Public Participation, the Board of Education asked for the following:</p> <ul style="list-style-type: none"> • Identify oneself and be brief. • Comments should be limited to 3 minutes. • Any public comments submitted to the Board Secretary will be included in the record. <p>Sam Mills, President of Decatur Education Association (DEA), spoke to the Board regarding Roadmap 2030. Mr. Mills asked for the committee to have more DEA representation because different voices were needed at the table. They want to help find solutions to the issues they face as a District; they want to work together. Mr. Mills noted that there has been a lack of communication regarding Dennis school. The staff and families deserve to know the plans for Dennis and this should be a priority as well as communication.</p>	<p>Information only.</p>
Board Discussion	<p>Mr. Reynolds noted that to show others how serious the District was about education and the success for our students, he suggested the following for next school year:</p> <ul style="list-style-type: none"> • K-3rd grade schools with separate entities to teach reading, writing and arithmetic. <ul style="list-style-type: none"> ○ This would include cursive writing. ○ No one could succeed if he or she could not read, do basic math and/or write down their thoughts in complete sentences. ○ Test scores shows the failures. ○ With this set-up and after the 3rd year, he recommended a competency test for all 3rd graders. If pass, he or she would be promoted to the 4th grade, otherwise, he or she would be retained. • He would support school uniforms. • Fourth, Fifth and Sixth grades would have their own separate schools. • Seventh and Eighth grades would be separate. • With the declining population, the District needs to consolidate the high schools. 	<p>Information only.</p>

TOPIC	DISCUSSION	ACTION
Board Discussion Continued	<p>It's time to move outside of the box and place the students in a position for success.</p> <p>President Clevenger noted that the Superintendent Search and Roadmap 2030 were the Board of Education's primary focus.</p> <p>Vice President Wetzel noted he was ready to meet with administration and move forward with Roadmap 2030.</p> <p>Superintendent Clark explained the committee list that was given to the Board of Education as some people would need to be replaced. She also noted that all of the previous work from Roadmap 2030 was readily available on the District's website.</p> <p>Superintendent Clark noted that Vice President Wetzel and Mrs. Tyus were the two Board representatives on the Roadmap 2030 Committee. However, she also wanted to do something different. She and President Clevenger could reach out to the "big leagues" and perform the same swot analysis, but she also wants two Board Members to do the same swot analysis (in-person) for the east, west, south and north sides of Decatur so that the community could share their feedback regarding the swot analysis and/or questions that would be asked to everyone; all of this information would be brought back to the Roadmap 2030 Committee.</p> <p>The first Roadmap 2030 meeting is scheduled for January 28, 2026. Administration was ready to move forward, but was waiting on the Board of Education to un-pause. Vice President Wetzel noted that he thought the Board of Education un-paused in November 2025. He asked them again, if they were ready to un-pause Roadmap 2030. The consensus from the Board of Education was for administration to move forward and un-pause Roadmap 2030.</p> <p>Superintendent Clark noted that a swot analysis generally talks about strengths, weaknesses, opportunities and threats, which generates a natural conversation from the community.</p> <p>President Clevenger asked the Board of Education to send any and all additions and/or deletions to the committee list to Superintendent Clark.</p> <p>President Clevenger noted that due to Dr. Lauritzen's absence, the Draft Superintendent Evaluation Tool would be discussed at the next Board of Education meeting.</p> <p>Mr. Reynolds mentioned a company that had experience on Superintendent evaluation and others in administration. The cost was approximately \$4,000.00. He was very impressed with them.</p> <p>Mrs. Tyus noted that there was no paperwork and it generates a survey of the Superintendent others could log in and submit their personal evaluations online.</p>	Information only.

Any adjustment in salary made during the life of this Contract shall be in the form of an approved amendment and shall become a part of this Contract. make a proportionate deduction from the salary stipulated. If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the School Health Services Administrator's duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. Board of Education Decatur Public School District #61

Date: January 13, 2026	Subject: MPSED Administrator and Administrative Support Salary Schedules for 2026-2027
Initiated By: Kathy Horath, Director of Special Education	Attachments: 2026-2027 MPSED Administrator and Administrative Support Salary Schedules
Reviewed By: Dr. Rochelle Clark Superintendent, Dr. Michael Curry, Chief Operational Officer, and Dr. Larry Gray, Assistant Superintendent of Teaching & Learning	

BACKGROUND INFORMATION:

Historically, Decatur included Macon-Piatt Special Education (MPSED) Administrators and Administrative Support personnel in the district's salary schedules. After conferring with the MPSED Board and DPS central administration, including Dr. Clark, the group determined it would be more-clear to separate out the two groups with the decision going to the MPSED Board. The results would then be shared with the DPS board as Administrative Agent to ratify. The first year this process took place was for the 2024-2025 salary schedules.

CURRENT CONSIDERATIONS:

The Macon-Piatt Special Education Executive Board voted in favor of this salary schedule at the December 18, 2025 board meeting.

FINANCIAL CONSIDERATIONS:

The salary schedules reflect a 3.25% increase plus a step for affected administration and administrative support staff. Total increase for administrators is \$22,274 and total increase for administrative support staff is \$35,616. This will be included in the MPSED budget for the 2026-2027 school year.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education to approve ratification the 2026-2027 salary schedules as approved by the Macon-Piatt Special Education Executive Board on December 18, 2025.

RECOMMENDED ACTION:

Board of Education Decatur Public School District #61

Date: January 13, 2026	Subject: Resolution abating the tax heretofore levied for the year 2025 to pay debt service on the District's Taxable General Obligation School Bonds (Alternate Revenue Source), Series 2011B (Qualified Zone Academy Bonds)
Initiated By: Dr. Mike Curry, Chief Operations Officer	Attachments: <ul style="list-style-type: none">• Abatement Resolution• County Filing Certificate
Reviewed By: Dr. Rochelle Clark, Superintendent, and Dr. Larry Gray, Assistant Superintendent of Teaching & Learning	

BACKGROUND INFORMATION:

Previously, the District issued Taxable General Obligation School Bonds (Alternate Revenue Source) Series 2011B Qualified Zone Academy Bonds in the amount of \$4,675,000. Revenues collected from the \$0.01 County Sales Tax provide the alternate revenue to pay the debt service obligations for Calendar Year 2026 allowing the property taxes to be abated.

CURRENT CONSIDERATIONS:

Macon County has an obligation to levy property taxes for the Alternate Revenue Source bonds. To ensure that property taxes are not levied, the Board of Education files resolutions each year with the County to "abate" these taxes. The resolutions notify the County that adequate sales tax revenues are available to make the debt service payments. The District will abate a sum of taxes for the Series 2011B Series bonds in the amount of \$626,443.75.

To ensure the County abates taxes for the debt service payments, resolutions must be approved by the Board and filed with Macon County on an annual basis. After approval of a resolution, the Board Secretary will sign the Certificate of Resolution; and the Resolution will be filed with Macon County along with the attached Filing Certificate.

FINANCIAL CONSIDERATIONS:

The required Calendar Year 2026 payment for the 2011B Series is \$626,443.75. The approval and filing of this resolution will instruct the County to suppress the collection of 2025 property taxes, paid in 2026.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve/adopt the Resolution to Abate 2025 Taxes in full for the 2011B Bond Series as presented and direct administration to file the associated Resolution and associated Filing Certificate with Macon County.

Reviewed By: Dr. Michael Curry, Chief Operations Officer, Dr. Rochelle Clark, Superintendent, and Dr. Larry Gray, Assistant Superintendent of Teaching & Learning	

BACKGROUND INFORMATION:

BLDD Architects and O'Shea Builders were awarded the Johns Hill Magnet School building project. The district has suffered humidity issues in the summers since completion. The tolling agreement is a formal procedure that ensures that the architects and builders are fully aware of the problem within the legal timeframe a builder and architect can be held responsible for deficiencies.

CURRENT CONSIDERATIONS:

The operations department has worked with other vendors to determine a cause and is now working closely with BLDD and O'Shea builders to find a remedy to the humidity issues.

FINANCIAL CONSIDERATIONS:

The Tolling Agreement is a formal process to ensure that all related parties are working together to find a remedy. There is no cost to the district other than legal fees for drafting the tolling agreement.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the Tolling Agreement with Decatur Public School District 61 and BLDD Architects & Oshea Builders as presented.

Board of Education Decatur Public School District #61

Date: January 13, 2026	Subject: Tentative FY26 DPS 61 Amended Budget
Initiated By: Cheyanne Patterson, Accounting and Auditing Administrator	Attachments: Tentative FY26 DPS 61 Amended Budget
Reviewed By: Dr. Mike Curry, Chief Operating Officer, Dr. Rochelle, Clark, Superintendent, and Dr. Larry Gray, Assistant Superintendent of Teaching & Learning	

BACKGROUND INFORMATION:

The Board approved the original fiscal year 2025-2026 budget in late September. In the months since approval, a coding error for multiple employees was identified. This error resulted in the 5% administrative cost calculation being incorrectly overstated.

CURRENT CONSIDERATIONS:

The Administration is recommending the adoption of the tentative amended budget to correct the 5% administrative cost error, along with additional cost-cutting changes. These include Title I benefits, Superintendent supplies, and Teaching and Learning purchased services, totaling over \$200,000 in reduced budget costs. In addition, the amended budget reflects two purchases that were not included in the original budget. The amended budget includes an additional \$63,000 to account for the Raptor agreement approved after the original budget was adopted. Additionally, the Maintenance department needs a new step van. The original plan was to operate the 1979 vehicle for one more year; however, it has reached a point where it is no longer roadworthy. If approved, the replacement step van will be included in the O&M capital equipment amount of \$85,000.

FINANCIAL CONSIDERATIONS:

The additional budget costs of \$63,000.00 and \$85,000.00 represent necessary expenses. The correction of previously miscoded employees is necessary to ensure transparency and the proper accounting of payroll. The reductions to Title I benefits, Superintendent supplies, and Teaching and Learning purchased services represent a projected budgeted savings of \$203,545.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the Tentative Amended Fiscal Year 2025–2026 Decatur Public School District 61 Budget as presented.

Direct Expenditures	114,557,533	9,546,524	7,241,907		131,345,964
Difference	153,008	(64,746)	(1,243,665)	689,468	(465,935)
Estimated Fund Balance - June 30, 2026	28,510,481	1,878,654	5,007,116	6,725,015	42,121,266

Unbalanced budget; however, a Deficit Reduction Plan is not required at this time.

A deficit reduction plan is required if the local board of education adopts (or amends) the 2025-2026 school district budget in which the "operating funds" listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

Note: The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2024-2025 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

Evidence-Based Funding: Fiscal Year 2026 Spending Plan Decatur SD 61					
<p>Part I: Achieving Student Growth and Making Progress Toward State Education Goals</p> <p>The questions below allow you to indicate the strategic priorities and strategies that will drive your efforts to achieve student growth and make progress toward state education goals. These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.</p> <p><i>Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.</i></p>					
1)	What are the Organizational Unit's strategic goals for student success for the 2025-26 school year? What measures will be used to evaluate progress? (No more than 2000 characters, including spaces.)				
	The goals remain the same as the psts few years, according to FastBridge data, math and reading continue to be our primary focus. Phonics and phonemic awareness across grade levels, specifically in reading fluency and comprehension, are areas that, while improving, are still a focus of district growth. We are continuing with our one full-time 1:1 paraprofessional in all Kindergarten, first and second grade classrooms to provide additional support for students before they reach the upper grades too far behind expected achievement levels. Math achievement scores have risen over the past three years but are not to a level that is satisfactory. Math interventions via Go Math continue to show promise, but much work is still needed. The district will continue to strengthen the quality and consistency of tier 1 and 2 interventions to provide more targeted academic support to struggling student groups.				
		Top Strategy 1	Top Strategy 2	Top Strategy 3	
2)	Select the top three strategies that the Organizational Unit will employ to achieve student growth and make progress toward state education goals. (Select three different responses from the dropdown list.)	Maintain or expand pupil support services	Improve programs, curriculum, and/or learning tools	Focus increased time and attention on special student groups	
If "Other" was selected in question 2, please describe. (No more than 1000 characters, including spaces.)					
<p>Part II: Planned Use of Evidence-Based Funding</p> <p>The questions below provide an opportunity to document the stakeholders with whom you consulted and the data you analyzed as you determined your strategic allocations of FY 2026 EBF dollars. Key statistics related to EBF distributions are provided for your reference. Form 50-36/50-39 is typically released before current-year appropriations are known. Therefore, the figures provided are for the prior fiscal year.</p> <p><i>Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed if led by finance leaders in consultation with program leaders.</i></p>

		Priority Investment 1	Priority Investment 2		Priority Investment 3		
4)	Given the data analyzed, the stakeholders consulted, and the priorities identified in Part I, indicate the top three priority investments the Organizational Unit will make with its FY 2026 Base Funding Minimum (e.g., excluding Tier Funding). Choose "Other" if investments do not match the provided list. (Select three different responses. "Other" may be selected more than once if needed.)	Core Teachers	Specialist Teachers		Low-Income Extended Day Teacher		
	If "Other" was selected in question 4, please describe. (No more than 1000 characters, including spaces.)						
5)	Cost Factor Table The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2025 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least \$5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at https://www.isbe.net/ebfspendingplan . Column G: If the Organizational Unit will receive at least \$5,000 in FY 2026 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2026 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93. Column H: Optionally, Organizational Units may populate column H with total planned expenditures in FY 2026 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.

*The subtotal for Per Student Investments is a calculated figure that adjusts salary portions of Central Office and Maintenance & Operations to account for regional salary differences. As a result, the sum of each individual cost factor will not equal the subtotal. **The total is the Final Adequacy Target (adjusted for Regionalization Factor) calculated in the Full FY 2025 EBF Calculation file. Due to differences in rounding, this figure may vary slightly from the sum of the subtotals in this table.

Part III: Support for Special Student Groups						
EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statue these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least \$5,000 for any of the student groups, a response to Questions 2 through 4 below is required. For amounts less than \$5,000, a response is optional for those questions. All other EBF funds may be spent in any manner deemed appropriate by the school district.						
Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed through collaboration between program leaders affiliated with each student group and finance leaders.

ESTIMATED LIMITATION OF ADMINISTRATIVE COSTS (School Districts Only)*(For Local Use Only)*

This is an estimated Limitation of Administrative Costs Worksheet only and will not be accepted for Official Submission of the Limitation of Administrative Costs Worksheet.

The worksheet is intended for use during the budgeting process to estimate the district's percent increase of FY2026 budgeted expenditures over actual FY2025 expenditures. Budget information is copied to this page. Insert the prior year estimated actual expenditures to compute the estimated percentage increase (decrease).

The official Limitation of Administrative Costs Worksheet is attached to the end of the Annual Financial Report (ISBE Form 50-35) and must be submitted in conjunction with that report.

An official Limitation of Administrative Costs Worksheet can also be found on the ISBE website at: [Limitation of Administrative Costs](#)

End of Balancing

In accordance with the School Code, Section 10-20.21, all school districts are required to file a report listing 'vendor contracts' as an attachment to their budget. In this context, the term "vendor contracts" refers to "all contracts and agreements that pertain to goods and services that were intended to generate additional revenue and other remunerations for the school district in excess of \$1,000, including without limitation vending machine contracts, sports and other attire, class rings, and photographic services. **The report is to list information regarding such contracts for the fiscal year immediately preceding the fiscal year of the budget.** All such contracts executed on or after July 1, 2007 must be approved by the school board.
