Independent Accountants' Report on Financial Statements and Supplementary Information

Administrative Board
Macon-Piatt Special Education District
Decatur, Illinois

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements and related notes of Macon-Piatt Special Education District (District), a component unit of Decatur School District No. 61, as of and for the year ended June 30, 2023, as listed in the table of contents pages 5 through 24.

We have also audited the modified cash basis financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements. These basic financial statements are not presented as part of the Annual Financial Report form; however, these basic financial statements should be read in conjunction with this report.

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, as of June 30, 2023 or changes in financial position for the year then ended.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the assets and liabilities arising from cash transactions of the funds and account groups of Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, as of June 30, 2023, and the revenue received and expenditures disbursed of its funds for the year then ended, on the basis of accounting described in the notes to these financial statements.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in the notes to these financial statements, the District prepared these financial statements in accordance with regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. They are intended to assure effective legislative and public oversight of school district financing and spending activities and accountable Illinois public school districts.

The effects on the financial statements of the variances between the regulatory basis of accounting described in the notes to these financial statements and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.

Administrative Board
Macon-Piatt Special Education District

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the District's basic financial statements. The accompanying financial information, listed as Supplementary Schedules and Statistical Section, pages 25, 26 and 28 through 35 in the table of contents, and the attached sections entitled Student Activity Funds are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

The supplementary information, excluding that listed in the following paragraph, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The accompanying financial information on pages 27 and 36 through 47 listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 10, 2023, on our consideration of Decatur School District No. 61's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Independent Accountant's Report

Administrative Board
Macon-Piatt Special Education District
Decatur, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the basic financial statements and related notes as listed in the table of contents of Macon-Piatt Special Education District (District), a component unit of Decatur School District No. 61, as of and for the year ended June 30, 2023, and have issued our report thereon dated November 10, 2023, which expressed an adverse opinion because the financial statements were prepared on a regulatory basis of accounting as stated in our report. However, the basic financial statements were found to be fairly stated on the cash basis of accounting, in accordance with the regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Administrative Board
Macon-Piatt Special Education District

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or compliance. This communication is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2023

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Component Unit

Macon-Piatt Special Education District (District) is a component unit of Decatur School District No. 61. The District is established under a joint agreement involving several cooperating school districts. Decatur School District No. 61 administers the District, establishes and approves the District's budget, and has ultimate authority over the District's operations.

Nature of Operations

Macon-Piatt Special Education District is a joint agreement of the thirteen school districts located in Central Illinois for the purpose of serving students in all disability categories in a variety of educational settings.

Basis of Presentation – Fund Accounting

The accounts of the District are organized on the basis of funds or account group, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, net assets, cash receipts, and cash disbursements. The District maintains individual funds required by the State of Illinois. The various funds are summarized by type in the financial statements. These funds are grouped as required for reports filed with the Illinois State Board of Education. District resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The following fund types and account group are used by the District:

Governmental Fund Types:

Governmental Funds are those through which most governmental functions of the District are financed. The acquisition, use, and balances of the District's expendable financial resources and the related liabilities are accounted for through governmental funds. The financial statements, which focus on the measurement of spending and the determination of changes in financial position rather than upon net income determination, reflect cash-basis accounting.

The Educational Fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

General Fixed Assets:

The accounting and reporting treatment applied to the fixed assets associated with a fund are determined by its measurement focus.

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, rather than in governmental funds.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2023

The account group is not a “fund.” It is concerned only with the measurement of financial position. It is not involved with measurement of results of operations.

Governmental Funds – Measurement Focus

The financial statements of all governmental funds focus on the measurement of spending or “financial flow” and the determination of changes in financial position, rather than upon net income determination. This means that only current assets and current liabilities are generally included on their statements of assets, liabilities and net assets arising from cash transactions. Their reported fund balance (net current assets) is considered a measure of “available spendable resources.” Governmental fund operating statements present increases (cash receipts and other financing sources) and decreases (cash disbursements and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of “available spendable resources” during a period.

Fund Balance (Net Positions) Reporting

In accordance with government accounting standards, fund balances are to be classified into five major classifications; Nonspendable Fund Balance, Restricted Fund Balance, Committed Fund Balance, Assigned Fund Balance, and Unassigned Fund Balance. The regulatory provisions prescribed by the Illinois State Board of Education, followed by the District, only reports Reserved and Unreserved Fund Balances. Below are definitions of the differences and a reconciliation of how these balances are reported.

Nonspendable Fund Balance

The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. The “not in spendable form” criterion includes items that are not expected to be converted to cash, for example inventories and prepaid amounts. Due to the cash basis nature of the District, all such items are expensed at the time of purchase, so there is nothing to report for this classification.

Restricted Fund Balance

The restricted fund balance classification refers to amounts that are subject to outside restrictions, not controlled by the entity. Things such as restrictions imposed by creditors, grantors, contributors, or laws and regulations of other governments, or imposed by law through constitutional provisions or enabling legislation. The District has several revenue sources received within the Educational Fund that falls into these categories.

1. State Grants

Proceeds from state grants and the related expenditures have been included in the Educational Fund. At June 30, 2023, expenditures disbursed exceeded revenue received from state grants, resulting in no restricted balance.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2023

2. Federal Grants

Proceeds from federal grants and the related expenditures have been included in the Educational Fund. The District receives money for the Illinois Medical Assistance Program administered by the Illinois Department of Public Aid. The Medicaid dollars are supplemental federal funds required to be used to expand and enhance special education services for students with at-risk disabilities. At June 30, 2023, revenues received from this grant exceeded expenditures disbursed resulting in a restricted balance of \$77,343. This balance is included in these financial statements as reserved in the Educational Fund.

3. The District receives money from the Department of Rehabilitation Services that must be spent to support the Macon-Piatt Special Education District vocational work-study program. At June 30, 2023, revenues received from this grant exceeded expenditures disbursed resulting in a restricted balance of \$427,045. This balance is included in these financial statements as reserved in the Educational Fund.

Committed Fund Balance

The committed fund balance classification refers to amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision making authority (the Administrative Board). Those committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of formal action it employed to previously commit those amounts.

The Administrative Board commits fund balance by making motions or passing resolutions to adopt policy or to approve contracts. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Employee contracts for services rendered during the school year include provisions for paid vacation days. At June 30, 2023, the total amount of unpaid vacation days for services performed during the fiscal year ended June 30, 2023 amounted to \$51,118. This amount is shown as unreserved.

Assigned Fund Balance

The assigned fund balance classification refers to amounts that are constrained by the government's intent to be used for a specific purpose, but are neither restricted or committed. Intent may be expressed by (a) the Administrative Board itself or (b) the finance committee or by the Superintendent when the Administrative Board has delegated the authority to assign amounts to be used for specific purposes.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2023

Unassigned Fund Balance

The unassigned fund balance classification is the residual classification for amounts in the General Operating Fund for amounts that have not been restricted, committed, or assigned to specific purposes within the General Fund. Unassigned Fund Balance amounts are shown in the financial statements as Unreserved Fund Balance in the Educational Fund.

Regulatory – Fund Balance Definitions

Reserved Fund Balances are those balances that are reserved for a specified purpose, other than the regular purpose of any given fund. Unreserved Fund Balances are all balances that are not reserved for a specific purpose other than the specified purpose of a fund.

Reconciliation of Fund Balance Reporting

The following table represents fund balance reporting in accordance with the accounting principles generally accepted in the United States of America and under the regulatory basis of accounting utilized in preparation of these financial statements.

Fund	Accounting Principles Generally Accepted in the United States of America					Regulatory Basis	
	Nonspendable	Restricted	Committed	Assigned	Unassigned	Reserved	Unreserved
Educational	\$ —	\$ 504,388	\$ 51,118	\$ —	\$ 6,890,832	\$ 504,388	\$ 6,941,950

Expenditures of Fund Balance

Unless specifically identified, expenditures act to reduce restricted balances first, then committed balances, next assigned balances, and finally act to reduce unassigned balances. Expenditures for a specifically identified purpose will act to reduce the specific classification of fund balance that is identified.

Basis of Accounting

Basis of accounting refers to when receipts and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The District maintains its accounting records for all funds and account group on the cash basis under guidelines prescribed by the Illinois State Board of Education. Accordingly, revenue is recorded when cash is received and expenditures are recorded when checks or cash are disbursed. Only assets representing a right to receive cash arising from a previous payment of cash are recorded as assets of a fund. In the same manner, only liabilities resulting from previous cash transactions (other than proceeds from a bond issue) are recorded as liabilities of a particular fund.

Cash-basis financial statements omit recognition of receivables and payables and other accrued and deferred items that do not arise from previous cash transactions.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2023

Budgets and Budgetary Accounting

The District prepares a budget for the Educational Fund.

The District's budget is prepared so that budgeted receipts and expenditures can be compared to the cash basis of accounting. The budget was passed on August 23, 2022.

For each fund, total fund expenditures may not legally exceed the budgeted expenditures. The budget lapses at the end of each fiscal year.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

1. Prior to August 1, the Superintendent submits to the Board of Education a proposed operating budget for the fiscal year commencing July 1. The operating budget includes proposed expenditures and the means of financing them.
2. Public hearings are conducted at a public meeting to obtain taxpayer comments.
3. Prior to September 1, the budget is legally adopted through passage of a resolution.
4. The Board of Education is authorized to transfer up to 10% of the total budget between items within any fund.
5. Formal budgetary integration is employed as a management control device during the year.
6. The Board of Education may amend the budget (in other ways) by the same procedures required of its original adoption.

Investments

Investment balances, which consist of money market funds or pooled separate accounts, are stated at cost, which approximate fair value. Assets of the different funds are commingled for investment purposes, and interest earnings are prorated back to the various funds when recognized as revenue. The District has adopted a formal written investment and cash management policy.

General Fixed Assets

General fixed assets have been acquired for general governmental purposes. At the time of purchase, assets are recorded as current expenditures in the Governmental Funds and capitalized at cost in the General Fixed Assets Account Group, except that property and equipment purchased prior to July 1, 1961, is stated at depreciated cost values as determined by expert appraisal. Donated general fixed assets are stated at estimated fair value as of the date of acquisition.

The District maintains a formal capitalization policy and follows grant guidelines when applicable.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2023

No depreciation has been provided on fixed assets in these financial statements. The Illinois State Board of Education's Annual Financial Report Form includes depreciation of \$14,039 which has been utilized for the calculation of the per capita tuition charge, and accumulated depreciation totaling \$2,354,511. Depreciation has been computed over the estimated useful lives of the assets using the straight-line method.

The estimated useful lives are as follows:

Asset Class	Estimated Useful Lives
Buildings and Improvements	50 years
Equipment	5 to 10 years
Transportation Equipment	5 years

Note 2: Changes in General Fixed Assets

A summary of changes in general fixed assets follows:

	Balance July 1, 2022	Additions	Deletions	Balance June 30, 2022
Building and improvements	\$ 43,068	\$ —	\$ —	\$ 43,068
Equipment	<u>2,332,071</u>	<u>22,168</u>	<u>—</u>	<u>2,354,239</u>
	<u>\$ 2,375,139</u>	<u>\$ 22,168</u>	<u>\$ —</u>	<u>\$ 2,397,307</u>

Note 3: Common Bank Account

Separate bank accounts are not maintained for all District funds. Certain funds maintain their uninvested cash balances in a common checking account with accounting records maintained to show the portion of the common bank account balance attributable to each participating fund.

Occasionally, certain funds participating in the common bank account will incur overdrafts (deficits) in the account. The overdrafts result from expenditures which have been approved by the Board. Such overdrafts constitute unauthorized interfund loans since such loans are not authorized by the Board of Education.

Note 4: Deposits, Investments and Investment Income

Deposits

Custodial credit risk is the risk that, in the event of a bank failure, a governments' deposits may not be returned to it. The District's deposit policy for custodial credit risk requires compliance with the provisions of state law.

State law allows for deposits in banks, savings banks, savings and loan associations and credit unions. Deposits not collateralized or insured by an agency of the federal government shall not exceed 75% of the capital stock and surplus in the case of a bank, 75% of the net worth in the case of a savings bank or savings and loan association or 50% of the unimpaired capital and surplus in the case of a credit union. Under state law, the District may enter into an agreement requiring collateralization in an amount equal to at least the fair value of funds deposited in excess of federal depository insurance limits.

At June 30, 2023, the District's deposits were included in a common bank account of Decatur School District No. 61 where all deposits were insured or collateralized.

Investments

The District is authorized by state statute to invest in obligations of the U.S. Treasury, Agencies and Instrumentalities; commercial paper rated within the three highest classifications by at least two standard rating services; obligations of states and their political subdivisions; savings accounts; certificates of deposit; time deposits; money market mutual funds; credit union shares; the Illinois Funds; and the Illinois School District Liquid Asset Fund Plus.

At June 30, 2023, the District's investments were in the Illinois Funds and the Illinois School District Liquid Asset Fund Plus. The District's investments qualify as an exception to GASB Statement No. 72 as they are recorded at amortized cost and are not placed into the fair value hierarchy.

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the District will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. All of the underlying securities for the District's investments at June 30, 2023 are held by the counterparties in the District's name.

Credit Risk

Credit risk is the risk that an insurer of an investment will not fulfill its obligations to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The District's deposits with financial institutions are not subject to credit risk rating. Both the Illinois Funds and the Illinois School District Liquid Asset Fund Plus have been rated AAAM by Standard and Poor's. Credit risk exposure and investment guidelines are addressed in the District's investment policy.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of the District's investment with a single issuer. The investment policy of the District contains no limitations on the amounts that can be invested in any one issuer. Deposits with financial institutions and investments in external investment pools are exempt from the concentration disclosure.

Note 5: Retirement Commitments

As a component unit of Decatur School District No. 61 (DSD No. 61), the District participates in DSD No. 61's retirement plans. The following information generally consists of DSD No. 61 information, with some specific disclosures of the District.

DSD No. 61 provides pension benefits to its employees under two separate defined benefit plans as discussed below. As discussed in Footnote 1, because DSD No. 61 uses a modified cash basis of accounting for financial reporting purposes, it does not report pension obligations in its basic financial statements, thus the recognition requirements for such amounts (assets, deferred outflows of resources, liabilities and deferred inflows of resources) under Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27* are not presented in the District's financial statements. However, limited footnote information under GASB 68 does apply and is provided herein.

Illinois Municipal Retirement Fund (IMRF)

Plan Description

DSD No. 61 contributes to the IMRF Plan, an agent multiple-employer defined benefit pension plan covering substantially all employees. The IMRF Plan is administered by the Illinois Municipal Retirement Fund.

Benefits Provided

Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained on-line at www.imrf.org.

Contributions

As set by statute, DSD No. 61 regular plan members are required to contribute 4.50% of their annual covered salary. The statutes require employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. DSD No. 61's annual required contribution rate for calendar year 2022 was 8.62%. DSD No. 61 also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

For the year ended December 31, 2022, employees contributed \$1,205,939 and DSD No. 61 contributed \$2,356,717 to the IMRF Plan. DSD No. 61 recognized \$2,350,950 in expenses under the modified cash basis for the year ended June 30, 2023.

Teachers' Retirement System of the State of Illinois

Plan Description

DSD No. 61 participates in the Teachers' Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined-benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. TRS members include all active nonannuitants who are employed by a TRS-covered employer to provide services for which teacher licensure is required. The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The TRS Board of Trustees is responsible for the System's administration.

TRS issues a publicly available financial report that can be obtained at <http://trsil.org/financial/cafrs/fy2022>; by writing to TRS at 2815 West Washington Street, P.O. Box 19253, Springfield, Illinois 62794; or by calling (888) 678-3675, option 2.

Benefits Provided

TRS provides retirement, disability, and death benefits. Tier I members have TRS or reciprocal system service prior to January 1, 2011. Tier 1 members qualify for retirement benefits at age 62 with five years of service, at age 60 with 10 years, or age 55 with 20 years. The benefit is determined by the average of the four highest years of creditable earnings within the last 10 years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.2% of final average salary up to a maximum of 75% with 34 years of service.

Tier 2 members qualify for retirement benefits at age 67 with 10 years of service, or a discounted annuity can be paid at age 62 with 10 years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the last four. Disability provisions for Tier 2 are identical to those of Tier 1. Death benefits are payable under a formula that is different from Tier 1.

Essentially all Tier I retirees receive an annual 3% increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier II annual increases will be the lesser of 3% of the original benefit or one-half of the annual unadjusted percentage increase of inflation beginning January 1 following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

Public Act 100-0023, enacted in 2017, created an optional Tier 3 hybrid retirement plan, but it has not yet gone into effect. Public Act 100-0587, enacted in 2018, requires TRS to offer two temporary benefit buyout programs that expire on June 30, 2021. One program allows retiring Tier 1 members to receive a partial lump-sum payment in exchange for accepting a lower, delayed annual increase. The other allows inactive vested Tier 1 and 2 members to receive a partial lump-sum payment in lieu of a retirement annuity. Both programs began in 2019 and will be funded by bonds issued by the State of Illinois.

Contributions

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2022, was 9.0% of creditable earnings. The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the employer.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2023

On behalf contributions to TRS. The District meets the definition of being in a special funding situation in which the State is the non-employer entity that is legally responsible for providing financial support for the pension of the District employees. The State of Illinois makes employer pension contributions on behalf of the District. For the year ended June 30, 2023, the State of Illinois contributions recognized by the employer were based on the State's proportionate share of the collective net pension liability associated with the District, and the District recognized revenue and expenditures of \$827,596 in pension contributions from the State of Illinois.

2.2 formula contributions. Employers contribute .58% of total creditable earnings for the 2.2 formula change. The contribution rate is specified by statute. DSD No. 61's contributions for the year ended June 30, 2023 were \$271,689.

Federal and special trust fund contributions. When TRS members are paid from federal and special trust funds administered by DSD No. 61, there is a statutory requirement for DSD No. 61 to pay an employer pension contribution from those funds. Under Public Act 100-0340, the federal and special trust fund contribution rate is the total employer normal cost beginning with the year ended June 30, 2018.

Previously, employer contributions for employees paid from federal and special trust funds were at the same as the state contribution rate to TRS and were much higher.

For the year ended June 30, 2023, the employer pension contribution was 10.49% of salaries paid from federal and special trust funds. For the year ended June 30, 2023, DSD No. 61 salaries totaling \$1,413,952 were paid from federal and special trust funds that required employer contributions of \$148,324.

District Retirement Cost Contributions. Under GASB Statement No. 68, contributions that a District is required to pay because of a TRS member retiring are categorized as specific liability payments. DSD No. 61 is required to make a one-time contribution to TRS for members granted salary increases over 6% if those salaries are used to calculate a retiree's final average salary.

A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2023, DSD No. 61 paid \$125,054 to TRS for employer contributions due on salary increases in excess of 6% and \$371 for sick leave days granted in excess of the normal annual allotment.

Note 6: Contingencies

The District has received funding from state and federal grants in the current and prior years which is subject to audit and approval by the granting agencies. The Board of Education believes any adjustments that may arise from these audits will be insignificant to District operations.

Notes to Financial Statements

Note 7: Loss Exposure

Significant losses are covered by commercial insurance or memberships in insurance pools for all major programs: property, liability, and workers' compensation. During the year ended June 30, 2023, there were no significant reductions in coverage. Also, there have been no settlement amounts which have exceeded insurance coverage in the past three years.

Note 8: Postemployment Benefit Plans

The District provides postemployment benefits other than pensions (OPEB) to its retirees under two separate defined benefit OPEB plans as discussed below. As discussed in Footnote 1, because the District uses a modified cash basis of accounting for financial reporting purposes, it does not report items related to OPEB, except for OPEB expense, in its basic financial statements, thus the recognition requirements for such amounts (assets, deferred outflows of resources, liabilities and deferred inflows of resources) under Governmental Accounting Standards Board Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions* do not apply to the District. However, limited footnote disclosure is required under GASB 75 and is provided herein.

Retiree Healthcare Plan

Plan Description

The District's eligible retirees and their spouses can participate in the District's group healthcare plan which is a single-employer defined benefit other postemployment benefit (OPEB) plan (the OPEB Plan) covering substantially all employees. The OPEB Plan is administered by a board of trustees. The OPEB Plan is not administered under a qualified trust and there are no employer contributions or OPEB plan assets. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75.

In accordance with GASB 75, an actuarial valuation has to be performed every 30 months for OPEB plans with over 200 participants. The following information provided is as of the last actuarial valuation performed as of June 30, 2022. The District will contract for another valuation in fiscal year 2024.

Benefits Provided

The OPEB Plan provides healthcare benefits to eligible retirees and their spouses through the age of 65. Benefits are provided through a third-party insurer, and the full cost of the benefits is covered by the retiree. For the year ended June 30, 2022, the District recognized OPEB expense related to this plan of \$172,275.

Teacher Health Insurance Security Fund

Plan Description

The Teacher Retirement Insurance Program of Illinois (TRIP or Plan) is a cost-sharing multiple-employer defined benefit postemployment healthcare plan that covers retired employees of participating school districts throughout the State of Illinois, excluding the Chicago Public School System. TRIP health coverage includes provisions for medical, prescription, and behavioral health benefits, but does not provide vision, dental, or life insurance benefits. Annuitants may participate in the State administered Preferred Provider Organization plan or choose from several managed care options. TRIP is administered in accordance with the State Employees Group Insurance Act of 1971 (5 ILCS 375/6.5) which establishes the eligibility and benefit provisions of the plan.

Governmental Accounting Standards Board (GASB) Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefit Plans Other Than Pensions*, defines special funding situations as circumstances in which a nonemployer entity is legally responsible for providing financial support for OPEB (other postemployment benefits) of the employees of another entity by making contributions directly to an OPEB plan that is administered through a trust that meets the criteria set forth in GASB 75 and either (1) the amount of contributions or benefit payments for which the nonemployer entity legally is responsible is not dependent upon one or more events or circumstances unrelated to the OPEB or (2) the nonemployer entity is the only entity with a legal obligation to provide financial support directly to an OPEB plan that is used to provide OPEB to employees of another entity. The State of Illinois is considered a nonemployer contributing entity and the plan is deemed to have a special funding situation.

Notes to Financial Statements

Benefits Provided

The State Employees Group Insurance Act of 1971 (5 ILCS 375/6.5) requires that the Department's Director determine the rates and premiums of annuitants and dependent beneficiaries and establish the cost-sharing parameters, as well as funding. Member premiums are set by this statute, which provides for a subsidy of either 50% or 75%, depending upon member benefit choices. Dependents are eligible for coverage, at a rate of 100% of the cost of coverage.

A summary of the postemployment benefit provisions, changes in benefit provisions, employee eligibility requirements including eligibility for vesting, and the authority under which benefit provisions are established are included as an integral part of the financial statements of the Department of Central Management Services. A copy of the financial statements of the Department may be obtained by writing to the Department of Central Management Services, 401 South Spring Street, Springfield, Illinois, 62706.

Contributions

The State Employees Group Insurance Act of 1971 (5 ILCS 375/6.6) requires that all active contributors of the TRS, who are not employees of a department, make contributions to the plan at a rate of .90% of salary and for every employer of a teacher to contribute an amount equal to .67% of each teacher's salary. The Department determines, by rule, the percentage required, which each year shall not exceed 105% of the percentage of salary actually required to be paid in the previous fiscal year. In addition, under the State Pension Funds Continuing Appropriations Act (40 ILCS 15/1.3), there is appropriated, on a continuing annual basis, from the General Revenue Fund, an account of the General Fund, to the State Comptroller for deposit in the Teachers' Health Insurance Security Fund (THISF), an amount equal to the amount certified by the Board of Trustees of TRS as the estimated total amount of contributions to be paid under 5 ILCS 376/6.6(a) in that fiscal year.

The District meets the definition of being in a special funding situation in which the State is the non-employer entity that is legally responsible for providing financial support for OPEB of the District employees and that the State's proportionate share of the collective net OPEB liability is 57.634328% and the District's percentage is 0.174282%. The state of Illinois makes employer retiree contributions on behalf of the District. State contributions are intended to match contributions to the fund from active members. State of Illinois contributions were \$64,449 and the District recognized revenues and expenditures of this amount during the year. The employer contribution was .67% or \$47,979 for the year ended June 30, 2023.

The OPEB plan contributions for the two plans were \$112,428 for the teacher health insurance plan and \$172,275 for the retiree healthcare plan.

This schedule is to calculate the amount allowed on contracts obligated by the school district for the Indirect Cost Rate calculation. The contracts should be only for purchase services and not for salary contracts. Do not include contracts for Capital Outlay (500) or Non-Capitalized Equipment (700) on this schedule. They are excluded from the Indirect Cost Rate calculation.

To determine the applicable contracts for this schedule, they must meet ALL three qualifications below:

1. The contract must be coded to one of the combinations listed on the icon below.
2. The contract must meet the qualifications below on the "Subaward & Subcontract Guidance" and the "Indirect Cost Rate Plan" (Sub-agreement for Services).
3. Only list contracts that were paid over \$25,000 for the fiscal year.

Indirect Cost Rate Plan

Column A, B, C, D below must be completed for each contract. Enter Column B without hypens. Ex) 101000600

Column (E) and (F) are calculated automatically based on the information provided in Columns (A through D).

The amount in column (E) is the amount allowed on each contract in the Indirect Cost Rate calculation. The amount in column (F) is the amount that will be deducted from the base in the indirect cost rate (tab 41) for Program Year 2025.

1	DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION Provisions per Illinois School Code, Section 17-1 (105 ILCS 5/17-1)					
2	<i>Instructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit Reduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2024 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i>					
3	The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell F11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.					
4	- If the FY2024 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.					
5	- If the Annual Financial Report requires a deficit reduction plan even though the FY2024 budget does not, a completed deficit reduction plan is still required.
