ARTICLE I

RECOGNITION

1. This is a statement of wage schedule and working conditions, hereafter referred to as Agreement, between the Decatur Public School District No. 61 Board of Education and the Service Employees International Union Local #73, covering wages and general working conditions of employees affiliated with Local #73 who are employed in Decatur Public Schools, hereafter referred to as the School Board. This Board recognizes Local #73 for the classification of employees known as Custodians “A” Team.

2. The contents of this Agreement shall continue from year to year unless either party notifies the other in writing at least ninety (90) days prior to the contract’s June 30 expiration, of their desire to change, alter, or modify the contents of the Agreement. Both parties shall meet at least sixty (60) days prior to the June 30 contract’s expiration to discuss the proposed modifications.

3. Both parties hereby agree that this Agreement covers all work performed by the custodians as scheduled and that for the purpose of clarification of any clause that might hereafter be in question, a statement covering the intent of such clause should be agreed upon by both parties, attached hereto, and made a part of this Agreement.

4. Dues Deduction and Fair-Share

A. Upon receipt of a signed authorization card from an employee employed in the bargaining unit the employer shall deduct the amount of Union dues set forth by the Union and any authorized increase therein, and shall remit such deductions monthly to the Secretary-Treasurer of the Union at the address designated by the Union in accordance with the law of the State of Illinois until such time as the Union advises the District that the employee’s deductions should cease. The Union shall advise the employer of any increase in dues, in writing, at least fifteen (15) days prior to its effective date.

B. All bargaining unit employees who choose not to become members within thirty (30) calendar days of employment or thirty (30) calendar days of signing hereof, shall be required to pay a Fair-Share Fee not to exceed the amount of dues uniformly required of members. Such Fair Share Fee shall be deducted from the employee’s paycheck. Such involuntary deduction shall remain in effect for the duration of this labor agreement. Such involuntary deduction shall be forwarded to the Union along with the deductions provided for in Section A hereof. The Union shall advise the employer of any increase in Fair Share Fees in writing at least fifteen (15) days prior to its effective date.

C. In the event any employee covered hereby is precluded from making Fair Share involuntary contributions as required by Section B hereof on account of bona fide
religious tenets or teachings of a church or religious body of which that employee is a member, that employee shall have the right to refuse to allow said involuntary deduction, provided, however, that said right to refuse shall continue only so long as the employee makes contributions at least equal in amount to the Fair Share Fee amount to a non-religious charitable organization mutually agreed upon by the employee so refusing and the Union. For this purpose the Union shall certify to the employer the names of all employees covered hereby who are relieved of the obligation to pay the Fair Share Fee by virtue of this Section; and it shall be the sole obligation of the Union to verify that contributions contemplated hereby have actually been made and that said employees are not subject to a Fair Share Fee involuntary deduction.

D. **NOTICE AND APPEAL.** The union agrees to provide notices and appeal procedures to employees in accordance with applicable law.

B. **CHECKOFF/FAIR SHARE DEDUCTIONS.** The Employer agrees to deduct each month, union dues, assessments, and union sponsored benefit program contributions from the pay of those employees who are union members covered by this Agreement and who individually, on a form provided by the union, request in writing that such deductions be made. The union shall certify the current amount of union deductions. A union member desiring to revoke their union membership, may do so by written notice to the Employer and the Union during the thirty (30) day period prior to the expiration date of this contract. Thereafter, such employee shall pay their fair share according to this article.

C. **COPE.** The Employer agrees to deduct from the pay of those members who individually request it voluntary contributions to the SEIU Local 73 COPE Fund. The Union shall notify the Employer of the pay period amount that is to be deducted, and shall provide proof of the employee’s request for deduction. Such amounts shall be remitted to the Union every pay period until the employee directs the Employer that such deductions discontinue.

D. **Web-Based and Electronic Sign-Ups.** The Union shall provide to the Employer verification that dues deductions have been authorized by the employee. Employees may express such authorization by submitting to the Union a written membership application form, through electronically recorded telephone calls, by submitting to the Union an online deduction form authorization, or by another means of indicating agreement allowable under state and federal law. The parties acknowledge and agree that the term “written authorization” and any similar term used in this Agreement include authorizations created and maintained by the use of electronic records and electronic signatures consistent with state and federal law. The Union, therefore, may use electronic records to verify Union membership, authorization for voluntary deduction of the Union dues and fees from wages or payments for remittance for the union, and authorization for voluntary deductions from wages or payments for remittance to COPE Funds, subject to the requirements of state and federal law.
E. **HOLD HARMLESS.** In the event of any legal action against the Employer or its agent(s) is brought in a court or administrative agency because of Employer’s compliance with this Article, Union agrees to defend such action, at its own expense through its own counsel, provided the Employer or its agent(s) gives timely notice of such action in writing to Union and permits Union intervention as a party if it so desires. The Union agrees that in any action so defended, it will indemnify and hold harmless the Employer and its agent(s) from any liability for damages and costs imposed by a final judgment of a court of administrative agency as a direct consequence of the Employer’s good faith compliance or attempted compliance with this Article.

5. The School Board and Local #73 have a common and sympathetic interest in the Decatur Public School system; therefore, harmonious relations are necessary to improve and maintain efficient organization in the school system. Confidence and mutual understanding between the respective parties will help to promote more efficient operation of the school system.

6. The School Board, through its appointed representative, shall negotiate with Local #73 custodians represented by a bargaining committee designated as “A” Team.

**ARTICLE II**

**GRIEVANCE PROCEDURE**

1. A grievance shall mean a written complaint by a member of the bargaining unit that there has been an alleged violation, misinterpretation, or misapplication of working conditions, fringe benefits, or wages, specified in this Agreement.

2. The purpose for this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may arise.

3. All grievance proceedings, but not necessarily the grievance itself, shall be kept confidential, and the proceedings shall be informal, as is mutually agreeable. Records shall be kept by all parties to the grievance. The number of days indicated in each step listed below shall be considered the maximum allowable to all parties, and every effort shall be made to expedite the proceedings. Time restrictions herein may be extended by mutual agreement. The employee(s) and the employer agree to follow the procedures outlined in the following steps:

   Step 1. Any claim shall first be presented orally to the most immediate supervisor (foreman or principal, whichever is applicable), within five (5) working days of event, or five (5) working days of employee’s knowledge of event. The Supervisor of Custodians will respond to the oral grievance within five (5) working days from notice of the oral grievance.
Step 2. Failing to reach a satisfactory agreement, the employee shall discuss the grievance with the Chief Steward or his/her designated representative. The Chief Steward may designate an assistant steward for each shift to handle grievances in his/her absence. If the Chief Steward has a grievance, the Business Agent may represent him/her.

Step 3. If a satisfactory resolution of the claim cannot be reached orally through the Chief Steward, then a formal written grievance shall be presented by the Chief Steward or his/her designate to the Director of Buildings and Grounds within ten (10) working days of the oral discussion. The formal grievance and the administrator's reply shall be in writing in duplicate (2) on the forms provided.

In stating his/her grievance the employee must specify the Article and Section of this Agreement which was allegedly violated, and give pertinent evidence in support of his/her grievance.

Step 4. All copies of the grievance must be signed by the employee. The Director of Buildings and Grounds shall certify with his/her signature the date and hour of receipt of the grievance. This certification shall be witnessed by the Chief Steward, or his/her designate.

Step 5. The Director of Buildings and Grounds shall within five (5) working days of receipt of grievance present his/her reply to the Chief Steward or his/her designate. The Chief Steward shall certify with his/her signature the date and hour of receipt of the reply. This certification shall be witnessed by the Director of Buildings and Grounds.

Step 6. The grievance shall be regarded as settled and closed five (5) working days after receipt of the reply from the Director of Buildings and Grounds, providing the employee has not signed and presented to the Director of Human Resources the form for appeal.

4. If the employee wishes to appeal the reply of the Director of Buildings and Grounds, he/she shall within five (5) working days request a meeting with the Director of Human Resources. The Director of Human Resources or his/her representative will then schedule a meeting with the claimant, Chief Steward, and/or Business Agent, and/or Union President, and other District representatives so designated by the Director of Human Resources at a time convenient to all parties. The decision of the Director of Human Resources shall be sent to the Chief Steward within five (5) days following the meeting.

5. If the union wishes to appeal the decision of the Director of Human Resources, he/she must request within five (5) working days of receipt of the decision of the Director of Human Resources that the grievance be referred through the Superintendent of Schools to binding arbitration.
BINDING ARBITRATION

Upon request of the grievant and the Union, the unresolved grievance will be referred to binding arbitration. The arbitration shall be conducted by an arbitrator to be selected by the Board and the Union. If the parties are unable to agree upon an arbitrator within seven (7) days, the parties shall jointly request the American Arbitration Association to provide a list of arbitrators. Each party will strike unacceptable names from the list and number the remaining names in the order of preference. The American Arbitration Association will select an arbitrator receiving the lowest composite ranking. If no name was preference by both parties, then both parties will proceed in accordance with the rules of the American Arbitration Association.

The decision of the arbitrator will be binding on both parties. The arbitrator shall have no power to alter the terms of this Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the Board and the Union. His/her decision must be based only upon his/her interpretation of the meaning or application of the language of this Agreement. Expenses for the arbitrator's services will be borne equally by the Board and the Union.

ARTICLE III

SENIORITY

1. Custodians shall have seniority dating from their first date of continuous service as a custodian. For purposes of this Article, seniority will accrue on a District-wide level within the bargaining unit. Should a reduction of force or abolishment of a job be necessary, the custodian with the least seniority shall be the first to be laid off. The last employee laid off shall be the first employee to be recalled. Should a job be abolished, the employee who held the job will be assigned temporarily to any vacancy which may exist until the bidding process is exhausted. If a head custodian is laid off because of a reduction of force, the job will be rebid. Part-time employees will be dismissed before full-time employees. The full-time employee with the shorter length of continuing service with the district, within the respective category of position, shall be dismissed first.

If the Board has any vacancies for the following school term, or within 18 months from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employee so removed or dismissed.

Full-time probationary employees will be considered full-time when reduction in force is implemented.

2. A job shall be considered vacant only for the following reasons: (For bidding purposes, a job is considered to be an established position with assigned job duties.)

B. Death of employee holding a job.

D. Creation of a new job.
E. Job declared vacant due to retirement of an employee.

Any current custodian who is awarded the job through the established bidding process, shall be entitled to a trial period of ninety (90) calendar days during which he/she may be disqualified if he/she is unable to show enough ability to continue on the job. Any disqualification shall be subject to grievance (except probationary employees).

All head custodial openings shall be posted for bid and filled by the most senior applicant scoring eighty percent (80%) or more on the Custodial Rating Form, a copy of which is attached hereto as Appendix A. There shall be a minimum of two scorers with knowledge of the applicant who complete the custodial rating form. The interview process shall be conducted by the Supervisor of Custodians, custodian foreman, at the employer’s discretion, or other buildings and grounds department representatives and the receiving building’s administrator who is knowledgeable of the building or facility to be cleaned. The Union may designate an observer to participate in the interview process. The Union observer may be present during the interviews and may offer oral input to the scoring, but shall not score applicants. Interviews shall be held with the three most senior applicants, provided, however, there may be fewer than three interviews if there are fewer than three applicants. Interviews should be held within one (1) week after the vacancy occurs and employees shall be allowed five (5) calendar days to bid on openings. All bids shall be filed electronically and shall be filed with the Director of Buildings and Grounds. Members transferred by written application to a classification other than their own shall be paid the minimum rate for the classification to which transferred.

3. Custodians desiring a maintenance position shall make written application for maintenance openings. Any custodian who is disqualified for a maintenance position shall return to whatever vacant equivalent position he/she left or he/she shall bump the custodian with the least seniority in said classification providing the custodian has more seniority than the member he/she bumps. All non-head custodial openings shall be posted for bid and filled according to seniority. This should be done within one week after the vacancy occurs and employees shall be allowed five (5) calendar days to bid on openings. All bids shall be filed electronically and shall be filed as follows: one copy to the Director of Buildings and Grounds, one copy to the Union Chief Steward and one copy to the Director of Personnel. Members transferred by written application to a classification other than their own shall be paid the minimum rate for the classification to which transferred.
4. Members transferred via the bidding process are limited to two awarded transfers per fiscal year.

5. Probationary members. All new employees shall be considered as probationary employees for the first ninety (90) calendar days of their employment. The School Board, through its appointed representative, shall have the right to discharge any employee in such status and no grievance shall arise there from. After members have completed their probationary period, their names shall be placed on the seniority list and seniority shall start from the date of hiring.

6. Before employing new people, the Board must recall any member who has been laid off for lack of work. Said member, upon being notified by registered mail, must report his/her intention to return within seven (7) calendar days to retain his/her seniority and must report for work within one (1) week from date of filing his/her intention to return. Failing to comply, he/she will waive all right of employment. A member on disability shall report for work on the first work day following his/her release by the attending physician, and failing to report he/she will waive all right to employment.

10. All job bids and notifications shall be done through the District’s electronic application process. The District will provide training to all employees on the use of electronic applications. The successful bidder for any position shall be placed in such position within fourteen (14) calendar days of the expiration of the bid notice. The fourteen (14) calendar day limit can be extended by mutual agreement.

11. Members may be transferred from one shift to another without bidding. A shift transfer shall take into consideration the efficiency of the department. Any position that remains open after the bidding process has been completed will be offered to volunteers by seniority.
12. Prior to implementing any change in job assignments, the Director of Building and Grounds or his or her designee shall meet with the representatives of the Union to discuss the reason(s) for the change and other possible solutions. A mutual agreement between the parties will be reached prior to any changes taking effect.

ARTICLE IV

Any reprimand or negative notation which does not expose the District to long-term liability shall be removed from the personnel file. Written warnings removed from a personnel file which were issued three (3) years or more prior to a current related disciplinary action will not be considered in

ARTICLE I
RECOGNITION

1. This is a statement of wage schedule and working conditions, hereafter referred to as Agreement, between the Decatur Public School District No. 61 Board of Education and the Service Employees International Union Local #73, covering wages and general working conditions of employees affiliated with Local #73 who are employed in Decatur Public Schools, hereafter referred to as the School Board. This Board recognizes Local #73 for the classification of employees known as Custodians “A” Team.

2. The contents of this Agreement shall continue from year to year unless either party notifies the other in writing at least ninety (90) days prior to the contract’s June 30 expiration, of their desire to change, alter, or modify the contents of the Agreement. Both parties shall meet at least sixty (60) days prior to the June 30 contract’s expiration to discuss the proposed modifications.

3. Both parties hereby agree that this Agreement covers all work performed by the custodians as scheduled and that for the purpose of clarification of any clause that might hereafter be in question, a statement covering the intent of such clause should be agreed upon by both parties, attached hereto, and made a part of this Agreement.

4. Dues Deduction

A. Upon receipt of a signed authorization card from an employee employed in the bargaining unit the employer shall deduct the amount of Union dues set forth by the Union and any authorized increase therein, and shall remit such deductions monthly to the Secretary-Treasurer of the Union at the address designated by the Union in accordance with the law of the State of Illinois until such time as the Union advises the District that the employee’s deductions should cease. The Union shall advise the employer of any increase in dues, in writing, at least fifteen calendar days prior to its effective date.

B. CHECKOFF DEDUCTIONS. The Employer agrees to deduct each month, union dues, assessments, and union sponsored benefit program contributions from the pay of those employees who are union members covered by this Agreement and who individually, on a form provided by the union, request in writing that such deductions be made. The union shall certify the current amount of union deductions. A union member desiring to revoke their union membership, may do so by written notice to the Employer and the Union during the thirty (30) day period prior to the expiration date of this contract.

C. COPE. The Employer agrees to deduct from the pay of those members who individually request it voluntary contributions to the SEIU Local 73 COPE Fund. The Union shall notify the Employer of the pay period amount that is to be
deducted, and shall provide proof of the employee’s request for deduction. Such amounts shall be remitted to the Union every pay period until the employee directs the Employer that such deductions discontinue.

D. Web-Based and Electronic Sign-Ups. The Union shall provide to the Employer verification that dues deductions have been authorized by the employee. Employees may express such authorization by submitting to the Union a written membership application form, through electronically recorded telephone calls, by submitting to the Union an online deduction form authorization, or by another means of indicating agreement allowable under state and federal law. The parties acknowledge and agree that the term “written authorization” and any similar term used in this Agreement include authorizations created and maintained by the use of electronic records and electronic signatures consistent with state and federal law. The Union, therefore, may use electronic records to verify Union membership, authorization for voluntary deduction of the Union dues and fees from wages or payments for remittance for the union, and authorization for voluntary deductions from wages or payments for remittance to COPE Funds, subject to the requirements of state and federal law.

E. HOLD HARMLESS. In the event of any legal action against the Employer or its agent(s) is brought in a court or administrative agency because of Employer’s compliance with this Article, Union agrees to defend such action, at its own expense through its own counsel, provided the Employer or its agent(s) gives timely notice of such action in writing to Union and permits Union intervention as a party if it so desires. The Union agrees that in any action so defended, it will indemnify and hold harmless the Employer and its agent(s) from any liability for damages and costs imposed by a final judgment of a court of administrative agency as a direct consequence of the Employer’s good faith compliance or attempted compliance with this Article.

5. The School Board and Local #73 have a common and sympathetic interest in the Decatur Public School system; therefore, harmonious relations are necessary to improve and maintain efficient organization in the school system. Confidence and mutual understanding between the respective parties will help to promote more efficient operation of the school system.

6. The School Board, through its appointed representative, shall negotiate with Local #73 custodians represented by a bargaining committee designated as “A” Team.
ARTICLE II

GRIEVANCE PROCEDURE

1. A grievance shall mean a written complaint by a member of the bargaining unit that there has been an alleged violation, misinterpretation, or misapplication of working conditions, fringe benefits, or wages, specified in this Agreement.

2. The purpose for this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may arise.

3. All grievance proceedings, but not necessarily the grievance itself, shall be kept confidential, and the proceedings shall be informal, as is mutually agreeable. Records shall be kept by all parties to the grievance. The number of days indicated in each step listed below shall be considered the maximum allowable to all parties, and every effort shall be made to expedite the proceedings. Time restrictions herein may be extended by mutual agreement. The employee(s) and the employer agree to follow the procedures outlined in the following steps:

Step 1. Any claim shall first be presented orally to the most immediate supervisor (foreman or principal, whichever is applicable), within five (5) working days of event, or five (5) working days of employee’s knowledge of event. The Supervisor of Custodians will respond to the oral grievance within five (5) working days from notice of the oral grievance.

Step 2. Failing to reach a satisfactory agreement, the employee shall discuss the grievance with the Chief Steward or his/her designated representative. The Chief Steward may designate an assistant steward for each shift to handle grievances in his/her absence. If the Chief Steward has a grievance, the Business Agent may represent him/her.

Step 3. If a satisfactory resolution of the claim cannot be reached orally through the Chief Steward, then a formal written grievance shall be presented by the Chief Steward or his/her designate to the Director of Buildings and Grounds within ten (10) working days of the oral discussion. The formal grievance and the administrator's reply shall be in writing in duplicate (2) on the forms provided.

In stating his/her grievance the employee must specify the Article and Section of this Agreement which was allegedly violated, and give pertinent evidence in support of his/her grievance.

Step 4. All copies of the grievance must be signed by the employee. The Director of Buildings and Grounds shall certify with his/her signature the date and hour of
receipt of the grievance. This certification shall be witnessed by the Chief Steward, or his/her designate.

Step 5. The Director of Buildings and Grounds shall within five (5) working days of receipt of grievance present his/her reply to the Chief Steward or his/her designate. The Chief Steward shall certify with his/her signature the date and hour of receipt of the reply. This certification shall be witnessed by the Director of Buildings and Grounds.

Step 6. The grievance shall be regarded as settled and closed five (5) working days after receipt of the reply from the Director of Buildings and Grounds, providing the employee has not signed and presented to the Director of Human Resources the form for appeal.

4. If the employee wishes to appeal the reply of the Director of Buildings and Grounds, he/she shall within five (5) working days request a meeting with the Director of Human Resources. The Director of Human Resources or his/her representative will then schedule a meeting with the claimant, Chief Steward, and/or Business Agent, and/or Union President, and other District representatives so designated by the Director of Human Resources at a time convenient to all parties. The decision of the Director of Human Resources shall be sent to the Chief Steward within five (5) days following the meeting.

5. If the union wishes to appeal the decision of the Director of Human Resources, he/she must request within five (5) working days of receipt of the decision of the Director of Human Resources that the grievance be referred through the Superintendent of Schools to binding arbitration.

BINDING ARBITRATION

Upon request of the grievant and the Union, the unresolved grievance will be referred to binding arbitration. The arbitration shall be conducted by an arbitrator to be selected by the Board and the Union. If the parties are unable to agree upon an arbitrator within seven (7) days, the parties shall jointly request the American Arbitration Association to provide a list of arbitrators. Each party will strike unacceptable names from the list and number the remaining names in the order of preference. The American Arbitration Association will select an arbitrator receiving the lowest composite ranking. If no name was preference by both parties, then both parties will proceed in accordance with the rules of the American Arbitration Association.

The decision of the arbitrator will be binding on both parties. The arbitrator shall have no power to alter the terms of this Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the Board and the Union. His/her decision must be based only upon his/her interpretation of the meaning or application of the language of this Agreement. Expenses for the arbitrator's services will be borne equally by the Board and the Union.
ARTICLE III

SENIORITY

1. Custodians shall have seniority dating from their first date of continuous service as a custodian. For purposes of this Article, seniority will accrue on a District-wide level within the bargaining unit. Should a reduction of force or abolishment of a job be necessary, the custodian with the least seniority shall be the first to be laid off. The last employee laid off shall be the first employee to be recalled. Should a job be abolished, the employee who held the job will be assigned temporarily to any vacancy which may exist until the bidding process is exhausted. If a head custodian is laid off because of a reduction of force, the job will be rebid. Part-time employees will be dismissed before full-time employees. The full-time employee with the shorter length of continuing service with the district, within the respective category of position, shall be dismissed first.

If the Board has any vacancies for the following school term, or within 18 months from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employee so removed or dismissed.

Full-time probationary employees will be considered full-time when reduction in force is implemented.

2. A job shall be considered vacant only for the following reasons: (For bidding purposes, a job is considered to be an established position with assigned job duties.)

A. Resignation or discharge of employee from a job.
B. Death of employee holding a job.
C. Jobs that are left vacant by an employee bidding another vacancy within the District.
D. Creation of a new job.
E. Job declared vacant due to retirement of an employee.

Any current custodian who is awarded the job through the established bidding process, shall be entitled to a trial period of ninety (90) calendar days during which he/she may be disqualified if he/she is unable to show enough ability to continue on the job. Any disqualification shall be subject to grievance (except probationary employees).

All head custodial openings shall be posted for bid and filled by the most senior applicant scoring eighty percent (80%) on the custodial rating form, a copy of which is attached hereto as Appendix A. There shall be a minimum of two scorers with knowledge of the applicant who complete the custodial rating form. The interview process shall be conducted by custodian foreman, at the employer’s discretion, or other buildings and grounds department representatives and the receiving building’s administrator who is knowledgeable of the building or facility to be cleaned. The Union may designate an
observer to participate in the interview process. The Union observer may be present during the interviews and may offer oral input to the scoring, but shall not score applicants. Interviews shall be held with the three most senior applicants, provided, however, there may be fewer than three interviews if there are fewer than three applicants. Interviews should be held within one (1) week after the vacancy occurs and employees shall be allowed five (5) calendar days to bid on openings. All bids shall be filed electronically with the Director of Buildings and Grounds. Members transferred by written application to a classification other than their own shall be paid the minimum rate for the classification to which transferred.

3. Custodians desiring a maintenance position shall make written application for maintenance openings. Any custodian who is disqualified for a maintenance position shall return to whatever vacant equivalent position he/she left or he/she shall bump the custodian with the least seniority in said classification providing the custodian has more seniority than the member he/she bumps. All non-head custodial openings shall be posted for bid and filled according to seniority. This should be done within one week after the vacancy occurs and employees shall be allowed five (5) calendar days to bid on openings. All bids shall be filed electronically and shall be filed as follows: one copy to the Director of Buildings and Grounds, one copy to the Union Chief Steward and one copy to the Director of Personnel. Members transferred by written application to a classification other than their own shall be paid the minimum rate for the classification to which transferred.

4. Members transferred via the bidding process are limited to two awarded transfers per fiscal year.

5. Probationary members. All new employees shall be considered as probationary employees for the first ninety (90) calendar days of their employment. The School Board, through its appointed representative, shall have the right to discharge any employee in such status and no grievance shall arise there from. After members have completed their probationary period, their names shall be placed on the seniority list and seniority shall start from the date of hiring.

6. Before employing new people, the Board must recall any member who has been laid off for lack of work. Said member, upon being notified by registered mail, must report his/her intention to return within seven (7) calendar days to retain his/her seniority and must report for work within one (1) week from date of filing his/her intention to return. Failing to comply, he/she will waive all right of employment. A member on disability shall report for work on the first work day following his/her release by the attending physician, and failing to report he/she will waive all right to employment.

7. The District shall comply with the Family Military Leave Act and the associated leave requirements of 820 ILCS 151/1 et. seq. Covered employees shall not suffer loss of seniority rights or other privileges due to service as defined in the Act.
8. All non-bargaining unit positions shall be posted and currently employed personnel, who are qualified, will be considered and interviewed for that position.

9. Vacancies shall be posted on the District’s electronic hiring system, and it is the responsibility of the members to monitor the status of vacancies throughout the District.

10. All job bids and notifications shall be done through the District’s electronic application process. The District will provide training to all employees on the use of electronic applications. The successful bidder for any position shall be placed in such position within fourteen (14) calendar days of the expiration of the bid notice. The fourteen (14) calendar day limit can be extended by mutual agreement.

11. Members may be transferred from one shift to another without bidding. A shift transfer shall take into consideration the efficiency of the department. Any position that remains open after the bidding process has been completed will be offered to volunteers by seniority.

12. Prior to implementing any change in job assignments, the Director of Building and Grounds or his or her designee shall meet with the representatives of the Union to discuss the reason(s) for the change and other possible solutions. A mutual agreement between the parties will be reached prior to any changes taking effect.

ARTICLE IV

DISCIPLINE, DISCHARGE AND SUSPENSION

PERFORMANCE OF DUTIES

1. It is hereby agreed that all members of Local #73 shall comply with all working rules and perform in a satisfactory manner the duties assigned and in the manner prescribed by their supervisors in accordance with approved custodial job descriptions.

2. At its option the School Board, through its appointed representatives, may suspend rather than discharge an employee if in their opinion the situation warrants such action. The maximum period of such suspension shall be ninety (90) days. In determining whether an employee should be discharged or suspended, the School Board will consider the employee’s employment record and any other pertinent information, and their decision shall be final.

3. The discharge or suspension of an employee shall be handled in the following manner:

A. When the School Board or its representative determines to discharge or suspend an employee for just cause, he/she shall be suspended immediately and subsequently given a written notice indicating either discharge or suspension.
B. Grievances involving suspension or termination shall be filed directly at the 4th level of the grievance procedure with the Director of Human Resources bypassing all prior steps of the grievance process. The Department of Human Resources will, within 48 hours, schedule a grievance meeting to be held within 5 working days of receipt of the written grievance, and the parties shall proceed as outlined in Article II Sections 4 and 5.

4. Any letter of reprimand or of negative content included in a personnel file shall be subject to administrative review upon written request by the employee after three (3) years following the occurrence, unless otherwise agreed to by both parties. Any letter regarding an offense under Section 5.B. hereof or any offense for which an employee has been suspended will remain in the employee’s file. Any reprimand or negative notation which does not expose the District to long-term liability shall be removed from the personnel file. Written warnings removed from a personnel file which were issued three (3) years or more prior to a current related disciplinary action will not be considered in such current related disciplinary action provided that the employee has received no form of discipline during this three (3) year period.

5. Discipline

A. Definition. The Board understands that progressive discipline may be applicable to certain disciplinary situations. Employee shall be notified of their right to representation when discipline is contemplated by the employer. Progressive discipline, where applicable, is intended to correct employee deficiencies and shall consist of any or all of the following:

1. Written Warning
2. Written Reprimand
3. Suspension
4. Discharge

Discipline will be issued for just cause and will be issued as soon as practicable after the Employer becomes aware of the event or action giving rise to the discipline. An effort will be made to administer such discipline within thirty (30) days of the time the Employer becomes aware of the event or action giving rise to the discipline. In the event the board is unable to obtain evidence to support its charges due to matters beyond its control, the employee will be notified within the thirty (30) day period that discipline may be administered at a later time when the evidence becomes available to the Board.

B. The School Board, through its appointed representative, shall not discharge or suspend employee(s) without just cause and in respect to discharge shall give at least one (1) warning notice of the complaint against such employee to the employee in writing and a copy of the same to Local #73, except that no warning notice need be given to an employee before he/she is discharged if the cause of the discharge is:
1. Willfully causing or a viable threat as determined by the administration intending to cause bodily injury to any person upon the school premises.

2. Possession or use of intoxicants or drugs and/or being intoxicated or under the influence of drugs on school premises or by not keeping a good moral standard.

3. Stealing school property or property of others.

4. Willful destruction of school property or damage to school property because of carelessness, neglect, or not following instructions pertaining to the care and operation of such property and equipment.

5. Willful insubordination or sleeping on the job. Refusal or failure to perform work assigned. Use of abusive or threatening language, or action toward the foreman, supervisor, or other employees.

6. Employees who accept regular employment during the work week in addition to their assignment with the Decatur Public Schools and it interferes in any way with their job with the Decatur Public Schools.

7. Any employee who leaves a job during regular employment hours without consent of the Director of Buildings and Grounds, his assistant, or the school principal is subject to disciplinary action unless the employee is required to leave due to an imminent emergency. If an employee must leave due to an imminent emergency he/she shall call the Buildings and Grounds office during the day shift or a foreman during second shift as soon as possible. The employee will explain the nature of the emergency. The employer shall advise all employees of the appropriate manner of contacting the foreman on duty.

8. Use of school vehicles, machines, tools, etc., for personal or private use without the proper approval of the Superintendent of Schools or his/her designated representative.

9. Applicants for new jobs or transfers to new classifications shall sign a statement certifying to correctness of date on the application. Should it be found that the applicant knowingly falsified the report, it shall be grounds for dismissal.

C. Manner of Discipline Issuance. Discipline will be issued to an employee with a reasonable expectation of privacy so as not to cause unnecessary embarrassment to the employee.

D. Pre-Disciplinary and Fact Finding Meeting and Notification. When the Board is contemplating administering discipline, a pre-disciplinary fact finding meeting
will be held. The Board will provide written notice to the employee of said meeting, except in cases of emergency, which the Board alone may define. Such notice shall contain the reason, date, time and location of the meeting and shall inform the employee of his/her right to Union representation. At the meeting the employee or his/her Union representative shall be given the opportunity to provide evidence and/or statements relative to the issue being investigated.

E. Written Warning. In case of written warnings the supervisor must provide the employee a letter explaining the reason for the discipline.

F. Notification of Disciplinary Action. In the event disciplinary action is taken against an employee the Board shall promptly furnish the Union through its designated representative, and the employee with written notice of such disciplinary action and the reason therefore.

ARTICLE V

**INSURANCE**

1. The Board of Education shall provide for each employee the health insurance plan in effect for the Teachers (DEA contract) Any regular employee who works as much as four (4) hours per day but not five (5) hours will be provided the same coverage if they elect to pay one-half (½) of the premium. The premium will include the same subsidy as provided in the Decatur Education Association contract (Teachers). An employee may elect to participate in the employer plan post retirement provided the employee pays the entirety of the relevant premium. Coverage shall end when the retiree or dependent reaches 65, whichever comes first.

2. The Board will provide for each full-time employee paid life insurance in the amount of $20,000. Any regular employee who works as much as four (4) hours per day but not five (5) hours will be provided the same coverage if they wish to pay one-half (½) of the premium.

**ARTICLE VI**

**OVERTIME**

1. When overtime is required only employees qualified to perform work will be assigned. However, those disqualified for a certain overtime job will not be charged as time worked or turned down. The decision as to whether an employee is qualified for a particular assignment is the responsibility of the Director of Buildings and Grounds or his/her designated representative. Overtime shall be divided as equally as possible, according to the requirements of the overtime work. When overtime is offered, the employee must accept or reject the overtime before the end of the current shift.

2. An up to date list showing overtime hours shall be kept within the building and shall be made available to those employees working within that building or department, upon

When overtime is required, the person with the least number of overtime hours shall be asked first in an attempt to equalize overtime hours. The first overtime offered will be considered the first to be worked and will not be reassigned. Filling overtime and keeping an updated list of overtime hours is the responsibility of management and no bargaining unit employee will be placed in a position of offering overtime or keeping overtime lists. Employees who do not answer or return the call before the work is assigned shall be charged the amount of overtime being offered.

4. Any errors made in maintaining the overtime board will be corrected and subsequent assignment of overtime will be made on the basis of the corrected overtime board. No employee will be paid for any overtime which he/she may have temporarily lost because of an error in the overtime board.

5. Overtime records will be zeroed at the beginning of each fiscal year.

6. When overtime work is required overtime will be filled by a low hour, high seniority basis. Seniority will be based on the date of employment with the district. When overtime exists in a certain building, the employee’s normally assigned to that building will be offered that overtime prior to other employees.

PHILOSOPHY OF THE DECATUR PUBLIC SCHOOLS ATHLETIC PROGRAM

The athletic program is an integral part of the education of all students who attend the Decatur Public Schools. Our goals and objectives are consistent with and comparable to those of the school district. All students have an equal opportunity to participate in athletic programs. No student shall be deprived of the right to participate because of lack of financial resources, nationality, race, color, religion, or sex, sexual orientation, disability, or marital status.

The athletic program will be broad based and as extensive as the facilities, staff, and finances can adequately support.

The leadership shall be of the highest quality so as to exemplify to the participants the desired type of individual to be developed from the athletic program.

The measurement of success of the leadership is not limited to win/loss records. It includes the success experienced in helping each participant develop his/her talents and desirable personal characteristics to their fullest.

The athletic program is a laboratory where students experience many of life’s situations. Participation in this laboratory activity offers students the opportunity to improve character, dignity, self-worth, and concern for others. Students may learn to develop these human traits and grow as individuals to the extent of their capacity.

STATEMENT OF PURPOSE FOR THE ATHLETIC PROGRAM OF DPS #61
A. Participation helps develop character, social competence, cooperation, and moral and ethical values that are an everyday part of our society.

B. Participation develops a mutual respect for all who are involved in the competition: teammates, opponents, coaches, and officials.

C. Participants must learn to abide by the rules, regulations, and decisions of officials, just as we all must abide by the laws that govern our society.

D. Participation leads to a better understanding of our democratic ideals, social and economic well-being, and the spirit of fair play.

E. Participation teaches a student that discipline and self-sacrifice are necessary ingredients of teamwork, if the end result is to be accomplished.

F. Through participation, the individual will develop a healthy body, a sound mind, and a better understanding of individual differences.

G. Participation provides valuable lessons which are learned in the course of competition; for example, winning, as well as losing, reflects team effort.

H. Competition helps to develop the fundamental processes that lead to emotional maturity and self-control.

I. Participation in the athletic program will cause participants and spectators to look forward to attending school, resulting in an improved student attitude toward school and school-related activities.

J. Participation in athletic competition will give students an opportunity to achieve, not only for themselves, but for their team and school community and receive their just rewards in return.

K. The individual school administration must provide adequate control and safety measures for the participants, officials, and spectators in order to insure the proper atmosphere for interscholastic events.

L. Members of the athletic staff shall abide by the rules and regulations and officials' decisions which govern each sport, maintain the highest standard of ethics, recognize each participant as an individual, conduct themselves in a manner befitting their responsibilities, and develop the kind of rapport with the total school community that will improve the total educational program.

**STUDENT CODE OF ETHICS**

Decatur Public Schools 61 considers the welfare of the student our priority consideration.
A firm and fair policy of enforcement is necessary to uphold the regulations and standards of the athletic department. Decatur Public Schools Administration and the coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program of athletics. All athletes shall abide by a code of ethics which will earn them the honor and respect that participation and competition in the interscholastic program affords.

Any conduct that results in dishonor to the athlete, the team, the school, or Decatur Public Schools will not be tolerated. Acts of unacceptable conduct, such as, but not limited to theft, vandalism, disrespect, immorality or violations of law, tarnish the reputation of everyone associated with the athletic programs and will not be tolerated.

The student’s first responsibility is to acquire a quality education. Out athletic programs are co-curricular activities, and the students first priority must be academic achievement.

Athletes are representatives of their school, and their actions and behavior must be such as to reflect a respected image of themselves, fellow students, parents, school, and community. They will spend a great amount of time and effort in participation with their respective sport, but hopefully, they will find it to be a rewarding and enjoyable experience that will be important to them now and in the years to come.

DPS #61 ATHLETIC CODE
PROCEDURES

1. Coaches' rules shall be written and distributed so all participants and parents may read and review them. Rules will be shared through mandatory parent meetings.
2. Each coach will hold a team meeting to review team rules with the participants at the beginning of the sport season to make sure the participants are aware of them. A copy of the team rules, seasonal activity participation, and the Athletic Code will be distributed to the parents, or available online, attached to a participation permission form.
3. Coaches' rules must also include consequences for students who violate the rules.
4. Any student accused of violating a rule and subject to a consequence of a suspension of greater than three (3) games shall be informed of the nature of the offense and may request a hearing before the Principal and Athletic Director.

PROCEDURAL OFFENSES IN VIOLATION OF THE ATHLETIC CODE

A student found in violation of the Athletic Code may receive consequences up to and including dismissal from the team/activity for the remainder of the season or school year. Such violations include, but are not limited to:

- Use, possession, transfer, attempted transfer, sale or attempted sale of alcohol, tobacco products, e-
cigarettes and/or any controlled/illegal substances or any lookalike, including any substance held out to be a drug, alcohol or tobacco product.

- Violations of individual coaches' rules, insubordination, poor sportsmanship, conduct detrimental to the team and to school spirit.
- Violations of academic integrity and ethics.
- Violations of the DPS 61 Student Code of Conduct.

**DISCIPLINARY ACTION / ENFORCEMENT**

Participation in athletics is a privilege.

A student who violates the Athletic Code and who has been provided a hearing and assessed a consequence cannot avoid the consequence by transferring to another Decatur Public High School. The penalty will be enforced at the student’s new school before the student can become eligible for participation.

When a student is dropped from his/her team for disciplinary reasons, it is important that he/she receive a fair notice and that he/she be given a hearing.

All coaches are responsible for reviewing the athletic code, individual school rules, and rules for their respective sport during the first week of practice with the Athletic Director, assistant coaches, students, and parents.

**OUT-OF-SCHOOL SUSPENSION / CARE – TRANSITION ROOM PLACEMENT**

Any situation where a student athlete is receiving an out-of-school suspension for disciplinary reasons by the Building Administrator automatically deems said student unable to practice and/or compete in any athletic events scheduled for the duration of the suspension. The student and parent/legal guardian shall be notified by the Building Administrator as such.

This includes the date the suspension is issued, and any weekends/school holidays, throughout the time until the student returns to regular class attendance status. The appropriate sport Coach(s) and Athletic Director shall be notified by Building Administration upon any student athlete being suspended from school.

In example, a student athlete is suspended on Friday morning for a disciplinary infraction and is out of school for the suspension through Monday… successfully returning to classes Tuesday morning. This student CANNOT participate in any school-sponsored athletic event, nor practice, beginning Friday thru Monday night… They may resume activities Tuesday morning.

In the case where a student athlete is placed in the school’s Care Room or Transition Room for disciplinary action reasons by the Building Administrator, resulting in a 1/2 day placement or more, the same denial of athletic participation and notification shall occur - as indicated for an out-of-school suspension. *Placements less than the individual school’s “½ day bell schedule” will not result in any suspension of participation in athletics.*

American Dreamer, Dennis Lab, Hope Academy, Johns Hill Magnet, Montessori Academy of Peace, Robertson Charter, and Stephen Decatur are members of the state association which determines the overall pattern for inter-school athletics in Illinois.
The Association shall be known as the Illinois Elementary School Association (IESA) The Association shall be registered with the State of Illinois as a not-for-profit corporation.

- The Association through the employment of the instrumentalities hereinafter established shall:
  - Regulate all the interscholastic activities in which its member schools may engage; and
  - Perform such other functions related to interscholastic activities as may from time to time be approved and adopted by the Board of Directors.
- In the performance of these functions, the ultimate educational objectives of the Association are:
  - To elevate standards of sportsmanship
  - To encourage the growth of responsible citizenship; and
  - To encourage academic excellence

IESA Penalties: Ejections for Unsportsmanlike Behavior

The IESA Board of Directors approved a change to the penalties assessed to players, coaches, and now fans who are removed from a contest for unsportsmanlike behavior. These changes will become effective with the start of the 2020-21 school year.

A player who is ejected from a contest will now be required to miss the next two contests at the level at which the ejection occurred, and all contests in the interim, and complete the National Federation of State High School Associations Sportsmanship course. A second ejection by the same player in any sport will result in a five-game suspension and a $100 fine. Previously, a player who was ejected was only required to miss one contest for the first offense and two games for a second offense.

For coaches who are ejected, the automatic two game suspension for the first offense and five game suspension for the second offense was not changed. Coaches who are ejected will still serve a two game suspension at the level at which the ejection occurred and all other contests in the interim, but will now be required to complete the NFHS Sportsmanship course and pay a $100 fine. A second offense will result in a five-game suspension and a $250 fine.

A fan who is ejected will be required to watch the NFHS Sportsmanship course before he/she can return to watch contests.

"These changes to the penalties assessed to players, coaches, and fans are a direct attempt to change the behavior and culture at the junior high/middle school level regarding proper sportsmanship at the interscholastic level," said IESA Executive Director Steve Endsley. "In particular, a coach who is ejected one time will continue to serve a two-game suspension but will now have to pay a fine of $100 and watch a sportsmanship video. A second ejection will result in a five-game suspension and a $250 fine. We have been saying for years that coaches are role models and there is no reason for a coach to be ejected at our level. We hope this revised penalty helps coaches to understand that their behavior should reflect the values of education-based activities. Further, schools will be held responsible for any fan that is ejected by requiring that fan to watch the NFHS Sportsmanship video prior to returning to watch contests and provide proof to the IESA Office that the video was viewed. The number of ejections by players, coaches, and fans during the 2019-20 school year totaled exactly 100. That is simply unacceptable at the junior high/middle school level. I hope these new penalties change those numbers dramatically."

CONFERENCE AFFILIATION

The following schools: American Dreamer, Dennis Lab, Hope Academy, Johns Hill Magnet, Montessori Academy of Peace, Robertson Charter, and Stephen Decatur are members of the Soy City Conference.
No conference commitments shall be made which would be inconsistent with the athletic policies of the Decatur Public Schools.

**Participating School / Sports Offered**

**American Dreamer:** Baseball (Co-Op), Softball (Co-Op), Cross Country, Soccer (Co-Op), Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

**Dennis Lab:** Baseball, Softball (Co-Op), Cross Country, Soccer, Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

**Hope Academy:** Baseball (Co-Op), Softball (Co-Op), Cross Country, Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

**Johns Hill Magnet:** Baseball (Co-Op), Softball (Co-Op), Cross Country, Soccer, Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

**Montessori Academy of Peace:** Baseball, Softball, Cross Country, Girls Basketball, Boys Basketball, Cheerleading, Wrestling (Co-Op), Girls Volleyball, Track & Field

**Stephen Decatur:** Baseball, Softball, Cross Country, Girls Basketball, Boys Basketball, Cheerleading, Wrestling, Girls Volleyball, Track & Field

**Tryouts / Team Roster Cuts**

In all sports/activities where there are “roster limitations”, there is a chance that the school’s coaching staff might have to hold tryouts and make roster cuts to meet these limits due to the number of students trying out. The IESA and/or DPS restricts roster numbers in the following sports/activities: Softball, Baseball, Soccer, Girls Basketball, Boys Basketball, Cheerleading, and Volleyball.

The District requires a minimum of a 3-day tryout in Middle School sports/activities where cuts are deemed necessary. The try-out schedule will be designated by the coach and Athletic Director. A current physical MUST be on file with the office, nurse, or Athletic Director prior to try-out for an activity. A pre-season informational meeting will be held (in addition to in-school announcements and/or fliers and online notifications) as to when a specific sport/activity will begin tryouts or practices. Coaches will determine (with the assistance of the school’s Athletic Director) a practice schedule utilizing the availability of the school’s athletic facilities. Every effort will be made to notify all students (prior to the beginning of a sport season) as to when tryouts/practices will begin.

Team roster cuts may be based upon (but not limited to) the student’s: ability in the sport; age/academic status; disciplinary/behavior issues in school; attendance at tryouts/practices/contests; and their ability to work cooperatively with other team athletes and coaches in the sport.

**ACTIVITY / PARTICIPATION FEES:**

Every student athlete is expected to pay a participation fee of $10.00 per sport prior to the first seasonal competition. There is a $50 maximum per family / building. If a parent/guardian writes a check, it must be made out to the School/District 61.

**Dual Participation in MS Sports**
In DPS61, Middle School students may participate in more than one athletic activity at a time throughout the school year. Due to the various calendar dates over which DPS/IESA sports seasons occur, there might be a situation where a student wishes to try-out for/participate in more than 1 sport and/or activity at the same time (dual participation). In the instances where this occurs, the student athlete must determine, in writing, which sport/activity is their primary activity at the beginning of the seasons in conflict. Their commitment of a "primary" sport/activity will indicate their 1st area priority (choice) in the event of a scheduling conflict between 2 or more co-existing athletic events. *A copy of the athlete’s choice of their primary sport/activity will be on file with the school Athletic Director and given to all coaches involved.

The precedent for attendance at/participating in the primary sport/activity is as follows:

- Games over Practices
- Primary choice Games over secondary choice Games
- Games/Practices over Open Gyms
- Primary practices over secondary practices.
- In the event where there are overlapping/conflicting practices the coaches shall get together to work out a shared time schedule so that the student might be able to attend both sports where the overlap might occur.
- No coach may penalize a student athlete participating in multiple overlapping activities for missing a practice or contest when following the precedent set above.

IESA Transfer Rules  2.060

A transfer student is defined as one who transfers from one school to another school after the first day of classes at his/her school.

Effective with the start of the 2020-21 school year, a student who transfers after the first day of practice in a given activity will be allowed to join the team for his or her new school only if he/she did not tryout, practice, or participate in a contest for the previous school. They would still need to sit 11 days before participating in a contest for the new school.

A student who transfers from one school to another is eligible immediately if the school from which he/she transfers is involved in a co-op with the school to which he/she is transferring.

ACADEMIC ELIGIBILITY

The IESA requires that a weekly grade check is completed for every athlete who is on a competition athletic roster. This report must be completed on the same day of each week and athletes must be notified of any failing grade. The IESA determines eligibility considering all grades that are reported on the quarterly report card. The athlete must pass each class in which he or she is enrolled with a grade of D or better. If an athlete has a failing grade in any of his or her classes, the athlete is ineligible the next week and will continue to be ineligible until all failing grades have been raised to at least a D.
Eligibility can be recorded in one of two methods: Skyward computer program printouts or Teacher/Athletic Director hard copy checklists. Coaches may address grade issues with individual athletes who are showing signs of grade trouble in classes. In some cases, the coach will request a parent conference to help the student athlete improve his or her grades.

Most schools run grades the day before a week concludes, which in most weeks, is Thursday. Some weeks, however, are shorter due to in-service days and holidays. Those weeks’ grades must be submitted the day before the week concludes.

The element of eligibility that confuses athletes and their parents is that the measure is always a week behind the week of the contests. The athlete can be showing passing grades after the weekly grade check has been recorded, but is still excluded from participation due to the failing grades that were recorded at the end of the prior week.

**The grade recorded on the weekly eligibility check is final and cannot be changed at a later date.**

Ex: Grades are turned in Thursday and show that a student athlete is failing a subject, but when the parent looks on Skyward on Friday afternoon, it shows as a passing grade. That athlete is still ineligible for any event the following week.

**The cutoff day must be the same each week and reporting must be consistent.**

Once the grades are turned in and the computer grade check run, print the weekly report and retain (in files) as proof of grades. Notify the athlete, coach, teachers and athletic administration. A report of ineligibility should be delivered to an ineligible athlete before he or she leaves the building on the last day of each week.

### 2.040 SCHOLASTIC STANDING

2.041 All contestants shall be in grades five through eight (5-8) and shall not have passed eighth grade standing. At no time, may a student who is in fourth grade or lower practice or participate with a member school.

2.042 A student shall be doing passing work as determined by the local school district in all school subjects and the school shall certify compliance with this By-Law. Use of a player, contestant, or participant shall be deemed such certification.

2.043 For all IESA activities, athletic as well as non-athletic, passing work shall be checked weekly. Eligibility will be applied to the Monday through Saturday following the week that was checked. Students must be passing each subject each week to be eligible. Grades shall be cumulative for the school's grading period.

2.044 The eligibility check shall be the same day each week unless school is not in session; then it must be taken on the last day of student attendance that week.

2.045 For fall sports, the first eligibility check shall be made following the first full week of attendance at the beginning of the school year. During the succeeding weeks of the school year, the eligibility check shall begin the week prior to the first contest in an activity.

2.046 In cases where a contest has been postponed or re-scheduled, the current week eligibility shall be used to determine a student's eligibility. For example, a contest is scheduled to be played on Tuesday and because of poor weather, the contest is rescheduled for two weeks later. A student who was grade
eligible for the originally scheduled game but is ineligible during the week of the rescheduled game is not eligible. Conversely, a student who was ineligible the week of the originally scheduled game and is grade eligible the week of the rescheduled contest is eligible to play.

**Daily Attendance / Athletic Contest Participation:**

District policy states that a student must be “in attendance” at school at least ½ day on the day of an athletic contest in order to be allowed to participate in that day’s contest.

*Each individual school’s “1/2 day” is determined by their actual bell schedule… *i.e.: a ½ day at an “early dismissal school” might be 10:45 AM, whereas at a “later dismissal school” their ½ day might be 12:05 PM.*

Items such as “doctor/dentist appointments, funerals, and court appearances.” are all excused providing that the parent/legal guardian signs the student in/out at the school office for said events. *School-sponsored events, such as off-campus field trips and performances are also excused.

**Policy Regarding Parental Concerns**

A copy of the team rules, seasonal activity participation, and the Athletic Code will be distributed to parents and attached to the permission form. Coaches shall have mandatory parent meeting before the start of the sport season and review their rules and schedules. Parents are expected to be role models of good sportsmanship and support for the sport that their student participates.

In the event that a parent has a concern involving a coach or sport program that their student participates; the following guidelines shall be followed:

1. Concerns such as playing time, player positions, coaching philosophy and/or game strategy are **NOT** items warranting individual coach/parent discussion.
2. Other parent concerns shall be addressed by the parent making an appointment with the coach for a private parent/coach conversation to discuss the concern and reach a resolution.
3. If the meeting between the parent and coach does not resolve the concern, the parent may request a meeting with the Athletic Director and the coach to further discuss the concern and reach a resolution.
4. If this meeting does not resolve the concern, a final meeting between the Principal, the Athletic Director, the coach and the parent will be scheduled to discuss the concern.
5. The Principal is the administrative head of all inter-scholastic activities in the school and is the IESA District Representative for the District. The final decision and appeal for a resolution of the concern will be made by the Principal after the final meeting.

Policy Regarding Parental Concerns

A copy of the team rules, seasonal activity participation, and the Athletic Code will be distributed to parents and attached to the permission form. Coaches shall have mandatory parent meeting before the start of the sport season and review their rules and schedules. Parents are expected to be role models of good sportsmanship and support for the sport that their student participates.

In the event that a parent has a concern involving a coach or sport program that their student participates; the following guidelines shall be followed:

6. Concerns such as playing time, player positions, coaching philosophy and/or game strategy are **NOT** items warranting individual coach/parent discussion.

7. Other parent concerns shall be addressed by the parent making an appointment with the coach for a private parent/coach conversation to discuss the concern and reach a resolution.

8. If the meeting between the parent and coach does not resolve the concern, the parent may request a meeting with the Athletic Director and the coach to further discuss the concern and reach a resolution.

9. If this meeting does not resolve the concern, a final meeting between the Principal, the Athletic Director, the coach and the parent will be scheduled to discuss the concern.

10. The Principal is the administrative head of all inter-scholastic activities in the school and is the IESA District Representative for the District. The final decision and appeal for a resolution of the concern will be made by the Principal after the final meeting.

I, __________________________________, have received and reviewed the Parent Guide & Handbook for DPS #61 activities/athletics.

**Concussion Information Sheet**

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a “ding” or a bump on the head can be serious. You can’t see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

Adapted from the CDC and the 3rd International Conference on Concussion in Sport

What can happen if my child keeps on playing with a concussion or returns too soon?

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescent or teenage athletes will often fail to report symptoms of injuries. Concussions are no different. As a result, education of administrators, coaches, parents and students is the key to student-athlete’s safety.

If you think your child has suffered a concussion

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours. The Return-to-Play Policy of the IESA and IHSA requires athletes to provide their school with written clearance from either a physician licensed to practice medicine in all its branches or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches prior to returning to play or practice following a concussion or after being removed from an interscholastic contest due to a possible head injury or concussion and not cleared to return to that same contest. In accordance with state law, all schools are required to follow this policy.

You should also inform your child’s coach if you think that your child may have a concussion. Remember it’s better to miss one game than miss the whole season. And when in doubt, the athlete sits out.

For current and up-to-date information on concussions you can go to: http://www.cdc.gov/ConcussionInYouthSports/

Standards-Based Grading

Board of Education Meeting
June 23, 2020
What is standards-based grading?

A standards-based approach focuses on what a student knows, not how long it takes to get there. It measures how well a student understands the material and how they are progressing on their learning goals.

It is based on a specific set of standards that students need to meet for each grade level.

Teachers gather evidence to determine what each student has learned and how that student is progressing towards end of year expectations.
What We’ve Accomplished

1. District Rollout for Grades 1-6
   (Kindergarten implemented 2018-2019 as the pilot)

2. Grade level feedback sessions on proficiency rubric usage

3. Addressed 6th Grade concern aligned to Standards Based Grading
**Proficiency Rubric Content**

**3+ Exceeds Grade Level Standards**
The student may occasionally exceed grade level standard.

**3 Consistently Meets Grade Level Standards**
The student understands and applies grade level concepts and skills.

**2 Progressing Toward Grade Level Standards**
The student demonstrates partial understanding and application of skills and concepts taught in class.

**1 Limited Progress of Grade Level Standards**
The student demonstrates a limited understanding and application of skills and concepts even with teacher support. Could potentially indicate an area of concern.
Communication Plan

• Parent Handbook/ Parent Quick Guide- Revised for 2020-2021
• Staff Handbook
• Standards Based Grading Video/Social Media Outlets
• Face to Face meetings in the fall for staff training and rollout
• Quarterly Teacher Feedback sessions- this is a work in progress and needs to remain ongoing
• Surveyed K-6 teachers
Having done standards based grading for a year, which do you prefer?

- Standards Based Grading: 71.4%
- Traditional Grading: 28.6%
Standards Based Grading - a grading system in which students are evaluated based on their proficiency in meeting a clearly-articulated set of course objectives.
A standards based grade is more reflective of student-based knowledge and skills

- Strongly Disagree: 9.3%
- Disagree: 15.1%
- Agree: 45.3%
- Strongly Agree: 30.2%
The Proficiency Rubric provides guidance to teachers on how to assign the grade for each standard.

The Proficiency Rubric helped me to clearly assign the student grade as a 1, 2, 3 or in some cases, a 3+.
The Standards Based Report Card has specific standards to assist teachers with what should be taught each quarter.
This should be enhanced with the recent approval of our English Language Arts Program adoption. Thank you Decatur Board of Education.

BOARD ACTION: _________________
DAWSON INSTITUTE COOORDINATOR’S CONTRACT
Fiscal Year 2020-2021

This Contract made and entered into this 23rd day of June, 2020 by and among the Board of Education of Decatur Public School District No. 61, Decatur, Illinois (hereinafter “the Board”), The Decatur Public Schools Foundation and Juanita Morris, (hereinafter “the Coordinator”), ratified at the meeting of the Board held on June 23, 2020 as found in the minutes of that meeting.

IT IS AGREED:

1. Employment. The Coordinator is hereby hired and retained from July 1, 2020 to June 30, 2021, as Coordinator of the Jerry J. Dawson Civic Leadership Institute (hereinafter “the Institute”), a special program funded and managed by the Decatur Public Schools Foundation. The Coordinator’s work year shall be week days during the fiscal year and as required by emergencies on weekends and non-work days, less authorized vacation, authorized leave and recognized school holidays.

2. Duties. The duties and responsibilities of the Coordinator shall be all those duties incident to the office of the Coordinator as set forth in the job description, a copy of which is attached as Exhibit A; those obligations imposed by the law of the State of Illinois upon a foundation coordinator; and to perform such other duties normally performed by a coordinator as from time to time may be assigned to the Coordinator by the Decatur Public Schools Foundation Board of Trustees (hereinafter “the Trustees”). The Coordinator shall assume administrative responsibilities for operation of the Institute in compliance with the policies, rules and regulations as fixed by the Trustees. The Superintendent and a representative of the Decatur Public School Board of Education shall serve as Trustees and assist in a supervisory capacity to monitor the Institute’s activities and Coordinator’s performance in aligning grant activities with the District strategic direction; they shall assure implementation and compliance with the terms and conditions of employment by the District. The Coordinator shall submit recommendations, as requested by the Trustees, concerning the operation of the Institute, its activities and program expenditures, and its distribution of the funds allocated for student scholarships within the Institute budget. The Coordinator’s activities and execution of duties shall be monitored and supervised by the Trustees with periodic reports provided to the Decatur Public School Board and in collaboration with the Foundation Executive Director. The Coordinator’s specific employment goals and objectives are at the discretion of the Trustees. The work day, work year, contract year and holidays and holiday pay for the Coordinator shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (May 12, 2020). This and other references herein to the Administrator and Administrative Support Staff Compensation and Benefits document shall refer to the document maintained by and applicable to certain Decatur Public School District No. 61 employees.

3. Salary. The Trustees shall set the Coordinator’s salary. For the 2020-2021 year the amount of the Coordinator’s salary shall be not less than Ninety-Thousand Dollars ($90,000.00). The Coordinator hereby agrees to devote such time, skill, labor and attention to her employment, during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of Coordinator for the Institute and the Trustees as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other similarly employed members of the Decatur Public School professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of an amendment approved by the Trustees and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Trustees have entered into a new Contract with the Coordinator, nor that the termination date of this Contract has been in any way extended unless so stated in the approved motion.

4. Pension. In addition to the salary of the Coordinator as set forth hereinabove in paragraph 3, the Board shall pay 4.71204% of the salary set forth in paragraph 3 (or 4.5% deducted from the resulting gross. The resulting gross shall be computed by adding the salary in paragraph 3 to 4.71204% of the salary paragraph 3) as an employer paid pension contribution consistent with the
provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36. Such payments shall be consideration for this Contract, shall be creditable earnings for purposes of the Illinois Municipal Retirement Fund pension calculations and Coordinator did not have the option of choosing to receive such amount directly instead of having such contribution paid by the employer to the Illinois Municipal Retirement Fund.

5. **Evaluation.** Annually, but no later than March 1st of each year, the officers of the Trustees shall review with the Coordinator her progress toward established goals and working relationships among the Institute and its various Decatur Public School and community constituencies and the District leadership team, and shall consider the Coordinator’s continued employment and annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Coordinator in writing within 30 days following the evaluation pursuant to the Foundation’s evaluation plan.

6. **Credentials.** The Coordinator shall furnish to the Board during the term of this Contract, valid and appropriate credentials to act as Coordinator in accordance with the laws of the State of Illinois and as directed by the Trustees.

7. **Other Work.** The Coordinator may undertake consultative work, speaking engagements, writing, lecturing, or other related professional activities provided that these activities do not interfere with the effective performance of her duties as Coordinator. The Coordinator shall have the responsibility to inform the Trustees of such activities in a timely fashion.

8. **Discharge for Good Cause.** Throughout the term of this Contract, the Coordinator shall be subject to discharge for good cause provided, however, that the Trustees shall not arbitrarily or capriciously call for dismissal and that the Coordinator shall have the right to service of written charges, notice of hearing and a hearing before the Trustees. If the Coordinator chooses to be accompanied by counsel at such a hearing, all such personal expenses shall be paid by the Coordinator. Failure to comply with the terms and conditions of this Contract shall also be sufficient cause for purposes of discharge as provided in this Contract.

9. **Termination by Contract.** During the term of this Contract, the Trustees and Coordinator may mutually agree, in writing, to terminate this Contract.

10. **Referrals to Coordinator.** The Trustees collectively and individually and the Superintendent shall promptly refer all criticisms, complaints, and suggestions called to its/their attention to the Coordinator for study and recommendation.

11. **Professional Activities.** The Coordinator shall be encouraged to attend appropriate professional meetings at the local, state, and national levels. Within budget constraints, such costs of attendance shall be paid from the Institute budget upon receipt of a full, itemized account of such costs.

12. **Reimbursement for Use of Personal Car.** The Trustees shall pay the Internal Revenue Service rate to the Coordinator for reimbursable mileage expenses incurred by the Coordinator while using the Coordinator’s personal vehicle for the conduct of Institute business. Reimbursement shall be pursuant to the Decatur Public School District’s policies, rules and regulations and paid from the Institute Budget.

13. **Membership Dues.** The Trustees shall pay the cost of Coordinator’s membership dues to professional organizations deemed relevant to the Institute from the Institute’s budget, payable at the discretion of the Trustees and as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (May 12, 2020).
14. **Medical Insurance.** The Coordinator shall be provided with medical insurance and medical insurance options as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (May 12, 2020).

15. **Life Insurance.** Coordinator shall be provided with life insurance as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (May 12, 2020).

16. **Vacation.** The Coordinator will be provided three (3) weeks of paid vacation annually with an additional one (1) day accrual per year after the first year until the fourth year. Starting with the fourth year, she will be provided an additional two (2) days per year until a maximum of six (6) weeks per year is attained. Vacation shall be used in the year in which it accrues except that she shall be allowed to carry over a maximum of twenty-five (25) days.

17. **Sick Leave and Personal Leave.** The Coordinator shall be provided with sick leave and personal leave days as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (May 12, 2020).

18. **Disability.** Should the Coordinator be unable to perform the duties and obligations of this Contract, by reason of illness, accident or other cause beyond the Coordinator's control and such disability exists after the exhaustion of accumulated leave days and vacation days during any school year, the Board of Trustees, in its discretion, may make a proportionate deduction from the salary stipulated. If such disability continues for sixty (60) days after the exhaustion of accumulated leave days and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Coordinator's duties impossible, the Board of Trustees, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. The Coordinator shall provide medical evidence of illness to the Trustees’ Chair upon request.

19. **Criminal Records Check.** Pursuant to 105 ILCS 5/10-21.9, Boards of Education are prohibited from knowingly employing a person who has been convicted of committing or attempting to commit the named crimes therein. If the fingerprint-based criminal records check required by Illinois law is not completed at the time this Contract is signed, and any subsequent investigation or report reveals there has been such a conviction, this Contract shall immediately become null and void.

20. **Notice.** Any notice required under this Contract shall be in writing and shall become effective on the day of mailing thereof by first class, registered or certified mail, postage prepaid, addressed:

In such event, the Trustees shall take specific action to discontinue this Contract and enter into a new contract.
23. **Copies of Contract.** This Contract may be executed in one or more counterparts, each of which shall be considered an original, and all of which taken together shall be considered one and the same instrument.

Subject: RESOLUTION authorizing the issuance of general obligation alternate revenue bonds of the District in an aggregate principal amount not to exceed $67,500,000 for the purpose of refunding certain outstanding obligations of the District

Initiated By: Dr. Todd Covault, Chief Operational Officer

Reviewed By: Dr. Paul Fregeau, Superintendent

Attachments: Bond Resolution

BACKGROUND INFORMATION:
On March 24, 2020, the Board approved a similar resolution and held a Bond Issuance and Notification Act hearing for the intended purpose of refunding the alternative revenue (sales tax) bonds. During the spring, the Covid-19 pandemic caused market dislocation.

CURRENT CONSIDERATIONS:
With the significant loss of sales tax collections through this pandemic, the District is considering other options with the refunding that are not currently available under the resolution previously approved. Following approval of this second resolution, the District will reinitiate the petition process.

FINANCIAL CONSIDERATIONS:
The refunding is market driven based upon the timing of the bonds placement and the rates available in the market at that time. The District anticipates that the rates will be substantially less than the current rates from the original 2011 bond issuance.

STAFF RECOMMENDATION:
The Administration respectfully requests that the Board of Education approve the Resolution Authorizing the Issuance of General Obligation Alternate Revenue Bonds of Decatur School District Number 61, Macon County, Illinois, in an Aggregate Principal Amount not to Exceed $67,500,000 Pursuant to the Local Government Debt Reform Act of the State of Illinois, as amended, for the Purpose of Refunding Certain Outstanding Obligations of said School District as presented.

* * *

WHEREAS, Decatur School District Number 61, Macon County, Illinois (the “District”), is a duly organized and existing school district created under the provisions of the laws of the State of Illinois, and is now operating under the provisions of the School Code of the State of Illinois, as amended (the “School Code”); and

WHEREAS, the District has issued and has outstanding General Obligation School Bonds (Alternate Revenue Source), Series 2011A, dated October 11, 2011 (the “2011A Bonds”); and

WHEREAS, the Board of Education of the District (the “Board”) has determined that it is advisable, necessary and in the best interests of the District to refund all or a portion of the 2011A Bonds (the “Refunding”) in order to restructure the debt burden of the District or realize debt service savings; and

WHEREAS, the Board has further determined that the 2011A Bonds were issued for a “school facility purpose” within the meaning of the County School Facility Occupation Tax Law of the State of Illinois, as amended (the “Sales Tax Law”); and

WHEREAS, the Board has further determined the estimated costs of the Refunding, including legal, financial, bond discount, capitalized interest, printing and publication costs and other expenses, to be not less than $67,500,000, and there are insufficient funds on hand and lawfully available to pay such costs; and

WHEREAS, the Board has further determined that it is advisable and necessary that the Refunding be undertaken and, in order to raise the funds required to pay such costs, that the District borrow the sum of $67,500,000 and, in evidence thereof, issue general obligation alternate revenue bonds.
bonds in an aggregate principal amount of $67,500,000 (the “Bonds”), in accordance with the provisions of Section 15 of the Local Government Debt Reform Act of the State of Illinois, as amended; and

WHEREAS, the principal of and interest on the Bonds will be payable from collections distributed to the District from those taxes imposed by The County of Macon, Illinois, pursuant to the Sales Tax Law (the “Pledged Revenues”); and

WHEREAS, if the Pledged Revenues are insufficient to pay the Bonds, ad valorem property taxes upon all taxable property in the District without limitation as to rate or amount are authorized to be extended to pay the principal of and interest on the Bonds:

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Education of Decatur School District Number 61, Macon County, Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

Section 2. Determination to Issue Bonds. It is necessary and in the best interests of the District to undertake the Refunding, and the Bonds are hereby authorized to be issued and sold for that purpose.

Section 3. Publication. This Resolution, together with a notice in the statutory form, shall be published in the Herald & Review, the same being a newspaper of general circulation in the District, and if no petition, signed by 3,114 electors, the same being equal to the greater of (i) 7.5% of the number of registered voters in the District or (ii) 200 of those registered voters or 15% of those registered voters, whichever is less, asking that the issuance of the Bonds be submitted to referendum, is filed with the Secretary of the Board within thirty (30) days after the
date of the publication of this Resolution and said notice, then the Bonds shall be authorized to be issued.

Section 4. **Additional Resolutions.** If no petition meeting the requirements of applicable law is filed during the petition period hereinabove referred to, then the Board may adopt additional resolutions or proceedings supplementing or amending this Resolution providing for the issuance and sale of the Bonds and prescribing all the details of the Bonds, so long as the maximum amount of the Bonds as set forth in this Resolution is not exceeded and there is no material change in the Refunding or the purposes described herein. Such additional resolutions or proceedings shall in all instances become effective immediately without publication or posting or any further act or requirement. This Resolution, together with such additional resolutions or proceedings, shall constitute complete authority for the issuance of the Bonds under applicable law.

Section 5. **Severability.** If any section, paragraph, clause or provision of this Resolution shall be held invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the other provisions of this Resolution.
Section 6. Repealer. All resolutions or orders, or parts thereof, in conflict herewith be and the same are hereby repealed, and that this Resolution be in full force and effect forthwith upon its adoption.

Subject: Workers’ Compensation Excess Insurance Renewal

Initiated By: Todd Covault, EdD, Chief Operational Officer
Attachments: Renewal Quote

Reviewed By: Dr. Paul Fregeau, Superintendent

BACKGROUND INFORMATION:
The District is self-insured for workers’ compensation. The District obtains stop loss (excess) insurance to cover sizeable claims. In fiscal year 2019-20, the Self-Insured Retention (SIR) was $500,000; aggregate was $1,927,792 with a $2,000,000 limit. That is, the District pays the first $500,000 on any individual claim before insurance takes effect. Once individual claims add up to $1,927,792 excess insurance covers claims up to $2,000,000 in excess insurance payments.

The self-insured plan is administered by York Risk Services. FY 2020-21 is the second year of a three-year commitment.

CURRENT CONSIDERATIONS:
The District’s broker, Dansig, sought renewal quotes from Safety National, Midwest Employers Casualty Company, Sunz, Brickstreet, CCMSI, IPRF, and Bridge Excess Solutions.

Safety National provided the lowest quote. The expiring premium from Safety National for the FY 2019-20 year was $82,876 ($500,000 SIR/$1,927,792 Aggregate) and the renewal premium for the FY 2020-21 year is $90,511 ($500,000 SIR/$1,945,038 Aggregate).

FINANCIAL CONSIDERATIONS:
The excess insurance would be paid out of the District’s Tort Fund.

STAFF RECOMMENDATION:
The Administration respectfully requests that the Board of Education approve the Workers’ Compensation Excess Insurance Renewal from Safety National in the amount of $90,511 as presented.

BY AND BETWEEN
THE BOARD OF EDUCATION OF DECATUR SCHOOL DISTRICT 61 AND
INNOVATION LEARNING, LLC

THIS LICENSE AGREEMENT (“Agreement”) is made as of this June 23, 2020, by and between the Board of Education of Decatur School District 61, Macon County, Illinois (collectively, the “Board”), and Innovation Learning, LLC (“Innovation Learning”), a Delaware Limited Liability Corporation.

W I T N E S S E T H:

WHEREAS, the Board is the owner of certain real properties as identified on Exhibit A hereto (“Schools”), each of which includes a building that is operated as a public school; and

WHEREAS, Innovation Learning is a corporation that operates before and after school programs for school age children; and

WHEREAS, the Board issued a request for proposals, dated April 5, 2019 for interested entities to license a portion of the Schools for the purpose of providing before school and after school childcare, including academic assistance and enrichment, in each of the Schools (“RFP”), which is attached hereto as Exhibit B and incorporated herein by reference; and

WHEREAS, Innovation Learning submitted a proposal in response to the RFP, dated April 30, 2019 (“Response to RFP”), which is attached hereto as Exhibit C and incorporated herein by reference; and

WHEREAS, after careful evaluation of all proposals received, the Board determined that Innovation Learning was best suited to fulfill the RFP requirements; and

WHEREAS, the Board has determined that use of a portion of the Schools by Innovation Learning will further the Board’s educational mission and will not interfere with or impede normal operations of the Board; and

WHEREAS, the parties desire to enter in a written license agreement defining their rights, duties and liabilities with respect to Innovation Learning’s license of a portion of the Schools.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, it is agreed by the parties hereto as follows:

1. **Incorporation of Preambles.** The preambles are incorporated into and made a part of this Agreement.

2. **Grant of License.** The Board hereby grants to Innovation Learning an exclusive license to use space in each of the Schools at the discretion of the Board and Schools (collectively, the “Premises”) for the purpose of operating a before and after school program (“Program”), on days
and at times when the Program is in operation (as stated in Paragraph 5 below). Incident to said license, Innovation Learning shall also be permitted reasonable ingress and egress to and from the Premises, as well as use of the parking lots, the Schools’ common areas such as bathrooms and hallways, and sufficient storage space at the Schools. Innovation Learning shall also have access to the Premises during the thirty (30) minutes immediately prior to each session of the Program and the thirty (30) minutes immediately after each session of the Program, for the purposes of set up and take down. Access to the Premises during other times or to additional space in the Schools may be provided under the same terms and conditions as contained herein, subject to the approval of School administrators. The Premises shall only be used for operating the Program. During the term of this Agreement, Innovation Learning will be the exclusive provider of before school, after school, and vacation day programming at the Schools.

3. **Term.** The term of this Agreement shall commence on July 1, 2020 and continue in effect until June 30, 2021 (“Initial Term”). Thereafter, this Agreement may be renewed, at the Board’s option, and at Innovation Learning’s discretion for up to four (4) additional one (1) year periods (each a “Renewal Term”). Either The Board or Innovation Learning may terminate this Agreement for its convenience by providing at least ninety (90) days advanced written notice thereof. Upon termination of this Agreement, Innovation Learning shall immediately vacate the Premises and shall have no further right of access thereto. Upon vacating the Premises, Innovation Learning shall ensure the Premises are in as good a condition as existed when it first gained rights to access the Premises, reasonable wear and tear accepted.

4. **License Fee.** To reimburse the Board for the costs it will incur as a result of this Agreement (including custodial costs and administrative overhead), Innovation Learning shall pay the Board a license fee based upon the number of students in the afternoon program. All employees, contractors, volunteers and agents of Innovation Learning who provide services for the Program shall submit, at Innovation Learning’s expense, to a fingerprint based criminal background check as required by the Illinois Department of Children and Family Services (DCFS). BACKGROUND INFORMATION:
Last year ISBE launched a new platform in IWAS for grants management. It is called the Consolidated District Plan, which consolidates and streamlines the federal grant application and management process to reduce the burden on grantees. ISBE requires the initial Consolidated District Plan to be approved by the local Board of Education. The Consolidated District Plan allows grantees to answer one set of planning questions to meet those requirements for the federal formula grants listed below:

- Title I, Part A - Improving Basic Programs
- Title I, Part D - Neglected
- Title I, School Improvement 1003(a)
- Title II, Part A - Preparing, Training, and Recruiting High-Quality Educators
- Title III- English Language Instruction Education Program
- IDEA, Part B Flow-Through
- IDEA, Part B Preschool

CURRENT CONSIDERATIONS:
Decatur Public School District’s Consolidated District Plan has been completed under the guidance and direction of those district administrators who administer and manage the various federal grants. It is ready to be submitted to ISBE for approval.

FINANCIAL CONSIDERATIONS:
The Consolidated Grant provides the funding for all major federal grants including Title I, II, III, IV and IDEA.

STAFF RECOMMENDATION:
The Administration respectfully requests that the Board of Education approves the initial FY21 Consolidated District Plan as presented.

A. Title I, Part A - Improving Basic Programs

Based on NSGRA and FastBridge data, reading fluency and comprehension in the early years continues to be an area of need. Our 4th grade also struggle achieving grade-level reading skills. Our kindergarten and 1st grade students are starting on level on numerous areas in math but are struggling to maintain grade-level growth. This continues into the latter years, as our 2nd grade students below the national average in general math skills and showing below average growth.

Students lack fundamental skills in basic reading and math. Students start in kindergarten with skill deficits that continue to grow as they progress through the grades. These skills can be addressed through Tier 1 instruction, but some additional curricular materials and training is needed. Some students need more intensive interventions in areas such as phonics, phonemic awareness, reading fluency, number sense, and computation. These needs can be addressed with targeted interventions, but proper curricular materials and additional staff members are needed effectively to provide those interventions.

The balanced literacy approach was introduced during the 2016-2017 year. After analyzing the data and meeting with teachers, it was determined that teachers need some additional curriculum to help deliver the standards. More intensive supports for academic instruction are needed. Teachers have been given the basic structure of balanced literacy however, the resources needed to fully implement strategy are greatly lacking.

Using the structure resources, the FastBridge and Pinnell classroom materials, and our grade-level meeting times, we plan to be able to meet the diverse learning backgrounds of all of our students. This is implementing HMH Literacy Solutions in the 20-21 school year. Additional training and supports will be needed throughout the school year.

The district has implemented a new math curriculum - Go Math. Some professional development has been provided for the teachers. Additional training is needed to help the teachers increase their understanding of all the resources within the curriculum to fully develop effective instructional strategies for teaching math.

We need to prioritize a coordinated system of support for the whole child (Social Emotional Learning). The district is piloting SEL programs for the 2020-2021 school year. This needs to be linked to developing knowledge and skills linked to learning and healthy development outcomes for students. We are working with some teachers on the transfer of the utilization of data to adjust strategies to meet the needs of the whole child. Lesson planning, data utilization to guide instruction, student engagement, classroom management, improving and fostering teacher and student leadership within the environment, and more. Teachers have been given the basic structure of balanced literacy however, the resources needed to fully implement strategy are greatly lacking.

Students are not having their basic needs met at home. They seek that support at the school. They lack the Social Emotional skills in order to socialize and handle conflicts effectively. The district has personnel resources in order to address the needs. Our social workers share these buildings. This causes a very stressful environment for teachers and students. It is hard for check-in/ check-out interventions and testing of data consistently without social workers on sites full time. Many of our students suffer from trauma in their personal lives and require behavior plans and check in/ check out interventions. A district wide behavioral program and social emotional curriculum needs to be developed and implemented.

B. Title I, Part A - School Improvement Part 1003(a)

Out of the 16 district schools, 6 were lowest performing and 6 were found to be underperforming. Multiple designation indicators were used. PARCC ELA and Math, student growth, English learner proficiency, and absence were among the most prevalent indicators. Designations came from a range of student populations from IEP students, low income, black, to all students. Schools filled out the Illinois QF Framework Rubrics and used that information to create School Improvement Plans that included SMART goals.

It was found that students lack fundamental skills in basic reading and math. Students start in kindergarten with skill deficits that continue to grow as they progress through the grades. These skills can be addressed through Tier 1 instruction, but some additional curricular materials and training is needed. Some students need more intensive interventions in areas such as phonics, phonemic awareness, reading fluency, reading comprehension, fact fluency, number sense, and computation. These needs can be addressed with targeted interventions, but proper curricular materials and additional staff members are needed to effectively provide those interventions.

The balanced literacy approach was introduced during the 2016-2017 year. After analyzing the data and meeting with teachers, it was determined that teachers need some additional curriculum to help deliver the standards. More intensive supports for academic instruction are needed. Teachers have been given the basic structure of balanced literacy however, the resources needed to fully implement strategy are greatly lacking.

This is implementing HMH Literacy Solutions in the 20-21 school year. Additional training and supports will be needed throughout the school year.

The district has implemented a new math curriculum - Go Math. Some professional development has been provided for the teachers. Additional training is needed to help the teachers increase their
understanding of all the resources within the curriculum and to further develop effective instructional strategies for teaching math.

We need to prioritize a coordinated system of support for the whole child (Social Emotional Learning). This needs to be linked to developing knowledge and skills linked to learning and healthy social outcomes for students. We are working with some teachers on the transfer of the utilization of data to adjust strategies to meet the needs of the whole child. (Lesson planning, data utilization to guide instruction, student engagement, classroom management). Improving and fostering teacher and student leadership within the school environment, demonstrate respect for all students and teachers, be consistent with challenging students to achieve high expectations. (Classroom management, behavioral supports, instructional supports, mentoring of teachers and students). Strengthen the consistency of Tier 1 and Tier 2 interventions to provide more targeted academic support to struggling students groups. Expanding trauma-informed training to all staff, including support and specialists.

Due to budgeting issues and lack of collaborative time, Professional Development opportunities for many teachers has been limited to what can be provided by the district's Professional Development or within the school. There are no mentors for new teachers to help provide support. The sudden change of administrative leadership has impacted the climate and culture of the school. Establishing and expectations has been impacted by various absences and personal changes/additions.

Students are not having their basic needs met at home. They seek that support at the school. They lack the Social Emotional skills in order to socialize and handle conflicts effectively. The district lacks personnel resources in order to address the needs. Our social workers share several buildings. This causes a very stressful environment for teachers and students. It is hard for check-in check out interventions and keeping track of data consistently without social workers on site full time. Many of our students suffer from trauma in their personal lives and require behavior plans and check in/ check out interventions. A district wide behavioral program and social emotional curriculum needs to be developed and implemented.

C. Title I, Part D - Delinquent

D. Title I, Part D - Neglected

As a side note, the district has opted into Title I Part A- Neglected at this time. However, the residential facility in our district boundaries is now closed. The district is proceeding with opting in to the but may need to seek guidance on a reduction of funding. We are currently serving one student at a facility. This number may fluctuate.

The youth placed at Webster-Cantrell Hall have been identified as emotionally disturbed and have been placed there by the courts, private agencies and/or Department of Children and Family Service initial testing, students with appropriate behavior skills are placed in the Decatur Public Schools. An IEP has been written and evaluated for most of the students.

The facility, Webster-Cantrell works with Decatur Public School District to enroll students who are placed based on grade equivalency attend either Eisenhower High School, Special Education Alternative Program, Thomas Jefferson Middle School, or MackArthur High School.

E. Title I, Part D - State Neglected/Delinquent

F. Title II, Part A - Preparing, Training, and Recruiting

Also identify needs assessment results, including description of strategies for closing any achievement gaps and for key professional development opportunity teachers and principals.

The balanced literacy approach continues to be a focus for the district. After analyzing data and meeting with teachers, it was determined that teachers need some additional curriculum to help deliver standards. The district is implementing HMH Literacy Solutions in the 20-21 school year. Additional training and supports will be needed throughout the school year. More intensive supports for academically instruction are needed. G. Title III - LEP

A vast majority of our ELs struggled to meet or exceed expectations on PARCC and SAT/PSAT in the 2018-19 school year. Knowing this information, we know that we have a lot to do in order to grow our ELL program in Decatur SD 91.

We have a wide array of needs to meet in order for our EL population to be successful. Our EL students come to our district at all levels. Currently, we do not have a full program that fully benefit students of all ages. We have purchased a phonics program this year for our K-2 program but still lack the necessary materials to help teach full basic English phonics to our older students in grades 3-8 older students also need continuous help with phonics and vocabulary. Many of our EL students come to our district with limited background knowledge in English, so anything at a basic level to help connections to text is vital.

We currently have a high number of Spanish and English instructional materials within our main K-8 ESL building, but our Spanish curriculum is starting to become quite outdated. We have a limited of instructional materials in alternate languages as well. We would like to continue to specifically increase the amount of Arabic materials we currently have on hand. Updating and expanding these curriculum will help us be more consistent and better prepared to teach students.

Our high school programs have struggled to attain ESL teachers. We have had numerous substitutes and the Rosetta Stone program to help support our EL students at the higher levels. We are our work to try and build our high school ESL program.

Knowing all of the information above, and COVID-19, we have been working on going into the 2020-2021 school year with a plan to address many of our deficit areas. This Needs Assessment plan has given us some potential thoughts and ideas on what instructional materials and professional development are necessary in order for our staff to best meet the needs of our EL students.

Staff responses to the needs assessment survey indicated a variety of topics endorsed for increasing skills/knowledge. Staff would like training to find the function of behavior and develop effective behavior plans. They also endorsed the need to learn more about general disabilities and the impact they have on learning. They want to learn how to modify curriculum and how to collaborate and co-teach to develop more options for students with disabilities. They would like to learn how to teach reading and math to students with disabilities. They will also need to continue their work on writing reports and progress monitoring. Some staff responded they would like support on assistive technology and Apps for tablets, using social stories, learning about executive functioning, legal rights for students and parents.

Parents who responded to the survey endorsed the desire to collaborate with other parents of children with disabilities, how to help at home with IEP goals, how to be more involved in the school and tips for behavior management. Specific responses also include ABA methods at home.

Staff indicated a sense of pride in their schools' special education services but expressed some concern about collaboration and co-teaching with general education. Concern was raised across the dis regarding the teacher shortages and the use of retired teachers and long-term subs to teach students. Concern was also raised about the social worker shortages, as well.

Parents indicated positive response to their son/daughter's IEP team but desired more supports for autism and behavior management.

The Title I parent involvement plan includes the employment of family liaisons who work with parents/families in the development of positive school relationships with school staff to address potential barriers to student school success. They assist in the coordination and implementation of parent involvement and student activities as appropriate. They place emphasis on reaching at-risk students and families. In January of each school year, schools begin to compile a list of students who will be entering kindergarten. The schools use the enrollment forms of current siblings to start the list. Each school then uses these forms to make a screening appointment to be held at the home school. Family support personnel screen students who attend the daycare facilities in the area. After the screening complete, there are several make up sessions when parents call for screenings. This begins in late April, with a follow up in late July.

We utilize Next Steps to Guided Reading district-wide. The Language Arts curriculum coordinator for the district and the Lead Literacy Intervention Specialist will work closely together to carry out the district.

The District is committed to ensuring all students are reading at or above grade level by third grade. To achieve this goal, the District is implementing the necessary structures, resources at the primary grade levels to improve our students' literacy skills.

Title I schools use problem solving teams to identify students who need additional interventions. These interventions and academic goals are specifically designed for those students deficit skills.

Targeted assistance is provided in Math and ELA for students that are demonstrating difficulty mastering the curriculum. Targeted interventions are provided both during the school and after school. Finally, targeted interventions are provided during summer months to help students be better prepared for the next grade level in both ELA and Math in the middle school grades.

During the 2019-2020 school year, we piloted HMH Literacy Solutions. This will allow for consistent Tier 1 instruction throughout the district.

The district will provide an EL teacher for summer school to assist with EL students. During Kindergarten Kick-Off, an EL teacher will work to help with families and students going into kindergarten materials such as Wilson Language and Scholastic Book Club for ESL classroom were purchased.

Response from the FY20 Consolidated District Plan:

District continues to implement Reading Recovery. Reading Recovery is a short-term intervention for first graders having extreme difficulty with early reading and writing. Specially trained individually with students in daily 30-minute lessons lasting 12 to 20 weeks. After a full series of lessons, about 75% of these students reach grade-level standard. Reading Recovery is a non-long-term commitment. Teachers in Reading Recovery training engage in a week-long assessment training, complete quarterly coursework, and use their coursework to immediately teach at the recovery trials observe the teacher in training at least three times during the year.

4. Time of placement change
5. Type of transportation available (yellow school bus, taxi cab, First Division vehicle, etc.)
6. Traffic patterns
7. Flexibility in school schedule
8. Impact of extracurricular activities on transportation options
9. Maturity and behavioral capacity of student

B. The following low-cost/no-cost options should be considered when developing the transportation procedures:

1. Pre-existing transportation route
2. New transportation route
3. Route-to-Route hand-offs
4. District-to-district boundary hand-offs
5. Eligibility of the student for transportation to or from other services such as, but not limited to, Individuals with Disabilities Education Act (IDEA)
6. Alternatives not directly provided by the district/school such as:
   - a. Contracted services - taxi's, student transport companies, etc. - see note below
   - b. Public transportation such as city buses, rails, etc.
   - c. Carpools - see note below
   - d. School/District staff - see note below
   - e. Options presented by DCFS outside of those provided by the district/school, such as reimbursing the foster parents for transportation costs, or including transportation in contracts with licensed child placing agencies or group homes

**NOTE:** A school bus driver permit is REQUIRED for these options! IMPORTANT: All drivers transporting students (other than parent/legal guardians transporting their own students) in First Division vehicles MUST possess a valid school bus driver permit per Sect 6-104(d) of the Vehicle Code. THIS INCLUDES TAXI CAB DRIVERS.

**REMEMBER:** A multifunction school activity bus (MFSAB) can NEVER be used to transport home-to-school or school-to-home [625 ILCS 5/1.148.3a-5]

C. The following funding options should be considered when developing the transportation procedures for a student in foster care:

1. Title IV-E of the Social Security Act if the student is eligible
2. Title I of the ESEA of 1965 as Amended by ESSA (except that funds reserved for comparable services for homeless children and youth may NOT be used for transportation)
3. IDEA funds, if the student has an Individual Educational Program (IEP) that includes provisions for specialized transportation
4. State special education transportation funds, if the student has an IEP

1. Describe the process for determining how transportation will be provided to students who qualify, including the position of all individuals involved in the process.

   Be sure to include the factors that shall be considered when developing the transportation procedures for a student in foster care.

   For your convenience, the FY20 approved response is provided below. It may be copied and modified to address the Foster Care Transportation Plan needs.

   DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above', or n/a as this may delay the submission or approval of your plan. Title 1 director/coordinate

   Local Education Agency (LEA) Point of Contact (POC)

   McKinney-Vento liaison (consultation purposes)

   Representative from transportation department

   Representative from Child Welfare Agency (CWA)

   When a student is placed in foster care or changes residence while in foster care, the CWA worker must notify the principal. If the new residence is not in the same school zone, the LEA POC must notify and invite to participate in the best interest determinations (BID).

   Upon receipt of the invitation to participate in the BID, the LEA POC notifies the school of origin (SOO) transportation designee.

   The LEA POC should provide the student has an IEP with specialized transportation.

   The IEP transportation designee identifies the potential ways that the child could be transported if the BID results in a decision to maintain the current school enrollment. This information is given to the LEA POC to include in the BID.

   The CWA worker, LEA POC, and other essential members of the BID share their information. The joint decision is made by the CWA worker and the LEA POC.

   If the BID decision is that the student will remain in the current school, the LEA POC notifies the SOO transportation designee, who then assists the CWA worker in arranging transportation to and from school.

   If Decatur Public Schools can offer an exciting means of transportation at no additional cost, the CWA will not be charged.

The LPA C, CWA worker and transportation director would work collaboratively to come up with a means of transporting student during the dispute process. This could include:

Pre-existing transportation:

- New transportation route
- Route-to-route hand-offs
- District to district boundary hand-offs
- Specialized transportation offered to other student can be accessed, such as:
  - Special education
  - Alternative education
  - Magnet school
  - McManus-Veron transportation
  - Existing specialized transportation can be modified slightly to accommodate the new address.

Decatur Public Schools (DPS) may identify alternatives not provided by the school district that the CWA could access or that DPS would be willing to assist in accessing (this could be facilitated arrangement or providing the transportation and reimbursed) such as: Cab's or other contracted transpor; public transportation

The CWA worker also should explore options outside of the provided by the school district, such as reimbursing the foster parents for transportation costs or including transport in contracts with CWA placements and group homes.

BACKGROUND INFORMATION:
The district currently uses Exacq Vision as the security camera software. The video search functionality requires lengthy time to locate specific footage.

CURRENT CONSIDERATIONS:
This purchase would upgrade the physical camera servers in each building as well as upgrade the software that runs the security cameras. Vaion is a video management system that assists in identifying anomalies, provide intelligent alerts before threats escalate, and improve safety by leveraging occupancy data. Vaion software employs artificial intelligent to proactively notify district leadership of unusual events. This software can reduce the investigate time spent by school personnel by using machine learning to search and resolve incidents.

FINANCIAL CONSIDERATIONS:
The total cost of the Vaion software is $155,940.00. This will be paid from the 2020/2021 IT Budget.

STAFF RECOMMENDATION:
The Administration recommends that the Board of Education approve the Vaion Security Camera Software in the amount of $155,940.00 as presented.

BOARD ACTION: ___________________
OVERVIEW

Vaion is pleased to submit this proposal to support the DECATUR School District’s desire to standardize and consolidate DECATUR’s surveillance servers and software across sixteen primary locations.

The Objectives
- Improve situational awareness
- Gain better insight and control of school district assets through improved situational awareness
- Drive efficiencies into school operations
- Provide access to surveillance footage via a browser or mobile device securely for administrators and first responders.
- Reduce risk of claims/litigation
- Prevent active shooter and other threats through improved situational awareness
- Enhance the ability to deliver extended community services

Introducing Vaion

Designed with scalability in mind, Vaion’s platform (Vcore) provides a market leading video management solution that allows threats to be detected and addressed in real time. The system monitors and understands video content; identifies anomalies, classifies, and tracks people, vehicles, and other objects of interest. Vcore, also provides intelligent alerts before threats escalate. What sets Vaion apart from other VMS’s is the use of embedded machine learning to deliver best-in-class experience in real-time monitoring, forensic searches (using existing ONVIF compliant cameras) and full system access via browser for convenient operation to the whole district. Vcore provides insight to daily operations by providing alerts & reports based on district focused rules of counting people & vehicles. With the help of Vaion’s team, implementation of the Vcore platform may provide cost savings as well as safety for students & faculty across the district.

Why Vaion?
- A next generation, analytics embedded VMS platform that is easy to use and less costly to manage. Get a full range of sophisticated insights using existing cameras.
- Enable differentiated access and authentication levels for district executives, school superintendents, principals, security officers and first responders.
- Reduce investigative time spent by educators and/or school districts by using machine learning to quickly search and resolve incidents in minutes (versus hours).
- Improve safety by leveraging occupancy data; generating insights on loitering, presence of people/vehicles at anomalous times/days of week, and line-cross counting applications for special events.
- Ensure operational analytics and data is made easily available to DECATUR School District resources and first responders for fire-safety, active shooter trainings, and tighter management of events on school property.
- Provide real-time insights to student behaviors (running in halls, fighting, theft, smoking, etc.),
- Employ artificial intelligence to proactively notify district leadership of unusual events and policy violations.
- Avoid operational fatigue by leveraging AI-based surveillance with improved smart monitoring and intelligent alerts/notifications.
OUR PROPOSAL (9 SECTIONS)

1. Value over Traditional Surveillance
2. Next Generation Insights (Value of People & Vehicle Insights)
3. Future Considerations (Value of Innovative Audio Analytics)
4. Tech Specifications and Requirements
5. Operational Benefits and Outcomes
6. Proposed Architecture
7. Considerations for Improved ROI
8. DECATUR RFP Specific Questions & Answers
9. Conclusion

1. **Value Over Traditional Surveillance**
   Vaion’s vcore allows DECATUR to monitor the number of students and visitors entering the schools with real-time occupancy counts – this includes vehicles in parking lots and bicycles on racks. As seen below, school administration/security officers have a clear view of people/vehicle overlaps in parking lot and the blue (people) & purple (vehicle) timelines. The count/view of cameras are pinned to the right, as needed. The smart timelines allow for quick scrubbing of video with object intelligence from anywhere in the v-core interface. No need to open new windows or supplemental tools.
• Vaion also helps officers and administrators monitor and address potential theft – from missing chrome-books, lost backpacks to stolen bicycles. As seen below, Vaion quickly identifies vehicles including bicycles – whether still or in motion. From there, simply click the search icon and a similarity search will run across all cameras instantly.

![Image of Vaion functionality](image)

• As importantly, Vaion automates monitoring and notification of anomalous events including people (or vehicles) loitering inside or outside school buildings. This can include the presence of suspicious people or vehicle(s) on premise during hours of operation or outside of normal visitation. This is relevant for today’s world of enforcing social distancing and monitoring aberrant behaviors such as vaping or fighting on school grounds. As seen below, Vaion allows for both anomalies and rules for presence of people/vehicles (loitering), people/vehicle counts that may exceed a threshold, and combinations of rules and counting (for example, 3 people in the vestibule during school visiting hours).

![Image of Vaion anomaly alert](image)

• Vaion also uniquely leverages anomalies and simple rule violations to intelligently alert on unusual circumstances. Vcore’s alerts are machine learning based with knowledge of people, vehicles, counts, as well as loitering and line crossing rules. Vaion is not dependent upon
interpretations of pixel and motion changes like most legacy systems. Vaion’s intelligent alerts avoid operator fatigue (less false alarms) and provide notifications via any or all these formats:

- On-screen (spotlight a video view)
  - On-screen (pop up alerts for alarm/event notification)
  - Email/text notifications (with live, secure video link of alarm)
  - Via web-hook to any IT tool such as slack, Microsoft teams, etc. (https://vaion.com/blog/vcore-update-introducing-webhooks/)
  - Or Via app as pictured below

- Use Vcore maps for monitoring flow/movement/presence of students – including assemblies, student’s wandering hallways, active shooter drills, and fire-safety practice. As seen below, only Vaion can provide real-time map views/presence of people/vehicles on a map – including direction/motion/direction.
• Fast Forensics and case management - search quickly for people or vehicles – bookmark footage for further review, download digitally authenticated cases to play in any .MP4 player or send a time bound, password optioned link for outside parties (parents, first responders, etc. as desired). Smart Search™ allows your operators to search by appearance, events, objects, similarity, or image. Recovering lost or stolen objects, such as laptops or vehicles, identifying suspicious people inside or just outside campus, locating missing students now takes minutes instead of hours. With the same or fewer resources, your operators can provide compelling evidence and mitigate liability risks.

• Once a camera system is in place, analytics can be used to become more proactive with intelligent alerts to safety officers and principals – without the false alarms of motion or pixel-based alerts of legacy providers.
• Easily track/identify people responsible for vandalism/graffiti offenses

2. Next Generation insights:
• Vcore natively provides People & Vehicle Counts that are easily leveraged in schools for a number of possible scenarios:
  ○ Fire Safety – how many students and people are in the building in total or in each individual camera view
  ○ Active Shooter planning – identifying which students and people are in lock-down, whom to evacuate and how to track individuals of interest.
  ○ Queue and cashier management in the lunch line – as is shown below in a local market
Identifying fights or inappropriate gatherings via loitering in playgrounds or parking lots

Integrating with vaping sensors for identifying/curbing smoking or other illicit behaviors

Identifying and vetting visitors (presence of vehicles or people) to alert/allow/deny access

Enforcing social distancing guidelines – students/visitors on property and engaging during shutter in place mandates. For example, we see students/parents using school facilities (like basketball courts) without authorization or consent.

People and occupancy counts can be integrated into building management systems for providing better thermostatic control of heating and air-conditioning. This means less money spent on environmental during the school year and dollars saved directly to the bottom line.
In New York, Vaion is grant eligible for RTEM (real time energy management)

- As seen below, a Hope Academy map view pinpointing people, vehicles on a map with enhanced situational awareness. Any icon that violated a rule/policy would turn red on this map view.
• Addressing parental concerns – outside of the above scenarios, principals and educators and provide evidence, as needed to concerned parents and faculty. In the case below, a student is found wandering the hallways unescorted during classroom hours.

• Damage Claims – quickly use similarity search or people/car timelines to check validity of claims of damage to car in bay (before and after). This can include providing time-bound and password protected "evidence" to parents.

• Mitigating Violence and de-escalating bullying. The image below is an illustration of what's possible with counting rules and loitering/presence of students – in this case people in cafeteria but large gatherings and/or aggregations of students in playgrounds could be noted/alarmed. Tracking students exhibiting unusual behaviors (like eating alone during lunchtime) could also be facilitated.

• Locating missing equipment – cleaning machines, forklifts/scissor lifts, etc – can be misplaced and mis-allocated. A small example of using Vaion Similarity search to find cleaning equipment misplaced across a multi-building campus.
3. Vaion Cameras: Value of Innovative Audio Analytics

- The Vaion VMS & Analytics work well with any ONVIF compliant camera in the market. However, there may be instances where the Vaion vcam Dome or Pano camera may be the right choice to augment the surveillance systems in place. Specifically, vcam’s are armed with directional microphones for detecting sound anomalies like glass breaking, loud noises, gun-shots, and screams. The solution is GDPR compliant and doesn’t provide audio surveillance but rather edge analytics. Glass breaking examples provided below.
  a. V-cam detailed information here: https://vaion.com/products/vcam/
- OUR Solution Summarized - As noted in the pricing section, Vaion will offer 16 vcam Domes (or Panos) to have this capability minimally for a main entrance/lobby in each building.

More Education vertical information can be found here: https://vaion.com/solutions/education/
4. Tech Spec’s and Requirements

- Vaion’s architecture and corresponding licensing is simple and elegant. Vaion’s vserver will function and act as one large environment with different levels of authentication and access rights based on user profiles. There are no additional clustering servers required nor are there managementadministration servers required.
- In addition, Vaion’s analytics are all performed in real time across all cameras, all the time. No motion is required to identify people, vehicles or other objects – it just works!
- Since DECATUR asked to provide some installation and process documentation, below are links to setup documents showing ease of implementation:
  a. [https://docs.vaion.com/HowTo/vserver-install.htm](https://docs.vaion.com/HowTo/vserver-install.htm)
  b. [Configure your vserver appliance for the first time](https://docs.vaion.com/HowTo/vserver-install.htm)

- Vaion and Enterprise Security
- To deliver an effective security solution, the system itself must be secure. Vaion has designed the Vaion enterprise security solution to include security in all aspects of design and implementation. This includes:
  a. Using software development best practice and design for the vcore software running on the vserver appliances.
  b. Using software development best practice and design for the software running on the vcam devices.
  c. Careful consideration and selection of all components used within the vcam cameras and the vserver appliances.
  d. Designing, monitoring, and controlling the manufacturing processes used for all hardware and software components of the Vaion enterprise security solution.
- Vaion company background
  a. Vaion Ltd. is part of the Ava group of companies, as is our sister company, Jazz Networks. Jazz Networks is focused on developing advanced cyber-security products, and the two companies leverage expertise to create secure products in the physical- and the cyber-security arenas. Both companies share secure development models and security teams to maintain the security focus on all design and development activities for all products.
  b. See addendum for more information

- Vcore and Vcam Software
  a. Vaion develops the vcore software that runs on the vserver appliances, as well as the software that powers the vcam devices.
  b. The vcore software and the vserver hardware work together and function as an appliance specifically designed for running the Vaion video management system. There is no direct access to the underlying file system for the appliances, and vserver appliances run on a proprietary hardened Vaion Linux distribution, creating a secure platform for vcore.
  c. Vaion controls and uses asymmetric keys for all upgrade images. By checking these signatures before upgrading the vserver or vcam devices, any unauthorized modifications to the upgrade images are rejected, preventing third-party tampering with the images.
  d. Some third-party open source software is used in the Vaion systems, and the Vaion software development procedures ensure that these open source components are maintained to ensure all relevant security patches are installed.

- Certificates
  a. Vaion use encrypted communication channels, such as HTTPS and TLS, for all communications between Vaion vcam devices, the vcore software running on vserver appliances and the Vaion vcloud. These channels are all secured using certificates and private keys.
  b. During manufacture, each Vaion device is preloaded with a certificate and key. These certificates and keys are used to prove the identity of the devices to each other, and to the vcloud. In addition to using the pre-installed certificates and keys, you can also create additional Certificate Signing Requests (CSRs) from your Vaion devices. These CSRs can then be signed by external Certificate Authorities (CAs) of your own choice.
c. To provide secure remote access to your vserver appliance, vcore connects to vcloud to create the necessary certificates to ensure secure communications to vcloud.

- **Authentication and Authorization**
  a. Before a user can access either the vcam software or the vcore video management system, they must first provide authentication information.
  b. For the vcore video management system, users can authenticate against local user accounts, where a hashed and salted password, created using PBKDF2 and SHA-512 to NIST guidelines (see https://pages.nist.gov/800-63-3/sp80063b.html) is stored locally. Alternatively, your users can authenticate against an external Active Directory server.
  c. For vcam devices, all users are authenticated against local user accounts, again, using hashed and salted passwords created using PBKDF2 and SHA-512 to NIST guidelines and stored on the vcam device.
  d. In addition to requiring authentication, vcore users also have authorized access levels, set by your system administrator. Each user is assigned a role, and the access each user has to the vcore video management system is controlled by that role.

- **Credentials**
  a. All credentials in the Vaion software can be changed by the customer — Vaion does not hardcode default usernames and passwords into our products. We recommend that you change the usernames and passwords used to access the vcore software and the vcam cameras.

- **Securing data-in-transit**
  a. Connections between the Vaion video management system and Vaion vcam devices are encrypted to prevent eavesdropping. All communications between vcore and vcam devices, between vcore and the browser being used to monitor camera activities, and between all vserver appliances connected as a cluster are encrypted using HTTPS and RTP over HTTPS.
  b. For connections between vcore and third-party cameras, HTTPS is used to encrypt the connection if at all possible. Video streams from third party cameras use RTP over HTTPS, when available.

- **Vaion also delivers a unique approach to Resiliency, Redundancy**
  a. Digital video surveillance systems, with their 24/7 usage, and near continuous writing of video data to the hard disk drives, place greater demands on the performance and reliability of the drives than almost any other type of data storage workload.
  b. All Vaion vserver appliances include multiple, high capacity surveillance-grade hard disk drives to ensure the best possible reliability of the drives to store your video data.
  c. To prevent issues caused by a failing drive, Vaion uses a technique called **adaptive block level erasure coding** to store data across multiple disks. This technique is superior to traditional RAID solutions as it provides much greater flexibility and performance, giving fast and intelligent parity reconstruction, and dynamic block-level storage overhead.
  d. With the Vaion built-in encryption, all video data stored on your hard disk drives is encrypted.
  e. Vaion developed the patented adaptive block level erasure coding method to ensure that important data is not lost in the event of a hard disk drive failing. In a similar method to RAID 5 and RAID 6, erasure coding involves creating additional parity data that is stored alongside the original data. This parity data can then be used to recover the original data if it becomes lost. The Vaion storage system by default operates at the following parity levels:
    - **2 disks**: Data mirrored,
    - **3-5 disks**: One parity block,
    - **>=6 disks**: Two parity blocks

Within the Vaion vcore software, every piece of video data to be stored is split into multiple data fragments. From these fragments, additional parity fragments are calculated, and then stored across multiple drives.
The number of parity fragments corresponds to the number of drive failures that can be tolerated before the data becomes lost. If one or more drives fails, the data from the failed drives can be rebuilt from the remaining fragments. This is done by reading the available fragments from the remaining disks. The missing fragments are reconstructed using the parity fragments and the remaining data fragments, and then the original data is restored by combining all the data fragments.

In traditional RAID arrays, there is no understanding of the data stored on them, and so on a disk failure, the entire array is rebuilt — a very slow and wasteful process. Assuming 10MB/s of reserved performance for reconstruction, in a RAID 5/6 array, it requires 4.5 days to rebuild a 4TB disk. During this time the array operates in a degraded mode and is vulnerable to subsequent failures. If the system is operating on a 7-day retention period, most of that rebuild is wasted. Alternatively, using RAID 10 gives easy rebuilds and good performance, but at a cost of wasting 50% of the available storage.

With Vaion adaptive block-level erasure coding, all new data is immediately written to all available disks, ensuring it is at the correct resiliency level straight away. The old data is rebuilt on a newest-first basis, ensuring any unretained data is not wastefully rebuilt, so the overall array performance does not degrade. Vaion adaptive block-level erasure coding provides similar speeds to RAID 10, with the improved disk utilization of RAID 5/6, giving you the best features from each configuration.

**Dynamic parity control** vcore carries out the erasure coding in software, and dynamically responds to disk failures by either preserving or changing the parity level. For example, when a single disk fails, the total number of fragments is reduced by one, and the system can either reduce the parity level, or start splitting the data into fewer data fragments to keep the same parity level.
For example, if there were 7 drives available, the data could continue to be split into 6 data fragments and 1 parity fragment. This means that data stored after a single failure can still be as resilient to further failures. This is not the case for RAID systems, which always reduce the resiliency levels when a drive fails.

The Vaion system can also dynamically vary the parity level as it stores data. It can do this based on a range of factors, allowing the system to record the most important data with additional resiliency, and less important data with lower resiliency. For example, less important data could be stored with 2 parity fragments, and more important data with 3 parity fragments.

**Conclusion** - All Vaion appliances include state-of-the-art hard disk drives specifically designed for use in digital surveillance systems. On top of this Vaion’s own adaptive block-level erasure coding process ensures that the video data saved onto the hard disk drives can be stored and rebuilt in an intelligent and efficient manner. The combination of these features ensures that in the event of a one or more disk failures, your video data is protected so that when you need it, you can rely on Vaion to have your video data available.

7. Considerations for improved ROI

Vaion is the best physical security platform using embedded intelligence/analytics in the marketplace today. A true end-to-end solution from camera to server to software and support with flexibility to adapt to DECATUR School districts unique budget cycles and accounting requirements. Energy efficiency (noted above) is just one area where Vaion delivers meaningful insights to help the district save money every school year. We are confident Vaion alone can deliver the operational insights that school districts need to improve student services and present valuable insights in the exact moment they are needed. Our forensics will also help reduce risk and simplify forensic/case processes.

BACKGROUND INFORMATION:
The Microsoft 365 agreements covers our districts .ORG email service, Active Directory integration, Windows 10, and other services. Our district was granted a one-time extension last year. The new licensing model is based on the number of qualified education users with an Office 365 account.

CURRENT CONSIDERATIONS:
With the expiration of the one-time extension, we need to migrate to the new licensing model by processing this renewal. In order to continue use of the services, this needs to be completed before the service expiration of 6/30/2020.

FINANCIAL CONSIDERATIONS:
The cost of the Microsoft Office 365 Licensing Renewal will come from the FY21 IT budget.

STAFF RECOMMENDATION:
The Administration respectfully requests the Board of Education approve the Microsoft Office 365 Licensing Renewal in the amount of $91,550.06 as presented.

ROLL CALL
ITEM L.
THE HOWARD G. BUFFETT FOUNDATION

June 15, 2020

Decatur School Board
101 West Cerro Gordo St.
Decatur, Illinois 62523

Re: Johns Hill Park Renovation Project

Enclosed is a proposal (the “Proposal”) to construct renovations and improvements to the Johns Hill “Park” located on property owned by the Decatur Public School District (the “Project”). This proposal is part of a larger investment by the Foundation to improve the neighborhood adjacent to Johns Hill School. If the board is interested in this proposal, please consider this Proposal, and accompanying site plan, for approval at the next public meeting.

The Park is owned by the Decatur Public Schools and is adjacent to and serves the Johns Hill Magnet School and surrounding neighborhood. In developing the plans for the Project, we emphasized improvements that will foster neighborhood activities to promote community development and revitalization of the neighborhood in general. The Proposal includes all site work and utilities to resurface the existing parking lot, install a new 40-stall parking lot, sidewalk paths, lighting, a pavilion structure with restrooms, re-surfacing existing tennis courts, a baseball/softball field, two lighted basketball courts, and additional landscaping.

The Foundation offers this design-build Project as a gift to the Decatur Public Schools. The Foundation engaged Romano Company of Decatur to design the comprehensive plans for the Project contained in the Proposal. If the Proposal and site plan are approved by the School Board, then by signing this letter, the Board agrees to engage Romano Company to construct the improvements shown in the Proposal. The Foundation will fund the entire Project, as outlined in the proposal, paying Romano Company directly for all design and construction costs. The School Board agrees there will be no changes to this proposal unless agreed upon by both parties in writing. The School Board also agrees to help facilitate a smooth and expeditious completion of the Project by ensuring the “Park” construction site and the “School” construction site are properly distinguished.

The Decatur Public Schools will enjoy full ownership and assume responsibility for maintenance and operation of the improvements as soon as the Project is completed. After completion, the commitment by the Foundation and Romano Company to build the Project will be fulfilled, and neither party will have further obligations or responsibilities.

To proceed with the Project, we ask that you sign this letter below and provide it to the Foundation to confirm and agree that the Decatur Public Schools owns the Johns Hill Park area and has approved the project through the normal open meeting process. By approving, this proposal, the School Board is agreeing for the Project to be completed at the Johns Hill Park on the terms outlined in this letter, including the use of Romano Company to design and build the approximately $3.5 million Project at the Foundation’s cost.

As follow up to the original discussion surrounding the overall Johns Hill Neighborhood Revitalization Project, we also ask that a copy of the approved attendance proclamation change for Johns Hill Magnet School be returned with the signed copy of this letter.

We will proceed with this project once we receive the signed copy approving this proposal and the adopted proclamation referenced above.
By signing this letter, the Decatur Public School Board gives Romano Company permission to perform the work, as described in the approved plan, on Decatur Public School property.

Best regards,

<td>Mr. Taylor asked if three (3) to five (5) percent was typical for MBEs participation. Mr. Hickey replied, yes it is typical.</td>

<tr>

<td>There was a disappointing turnout of MBEs participation.</td>

<tr>
<td></td>
<td>Mr. Taylor asked if the bids were re-opened, would the MBEs results be different. Mr. Hickey replied no and we could possibly lose some current contractors.</td>

<td></td>
</tr>
<tr>
<td></td>
<td>Mr. Taylor asked if there were any legality risks if there was a re-bid. Attorney Braun replied yes. If the low bidder was determined and Board approved, the low-bidder’s bid would have been exposed to their competitors. This has caused low-bidders to pull out completely because of the exposure.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Vice President Carson asked how many sub-contracting jobs did O’Shea Builders bid. Mr. Hickey replied that it depended on the school and typically about five (5) different packets, which considered different project bids.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Vice President Carson asked if MBEs were searched first or at the end. Mr. Hickey replied first with community outreach and announcements alerting them that the projects were coming and again, approximately four (4) weeks prior to the bid date (informational meeting). MBEs do not typically bid on all of the project bids.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Vice President Carson noted that O’Shea Builders had done what was expected as it related to having conversations regarding MBEs. However, O’Shea created the numbers and had the opportunity to bid on the jobs. Mr. Hickey replied as Construction Manager, they were obligated to produce the most accurate estimates for the project to make sure they did not over design. The benefit of knowing the project can be good and risky.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Mr. Oakes asked if there were MBEs that did not win a bid and would it be customary for them to tag along with a larger contractor. Mr. Hickey replied yes and yes. The only bid packages they received from MBEs were regarding the painting projects; they were considered prime bidders (turn in all required documentation and submitted to win a contract for that particular bid package). The second tiers would assist with increasing the MBEs percentage.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Vice President Carson asked if the District would reach the work force goals. Mr. Hickey replied that he was very optimistic, but it would be up to the sub-contractors that won the bid to reach out to minorities. <tr>

<td>• Mrs. Briscoe asked if there were any other entities/municipalities in the state that met the 10% for MBEs. President Nolan replied that we must compare with other school districts. Mr. Hickey replied that he was not aware of any other state or schools that achieved that goal percentage. When requirements are in play, the subcontractors would bid the project with the MBEs required in order to satisfy that requirement (percentage established).</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Mr. Taylor asked if the policies goal was impossible. Vice President Carson replied that the MBEs percentages were higher during the High School Renovation Projects.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Mr. Oakes asked if he knew the numbers from the Champaign School District projects. Mr. Hickey replied no and they did not reach their goals, which were less than DPS’s goals. Vice President Carson noted that we need to focus on projects that did work with MBEs instead of those that did not. Mrs. Briscoe noted that the District should have researched other entities that were getting it done and accountability should be with our own team.</td>

District Property Real Estate Analysis

Chris Harrison, Representative from Main Place Real Estate, presented a review and analysis of some properties in Decatur Public Schools (see attached) as follows:

- Tapestry Segmentation of Neighborhood
- Property Specs – Zoning – Demographics
- SWOT Analysis for Property
- Recommendations

The properties that Mr. Harrison reviewed were Durfee, Garfield, Stevenson, Southeast, Oak Grove, Keil, PDI and Tech Academy.

- Durfee: Market for a period of twelve (12) months and if no candidate, move towards demolition. The size would be a challenge for re-development.
- Garfield: Market for a period of twelve (12) to eighteen (18) months. There is some potential for re-development and/or re-purposing.
- Stevenson: Market as a development property or sell “as is.” This property has the best opportunity for commercial re-development.
- Southeast: Market as potential expansion for HSHS. If no interest, move towards an open market for a period of twelve (12) to eighteen (18) months. It is well maintained, but needs some replacements.
- Oak Grove: Market for a period of twelve (12) to twenty-four (24) months. This building has potential for multi-family re-development and/or senior housing and/or other agencies.
- Keil: No market beyond its existing purpose and re-purposing is unlikely. Continue the current use of the building and make justifiable repairs, as needed.
- PDI: Continue the current use that benefits the District and re-evaluate for possible additional services.
- Tech Academy: No strong market value, due to location and office spaces. Continue the current use that benefits the District.

President Nolan thanked Mr. Harrison for the thorough presentation, as some properties do not have much value. She asked Dr. Todd Covault, Chief Operational Officer, to explain the process for releasing a building. Dr. Covault replied that in the IL School Code (105 ILCS 5-22), the Board of Education is required to put the buildings up for auction. The District will set a minimum price on the bid and if no success, a building can be marketed through real estate with the minimum price that was previously set.

Mr. Oakes noted that this would not happen quickly.

Attorney Braun noted that school districts have difficulty selling buildings because they are hard to re-purpose. It can cause the District to be in a standard real estate environment.

The Board of Education has the authority to sell to another intergovernmental body by doing an agreement; land swap is possible too.

President Nolan noted that many of the discussed buildings would not be vacated until the BOLD Plan was completed in 2021; Durfee is an exception and possibly Southeast.

At this time, there was no owned District property that would accommodate the consolidation of Keil, PDI and Student Services (administrative functions) under one roof. Mr. Harrison noted that there would be a concern with vacating three buildings to one building. What would the cost be to consolidate to that one building? It would be difficult to consolidate without going into a new structure.

The Board of Education will re-visit this discussion and the next phase of the BOLD Plan.

Mr. Harrison noted that Stevenson and Garfield were the best for market at this time.

| Johns Hill Area Project | Vice President Carson and the Board of Education discussed the Proclamation Support of Johns Hill Area Project (see attached). Vice President Carson noted that conversations took place with the Howard G. Buffett Foundation and the Southside Community Improvement Project Members regarding growth and re-development in the Johns Hill Park area and its surroundings/community (Cantrell Street to Jasper Street to Wood Street to Martin Luther King Jr. Drive). The Board of Education had committed to providing access to those that live in that neighborhood to attend Johns Hill Magnet School, if they desire, however, they must go through the magnet process. President Nolan thanked Mr. Buffett and his generosity along with Vice President Carson’s commitment and passion for this neighborhood. | Information and Consensus. |

WHEREAS, collaboration on this development project will benefit the entire Decatur community;

THEREFORE, We, the Decatur Public School District #61 Board of Education, do hereby proclaim our support for this partnership with the HOWARD G. BUFFETT FOUNDATION and this project for the betterment of students and the Decatur community.

DECATUR PUBLIC SCHOOL DISTRICT #61 BOARD OF EDUCATION

The consensus from the Board of Education was to support the Johns Hill Park Area Project (7 aye and 0 nay and 0 absent).

Vice President Carson thanked Mr. Howard G. Buffett for his generosity and all that he does for the Decatur community.

Supt’s Report First Read: Middle School Athletic Handbooks

Joe Caputo, Athletic Coordinator, presented a first reading on the Middle School Athletic Handbooks (see attached).

The handbook will be submitted for approval during the June 23, 2020 Board of Education meeting.

Mrs. Creighton thanked Mr. Caputo, SuEllen Mackey and others for their hard work.

Possible Fall Educational Plan

Superintendent Fregeau presented a Possible Fall Educational Plan (see attached).

There will be a template of a plan completed by June 19th, but the administration anticipates additional guidance and/or changes from the Illinois State Board of Education (ISBE). The administration will have a final plan by late July 2020 so that the District could adjust accordingly. However, there could be changes beyond the District’s control from ISBE. ISBE realize they need to provide guidance with flexibility in a timely manner for the upcoming school year. Additional guidance will be forthcoming.

The Board of Education will receive updates from administration.
___TOPIC______________________DISCUSSION_____________________________ACTION______

Public Participation

President Nolan noted that during Public Participation, the Board of Education asked for the following:

- Any public comments received will be read during this time.
- Public read comments will be limited to 3 minutes.

For our listening audience, please note that during any Board of Education meeting and public participation, Board Members do NOT respond and/or comment to public comments. Furthermore, the Board refrains from referring to specific students or staff members by name, and requests that public commenters refrain from doing so as well.

Lida Newsom, former DPS employee, public comment was submitted and read to the Board of Education. Ms. Newsom stated that the Teacher’s Union was trying to stop plans that were in the best interest of the children and the overall improvement of the District. In the past, they wanted to get rid of the Specialist. The District should continue its mission and passion.

Molly Miller, DPS employee, public comment was submitted and read to the Board of Education. Ms. Miller stated that her past twenty years consisted of ups and downs. The elimination of the instructional specialist roles and displacement of all specialists back to the classroom was a hit. There is a huge teacher shortage and we were told that there would be reorganization of PDI. After hearing the proposed reorganization of PDI, it is now evident that teacher shortage was not necessarily the driving force for displacing the specialists. She felt undervalued as DPS employee, due to some previous remarks. She agreed that students deserve nothing but the best, however, to give our students the best, we have to attract the best candidates and we are not attractive at all.

Steven Luker, community member, public comment was submitted and read to the Board of Education. Mr. Luker stated that the name changes to school buildings were confusing and seemed unnecessary.

Krystina Petitt, President of the Decatur Education Association, public comment was submitted and read to the Board of Education. Mrs. Petitt asked the Board of Education if they were editable. Each of the seven (7) unions were used to having an indispensable relationship with the BOE and Central Administration. There had been attempts made for DEA and DPS to meet with no success. During the BOE elections, two questions were asked:
1. Would they be open to meeting with union leadership on a regular basis?
2. If elected, how would they foster a positive relationship with the unions?

The union trusted in their abilities to lead them down an uncomfortable but necessary path, but not at the sake of losing so many employees. She asked if they were ready to be a part of the solution that makes ALL employees feel valued, are their decisions and actions positively impacting the students and staff of Decatur Public Schools and were they editable.
### Public Participation

Susie Niesman, First Vice President of the Decatur Education Association, public comment was submitted and read to the Board of Education. Ms. Niesman stated that she had a heavy heart and was disappointed. The Board and Central Administration were creating a toxic environment and refuse to collaborate with the teacher’s union, which is impacting the students of DPS. She disagrees with the route the Board was taking in order to set clear, ambitious academic goals that will provide a quality education to every student, however, she agrees with the goals. They unilaterally removed instructional specialists and reading recovery teachers from their positions. The Board agreed to pay substitutes filling a vacant position at Hope and Stephen Decatur a dollar amount that was above and beyond a certified staff on Step 19. She asked the Board to work with the association to come up with a revised salary schedule that values the certified staff they have recruited and wish to retain.

### Announcements

The Board of Education sends condolences to the family of: Wyatt N. Tapscott, who passed away Sunday, May 31, 2020. Wyatt was the son of Scott Tapscott and nephew of Phil Tapscott, employees in the Maintenance Department.

### Important Dates

Dr. Todd Covault 05/31/20
**BACKGROUND INFORMATION:**
When the Naming Committee presented its recommendation at the January 14, 2020, Board of Education meeting, an “s” was inadvertently added to “Dreamers” in the name recommendation for American Dreamer STEM Academy. “American Dreamer” was the intention of the student who suggested the name. “American Dreamer STEM Academy” is the name that was voted on and approved by the school community.

**CURRENT CONSIDERATIONS:**
Per DPS Policy 4:150 – Facility Management and Building Programs, “Any request to name or rename an existing facility should be submitted to the Board. When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with the supporting rationale, to the Board. The Board will make the final selection.”

**FINANCIAL CONSIDERATIONS:**
None

**STAFF RECOMMENDATION:**
The Administration respectfully requests that the Board of Education approve a Correction to the Renaming of American Dreamer STEM Academy.

Enclosed within this Middle School Athletic Handbook you will find information from I.E.S.A. The documents include membership registration, eligibility, future standardized dates, athletic and officials contracts. Please refer to the I.E.S.A. website for information and dates pertaining to the current year.

Also, within this handbook you will see forms from the business office. Please check with the business office with any questions concerning orders, opening or closing revolving accounts, and other monetary responsibilities.

Many forms throughout the handbook concern events, communication, awards, and other items. These are suggestions on keeping track and organizing the athletic events throughout the year. You may find you want to develop a system that works best for you and your school.
SCHEDULING EVENTS / WORKERS

When scheduling contests and officials, enter all information necessary to the task correctly. Rely on the IESA Standardized 10 Year Calendar that has week numbers included to help ensure you are scheduling the dates accurately. This process is referred to as “coinciding home/away dates”, which means you will always play a contest on a specific day of the IESA week calendar. Example: in 2019, girls’ softball Franklin vs. Roosevelt was played 8/17/19 at Franklin. In subsequent years, this game will always be played on a Wednesday and in IESA week number 5. When it is scheduled for the following years, home sites will be alternated but it will always be scheduled for the Wednesday of week 5. Please pay attention to the day and the week number. Please double and triple check to ensure that all data are correct before schedules are distributed to the coaches and public. Once dates are secured, it is vital that contracts are sent to your opponents and officials to double check data entries with all parties involved.

A game contract is created using the form that is available on the IESA website: www.iesa.org Fill in the necessary information, print two copies and sign both prior to sending to your opponent and officials. Request that one of the copies is sent back to you as confirmation of the event. You may hand write “RETURN” on the top of the contract.

You are responsible for securing game personnel to work home events including:

1. clock/timer
2. score keeper
3. ticket taker(s)
4. libero
5. security (optional depending on the nature of the contest and its location)

The above are paid positions that require the athletic director to complete a time sheet (to authorize payment). Do not pay game workers from the Athletic Revolving Account check book or the cash box from gate admissions. The employee name and ID number are required on each time sheet. Time sheets are blue, and the building secretary will assist you in securing them. Five dates should be entered before sending the time sheet to payroll. Fill in all entries on the time sheet and have the building administrator sign off on each home game time sheet next to the “total time” column. Use the following account codes for payment of game personnel:

- **GBB** 10- (your building #) -1560-0502-0-140
- **BB** 10- (your building #) -1560-0502-0-140
- **VB** 10- (your building #) -1520-0511-0-140

These are all accounts that will appear on your monthly district budget sheet and you will be able to track expenditures with the amount budgeted for each sport.

Create a home schedule document that shows who is working and what job will be performed. If you create an EVEN year home game database and an ODD year home game database, it will make things much easier, because
all you will have to do is change the date from year to year. The home game schedule will not change unless you add or delete opponents from the schedule. *(See examples).*

Athletic Director

Principal
Good afternoon and welcome to Home School, the home of the Mascot. We would like to extend a special welcome to the parents/fans, players/coaches from Visiting School. Good luck to everyone this afternoon!

It is our expectation that all fans will conduct themselves, at all times, with a level of sportsmanship and respect that expresses positive support for your team. Swearing or negative comments directed toward the opposing team, coaching staffs or officials will result in an immediate invitation to leave our facility. Adults, please remember that you are the role models for our children and the athletes. Again, we are here to cheer FOR our teams, not AGAINST anyone. Thank you and enjoy the game.

Now for the starting line ups:

First, our visitors from Vising School

Playing Time: Each quarter (match) will be **20 minutes** in length.

*All official game time will be run by the officials on the field.

A **traveling trophy**, brought by last year’s champion, will be awarded to the winning school. *There will be no playoffs for ties in quarter play.* Should two schools have identical win-loss records, the school which defeated the other during their quarter match (head-to-head) shall be declared the winner. In the event of a tie (at this point), a “shoot-out” will be held to determine the winner. Each team will designate strikers and one goalie for the shoot-out; they will remain in those positions until a winner is determined.

*Since we will not be hiring police for this city event, please have a Building Administrator at each of your school’s 20-minute games (in addition to the Athletic Director). *A copy of this document is being e-mailed to each building Principal, so they know your team’s schedule. Each Middle

TRANSPORTATION

You are required to secure transportation for all athletic teams to arrive at the opponent’s host site. (No bus will be used for inner city games unless game times start prior to 6:00 p.m.) All bus trips must go through a request process that starts with the athletic director setting times/dates/destinations for all away events. This includes all post season tournaments. The district has a limited number of busses available for use after school. All bus requests must be turned in to the building secretary at the end of the school year for the next school year’s bus requirements. A document has been included for review and use for future reference.

Be sure to include:

- sport
- date
- day
- destination
- pick up and return times
- number of riders
- account codes for sport (these are split by gender)
- When setting post season bus trips, include all information above and fill in TBA for destination. Be sure to include all possible dates that the team might play. It is always easier to cancel than to scramble and attempt to secure a bus at the last second.

After all busses have been requested for the next school year, double check the slips that are sent back to you to ensure all information is accurate. Call the bus company the day prior to a scheduled trip to confirm the bus. (Alltown: 217-855-0615)

In some cases, a bus is not necessary, and you can secure a district van for transportation of seven or fewer athletes, with the coach as the driver. This is a simple process if a bus is already secured. Contact the district transportation office (Keisha Holliday, 362-3026 ext. 012009) and ask to switch your original request of a bus to a van. This saves the district money and it frees up a bus for a larger group. (See document included for specific directions of district van usage)

Please be sure the coach has a copy of the District/Parent sign-out sheet prior to leaving the building for an event for parental release of students choosing not to ride district provided transportation back to their home school. Each parent/guardian must sign the sheet which provides they will be responsible for transporting the child home after the contest. No athlete may ride with anyone other than his or her own parent/guardian. In all other cases, the athlete must use district-provided transportation. Keisha Holliday, 362-3026 ext. 012009, is the contact person for all transportation issues.
**fieldtrip Quick Reference Guide**  ver. 3.02.68

The Electronic Field Trip (eFieldTrip) system is a Web-based program for computerizing your field trip transportation. It allows schools and district office personnel to request field trip bus transportation and allows transportation personnel to approve or deny such requests.

https://dpseltweb.dps61.org/edulog/eFT/

The login screen will appear. Enter your **username and password**.

You will be prompted with a launch pad providing you access to various features of the e-Field Trip program.

**Requesting a Bus**

1. Click on **Create Request** button on the launch pad.

2. Under **Groups Serviced**, select the **Group Name** (The group responsible for paying the invoice), input account # to charge.

3. If splitting expenses with another group(s), enter the split percentage. Click the **OK** button.

4. **General Info**, insert accurate information for passengers, vehicle type and # of busses needed.

5. **Purpose**, UD label Num and UD label Char will be blank. P O # will be assigned automatically.

6. Under **Trip Legs**, click the **Destination** button. A default Origin was entered when you clicked the **Add** button (Step #2). If the Origin is incorrect, click “**Origin**” left of Origin name to select a different origin.

7. Check the boxes “**Bus Wait**” and “**Overnight**” as needed.

8. **Destination**, list will appear, scroll thru list or…

9. Click in the field “Location Name,” type the first 1 - 3 letters of this leg’s destination and click the **Search** button, or scroll through the list to find the desired destination.

10. **Always scroll through all available options before making a selection.** Newer entries to the database may appear at or near the bottom of the list. You can resort the list by clicking the Header of the column.

11. When you find the appropriate destination, click to highlight it and click the **Select** button. Your selection will appear in the Destination box.

12. Select the **Depart Date** and **Depart Time**; The date and time to leave the origin of this Leg. If the trip is **NOT** an overnight trip, the **Arrive Date** will be the same as the Depart Date. Enter the approximate time the bus is to **Arrive** at the destination of this Leg.

   Example: If you are going across town to football game, do you want to arrive in time to see the first Kick Off? Of course! Then you need to **guesstimate** the time to leave home and the time you need to be in your seat.
13. Double check to see that you ordered # of buses/vans needed to transport all passengers.

14. Double check to see that you entered correct # of Wheelchairs that need to be transported, if needed.

15. Double check the # of Adults that need to be transported.

16. Double check # of students requiring Spec Needs (transportation needs such as harness/car seat, etc.)

17. Double check that you entered the correct # of Students (High School and/or Elementary) to be transported. Do not include students who will be in the Special Needs count.
   Note: Look at the total number of passengers as the bus Capacity needed.

18. To create subsequent trip legs, click the Add button and repeat steps 9 through 19 as appropriate.

19. Confirm all trip legs are displayed in Trip Legs of Destination Info. (and return trip info if applicable)
   If finished, click the OK button.

20. Enter any Objectives (optional). This can help others if reviewing or auditing trips at a later date. It also provides space to promote your trip for approval.

21. Under “Comments / Instructions”, enter any comments or special instructions. You may use this section to advise the driver to go to specific location (Flagpole) to pick up passengers, or advise of any transportation requirements for students with special needs, review Safety rules with passengers, etc.

22. Click on “Save Request” to return later and complete it or if you are going to be away from the computer or Field Trip program for a while. If the program times-out due to inactivity, the request will be lost & will have to be re-entered.

23. If finished, click on “Submit Request”

24. An email of the request will be sent to the appropriate person for approval.

   Password is edul0g – you will need to use #0 and not letter o.

AWARDS / CEREMONIES - @ School Discretion

The middle school doesn’t have a system for athletes to receive letters or patches like the high school program. Instead, certificates are issued and an annual awards night for the 8th grade athletes is held. With your building principal, schedule an evening where both of you are available to host a recognition night. Some buildings do this in conjunction with their annual awards night, while others plan a night specifically for athletics only. (This ceremony could replace the individual 8th grade nights that are held for the indoor sports. Your outdoor athletes and spring track athletes get left out when single indoor sport nights are held. It is rare that anyone ever does a ceremony outside for athletes.) Be sure to invite the parents of the athletes and allow the families sufficient notice to make plans to attend.

Options:

1. family photos (5x7)
2. flowers
3. potluck dinner- families bring in a dish to share and the athletic director/principal purchase the meat
4. athlete introduction / certificate presentation ceremony
5. video presentation of the activities and athlete photos

Coordinate the event with other building activities and the building principal to ensure there are no conflicts for the athletes. The 8th grade coaches should attend so they can talk about the season and speak about each athlete on an individual basis. Some schools do a family photo prior to the start of the event, others have potluck dinners, and some provide flowers for the athlete. It is up to the athletic director and principal as to how you recognize sports and athletes. Coaches should be encouraged to hold a dinner, or gathering at the conclusion of the season. The dinner is in addition to the end of year 8th grade program.

The cost of the photos can be covered by one of your all sport supply accounts or your athletic director supply account. Get a quote from the photographer and then place a requisition with the building secretary and confirm which account will be used to cover the cost of the 5x7 photo. The photographer and athletic director must keep track of how many photos are taken and give that information to the building secretary to finalize the requisition at correct cost.

If you choose to do flowers instead of family photos, you can place the order with a local florist and write a check from the revolving account checkbook. Keep the printed receipt of the flower charge and turn it in with your expenditures at the end of the semester when you submit the end of year close out of finances.
8th Grade Recognition Night

I am planning a recognition night for all 8th grade Fall/Winter/Spring athletes on Thursday, April XX, 20XX. The plan is to take a family photo in the gym and then move to the auditorium where each athlete will be introduced with the sport in which they participated. Please plan to be here by 5:15 PM so we can get all photos taken and start the ceremony promptly at X:XX PM.

You will enter the North Café door to have your family photo taken in the gym. After the photo is taken, please proceed to the auditorium for the ceremony.

If you are planning to attend, please take a moment to fill out the information below.

ACADEMIC ELIGIBILITY

The IESA requires that a weekly grade check is completed for every athlete who is on a competition athletic roster. This report must be completed on the same day of each week and athletes must be notified of any failing grade. The IESA determines eligibility considering all grades that are reported on the quarterly report card. The athlete must pass each class in which he or she is enrolled with a grade of D or better. If an athlete has a failing grade in any of his or her classes, the athlete is ineligible the next week and will continue to be ineligible until all failing grades have been raised to at least a D.

Some schools rely on the computer run sheet only to declare athletes ineligible. Other schools go a step beyond that and ask the teachers to turn in a hard copy of grades for all athletes. The latter method will allow the athletic director and coach to catch slipping grades before they become failing grades. Coaches may address grade issues with individual athletes who are showing signs of grade trouble in classes. In some cases, the coach will request a parent conference to help the student athlete improve his or her grades.

Most schools run grades the day before a week concludes, which in most weeks, is Thursday. Some weeks, however, are shorter due to in-service days and holidays. Those weeks’ grades must be submitted the day before the week concludes. The element of eligibility that confuses athletes and their parents is that the measure is always a week behind the week of the contests. The athlete can be showing passing grades by the next Tuesday, but is still excluded from participation due to the failing grades that were recorded at the end of the prior week.

Ex: Grades are turned in Thursday and show that a student athlete is failing a subject, but when the parent looks on Skyward on Friday afternoon, it shows as a passing grade. That athlete is still ineligible for any event the following week. The grade recorded on Thursday is final and cannot be changed at a later date.

The cutoff day must be the same each week and reporting must be consistent.

Once the grades are turned in and the computer grade check run, print the weekly report and retain (in files) as proof of grades. Notify the athlete, coach, teachers and athletic administration. A report of ineligibility should be delivered to an ineligible athlete before he or she leaves the building on the last day of each week.

2.040 SCHOLASTIC STANDING

2.041 All contestants shall be in grades five through eight (5-8) and shall not have passed eighth grade standing. At no time, may a student who is in fourth grade or lower practice or participate with a member school.

2.042 A student shall be doing passing work as determined by the local school district in all school subjects and the school shall certify compliance with this By-Law. Use of a player, contestant, or participant shall be deemed such certification.

2.043 For all IESA activities, athletic as well as non-athletic, passing work shall be checked weekly. Eligibility will be applied to the Monday through Saturday following the week that was checked. Students must be passing each subject each week to be eligible. Grades shall be cumulative for the school's grading period.

2.044 The eligibility check shall be the same day each week unless school is not in session; then it must be taken on the last day of student attendance that week.

2.045 For fall sports, the first eligibility check shall be made following the first full week of attendance at the beginning of the school year. During the succeeding weeks of the school year, the eligibility check shall begin the week prior to the first contest in an activity.
In cases where a contest has been postponed or re-scheduled, the current week eligibility shall be used to determine a student’s eligibility. For example, a contest is scheduled to be played on Tuesday and because of poor weather, the contest is rescheduled for two weeks later. A student who was grade eligible for the originally scheduled game but is ineligible during the week of the rescheduled game is not eligible. Conversely, a student who was ineligible the week of the originally scheduled game and is grade eligible the week of the rescheduled contest is eligible to play.

ATHLETE INFORMATION DATABASE

This database is used as a quick reference for the athletic director and coaches to track physical (medical examination) dates, birthdates, participation fee collection, and sport(s) participation during the school year. Every student athlete is expected to pay a participation fee of $10.00 per sport prior to the first athletic contest. If a parent/guardian writes a check, it must be made out to District 61. Cash is also accepted, but the athletic director must write a receipt as proof of payment. The receipt also serves as a record for the recipient of the cash. Never accept cash without writing a receipt. Any cash received shall be deposited into the school’s athletic account within twenty four hours of receipt.

I.ES.A MEMBERSHIP

Illinois is one of the few states that offers elementary/middle school athletic competitions and provides opportunities to compete at the state level to attain championships through post season tournaments. Through membership in IESA, athletic and academic teams are able to aspire to be state champions and more importantly, the children become better individuals through participation in these sports/activities.

IESA must have correct contact information for your school, so all information can be received, and deadlines met. Some buildings name the building principal as the contact person, while other buildings rely on the athletic director to ensure all information is received and dealt with in a timely manner (so that no deadline/entries are missed).

Each year you will be required to renew your school’s membership in the IESA. This is a process that is completed online using the IESA website. www.iesa.org. This website is your resource for accessing information regarding athletics. Your school has been assigned a login and password to enter the member center. You may need to contact the IESA to receive your password. The member center is the bright red tab at the top left section of the IESA homepage. (See examples as to how to complete the renewal process and what accounting codes will be required from the district business office.)

You are required to attend an annual divisional meeting that is conducted live on the IESA website. You will receive email reminders of such meetings and will sign up for a specific time and date that works with your calendar. This is a mandatory meeting you must attend annually to keep your program in good standing with the IESA. At the meeting, you will receive information regarding specific sports, rules and any changes that may have taken place in the last year. Failure to attend the meeting will result in probation and possible exclusion from the IESA.

The IESA website has all of the contact information for each of the IESA sport athletic administrators including phone number, fax number and individual email athletic address.

Their names/titles are as follows:

   Steve Endsley – Executive Director

   Nicole Schaefbauer – Associate Executive Director

   Chris Frasco – Assistant Executive Director

   Leslie Albee – Assistant Executive Director

Each of these individuals is the contact person for specific activities. Check the website to see who your contact person is for each activity.
March 2015

TO: ALL IESA MEMBER SCHOOLS PRINCIPALS. UPDATE 3/30

Enclosed are instructions for on-line membership and activity renewal for the 2015-2016 school year. Please use these instructions as you renew on-line through the “Member Center Login” at www.iesa.org. You will need to use your school password to complete the renewal process. Fees for athletics have changed to $55.00 for 2015-2016, including the activities of softball, baseball, cross country, basketball, volleyball, wrestling and track.

Each member school should create their invoice on-line to be forwarded to the IESA, along with their school check. Entries must be postmarked by the appropriate deadlines. Membership renewal dues of $75.00 have a deadline of June 8, 2015. Late renewals are $150.00. You are reminded that June 8, 2015 is the entry deadline for boys and girls golf, boys baseball, girls softball, boys and girls cross-country, girls basketball, and boys basketball entries. The deadline for scholastic bowl, girls volleyball, boys wrestling, and track and field is October 5, 2015. A school entering an activity for the first time will pay regular fees regardless of when they enter the activity. No school will be allowed to enter the state series after the final deadline for each activity.

The following general guidelines also apply:

- **“Feeder”** schools pay only membership to the IESA. Registration should be done using the password for the Feeder school. (Example: Heyworth JHS pays membership and activities; Heyworth ES pays membership only)
- **Coop** schools must each pay the fee for the appropriate activity. Example: School A and School B coop in baseball – each must register on-line and pay fees for baseball.

During the registration renewal process, you will be asked several questions prior to reaching the entry page. The survey questions must be answered in order for you to proceed to the entry page:

- Please provide information regarding any activity participation fees your school may charge.
- Please provide activity participation statistics. You will be asked to indicate the total number of students in grades 5-8 who participate in each interscholastic sport your school sponsors. This should include those sports in which you do and do not participate in the IESA state series.

We will be collecting information regarding member school athletic facilities during the course of the year. Please look for a link to this survey in the Member Center to appear at a later date.

I urge you to return your entries by the appropriate deadlines to ensure your students have the opportunity to participate and no double fees are assessed. If you know you are leaving your present position, please make sure your school has renewed its membership and returned all of the paperwork prior to your leaving.

Respectfully,

Steve Endsley
Executive Director

For the participation survey, you must include a number for at least one activity, whether or not your school participates in any of the listed activities with IESA.

G. Click on the "Register" box for the appropriate activities to add them to your list for payment. Activities listed in “red” indicate your school’s participation last year.
H. Complete all the remaining levels of the registration process, clicking “Proceed…” as steps are completed. Update all school information, including principal for the coming year, etc. It is extremely important that principal and coach information are submitted and updated regularly. Continue to next step.

I. A registration summary will be provided to check all entries for your school. All coach information, submitter name, email, and school password must all be provided to proceed. After review, proceed to “Final Invoice”.

J. An invoice will be generated at the final page of the process and a confirmation email will be sent to the email address you provided during the registration process.

K. Submit the invoice to your bookkeeper/business manager to forward with a check for total amount shown.

L. Only school-issued checks will be accepted. Please do not send personal checks or purchase orders. Observe all deadlines to avoid late charges. PAYMENT MUST BE POSTMARKED BY THE DEADLINES TO AVOID LATE CHARGES.

GENERAL REGISTRATION GUIDELINES:

A. “Feeder” schools pay only membership to the IESA. Registration should be done using the password for the Feeder school.

B. Coop schools must each pay the fee for the appropriate activity. Example: School A and School B coop in baseball – each must register on-line and pay fees for baseball.

C. Submitting registration forms with your school password denotes that your Board of Education has authorized your membership in the IESA, and that you are in compliance with the by-laws of the IESA.

The financial aspect of your job is important. You will be handling the district’s money and receiving money from parents for participation fees. Your records need to accurately reflect all of your deposits and expenses. You oversee all athletic budget lines and you are responsible for the Athletic Director’s Revolving Checking Account. Mishandling of funds will result in your dismissal. Keep accurate records of all expenditures/deposits and all checks that are written.

The district business office is your resource for all questions/concerns regarding district funds. Todd Covault is the Chief Operational Officer for the district, and he has several assistants:

- Lisa Jones – revolving account questions and semester replenishments.
- Michelle Dixson – deposits and account numbers.
- Lisa Jones – district budget lines and monthly reports.
- Joanie Watson – purchasing/ordering
- Jennifer Sommer – officials’ records of payments and IRS information.

Each start of the school year will require opening an Athletic Director’s Revolving Checkbook Account. The building secretary will assist you in completing this task. The district allots $2500 as a start-up balance for the first semester for the following buildings: Johns Hill, Hope, Decatur Montessori, Dennis, and (American Dreamers). Stephen Decatur and Thomas Jefferson will receive $3500. $2500 will be used as a start-up for Dennis, Garfield, and Hope. (See the documents included in this binder to help you with opening your account. Reimbursement forms, activity account numbers)

If you are new to the athletic director job, take necessary steps to become a signer on the Athletic Revolving Account. Send a copy of your driver’s license and provide your SSN to Lisa Jones at the Keil Building or fax it to 424-3263. Please call Lisa Jones at 362-3022 with your SSN. Please don’t send your SSN through email. If you can’t make a legible copy of your driver’s license, do so at the Keil Building between the hours of 7:30 a.m. and 4:00 p.m.

Once the bank receives the necessary information, it will send the Business Office signature documents for you to sign. You must sign them at the Keil Building. A journal entry will be entered into Infinite Visions by the building secretary to open your Athletic Account. Enter the amounts listed above as the start-up entry for the building.

Your Revolving Checkbook Account will be the resource you will use to pay for the following expenses:
• officials / referees / umpires
• tournament entry
• state meal money
• flowers/pictures for recognition night

You must keep an accurate database. (See attached document for an example)

A receipt or proof of purchase is needed for any check that is written from the Revolving Account. The cancelled checks will serve as proof of payments to officials and for all other checks, you must have a receipt of payment. When flowers are purchased at a local florist, the florist will provide a printed receipt, for example. Keep this receipt in your checkbook folder and turn it in at the end of the semester with your replenishment request.

State tournament meal money is handled differently. Meal money is allocated for all state qualifiers and coach(es). Write a check for the total amount of the meal expense to your coach. He/she will cash it and determine the correct individual dollar amounts to distribute to the athletes. You will need to supply your coach with a signature sign off sheet that will serve as a copy of receipt for the expense. Be sure to print two copies of the sheet, one for your records and one to be turned in with the replenishment request. The coach will return both signed copies to you after the state competition is completed. (See attached document as an example of what can be used)

You will be required to complete a Replenishment Request at the end of each semester and the close of the school year. This report will verify all expenses with the correct account codes for each of the expenditures. (See document labeled “Revolving Account” in this binder as a guide for your use. You will also find the request to replenish.)

Athletic budget lines are another of your oversight responsibilities. (A document is included in this section to show you which accounts may be used for purchasing equipment and supplies.) All orders must go through the building secretary who will make an entry in the requisition for purchase. The purchasing department will receive all requests and solicit bids to ensure that we get the best possible price on orders. Be sure to monitor your monthly budget sheets to check all expenditures and any encumbrances. (Expenditures have already been paid; encumbrances are orders placed that haven’t been paid for.) Be sure to include the encumbrances as money spent. The account balance will show more money than is available to spend if you don’t include the encumbrance line. The district has allocated an amount for your athletic program that is broken into specific line items. You are expected to stay within your budget. You are responsible for substitutes and part time salaries, all purchased services, supplies, capital equipment, non-capital equipment and dues/fees portion of your budget. Currently, that amount is $7,020. Do not overspend the total of these accounts. Charge expenses to the appropriate sport and object. You may overspend one line and underspend on another line as long as you don’t exceed the total budget. If you have an all sports line, treat this as a contingency line. The all sports allocation is part of your budget allocation, but expenses must be charged to the appropriate sport and object. The business office will enter the coaches’ salaries and benefits. Kay Geskey is the contact person.

Home game deposits include all gate receipts received for home game contests. The district has specific guidelines to follow when making deposits of gate receipts. The ticket taker will keep a record of attendance to the game by marking a tally sheet to record the number of paid athletic admissions. You and the ticket taker will count the money received and sign off the amount on the tally sheet. Fill out a deposit slip that records the amount of money received and deposit code for the sport that was played. Michelle Dixson is the contact person. (See this section for examples of both documents mentioned)
Use the following codes for deposits:

- GBB 10-(building #)-1712-0502-0-001
- BB 10-(building #)-1711-0502-0-001
- VB 10-(building #)-1711-0511-0-001

Once you have completed the deposit slip, the principal must sign off on the deposit slip to ensure the dollar amount is correct. He/she will also sign off on the hourly time sheet to record number of hours worked by each person for each home game. Deliver the deposit bag to the principal so he/she can secure it in a locked location before it is sent to the business office for deposit.

ORDERING EQUIPMENT/MATERIALS

All equipment purchases and materials require a completed requisition from the building secretary. Have all necessary information included on a database and send it electronically to the secretary to assist him/her complete the requisition. *(See attached document as an example)* You must use your budget reports to check availability of funds for proposed purchases. Identify the account that you wish to credit when placing orders. Account codes will be found on your monthly budget sheets.

When you receive materials/equipment that were purchased, provide the building secretary the packing invoice to ensure that all items that were ordered were received and recorded in the computer program used for requisitions.

Athletic budget line items are not approved until the September board of education meeting. The first report you receive will most likely show all “0” account balances. Don’t be alarmed, the budget will reflect the amounts approved by the board of education once they are approved.

COACHING VACANCY / HIRING PROCESS

In the event you have a coaching vacancy in one or more sports, you will be asked to identify the vacancy to the building principal, and he/she will create a vacancy in APPLITRACK. The principal will monitor the vacancy posting and applicants. The principal will work with you to set interview dates and times. You and the principal will create interview questions to be used in the process and conduct the interviews together. Once a candidate is chosen, the principal will submit the candidate’s name to APPLITRACK where Human Resources will accept or deny the candidate. All hires must be approved by Human Resources and the board of education. HR will notify the candidate to confirm the hire. You are directed not to make any contact with the candidate once his or her interview is concluded. Human Resources will contact the principal to indicate board of education approval.

COACHES’ EVALUATION PROCESS

You are responsible for completing each coach’s evaluation with the principal at the end of each season. The district has a form to help you complete this duty. Evaluations are mandatory and must be submitted to the principal and sent to Human Resources at the Keil Building. Please be sure to include pertinent information about the season with any accomplishments you recognized or concerns that you had during the season. Hold an individual evaluation meeting with each coach to go over and discuss the outcome of the evaluation. The meeting may include you and the coach, or you may schedule these meetings to include the principal. Before the meeting is over, obtain the coach’s signature on the evaluation and make a copy for the coach. If a coach refuses to sign, make a note of that fact.

All Schedule B assignments are year to year and no coach has tenure or seniority in a position. Evaluation is an important factor in the consideration of rehire or dismissal.
COMMUNICATION

Communication is an important element of your job as athletic director. You will have conversations with all parties involved in athletics. It is vital that everyone who is involved has the most current and accurate schedule of events. Send copies of all schedules to the principal and building staff. The schedule must have all game dates/times and possible early release times included. The schedule allows staff members to plan and allow for major events that require a large number of athletes to be dismissed early from school.

Each building must have a calendar meeting that allows all parties to attend to plan events so conflicts may be avoided. The meeting is typically held at the end of the year before students are released for the summer. A master calendar is created to include all activities with times and dates for access by building administration and staff.

Communicate with your coaching staff. You are required to hold an annual meeting with all coaches in the program to cover your expectations for them. (See attached document for a list of items to discuss during the meeting.)

Attend all parent meetings for each sport. Your presence shows support for the coach and athletes and helps set the tone for the season. You will be available to answer questions and collect participation fees.

The athletic director’s presence in the building helps to establish rapport with athletes. Make it a point to get to know your athletes and stress the expectations (academics and behavior) that you have of them. They are students first and foremost and everything they do and how they conduct themselves matters.

Most of the challenges you will face will come from parents. The district has adopted a process for dealing with parental complaints about playing time and game strategies. DPS will back you in avoiding those conversations, but that will not deter parents from trying to influence a decision that advantages their child. Parents often challenge coaches’ decisions during a contest, lobby for playing time, and attempt to influence eligibility decisions. Be very careful in how you choose to communicate with parents. Realize that sometimes parents just need to “vent” and it makes them feel better to express their thoughts. You are a buffer for the coaches. You will occasionally take care of the issues raised before they are blown out of proportion. In the event that a serious issue is brought to your attention, set a time to meet with the coach to investigate the concern, and if necessary, set a time when the parent(s), coach and you meet to arrive at a positive solution. The district has a set chain of communication:

**Chain of Communication:**

- parent meets with the coach
- if issue is not resolved, then a meeting is set with parent, coach and athletic director
- if the issue is still not resolved, then a meeting is set with the principal, parent, coach and athletic director.

after all attempts are exhausted with no solution, then a meeting will be held with the Assistant Superintendent and all parties involved.
All media releases must go through District 61 Community Engagement. The Director is Maria Robertson. Her office is located at the Keil Building. Contact information is 362-3017 or mrobertson@dps61.org.

The media is not as interested in the outcomes of middle school athletic contests as they are with the high school teams, but in the rare instance when a sectional or state championship is won, please reach out to the print and televised media as well as to the board of education to “toot your horn.” The kids and coaches deserve this moment and it needs to be celebrated. Holding an all school assembly is another way to celebrate the achievements of the athletes. Be sure to invite the athletes’ parents/grandparents, the local media, central athletic administration and the board of education. Take pictures and post them on your school website.

Be sure to check for media release information in your building before posting photos on the web and releasing names to the media.

The district holds mandatory quarterly athletic director meetings when all athletic directors gather to cover items that affect athletics. Meetings are typically held at 7:00 a.m. on the 3rd floor of the Keil Building. The Assistant Superintendent is the leader of this meeting and will sometimes ask for topics for discussion or items of concern prior to meeting to help set the meeting agenda.
TO: INCOMING MIDDLE SCHOOL STUDENTS AND PARENTS

RE: PHYSICAL EDUCATION AND ATHLETIC PROGRAMS AT SCHOOL NAME FOR INCOMING MIDDLE SCHOOL STUDENTS:

This is an informational letter to let you know what will be expected of you as you enter middle school at SCHOOL NAME. It is an exciting time and I hope to see all of you in the gym for various activities of your choice.

ATHLETICS:

As a middle school student at SCHOOL NAME, you can participate in all of our interscholastic sports programs, which includes competition against other schools. Tryouts are held for each sport to determine who makes a team.

A current physical (one that is done during this school year) must be on file at the school in order to try out for a team.

Once a student makes the team/squad, you are required to pay a fee of $10.00 per sport with a student cap of $50.00 for the school year.

FALL SPORTS: (Season 20-21)

- Boys Baseball (August 3 – October 3)
- Girls Softball (July 27-Sept 26)
- Cross-Country (Aug. 3- Oct 17) (Co-Ed)
- Girls’ Basketball (Aug. 31 – December 17)
- Soccer (August 17 – October 16) (Co-Ed.)

WINTER SPORTS: (Season 20-21)
Cheerleading 7/8th girls only. (October 19)

Boys’ Basketball (October 19 – February 19)

Girls Volleyball (November 30 – March 30)

**SPRING SPORTS:**

Girls’ and Boys’ Track (March 1 – May 15)

Once a student makes the team/squad, you are required to pay a fee of $10.00 per sport with a student cap of $50.00 for the school year.
• **Physicals** — No student is allowed to participate without turning in a current physical.

• **Participation Fees** — Fees must be collected before the first contest. If a parent hasn’t paid the fee, then make a phone call or catch them after a practice to collect the fee. We cannot legally hold them out, but we can continue to ask that the fee is paid.

• **Parent Meetings** - These meetings are required to hold with your parents and athletes to cover expectations of the season as well as hand out practice / game schedules. This meeting sets the tone for the entire season.

• **Supervision** — Athletes should be supervised at all times. Coaches may not leave an activity/contest until all athletes are picked up by their parents.

• **“Rules on Roles”** — Coaches need to cover this information with their athletes in all programs. (A sample of this document is included in this handbook)

• **Mandatory Phone Tree** — Coaches will be required to turn in parent/guardian contact information to the Athletic Director so that the building will have emergency numbers. (Not student cell numbers)

• **Coaches’ Contact Information Sheet** — Please double check the contact Information sheet and make any necessary corrections. (Athletic Directors will need to generate a Contact Information Sheet)

• **Bus Requests** — Athletic Director will request all of your busses for the year and will give you a copy of all verifications at the start of your season.

• **Communication** — Keep lines of communication open, clear and honest! Parent issues will go through this chain of command:
  1. Coach and the parent , then
  2. If not resolved Coach, Athletic Director, and parent
  3. If not resolved, School Principal, Coach, Athletic Director and parent.

• **Eligibility** — Weekly eligibility reports will be given to each coach during the season. Any failing grade will result in a week of denied participation in the sport.

• **Weekend Facility Usage** — You may use the facility on the weekends, but it must be set up prior to you being in the building. Coaches and athletes MUST stay within the gym area to ensure the alarm system isn’t tripped. We are CHARGED a rather large fee each time this happens!!! If an alarm is tripped, you should call **Principal Name immediately.** Home: XXX-XXXX Cell: XXX-XXXX
  **Asst. Principal Name** Personal Cell: XXX-XXXX District Cell: XXX-XXXX

• **Practice Schedules** — Athletic Directors should have all indoor practice schedules completed. Please look over and check to see if any changes are needed.

• **End of Season Inventory** — This is a **MANDATORY** exercise that must be completed within a week of the close of the season. Uniforms and all equipment must be counted and evaluated for future use. This inventory is turned in to the Athletic Director and will be included in the coach’s evaluation.
• **Evaluation Tool** — Cover areas of evaluation

• **Sportsmanship** – This is who we are and what we are about! Be the positive role model for our athletes and continue to express the importance of sportsmanship. It’s the **NAME OF SCHOOL** way of doing things!!!

• **AD contact information** – Athletic Directors should list personal contact information.
  1. After hours- Home: XXX-XXXX Cell: XXX-XXXX
  2. During the workday: XXXX-XXXX or email XXXXXXX@dsps61.org

• **Questions / Concerns** – Don’t hesitate to contact your Athletic Director with issues as they arise. The Athletic Director’s job is to give Coaches the support and see that you have all of the equipment you need to carry out your duties as a coach in our building. Together, we are the first team of **NAME OF SCHOOL** Athletics.

MISCELLANEOUS

- **Practice Schedules** - Some athletic directors leave this up to the respective coaches to complete, but in most cases, it would be better for you to do the scheduling of practice sessions with the coaches’ input. This will help eliminate double scheduling of the gym or scheduling a practice on top of a building activity, athletic contest or music concert. You will have more than one sport up and running for most of the indoor season that will require gym space. It helps avoid conflicts when the parties can sit down together to determine the practice times for each sport.

- **Gym Usage** – Sometimes outside entities will request the use of the facilities. The district has a form available for you and the principal to fill out prior to community gym use. The community usage should not diminish the amount of gym time that your program sports require.

- **Sports Photos** – You will be required to set up times to have a photographer come to your building to take team photos. Typically, these are done during practice times, but it helps the photographer to set appointments for several teams at one time. For instance, you can set a fall sports photo time after school that would take care of cross country, soccer and girls basketball. Stagger the times and complete one team at a time. The photo company will send packets to your building that has all of the available packages and pricing listed. The students are required to bring payment at the time of the team photo.

- **Uniform Rotation Purchase** – The district moved to a cycle of uniform purchases a few years ago. You will find a document enclosed noting the port rotation cycle with all the necessary information. (How many can be purchased, what team is in queue for uniform purchase and what has already been purchased by the district.) Typically, we are allowed $3,500 per cycle year for uniforms. Uniforms are athletic adopted by the district and no substitutions are allowed. The district’s goal is to have a uniform appearance (save for school colors and mascot) that is consistent among the schools.

**SPORTS UNIFORM ROTATION – FUNDS PROVIDED BY DISTRICT**

(ASSISTANT SUPERINTENDENT’S OFFICE)

Requisitions should be entered into iVisions with the proper account number

Purchasing area should contain school number followed by an “A” to ensure Assistant Superintendent Approval

**BACKGROUND INFORMATION:**
American Dreamer, Dennis Lab, Hope Academy, Johns Hill Magnet, Montessori, Stephen Decatur schedule athletic contests between each school and other non DPS schools. Each school is responsible for securing opponents, officials, locations and time. Part of the challenge with the process is securing opponents to play as well as securing game officials to officiate the athletic contests, due to schools competing for the same resources.

**CURRENT CONSIDERATIONS:**
The Soy City Conference (SCC) is designed to provide organization, structure, and consistency for the middle school athletic program. Member schools will form a conference committee, which will be made up of primarily Middle School Athletic Directors. Rational:

Soy City Conference (SCC) is a Decatur Public Middle School athletic conference designed to provide organization, structure, and consistency for the district high school athletic feeder programs. It is for student athletes to develop their skills, character and leadership that will prepare them for the rigor of both academics and sports.

Member schools will form a conference committee, which will be made up of Middle School AD’s. The conference committee will develop bi-laws and create all schedules for Girls/Boys Basketball, Cross Country, Volleyball, and Track & Field. Schools will be allowed to schedule games outside of the conference. A conference assigner, as available, will be hired to schedule officials for conference games and to find replacement officials.

The conference will have champions for Cross Country, Girls Basketball, Boys Basketball, Volleyball, and Track & Field.

The above sports will have a post season 8th grade City Tournament which will prepare them for IESA post season. Hopefully this format will help motivate our young athletes to excel toward the end of their season.

Each 7th and 8th grade sport will have a conference champion.

SCC will offer ten sports for the school year:

- Fall: Cross Country, Soccer, Baseball, Softball, Girls Basketball
- Winter: Boys Basketball, Volleyball, Wrestling
- Spring: Boys Track & Field, Girls Track & Field

The conference will have to be approved by the following:

1) Middle Schools Athletic Directors
2) Keil Building Administration
3) DPS BOE
4) RCS Administration
5) RCS BOE

Board of Education
Decatur Public School District #61

Date: June 23, 2020
Subject: Recommended Athletic Programming to Align with the BOLD Facility Plan

Initiated By: Joe Caputo, District Athletic Coordinator
Attachments: FY2020-21 Uniform Rotation Chart

Reviewed By: Dr. Paul Fregeau, Superintendent

BACKGROUND INFORMATION:
The District created an athletic cooperative for middle school athletics. The middle school level programs associated with Hope, French, Dennis, and Garfield were aligned to either Stephen Decatur Middle School (SDMS) or Thomas Jefferson Middle School (TJMS) providing two athletic programs. During the 2019-20 school year, the two middle schools merged, but the two program cooperatives remained. The expanded SDMS provided one program, and the remaining schools Co-Oped to provide the second program under the host school, Garfield.

Athletic uniforms are replaced on a five year rotation schedule. As part of the rotation, uniform replacements are assigned by year. When uniforms are up for rotation, needs are reviewed, approval is granted, bids are secured, as needed, quotes are collected, and orders are placed.

CURRENT CONSIDERATIONS:
As the District finalizes the BOLD plan and some of the District schools substantially increase in size (i.e. Dennis), buildings have sought to provide building level athletic programs. As American Dreamer expands to include middle school programming, associated athletic programming will be offered. Although Garfield will remain the host school for the Coop-ed schools, there will be a need to change uniform names.

Under the proposal, Dennis Lab Middle School would become a standalone baseball team due to the growth in student population. This will necessitate the purchase of separate uniforms.

For the 2020-21 school year, American Dreamer would have standalone teams for Cross Country, Girls Basketball, Boys Basketball, Girls Volleyball and Track/Field. American Dreamer would Co-Op with Montessori for Baseball and Softball. American Dreamer would Co-Op with Dennis Lab for Soccer and with SDMS for Wrestling.

For the 2020-21 school year, high school and middle school wrestling and cheer uniforms are already part of the scheduled uniform rotation. Due to school name changes and/or the addition of middle school athletic team(s), additional athletic uniforms are requested for American Dreamer, Dennis Lab, and Montessori Academy of Peace. The wrestling uniforms are requested for the youth wrestling program and t-shirts for the elementary school volleyball program.
FINANCIAL CONSIDERATIONS:
The estimated cost for 2020-21 school year is as follows for the requested standalone team at Dennis Lab Middle School:
- $2,800 Baseball Uniforms
- $1,440 Baseball Officials/Referee Fees (Estimate based on number of home games)
- $200 Baseball related supplies including bats and balls
- $55 IESA Baseball Activity Fee
  $4,495 Total

Schedule B (starting stipends)
- Head Coach, $2,000
- Asst Coach, $1,250

The estimated cost for 2020-21 school year is as follows for adding Middle School Athletics at American Dreamer STEM Academy:
- $21,225 Middle School Athletic Uniforms
- $3,640 Official/Referee Fees (Estimate based on number of home games)
- $1000 Related athletic supplies
- $960 IESA Membership & Associated Activity Fees
  $26,825 Total

Schedule B (starting stipends)
- Cross Country, Basketball, Volleyball, Track/Field Head Coach, $14,000

The amount requested for the Middle and High School Uniform Rotation Process, cheer and wrestling uniforms is $43,300. The amount requested for the additional uniforms including American Dreamer, Montessori, Dennis, Youth Wrestling and Elementary t-shirts is $52,071.

STAFF RECOMMENDATION:
The Administration respectfully requests that the Board approve the Updated Uniform Rotation Program and Associated Costs and allow for the added Baseball Programs at American Dreamer STEM Academy and Dennis Lab School. The recommended Athletic Programming will Align with the BOLD Facility Plan.

This allows us to provide a very specialized workforce to Client and utilize the appropriate resource for the task required.

2.6.1. Presidio Engineering Resources

- **Practice Manager(s)** – the technical manager and regional team lead of the field consulting team. The Practice Manager provides resource and technical oversight assistance to the Project Manager and ensures availability of technical resources and escalation paths for field consultants.

- **Architect / Senior Engineer(s)** – the technical escalation points for Engineer(s) and Project Oversight teams. An Architect or Senior Engineer is a subject matter expert within a certain technology or field. This senior level resource will be the principal technical resource for the engagement and will have ownership of the final deliverables.

Assignment of these resources depends upon the skill set of the task(s) and the timeline(s) within which the task(s) must be completed. These individuals report directly to the Project Manager for task assignment updates and to the Practice Manager or Architect/Senior Engineer for technical escalation needs.

The following Presidio resources will be engaged on this project:

- Collab Engineer
- Data Center Engineer

Contact information for the project team personnel will be distributed by the Project Manager.

2.6.2. Client Resources

Throughout the project, Client resources may be required for completion of specific tasks, providing key information or data, oversight, review, and approvals. The responsibilities of Client are outlined in this document.

The following Client resources will be engaged on this project:

- Collaboration Engineer

Contact information for the project team personnel will be distributed by the Project Manager.

2.7. Project Change Request Process

In the event that both Presidio and Client agree to a change in this Statement of Work, a written description of the agreed upon change will be prepared using a Project Change Request (PCR) form, which both parties must sign. The PCR form will be used to describe the change, the rationale for the change, and to specify any change in the charges, estimated schedule, or other terms. Depending on the extent and complexity of the requested changes, Presidio may charge for the effort required to analyze it. When charges are necessary to analyze a change, Presidio will provide a written estimate and begin the analysis upon written
authorization from Client. The terms of a mutually agreed upon Change Authorization will prevail over those of this Statement of Work or any previous Change Authorization.

3. ASSUMPTIONS

Presidio makes the following assumptions in developing this Statement of Work. These assumptions serve as the foundation to which the project estimate, approach and timeline were developed. By signing this SOW, Client agrees that these assumptions are correct and valid. Any changes to the following assumptions must be processed using the Presidio Change Management Process and may impact the project duration and labor requirements.

3.1. Project Assumptions

1. Presidio will perform a like-to-like upgrade; no new features or additional configuration will be configured on any of the Cisco UC applications involved in this project. Unless otherwise specified in the scope.

2. Customer will restart all guest UC servers and physical servers before Presidio’s engineers engage in any service that will impact any operations/work. Presidio can be available remotely if needed during this time.

3. Customer is responsible for any upgrades required on the following third party applications:
   a. xMedius Fax

4. This scope does not include the physical deployment and/or configuration of additional endpoints/IP phones.

5. Customer is current on all Cisco maintenance required for ordering the upgraded licenses.

6. Customer has current and functional backups running on all existing collaboration software.

7. Customer has active Cisco SmartNet and/or SWSS maintenance contracts of all UC components involved in this project.

8. Presidio will provide eight (8) hours of post cutover support remotely.

9. All work to be performed remotely.

3.2. General Assumptions

The following project assumptions are made and will be verified as part of the engagement:

1. All Presidio activities will take place during normal working hours (Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding holidays) unless noted as “Off Hours” in this SOW.

2. Any items or tasks not explicitly listed as in-scope within this SOW are considered to be outside of the scope and not associated with this SOW and price.

3. If integration of the product is performed at a Presidio facility, then transfer of ownership (acceptance) occurs upon the receipt and integration of goods at Presidio, regardless of shipment, as manufacturers will not accept returns of opened products.

4. Changes to the Design, Equipment List or proposed timeline presented to Client in this SOW will require a Project Change Request. A Project Change Request could impact the cost of the project

5. Presidio will not be held responsible for troubleshooting networks, applications and/or hardware if Client has no formal change management documented processes and policies

6. Presidio may engage subcontractors and third parties in performing a portion of this work.

7. Presidio will not make changes to the configuration of any network equipment after it has been installed and tested.

8. Some activities included in this project may be performed on Presidio’s premises.

9. Additional required tasks discovered after the execution of this SOW that are not mentioned in this SOW will require a Project Change Request.
10. Presidio will configure the systems outlined within this Statement of Work, with a unique set of authentication credentials, unless otherwise provided by Client. Upon the completion of the engagement, Presidio will provide Client with all user names, passwords, and additional authentication information that were implemented during the engagement. Presidio strongly recommends that these credentials be changed upon the completion of the engagement.

3.3. General Client Responsibilities

The following items are listed as responsibilities of Client for this engagement. Client is responsible for performing the items and activities listed in this section or arranging for them to be performed by a third-party if appropriate.

1. Provide a single Client point of contact with the authority and the responsibility of issue resolution and the identification, coordination and scheduling of Client personnel to participate in the implementation of the SOW.
2. Participate in any required design sessions or workshops.
3. Provide or procure all appropriate hardware, software, licensing and media required for implementation of the SOW.
4. Supply current equipment configuration for review if applicable.

7. Dispose all retired equipment as part of this project.
8. Provide all required physical access to Client’s facility (identification badge, escort, parking decal, etc.), as required by Client’s policies; and provide all required functional access (passwords, IP address information, etc.), as required for Presidio to complete the tasks.
9. Provide to Presidio all required IP addresses, passwords, system names, and aliases.
10. Validate the site readiness prior to the dispatch of Presidio personnel to perform the services being contracted.

18. Transport of equipment from receiving area(s) to the data center(s) and/or equipment rooms where it will be installed.
19. Ensure all Cat. 5 (or higher) and fiber cable infrastructure is in place and tested (for all sites).
20. Provide patch cables and complete necessary fiber or CAT5 cable terminations to patch panels for new switching and routing infrastructure.
4. LIFECYCLE METHODOLOGY

Presidio has developed a project methodology that utilizes best practices from our experience throughout the project lifecycle. Our process begins during the presales process as we gather critical data points, design the appropriate solution, and set reasonable expectations. This process continues through project delivery as our Account Management, Project Oversight, and Service Delivery teams work together with Client to manage and deploy Client solution as effectively and efficiently as reasonably possible, within the constraints of the agreed upon scope, budget, and timeline.

4.1. Project Initiation and Kickoff

Once the Statement of Work has been executed and the proper financial and legal approvals are received, the following occurs:

- The Presidio Professional Services organization officially opens the project and assigns a Project Manager; this assignment is dependent upon the deliverables and requirements elected within the Statement of Work.
- Once the Project Manager has been assigned, the Initiation Phase begins. During the Initiation Phase, the Presidio Project Oversight and Technical Management teams perform a thorough evaluation of the project scope; they identify the Project Team most appropriate for the technical and business requirements described.
- When the Project Team is assembled, an Internal Kick-off Meeting is held; during this meeting, the Presidio Account Management and Solutions Architecture teams brief the Project Team and formally hand over the technical execution of the project. Stakeholder identification, solution briefing, Client responsibilities, and estimated timelines are all topics discussed during the Internal Kick-off Meeting.
- Once the internal kick-off has occurred, the project moves forward with the scheduling of a formal Project Kickoff with Client.
- The Project Kickoff marks the official beginning of the work associated with the approved Statement of Work. The way in which the Project Kickoff is handled is directly dependent upon the method of project oversight elected within the Statement of Work; however, with either model, the purpose of the Project Kickoff is to:
  - Introduce the project manager and service delivery team
  - Review resource, roles, and responsibilities
  - Review project goals and objectives
  - Review scope
  - Review high-level design (if applicable)
  - Review change control process
  - Review milestone process
  - Review escalation process
  - Review client responsibilities
  - Review current product ship dates and delivery addresses (if applicable)
  - Review timeline expectations

4.2. Planning and Design

The Planning and Design Phase incorporates detailed discovery, analysis, planning, and knowledge transfer. The results of this phase may include detailed, functional, design specifications, and a specific project and migration plan, as well as and testing plans. Detailed planning is necessary to ensure that the proposed solution will meet project requirements and help to reduce risk of an unsuccessful or unexpectedly expensive Execution Phase. The Planning & Design documents are the technical and operational foundation for a successful execution.
Depending on the number of services offerings included within this Statement of Work, multiple technical Planning and Design meetings may be required. The estimated number of recurring Planning and Design sessions are indicated in this Statement of Work; for details, see the topic Project Scope.

In an effort to realize scheduling efficiencies, multiple planning and design sessions may be combined; this depends on the availability of Presidio and Client resources.

During the Planning and Design session, the following occurs:

- The Presidio team utilizes a design checklist to ensure that all necessary information is discussed and clearly articulated to Client team.
- Capabilities and features of the solution as elected in Statement of Work are explained.
- Technical and logistical requirements expected from Client are explained.

4.3. Staging

Presidio maintains staging facilities where staging and field consultants perform pre-building, base configuration, and testing of equipment before delivery to a Client site. To realize efficiencies during the staging process, the use of the Presidio facility for staging is preferred. Presidio invites any Client to visit the facility during the staging of their equipment. The specific staging activities are indicated in this Statement of Work; for details, see the topic Project Scope.

Depending on the agreed upon project deployment schedule and phases, the Staging phase may be repeated multiple times during the project life cycle.

4.4. Project Implementation

During the Project Implementation phase, the Presidio Project Team performs configuration, deployment, and migration of the technologies as indicated in this Statement of Work; for details, see the topic Project Scope.

The following are some essentials regarding the Implementation phase:

- Depending on the project phases defined and agreed upon in this SOW, the Project Implementation phase may occur multiple times.
- To minimize the impact on Client’s business, it is strongly recommended that deployments and migrations occur during a scheduled change control window. The number of migrations included in the project is detailed within this Statement of Work.
- Client is responsible for managing and providing the necessary paperwork or presentations in accordance with their change control processes. For an additional fee, Presidio’s assistance with Client’s change control processes may be requested.
- Prior to any migration, the Presidio Project Team works with Client’s project team to co-author a Migration or Cutover Checklist document as well as a Test and Acceptance document to ensure that the migration of the technical services are properly planned and followed.
- This plan exists to ensure that the overall functionality is working as designed and Client will be required to accept the authenticity of the plan via signature. Therefore, it is essential that Client participate in creation of the migration/cutover and the test and acceptance plan.

4.5. First Day in Service & Operational Handoff

Post-Cutover Support, also known as First Day in Service (FDIS), is an available option after each major migration. As part of this support, the Presidio Project Team works alongside Client’s project team to assist with support of the systems within Presidio’s control during the allotted FDIS. This helps to:

- Ensure that the deployed applications and services are performing as designed.
- Proactively identify and resolve issues related to the services provided by Presidio within the Statement of Work.
- Assist with approved changes during FDIS as requested.
The completion of FDIS marks the Operational Handoff of the deployed solution to Client. From that point forward, the maintenance and operation of the implemented equipment and applications is Client’s responsibility unless Presidio is contracted to provide Managed Services support.

4.6. Project Closure

At the completion of the project, Presidio will perform a Project Closure meeting. Presidio and Client will perform the following activities

- Review the final deliverables for the engagement.
- Review project objectives to ensure that they have been completed as outlined within the SOW.
- Have both Presidio and Client sign the final project milestone and acceptance document.
- Identify any follow up items or actions that may be required or desired by Client.

4.7. Escalation Path

Client experience is of the utmost importance to Presidio. If at any time a Client feels the need to escalate an issue or concern, please consider the escalation points and options described below.

**Level 1**

- **Account Manager** – Client’s first point of escalation is always their Account Manager. The AM can facilitate additional escalation if required and coordinate meetings between the required people within Presidio and Client in order to swiftly resolve any issues.
- **Project Manager** – for projects that include Project Management, the Project Manager is an escalation point for any concerns or questions.
- **Practice Manager** – for technical issues, the Service Delivery team will reach out to the manufacturer’s support avenues within one (1) hour of identifying an issue. If additional technical escalation is warranted, the Presidio Practice Manager will be contacted after that time.

**Level 2**

- **Service Delivery Director** – if the issue is not resolved within an hour, the Service Delivery Director will be contacted for additional escalation and action. For technical issues escalated by the Delivery Team, the Service Delivery Director will:
  - Contact and speak with Client via phone to explain the status
  - Develop a plan of action
  - Communicate the plan of action status and completion to Client
  - Contact the Operations team, as required, to request additional resources, as required, in order to execute the plan of action.

**Level 3**

- **Project Management Office (PMO) Director** – for projects that include Project Management, the PMO Director is the second escalation point for any non-technical concerns or questions.
- **Services Vice President** – if the issue or concern cannot be addressed or resolved within Level 1 or Level 2 of the escalation process, the issue will be raised to the executive level for visibility and resolution.

4.8. Technical Support after Completion

For non-critical support, including system expansion options, assessments, audits, and related services, or services that are not covered by a support contract with Presidio or another vendor, Presidio offers a variety of options including Fixed Fee, Hourly Rate, or Daily Rate options. Pricing for these services is not included in this Statement of Work.

6. TERMS AND CONDITIONS

The following terms and conditions shall govern this Statement of Work (SOW) unless a valid Master Services & Product Agreement between the parties, if any, for professional services has been executed and is in force at the time any SOW is executed; in which case the terms of the Master Services & Product Agreement shall govern to the extent that they are inconsistent with this SOW.

1. Purchase Orders, Invoicing, Payment and Acceptance. Any purchase order submitted by Decatur Schools “CLIENT” in connection with this SOW shall be deemed subject to these Additional Terms and this SOW. Unsigned, electronically submitted purchase orders shall be deemed to include CLIENT’s electronic signature and shall be binding to the extent accepted by PRESIDIO. PRESIDIO’s performance of such purchase order shall not constitute PRESIDIO’s acceptance of new or different terms, including pre-printed terms on such order. In absence of a purchase order, CLIENT agrees that its signature below grants PRESIDIO the right to invoice CLIENT and authorizes payment to PRESIDIO for the amounts owed. Further, CLIENT represents that PRESIDIO can rely on such CLIENT signature for payment.
PRESIDIO shall invoice CLIENT for the Services in accordance with the terms stated in the SOW. The price included herein reflects a 3% discount for payment by cash, check or wire transfer. This discount will not apply in the event that CLIENT pays using a credit card or debit card.

CLIENT shall make payment to PRESIDIO within thirty (30) days from the date of invoice. Except for taxes due on PRESIDIO’s net income, CLIENT shall pay all taxes. PRESIDIO reserves the right to bill CLIENT for additional work requested by CLIENT and performed by PRESIDIO, and for applicable expenses incurred by PRESIDIO pursuant to providing such additional services, which are not described in this SOW.

Unless otherwise indicated in this SOW, CLIENT agrees that staff augmentation services and services performed on a time and materials basis shall be deemed accepted as performed. Unless otherwise indicated in this SOW, Projects shall be deemed accepted upon the earlier of PRESIDIO’s receipt of a signed Milestone Completion and Acceptance document which has been signed and dated by an authorized representative of CLIENT, or ten (10) calendar days from the date of the delivery of the milestone deliverable. If acceptance is refused, CLIENT shall provide, in writing to PRESIDIO, its reasonable basis for refusal, prior to the expiration of the Ten (10) calendar day period. PRESIDIO shall address the issue before subsequent work is undertaken.

Limitations of Warranties. PRESIDIO WARRANTS THAT SERVICES SHALL BE PROVIDED BY COMPETENT PERSONNEL IN ACCORDANCE WITH APPLICABLE PROFESSIONAL STANDARDS. WITH RESPECT TO SERVICES PERFORMED BY PRESIDIO, PRESIDIO WARRANTS TO CLIENT, THAT THE SERVICES RENDERED SHALL BE PERFORMED IN A SKILLFUL AND PROFESSIONAL MANNER COMMENSURATE WITH THE REQUIREMENTS OF THIS EFFORT. CLIENT SHALL NOTIFY PRESIDIO IN WRITING WITHIN THIRTY (30) DAYS AFTER COMPLETION OF THE SERVICES IN QUESTION WHEN ANY OF THE SERVICES FAIL TO CONFORM TO THE STANDARD OF CARE SET FORTH IN THIS AGREEMENT. THE PASSAGE OF THE THIRTY (30) DAY PERIOD AFTER COMPLETION OF THE SERVICES WITHOUT THE NOTIFICATION DESCRIBED HEREIN SHALL CONSTITUTE CLIENT’S FINAL ACCEPTANCE OF THE SERVICES. TROUBLESHOOTING AND RECONFIGURATION DUE TO CHANGES TO THE CONFIGURATION BY CLIENT AFTER DELIVERY WILL REQUIRE THE PREPARATION OF A BILLABLE CHANGE ORDER AND PRESIDIO WILL USE ITS BEST EFFORTS TO PROVIDE ANY ADDITIONAL SUPPORT THAT MAY BE REQUIRED THEREAFTER ON A TIME AND MATERIALS BASIS AS SOON AS RESOURCES ARE REASONABLY AVAILABLE. PRESIDIO MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

2. Intellectual Property. CLIENT acknowledges that PRESIDIO, its vendors, and/or its licensors retain all patents and/or copyrights in and to all proprietary data, processes and programs, if any, provided in connection with Services performed hereunder; any PRESIDIO software provided to CLIENT as part of the Services provided shall be subject to the vendor’s, licensor’s or OEM’s copyright and licensing policy. To the extent such software is prepared by PRESIDIO, it is provided by nontransferable, nonexclusive license for CLIENT’s internal use only, subject strictly to the terms and conditions of this Agreement, and shall terminate upon termination or expiration of this Agreement. 4. Limitation of Liability. IN NO EVENT SHALL PRESIDIO BE LIABLE TO CLIENT FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND WHATSOEVER, ARISING IN CONTRACT, TORT OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. PRESIDIO’S ENTIRE LIABILITY AND CLIENT’S EXCLUSIVE REMEDY FOR DAMAGES FROM ANY CAUSE WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, NONPERFORMANCE OR MISREPRESENTATION, AND REGARDLESS OF THE FORM OF ACTIONS, SHALL BE LIMITED TO THE AMOUNT WHICH HAS BEEN ACTUALLY PAID TO PRESIDIO BY CLIENT FOR SERVICES AND/OR PERFORMANCE HEREUNDER. Without limiting the foregoing, PRESIDIO will have no responsibility for the adequacy or performance of (i) any third party software provided to PRESIDIO under this agreement; (ii) any hardware, and (iii) any services provided by any third party.

5. Non-Solicitation Provision. During the term of this SOW and for twelve (12) months thereafter, CLIENT will not solicit for a permanent or other position any employee or subcontractor of PRESIDIO to whom CLIENT was introduced through its relationship with PRESIDIO. Should CLIENT solicit and/or hire an employee or contractor from PRESIDIO, CLIENT shall pay to PRESIDIO an administrative fee equal to 1 year’s salary of the employee’s new salary at CLIENT.

6. Force Majeure. Neither party shall be liable for any failure or delay in performance of its obligations hereunder where such performance is prevented or delayed by causes beyond its reasonable control, including without limitation, flood, war, embargo, strike or other labor dispute, riot, acts of God or the intervention of any government authority.

7. Choice of Law and Venue. The parties will attempt to settle any claim or controversy arising under this SOW through consultation and negotiation in good faith and a spirit of mutual cooperation. This SOW and all matters relating thereto shall be governed exclusively by the substantive law of the State of Michigan. Any dispute relating directly or indirectly to this SOW or any other contract or agreement between the parties which cannot be resolved through the process of consultation and negotiation shall be brought in a court of competent jurisdiction in Kent County, Michigan, that being the exclusive venue for any dispute between or any claims held by any of the parties to this SOW.

8. Miscellaneous. This SOW constitutes the entire agreement of the parties and supersedes all prior written or oral agreements, representations and understandings relating to the subject matter hereof, with the exception of a valid Master Services and Product Agreement between the parties under the terms of which this SOW shall be incorporated. This SOW shall not be amended or modified except by written instrument signed by the parties. Should additional work beyond the scope of the Services detailed herein by PRESIDIO be requested by CLIENT, fees for such additional Services will be negotiated with CLIENT prior to performing such work and will be memorialized in writing between the Parties by utilizing a Project Change Request form (“PCR”) or an additional SOW as appropriate. PRESIDIO will invoice CLIENT for any additional work performed and expenses incurred which are not described in this SOW. The Parties agree that neither may assign its rights or duties under this contract without the prior written consent of the other Party, which consent shall not be unreasonably withheld.

9. Severability. The provisions of this SOW are severable.
