Some feedback from Board Members to Admins were as follows:

Vice President Dion - What about students with IEPs? How will they be accommodated? Superintendent Clark replied that this would be a conversation during the IEP meeting.

Vice President Dion – What about Ag and/or Prep Academy students? Superintendent Clark replied that this would also include the Ag Academy and Prep Academy students during the school day.

Vice President Dion – What about field trips and outings? Superintendent Clark replied this would apply to any District related events during the school day for all students, unless there were other accommodations.

Mr. Wetzel – What about diabetes monitoring and/or any other smart monitoring? Superintendent Clark replied that if a student needed their cell phone for medical reasons, he or she would work with the school nurse and principal on the plan.

Mr. Reynolds stated that a lot of disruptive behaviors, bullying and social media issues were caused with cell phones. Why would we allow high school students to use during their lunch periods? Superintendent Clark replied that there would be data at each grade level and this would be a teachable moment for our high school students with cell phones at lunch. If the data shows that it doesn't work with high school students, we would amend to no cell phones at lunch.

Vice President Dion supported the teachable moment for high school students; proper cell phone use etiquette.

- This would be a teachable moment for high school students with cell phone at lunch.
  - It would be a dis-service if we don't teach them.

**First Read of School Board Policy 7:190 Student Behavior Continued** Mr. Reynolds - Why not keep them in school main office? Superintendent Clark replied Information that a K8 building would probably be stored in the classroom due to the number of only. students; all of them could not be housed in the main office.

Mr. Wetzel – At what grade level would this be most effective? Superintendent Clark replied probably most effective in K5 and more challenging in 6-12.

Mr. Wetzel – How would we know this was effective as it related to academic performance? Superintendent Clark replied that we have no base-line data at this time. This would be the first year as we would be creating data to follow the infractions in the policy.

Dr. Collins-Brown – In the past, if a student had a cell phone, there were no infractions given, especially if he or she recorded the fight. Superintendent Clark replied because the cell phone is what started the altercation, but they would be merged into one incident if a fight took place. However, the cell phone violation would have to be charted in order to keep quantifiable data.

Mr. Reynolds – How did the cell phone start the fight? Would he or she receive an infraction for the cell phone or because he or she recorded the fight? Superintendent Clark replied both. Superintendent Clark replied noted that infractions would be combined not the suspensions.

Dr. Collins-Brown - Why would a student receive discipline for cell phone violation if he or she was also involved in a physical confrontation? Superintendent Clark replied that we would have to track the data regarding the cell phone usage. She thoroughly tried to explain and gave different scenarios.

President Clevenger asked the District attorney to explain. Mr. Feeney noted that it would be helpful for the Board to know how many fights were triggered by some type of cell phone usage; that would help with knowing if the policy was working; not every fight would be the same and not every cell phone infraction would be the same. These would have to be on a case-by-case basis.

President Clevenger noted that the easy enforcement was to ban the cell phones completely. The workforce does not allow cell phones on their person, unless he or she was on a break. The District was trying to mimic the workforce and would allow cell phones at lunch time for high school students and he was in support, unless they showed otherwise by not being able to manage.

Vice President Dion noted that his kids were able to use their cell phones at their jobs.

Dr. Collins-Brown noted that he has also seen employees on their phones.

Mr. Reynolds was more worried about the adverse effect versus a teachable moment.

**First Read of School Board Policy 7:190 Student Behavior Continued** Dr. Collins-Brown does not want any disruption in the classroom and agreed with Mr. Reynolds as it related no phones at all. Information only.

Mr. Wetzel - What is the Communication Plan? What are key indicators in a couple of months? What level of enforcement would be expected from building Admins? This may get easier year after year, but could be problematic at grades 7<sup>th</sup> and above. Superintendent Clark replied they have started with the outline of the Communication Plan, but we need the Policy finalized with any other additional changes.

Vice President Dion asked if the District could make sure that the necessary search engines and access to the network were not blocked for students. Superintendent Clark replied that the District tries to control the sites that were appropriate and inappropriate. When students were at home, they were not on our secured network.

#### **BOE Consensus on Cell Phone at Lunch Time for High School Students:**

- Bill Clevenger – Willing to give the lunches a chance.
- Al Scheider – Support high school lunches, but if it does not go well, he wants to re-visit the policy.
- Jason Dion – Does not support the policy and/or convinced of the banning of cell phones. Would like to provide incentives for turning phones in and/or doing the right thing. He prefers for students to have cell phone usage at all grade levels, but it could be removed. There could be extra credit opportunities.
- Kevin Collins-Brown – Prefer no lunches, but would support it too. He would not vote against it.
- Will Wetzel – The lunch period could be difficult to enforce. He would like to review it once data was reviewed. No to lunch time use.
- Mark Reynolds – Prefer no lunches, but would support it too. He would not vote against it. He liked the policy.

Attorney Freeney discussed a vote for July 16, 2024.

Superintendent Clark noted that Policy 7:190 would be recommended for approval during the July 16, 2024 Board of Education meeting with the highlighted sentence, “Cell phone use will be allowed during high school student’s individual lunch periods **only**.”

**Award Bid Asbestos Abatement at B&Gs** Superintendent Clark recommended the Board of Education approve and award the Bid for Asbestos Abatement at the Buildings & Grounds Annex as presented. Motion carried. Bid for Asbestos Abatement at the B&Gs was approved as presented.

## **ASSISTANT PRINCIPAL'S CONTRACT**

### **Fiscal Year 2024-2025**

This Contract made between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter "the Board") and **Nicole Long**, (hereinafter "the Assistant Principal"), ratified at the meeting of the Board held on July 16, 2024 as found in the minutes of that meeting.

#### **IT IS AGREED:**

**1. Employment.** The Assistant Principal is hereby hired and retained for the extended contract term of July 22, 2024 to June 2, 2025, as the Assistant Principal for the District.

**2. Duties.** The duties and responsibilities of the Assistant Principal shall be all those duties incident to the office of the Assistant Principal as set forth in the job description, a copy of which can be found in the employee's personnel file; those obligations imposed by the law of the State of Illinois upon the Assistant Principal; and to perform such other duties normally performed by the Assistant Principal as from time to time may be assigned to the Assistant Principal by the Superintendent of Schools, Assistant Superintendent(s) or the Board. The work day, work year, contract year and holidays and holiday pay for the Assistant Principal shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**3. Salary.** The Board shall set the Assistant Principal's salary. For the period extending from July 22, 2024 to June 2, 2025, the Assistant Principal shall be paid such annual salary as may be agreed to by the Board, but in no case less than the salary set for the preceding year. (The 2023-2024 fiscal year amount is **Eighty-Eight Thousand Two Hundred Twenty Dollars and no/100 (\$88,220.00)**). The Assistant Principal hereby agrees to devote such time, skill, labor and attention to his employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of the Assistant Principal for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of a Board approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Assistant Principal, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board approved amendment.

**4. Pension.** In addition to the salary of the Assistant Principal as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or 9% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 9.8901% of the salary paragraph 3) as an employer paid pension contribution consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36. Such payments shall be consideration for this contract, shall be creditable earnings for purposes of Teacher Retirement System pension calculations and the Assistant Principal did not have the option of choosing to receive such amount directly instead of having such contribution paid by the

employer to the Teacher Retirement System of the State of Illinois.

**5. T.H.I.S.** From and out of the salary and pension payments of the Assistant Principal as set forth hereinabove in paragraphs 3 and 4 the Board shall withhold any such amount as may be required by law, on behalf of the Assistant Principal to the Teacher Health Insurance Security Fund.

**6. Performance Provisions.** This contract is a performance-based contract linked to student performance and academic improvement of the Assistant Principal pursuant to 105 ILCS 5/10-23.8a. The Assistant Principal shall meet the goals during the term of this Contract. The parties agree the goals and indicators are linked to student performance and academic improvement of the District. In addition to goals set forth in Appendix A hereto, the Assistant Principal shall meet the obligations, goals, and requirements set forth in the Assistant Principal's job description for the position. In consideration for performance pursuant to a multi-year agreement, the Assistant Principal waives acquisition of tenure during the term of this contract.

**7. Evaluation.** Annually, but no later than March 1st of each year, the Assistant Superintendent or designee shall review with the Assistant Principal's progress toward established goals and working relationships among the Superintendent, the District leadership team, other administrative personnel, the faculty, the staff and the community, and shall consider the Assistant Principal's annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Assistant Principal in writing within 30 days following the evaluation, pursuant to the District's evaluation plan for Administrators.

**8. License.** The Assistant Principal shall furnish to the Board during the term of this Contract, a valid and appropriate license to act as the Assistant Principal in accordance with the laws of the State of Illinois and as directed by the Board.

**9. Other Work.** Permission will be granted in advance by the Superintendent. The Assistant Principal may undertake consultative work, speaking engagements, writing, lecturing, college or university teaching, and other professional duties and obligations provided that these activities do not interfere with the effective performance of job duties. The Assistant Principal shall have the responsibility to discuss with the Superintendent and mutually agree to such outside activity in a timely fashion.

**10. Discharge for Good Cause.** Throughout the term of this Contract, the Assistant Principal shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Assistant Principal shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Assistant Principal chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Assistant Principal. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge as provided in this Contract.

**11. Termination by Contract.** During the term of this Contract, the Board and the Assistant Principal may mutually agree, in writing, to terminate this Contract. The termination, reassignment and/or reclassification at the end of the term of this Contract shall be as provided by law.

**12. Referrals to the Assistant Principal.** The Board collectively and individually and the Superintendent shall promptly refer all criticisms, complaints, and suggestions called to its/their attention to the Assistant Principal for study and recommendation.

If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Assistant Principal's duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. The Assistant Principal shall provide medical evidence of illness to the Board President upon request.

**21. Criminal Records Check.** Pursuant to 105 ILCS 5/10-21.9, Boards of Education are prohibited from knowingly employing a person who has been convicted of committing or attempting to commit the named crimes therein. ## ASSISTANT PRINCIPAL'S CONTRACT

### Fiscal Year 2024-2025

This Contract made between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter "the Board") and **Kathryn Rodgers**, (hereinafter "the Assistant Principal"), ratified at the meeting of the Board held on July 16, 2024 as found in the minutes of that meeting.

#### IT IS AGREED:

**1. Employment.** The Assistant Principal is hereby hired and retained for the extended contract term of July 22, 2024 to June 2, 2025, as the Assistant Principal for the District.

**2. Duties.** The duties and responsibilities of the Assistant Principal shall be all those duties incident to the office of the Assistant Principal as set forth in the job description, a copy of which can be found in the employee's personnel file; those obligations imposed by the law of the State of Illinois upon the Assistant Principal; and to perform such other duties normally performed by the Assistant Principal as from time to time may be assigned to the Assistant Principal by the Superintendent of Schools, Assistant Superintendent(s) or the Board. The work day, work year, contract year and holidays and holiday pay for the Assistant Principal shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**3. Salary.** The Board shall set the Assistant Principal's salary. For the period extending from July 22, 2024 to June 2, 2025, the Assistant Principal shall be paid such annual salary as may be agreed to by the Board, but in no case less than the salary set for the preceding year. (The 2023-2024 fiscal year amount is **Eighty-Two Thousand Two Hundred Forty-Seven Dollars and no/100 (\$82,247.00)**). The Assistant Principal hereby agrees to devote such time, skill, labor and attention to his employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of the Assistant Principal for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of a Board approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Assistant Principal, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board approved amendment.

**4. Pension.** In addition to the salary of the Assistant Principal as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or 9% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 9.8901% of the salary paragraph 3) as an employer paid pension contribution consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36. Such payments shall be consideration for this contract, shall be creditable earnings for purposes of Teacher Retirement System pension calculations and the Assistant Principal did not have the option of choosing to receive such amount directly instead of having such contribution paid by the

employer to the Teacher Retirement System of the State of Illinois.

**5. T.H.I.S.** From and out of the salary and pension payments of the Assistant Principal as set forth hereinabove in paragraphs 3 and 4 the Board shall withhold any such amount as may be required by law, on behalf of the Assistant Principal to the Teacher Health Insurance Security Fund.

**6. Performance Provisions.** This contract is a performance-based contract linked to student performance and academic improvement of the Assistant Principal pursuant to 105 ILCS 5/10-23.8a. The Assistant Principal shall meet the goals during the term of this Contract. The parties agree the goals and indicators are linked to student performance and academic improvement of the District. In addition to goals set forth in Appendix A hereto, the Assistant Principal shall meet the obligations, goals, and requirements set forth in the Assistant Principal's job description for the position. In consideration for performance pursuant to a multi-year agreement, the Assistant Principal waives acquisition of tenure during the term of this contract.

**7. Evaluation.** Annually, but no later than March 1st of each year, the Assistant Superintendent or designee shall review with the Assistant Principal's progress toward established goals and working relationships among the Superintendent, the District leadership team, other administrative personnel, the faculty, the staff and the community, and shall consider the Assistant Principal's annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Assistant Principal in writing within 30 days following the evaluation, pursuant to the District's evaluation plan for Administrators.

**8. License.** The Assistant Principal shall furnish to the Board during the term of this Contract, a valid and appropriate license to act as the Assistant Principal in accordance with the laws of the State of Illinois and as directed by the Board.

**9. Other Work.** Permission will be granted in advance by the Superintendent. The Assistant Principal may undertake consultative work, speaking engagements, writing, lecturing, college or university teaching, and other professional duties and obligations provided that these activities do not interfere with the effective performance of job duties. The Assistant Principal shall have the responsibility to discuss with the Superintendent and mutually agree to such outside activity in a timely fashion.

**10. Discharge for Good Cause.** Throughout the term of this Contract, the Assistant Principal shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Assistant Principal shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Assistant Principal chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Assistant Principal. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge as provided in this Contract.

**11. Termination by Contract.** During the term of this Contract, the Board and the Assistant Principal may mutually agree, in writing, to terminate this Contract. The termination, reassignment and/or reclassification at the end of the term of this Contract shall be as provided by law.

**12. Referrals to the Assistant Principal.** The Board collectively and individually and the Superintendent shall promptly refer all criticisms, complaints, and suggestions called to its/their attention to the Assistant Principal for study and recommendation.

**13. Professional Activities.** The Assistant Principal shall be encouraged to attend appropriate professional meetings at the local, state, and national levels. Within budget constraints, such costs of attendance shall be paid by the Board upon receipt of a full, itemized account of such costs.

**14. Reimbursement for Use of Personal Car.** The Board shall pay the Internal Revenue Service rate to the Assistant Principal for vouchered reimbursable mileage expenses incurred by the Assistant Principal while using the Assistant Principal's personal vehicle for the conduct of approved District business. Reimbursement shall be pursuant to the District's policies, rules and regulations.

**15. Membership Dues.** The Board shall pay the cost of the Assistant Principal's annual membership dues as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**16. Medical Insurance.** The Assistant Principal shall be provided with medical insurance and medical insurance options as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**17. Life Insurance.** The Assistant Principal shall be provided with life insurance as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**18. Vacation.** The Assistant Principal shall be provided with vacation days as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**19. Sick Leave and Personal Leave.** The Assistant Principal shall be provided with sick leave and personal leave days as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**20. Disability.** Should the Assistant Principal be unable to perform the duties and obligations of this Contract, by reason of illness, accident or other cause beyond the Assistant Principal's control and such disability exists after the exhaustion of accumulated leave days and vacation days during any school year, the Board, in its discretion, may make a proportionate deduction from the salary stipulated. If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Assistant Principal's duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. The Assistant Principal shall provide medical evidence of illness to the Board President upon request.

**21. Criminal Records Check.** Pursuant to 105 ILCS 5/10-21.9, Boards of Education are prohibited from knowingly employing a person who has been convicted of committing or attempting to commit the named crimes therein. If the fingerprint-based criminal records check required by Illinois law is not completed at the time this Contract is signed, and any subsequent investigation or report reveals there has been such a conviction, this Contract shall immediately become null and void.

**22. Employment History Review.** Pursuant to 105 ILCS 5/22-94, the Assistant Principal shall submit to employee history review, and shall execute and deliver to the Board of Education all necessary consent and forms necessary to accomplish such task. If the Assistant Principal fails to disclose necessary information, fails to complete and deliver appropriate forms upon demand, or if a subsequent employment history review reveals there has been a report or investigation that did not result in an unfounded or fabricated result, this Contract shall immediately become null and void.

**ASSISTANT PRINCIPAL'S CONTRACT**  
**Fiscal Year 2024-2025**

This Contract made between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter "the Board") and **Amanda Flesch**, (hereinafter "the Assistant Principal"), ratified at the meeting of the Board held on July 16, 2024 as found in the minutes of that meeting.

**IT IS AGREED:**

**2. Duties.** The duties and responsibilities of the Assistant Principal shall be all those duties incident to the office of the Assistant Principal as set forth in the job description, a copy of which can be found in the employee's personnel file; those obligations imposed by the law of the State of Illinois upon the Assistant Principal; and to perform such other duties normally performed by the Assistant Principal as from time to time may be assigned to the Assistant Principal by the Superintendent of Schools, Assistant Superintendent(s) or the Board. The work day, work year, contract year and holidays and holiday pay for the Assistant Principal shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (July 13, 2023).

**3. Salary.** The Board shall set the Assistant Principal's salary. For the periods extending from July 22, 2024 to June 2, 2025, the Assistant Principal shall be paid such annual salary as may be agreed to by the Board, but in no case less than the salary set for the preceding year. (The 2023-2024 fiscal year amount is **Eighty-Three Thousand Four Hundred Eighty-Five Dollars and no/100 (\$83,485.00)**). The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of a Board approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Assistant Principal, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board approved amendment.

**4. Pension.** In addition to the salary of the Assistant Principal as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or 9% deducted from the resulting gross. ## **7:190 Student Behavior**

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the cause of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

### **When and Where Conduct Rules Apply**

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds, at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school, a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

### **Prohibited Student Conduct**

The school administration is authorized to discipline students for defiance, disruptive behaviors, or misconduct, including but not limited to the sub-headings outlined below. Disobeying rules of student conduct or directives from staff members or school officials include, but is not limited to, refusing a District staff member's request to stop, present school identification, or report to the office.

### **Possession**

For purposes of this policy, the term possession includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident.

The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

### Illegal Substance

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes and/or vapes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
  - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under Ashley's Law).
  - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
  - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
  - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under Ashley's Law.
  - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
  - f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
  - g. Look-alike or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
  - h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

### Weapons

A student who is determined to have brought one of the following objects to school, any school- sponsored activity or event, or any activity or event that bears a reasonable relationship to school may be expelled for a period not to exceed two calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code ([18 U.S.C. § 921](#)), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act ([430 ILCS 65/](#)), or firearm as defined in Section 24-1 of the Criminal Code of 1961 ([720 ILCS 5/24-1](#)).

3. Using, possessing, controlling, or transferring a weapon as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.
4. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.

### Electronic Devices

- 4<sup>th</sup> offense and beyond – Student will be disciplined according to the Student Code of Conduct.

Students that become grossly defiant, threaten staff, disruptive, etc., may be suspended for up to 3 days regardless of it being the first or fourth offense. Students will be allowed to make up missed work. Students will not be allowed on school property while suspended.

Parent/guardian(s) that become belligerent, threaten staff, etc., may be arrested and/or given a No Trespass Letter. A no trespass letter means the individual is not allowed on any DPS property for the length of the time stated in the letter.

### Academic Dishonesty

Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.

### Hazing

1. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.
2. Being involved with any public-school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.

### Sexual Misconduct

1. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
2. Teen dating violence, as described in Board policy 7:185, Teen Dating Violence Prohibited.

### Vandalism/Theft

1. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
2. Entering school property or a school facility without proper authorization.

### False Alarms

In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.

### Threats

Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.

### Disruptive Behaviors/Truancy

1. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
2. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
3. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
4. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.
5. Being absent without a recognized excuse; State Law and Board of Education policy regarding truancy control will be used with chronic and habitual truants.

### Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, Bus Conduct.

11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended shall also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board policy 7:210, Expulsion Procedures. A student who has been expelled shall also be restricted from being on school grounds and at school activities that include, but not limited to, prom, senior activities, and graduation.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in [Article 13A](#) or [13B of the School Code](#).
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), look-alikes, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. It is also not an order in which discipline may be administered. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion. Students enrolled in the District's State-funded preschool program(s) may be temporarily removed or transitioned to a new program in accordance with federal and State law. State law prohibits the expulsion of students from the program(s).

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

#### Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in [105 ILCS 5/10-20.33](#), State Board of Education rules ([23 Ill.Admin.Code §§ 1.280, 1.285](#)), and the District's procedure(s).

#### Weapons

A student who is determined to have brought one of the following objects to school, any school- sponsored activity or event, or any activity or event that bears a reasonable relationship to school may be expelled for a period not to exceed two calendar years:

- A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code ([18 U.S.C. § 921](#)), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act ([430 ILCS 65/](#)), or firearm as defined in Section 24-1 of the Criminal Code of 1961 ([720 ILCS 5/24-1](#)).
- A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including look-alikes of any firearm as defined above.

The expulsion requirement under either paragraph one or two above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

#### Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

#### Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. State Police (ISP), and any involved student's parent/guardian. School grounds includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

#### Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

#### Student Handbook

The Superintendent or designee, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies.

These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

<b>Date:</b> July 16, 2024	<b>Subject:</b> Pershing Early Learning Center Outdoor Sun Shade Project
<b>Initiated By:</b> Sarah Knuppel, Principal, Pershing Early Learning Center	<b>Attachments:</b> Quote
<b>Reviewed By:</b> Dr. Mike Curry, Chief Operational officer, and Dr. Rochelle Clark, Superintendent	

### BACKGROUND INFORMATION:

Every three years, Pershing Early Learning Center is monitored by the Illinois State Board of Education for compliance with the requirements of the Early Childhood Block Grant. This monitoring visit utilizes the Early Childhood Environmental Rating Scale (ECERS) to rate the quality of the learning environment. In the most recent monitoring visit (2023), one identified area for improvement was outdoor spaces for gross motor play, including the features of the playground that make it comfortable for children, specifically shade.

### CURRENT CONSIDERATIONS:

Pershing is recommending the addition of 5 sun shades to two existing playgrounds to bring the playground environment more into compliance with the ECERS scale and to make it safer and more comfortable for children.

### FINANCIAL CONSIDERATIONS:

ISBE has provided additional funding specifically for the shade project at Pershing. There will be no costs incurred by the District. This purchase is exempt from the bid process because we are acquiring it through the purchasing co-op.

### STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the Pershing Early Learning Center Outdoor Sun Shade Project as presented.

<b>Initiated By:</b> Kent Metzger, Director of Building and Grounds	<b>Attachments:</b> <ul style="list-style-type: none"><li>• Dunn Company Bid Tabulation</li><li>• Aerial of Parking Lot</li></ul>
<b>Reviewed By:</b> Dr. Michael Curry, Chief Operational Officer and Dr. Rochelle Clark, Superintendent	

### **BACKGROUND INFORMATION:**

The Pershing Early Learning Center's current parking lot is in dire need of repair. Due to the amount of traffic for both bus & parent pickup/drop off among a congested area, numerous amounts of pot holes and uneven surfaces have become a major problem in accessing the building. The work to be completed is as follows: milling, re-surfacing, adding additional base repair and asphalt thickness in high failure areas, and striping entire parking lot minus the farthest north parking lot. The condition of this area is good and will only be re-sealed and striped.

### **CURRENT CONSIDERATIONS:**

Dunn Company submitted a quote for \$141,070.00 to mill, re-surface & stripe parking lot at the Pershing Early Learning Center School site. Dunn has indicated they will be able to complete the parking lot tentatively on July 17-19, weather permitting.

### **FINANCIAL CONSIDERATIONS:**

These services will be paid out of Fund 60 – Capital Projects.

### **STAFF RECOMMENDATION:**

The Administration respectfully requests that the Board of Education accept the bid from Dunn Company to mill, re-surface & stripe parking lot for \$141,070.00 as presented.

## Board of Education Decatur Public School District #61

<b>Date:</b> July 16, 2024	<b>Subject:</b> Fastbridge Renewal/STAR Assessment and DnA Pilot
<b>Initiated By:</b> Mary Brady & Dr. Edwin Robinson, P-12 Directors of Teaching	<b>Attachments:</b> Quotes Fastbridge Renewal/STAR Assessment and DnA Pilot
<b>Reviewed By:</b> Dr. Larry Gray, Assistant Superintendent of Teaching & Learning, and Dr. Rochelle Clark, Superintendent	

### BACKGROUND INFORMATION:

Since 2018 Decatur Public Schools has utilized Fastbridge for their Benchmark Assessment measures as well as the tool for MTSS Academic Progress Monitoring. Fastbridge is purchased on a yearly subscription. In 2023 the parent company for Fastbridge was purchased by Renaissance. Renaissance has a suite of products, which includes STAR Assessments and DnA. Star Assessments are computer-adaptive tests, meaning each student's testing experience is unique. For new students, Star starts at grade level—or at the level set by their teacher. For returning students, Star picks up at the level they left off. By adapting to students and eliminating unnecessary questions, Star can accurately measure student performance and growth with fewer items and less time. Complete results are immediately available for educators via interactive, easy-to-read reports. DnA is an assessment bank of over 80,000 questions which can be customized to align with the District's scope and sequence. DnA is also an assessment storage solution.

### CURRENT CONSIDERATIONS:

At this time Renaissance is not able to correlate Fastbridge assessment data with STAR, however, they are working on a process for this. The high schools have voiced concerns with the alignment of their courses with Fastbridge. For the 2024-2025, the Kindergarten through 8th grade will continue with Fastbridge assessment. The District will pilot STAR Assessment at the high schools. The high schools are developing common assessments during the 2024-2025 school year and DnA will be piloted for assessment development and a secure assessment storage solution.

### FINANCIAL CONSIDERATIONS:

The cost for the Fastbridge Renewal is \$47,520; funding will be provided through Title I funds.

The cost for STAR Assessments is \$31,353.75 and the cost for DnA Pilot is \$18,017. The total cost for these two is \$49,370.75; funding will be provided through Title I, School Improvement Grant (Eisenhower), and District funding sources (MacArthur).

### STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the Fastbridge Renewal/STAR Assessment and DnA Pilot purchases as presented.

### BACKGROUND INFORMATION:

DPS P-12 teachers and stakeholders were provided the opportunity to give insight regarding the current Social Emotional Learning (SEL) programs that they had been utilizing since the 2019 school year. As the decision to determine which SEL program was preferred for our district, data was gathered outlining the overall percentage, based upon the program pilots a survey was utilized to determine curriculum/resource preference. The outcome of the data analyzed and disaggregated determined that the district wide SEL program that is preferred by stakeholders utilizing a SEL curriculum/resource is Seven (7) Mindsets.

### CURRENT CONSIDERATIONS:

Continued District implementation will occur during the 2024-2025 school year. The Department of Teaching & Learning will evaluate usage, effectiveness of 7 Mindsets and research additional SEL curriculums options.

### FINANCIAL CONSIDERATIONS:

The total cost for 7 Mindsets Curriculum is \$220,500.

### STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the 7 Mindsets Curriculum Renewal in the amount of \$220,500 as presented.

### BACKGROUND INFORMATION:

Throughout the 2023-2024 school year, Life Skills, Essential Skills, Social Emotional Learning, and Cross Categorical teachers in grades Kindergarten through grade 12 were given the opportunity to review and work with a variety of math curriculums. They were tasked with determining the most appropriate curriculum for their program needs. Providing curriculum to meet the needs of all students is necessary to provide high quality rigorous instruction in all programming across the district.

### CURRENT CONSIDERATIONS:

The Special Programs staff were given the opportunity to pilot several programs and were given the option to select what they felt best suited the needs of their students. They selected McGraw-Hill Number Words/Connecting Math Concepts. *Connecting Math Concepts* combines facts, procedures, conceptual understanding, applications, and problem-solving skills to provide a comprehensive curriculum for Tier 1 and Tier 3 at-risk students. *Number Worlds* accelerates mathematical understanding and effectively brings all students up to grade-level proficiency and beyond. These programs include print and digital platforms to meet the specific needs of these diverse learners.

### FINANCIAL CONSIDERATIONS:

The total cost for 6 years of McGraw-Hill Number Worlds and Connecting Math Concepts inclusive of Professional Learning for staff is \$323,897.60. Funding will be provided through the Elevating Educators Grant and District Textbook funds.

### STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the Special Programs Math Curriculum adoption in the amount of \$323,897.60 as presented.

## Board of Education Decatur Public School District #61

<b>Date:</b> July 16, 2024	<b>Subject:</b> Fifteen (15) Panasonic Tough Book 40s for Security
<b>Initiated By:</b> Valdimir Talley, Safety and Security Administrator	<b>Attachments:</b> Quotation 504101
<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent, Dr. Larry Gray, Assistant Supt. of T&L, Dr. Michael Curry, Chief Operations Officer, and Dr. Mary Ann Schloz, Assistant Director of Finance Director	

### BACKGROUND INFORMATION:

The Safety and Security Administrator is working with Illinois Regional Office of Education (ROE) 39 on student safety matters and our discussions and major topics concentrate on evacuation planning and reunification. At one of the ROE 39 workshops, reunification was identified as a weakness for most participating agencies and Districts. Security personnel for District 61 have either a tower computer system at their main station or only access to a tower computer to review emergency plans and manage other security matters. Those types of devices are **not** useful in the event of an emergency and especially for and during a reunification occurrence.

### CURRENT CONSIDERATIONS:

The best tool for this security feature is a Panasonic Toughbook 40 as a technology upgrade. The computer is customizable and would be capable of loading report writing software to write safety reports, capture a variety of security incident-based information, store individualized school emergency plans and school emergency drills, and easily add updates. Another feature is the device is almost indestructible. In the event of an evacuation, Security staff can “grab and go” with this portable device and aid the assigned administrator with reunifying District students with their parent or guardian. This is a device that will be in use on a daily basis.

### FINANCIAL CONSIDERATIONS:

This program will be funded in its entirety through ESSER III for **\$62,895**.

### STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the fifteen (15) Panasonic Tough Book 40s for Security in the amount of \$62,895 as presented, authorize executing an agreement with CDS Office Technologies, and authorize the release of appropriate source funding.

<b>Date:</b> July 16, 2024	<b>Subject:</b> Omnigo Report Writing Software for Security
<b>Initiated By:</b> Valdimir Talley, Safety and Security Administrator	<b>Attachments:</b> Quotation 36762-1
<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent, Dr. Larry Gray, Assistant Supt. of T&L, Dr. Michael Curry, Chief Operational Officer, and Dr. Mary Ann Schloz, Assistant Director of Finance, Grants and Special Projects	

### BACKGROUND INFORMATION:

The Safety and Security Administrator is working with Illinois Regional Office of Education (ROE) 39 on evacuation planning and reunification. Part of the preparation to manage an event requiring the reunification process is to acquire appropriate tools. Safety and Security is securing laptop devices for each school and now requires security incident reporting software. Daily District incidents will be recorded as a secondary process to the referral system.

### CURRENT CONSIDERATIONS:

The best tool for this security feature is a product from Omnigo Software, LLC, Plano, Texas. Their incident reporting template includes timestamping, GPS location, and other features to meet the requirements of the District's security environment which includes a "Guard Tour" aspect. The main benefit of the software is that Security Officers will be able to compile reports in a timely manner and report data while it is relevant.

### FINANCIAL CONSIDERATIONS:

This program will be funded in its entirety through ESSER III for **\$50,836.60**.

### STAFF RECOMMENDATION:

The Administration respectfully requests that the Board of Education approve the Security Incident Report Writing Software from Omnigo in the amount of \$50,836.60 as presented, authorize executing an agreement with Omnigo Software, LLC, and authorize the release of appropriate source funding.

**DEFICIT BUDGET SUMMARY INFORMATION - Operating Funds Only (School Districts Only)**

Description	EDUCATIONAL FUND (10)	OPERATIONS & MAINTENANCE FUND (20)	TRANSPORTATION FUND (40)	WORKING CASH FUND (70)	TOTAL
Direct Revenues	21,488,323				21,488,323
Direct Expenditures	21,602,101				21,602,101
Difference	(113,778)				(113,778)
Estimated Fund Balance - June 30, 2025	8,829,359				8,829,359

**Deficit Reduction Plan is not required**

A deficit reduction plan is required if the local board of education adopts (or amends) the 2024-2025 school district budget in which the "operating funds" listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

**Note:** The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2023-2024 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

Evidence-Based Funding: Fiscal Year 2025 Spending Plan					
N/A - EBF Spending Plan Not Required for Joint Agreements					
Part I: Achieving Student Growth and Making Progress Toward State Education Goals					
The questions below allow you to indicate the strategic priorities and strategies that will drive your efforts to achieve student growth and make progress toward state education goals. These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.					
Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.					
1)	What are the Organizational Unit's strategic goals for student success for the 2024-25 school year? What measures will be used to evaluate progress? (No more than 2000 characters, including spaces. )				
		Top Strategy 1	Top Strategy 2	Top Strategy 3	
2)	Select the top three strategies that the Organizational Unit will employ to achieve student growth and make progress toward state education goals. (Select three different responses from the dropdown list.)				
	If "Other" was selected in question 2, please describe. (No more than 1000 characters, including spaces. )				
Part II: Planned Use of Evidence-Based Funding					
The questions below provide an opportunity to document the stakeholders with whom you consulted and the data you analyzed as you determined your strategic allocations of FY 2025 EBF dollars. Key statistics related to EBF distributions are provided for your reference. Form 50-36/50-39 is typically released before current-year appropriations are known. Therefore, the figures provided are for the prior fiscal year.					
Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed if led by finance leaders in consultation with program leaders.

		Priority Investment 1	Priority Investment 2		Priority Investment 3		
4)	Given the data analyzed, the stakeholders consulted, and the priorities identified in Part I, indicate the top three priority investments the Organizational Unit will make with its FY 2025 Base Funding Minimum (e.g., excluding Tier Funding). Choose "Other" if investments do not match the provided list. (Select three different responses. "Other" may be selected more than once if needed.)						
	If "Other" was selected in question 4, please describe. (No more than 1000 characters, including spaces. )						
<b>Cost Factor Table</b>							
5)	The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2024 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least \$5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at <a href="https://www.isbe.net/ebfspendingplan">https://www.isbe.net/ebfspendingplan</a> .						
	<b>Column G:</b> If the Organizational Unit will receive at least \$5,000 in FY 2025 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2025 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93.						
	<b>Column H:</b> Optionally, Organizational Units may populate column H with total planned expenditures in FY 2025 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.

Part III: Support for Special Student Groups						
EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statue these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in cells G100-G102 below. If the Organizational Unit received at least \$5,000 for any of the student groups, a response to the questions below is required. For amounts less than \$5,000, a response is optional. All other EBF funds may be spent in any manner deemed appropriate by the school district.						
Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed through collaboration between program leaders affiliated with each student group and finance leaders.

## Board of Education Decatur Public School District #61

<b>Date:</b> July 16, 2024	<b>Subject:</b> Purchase of Two (2) Off-Lease 2019 Multi-Function School Activity Buses (MFSAB)
<b>Initiated By:</b> Kathy Horath, Director of Special Education	<b>Attachments:</b> Activity Lift Bus Proposal
<b>Reviewed By:</b> Dr. Rochelle Clark Superintendent	

**BACKGROUND INFORMATION:**

Macon-Piatt Special Education District has an aging fleet of activity vans that need to be replaced for use by program staff to supplement the instruction.

**CURRENT CONSIDERATIONS:**

MPSED has seven vans to share among the schools that have MPSED programs. The oldest ones are from 1997 and 1999, with two others that will soon need to be replaced from 2001.

**FINANCIAL CONSIDERATIONS:**

Inflation and logistical issues inside the transportation market have driven the cost of an activity bus to over \$106,000.00 for new. Long lead times combined with high demand and low supply necessitate purchasing ASAP. This will be paid by MPSED.

**STAFF RECOMMENDATION:**

The Administration respectfully requests that the Board of Education approve the bid proposal as presented from Midwest Transit Equipment, Inc. for two (2) 2019 Chevrolet Collins 12+1 Lift passenger Multi-Function School Activity Buses (MFSAB) as presented.
