Furthermore, the Board refrains from referring to specific students or staff members by name, and requests that public commenters refrain from doing so as well. The request that you omit names was made to protect you from allegations of libel or slander or from violations of the Illinois School Student Records Act. It was not intended to shield an employee from criticism.</p>	
	<p>No one requested to speak.</p>	
	<p>The Board Secretary noted that there was no public comment to be added to the record for February 28, 2023.</p>	
<p><b>Student Ambassadors Board Discussion</b></p>	<p>No report.</p> <p>Mr. Scheider thanked those who participated and attended the DPS Hiring Fair. It was well attended and the District was making great progress with filling the elementary needs.</p>	<p>Information only. Information only.</p>
	<p>Mr. Scheider shared his supplemental proposal in certain areas:</p> <ol style="list-style-type: none"> <li>1) Elementary School Counselor</li> <li>2) General Social Workers</li> <li>3) Re-establishing the Guidance Department Secretary Position for each high school.</li> </ol>	

TOPIC	DISCUSSION	ACTION
<p><b>Board Discussion Continued</b></p>	<ul style="list-style-type: none"> <li>○ Move clerical tasks to this position so that counselors could spend more time with students.</li> </ul> <p>Mr. Scheider also shared seven (7) work areas of a counselor as follows:</p> <ol style="list-style-type: none"> <li>1) Academic Advisory</li> <li>2) Academic Assistance</li> <li>3) Career Counseling</li> <li>4) Financial Aid Counseling</li> <li>5) Personal Counseling</li> <li>6) Post-secondary Advisement</li> <li>7) Standardized Tests</li> </ol>	<p>Information only.</p>
	<p>He stated that no one could do all of these very well as there was a lot to do. A secretary could alleviate the administrative tasks of a counselor so that they could work directly with students. This was his proposal to better meet the needs of students.</p>	
	<p>The Board discussed.</p>	
	<p>Dr. Collins-Brown noted that he would support the proposal.</p>	
	<p>Mr. Clevenger noted that the Board was getting into administrative work/areas. This was the staff's role. The Board should be setting broad directives for the District. Recommendations for staff should be sent by administration. This information should be given to the Superintendent and her staff as there were a multitude of issues that would have to be addressed for budgetary reasons. The Board should bring the vision for the District.</p>	
	<p>Mr. Spannaus noted that generally additions would cause you to take away from other areas. The administrative staff should discuss budget recommendations. This was not the role of the Board to support one particular area at this level.</p>	
	<p>President Taylor noted that he appreciated Mr. Scheider's passion, but it was not considered as Board work; staffing recommendations come from administration not the Board of Education.</p>	
	<p>Mr. Scheider asked for a motion at the next meeting.</p>	
	<p>The Board continued with discussion.</p>	
	<p>Vice President Dion asked for the salary of one single employee. Jason Fox, Director of Human Resources, replied that it depends on schooling, years of experience, type of benefits package, therefore, it was impossible to put a single number on an employee. A secretary could be \$30k or higher.</p>	
	<p>Mr. Scheider asked why this was not valid for counselors to have more time with students.</p>	

TOPIC	DISCUSSION	ACTION
<b>Reports from Administration Early Bid Process for New K-8 School</b>	<p>Superintendent Clark noted that we are assuming that they do not based on his (AI's) information, but she had not met with anyone who stated that they did not have the time. Secretaries should be doing secretarial work and counselors should be doing counselor work. The administrative team meets with union leaderships every month to discuss needs and there was no recommendation as there was no need at this time.</p> <p>Mr. Scheider noted that needs to be a Coordinator for Counselors too. There was a better chance in hiring a secretary.</p> <p>Kent Metzger, Director of Buildings and Grounds (B&amp;G), and Steve Oliver, BLDD Representatives, shared information regarding the Early Bid Process for New K-8 School. They were on a spending timeline and some items may take longer to receive than others. Mr. Oliver noted three critical items:</p> <ol style="list-style-type: none"> <li>1) Bids for Precast Architectural Concrete (wall panels)</li> <li>2) Main Electrical Gear (main switchboard and distribution panel)</li> <li>3) HVAC Units (chillers)</li> </ol>	Information only.
	<p>B&amp;G and BLDD would like to bring a recommendation regarding bid results during the April 25, 2023 Board of Education meeting.</p>	
	<p>DPS would not be responsible for handling and/or storing these materials.</p>	
	<p>The Board of Education had no further questions and B&amp;G and BLDD will move forward with the bid process.</p>	
<b>Consent Items</b>	<p>Superintendent Clark recommended the Board of Education approve the Consent Items as presented, which included:</p> <ol style="list-style-type: none"> <li>A. Minutes: Open/Closed Session Meetings February 14, 2023</li> <li>B. Financial Conditions Report</li> <li>C. School Board Policies:             <ol style="list-style-type: none"> <li>a. Policy 4:150: Operational Services – Facility Management and Building Programs</li> <li>b. Policy 7:30: Students – Student Assignment and Intra-District Transfers Attendance Areas</li> </ol> </li> <li>D. Job Description: Substitute Security Officer (new)</li> </ol>	Motion Carried. Consent Items were approved as presented.

Student #2223-0004 expulsion for the remainder of the 22-23 SY and all of the 23-24 SY was approved as presented.</p>

Student #2223-0005 expulsion for the remainder of the 22-23 SY and all of the 23-24 SY was approved as presented.</p>

TOPIC	DISCUSSION	ACTION
	<p>Ms. Banks moved to approve the recommendation, seconded by Mr. Spannaus.</p> <p>Vice President Dion noted that he was not voting yes because he wants kids expelled to the streets, not voting yes because he does not care about their education. He was voting yes because of his support for administration in reducing the violence in the schools. This was completely unacceptable and the message needs to be clear.</p> <p>Mr. Spannaus noted that this was a very hard decision for everyone and he respected the differences amongst the Board Members There was a crisis that needs to be addressed.</p> <p>Mr. Clevenger noted that they all had empathy and administration was trying to get it under control. It was tough, but we cannot continue on the same path as you will receive the same results. He thanked Dr. Clark for taking a strong-decisive action.</p> <p>Superintendent Clark asked the parents again, to help the District with their kids. She will not continue to allow this in her schools; it has to stop and our school must be safe.</p> <p>Hearing no questions, President Taylor called for a Roll Call Vote:                      Aye: Spannaus, Taylor, Clevenger, Dion                      Nay: Banks                      Nay: Collins-Brown (noted that he voted no for the same reasons as for expulsions 2223-0004 and 2223-0005)                      Nay: Scheider (noted he voted no for the same reasons)                      Roll Call Vote: 4 Aye, 3 Nay, 0 Absent</p>	<p>the 22-23 SY and all of the 23-24 SY was approved as presented.</p>

- Any public comments submitted to the Board Secretary will be included in the record.

For our listening audience, please note that during any Board of Education meeting and public participation, Board Members do NOT respond and/or comment to public comments; ALL COMMENTS ARE REFERRED TO ADMINISTRATION.

Furthermore, the Board refrains from referring to specific students or staff members by name, and requests that public commenters refrain from doing so as well. The request that you omit names was made to protect you from allegations of libel or slander or from violations of the Illinois School Student Records Act. It was not intended to shield an employee from criticism.

The Board Secretary noted that a public comment from Tara Hubbard will be added to record with the March 07, 2023 Open Session minutes.

Charles Tiner, MPSED Employee, spoke to the Board regarding the ratification of the two-day suspension, which he felt the investigation was tainted with retaliation by the MPSED administration. The statements written were conflicting and not factual. He could use the two-days off due to the hostile working environment. He has previously complained about the principal at the alt ed facility. He asked the Board of Education to not affirm the recommendation of the two-day suspension.

To Whom It May Concern:

When you step into Garfield Learning Academy you get a sense of calm. A calm that has been developed because of the mutual respect between students and staff. That is not without saying that from time to time there may not be confrontation between students or for students to be upset with staff, but one thing is for sure we all know how to communicate with one another to help resolve whatever issue has arisen. Much of this can be attributed to what Mrs. Morrison and Mr. Jordan have built within these walls. A mutual understanding and respect that everyone who walks these halls can feel.

When looking at the demographics of our student population you will see that 62% are African American, 12% are bi-racial, and 26% are Caucasian. Many of our students come to us with little to no trust. Especially our male students, who do not have a positive male role model in their lives. Mr. Jordan has been able to be that positive role model for them. They know that they can come to him for guidance and support. Students know where they stand with him and know that although they may not want to hear what he has to say, what he does say is what is in their best interest.

Our building currently lacks the safety measures it needs. We have had parents and students threaten staff. Mr. Jordan always makes sure that he is the first line to protect his students and staff from danger. Mr. Jordan is the piece of the puzzle that completes us. When you take a piece of a puzzle away it is incomplete and doesn't work. It's not that we cannot work without him, but rather that he represents the African American male authoritative figure piece of the puzzle that completes our cohesive team.

By removing Mr. Jordan from our team, you remove the sense of calm and security that he represents and provides to his students and staff. The saying goes, "If it isn't broke, don't fix it". What we have at Garfield Learning Academy is working; and it certainly does not need fixed! Please hear us when we say we don't just want Mr. Jordan, we need Mr. Jordan to complete our "school family".

Sincerely,  
Garfield Learning Academy staff

## Scope of Services – Audit Services

We will audit the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information and related disclosures, which collectively comprise the basic financial statements for the following entity:

Decatur School District No. 61 as of and for the year ended June 30, 2023

The audit has the following broad objectives:

- Obtaining reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error
- Expressing opinions on the financial statements
- Issuing a report on your internal control over financial reporting and compliance and other matters based on the audit of your financial statements in accordance with *Government Auditing Standards*
- Expressing an opinion on your compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect to each of your major federal award programs in accordance with the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance)
- Issuing a report on your internal control over compliance in accordance with the Uniform Guidance
- Issuing a report on your schedule of expenditures of federal awards

We understand the financial statements are prepared in accordance with the modified cash basis of accounting.

We will also express an opinion on whether supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will complete the auditee portion of the Form SF-SAC (Data Collection Form) through the Federal Audit Clearinghouse. We will not make the submission on your behalf. You will review a draft of the submission prior to transmission and agree that you are solely responsible for approving the final draft for transmission as well as for the auditee submission and certification.

We will also provide you with the following nonattest services:

- Evaluating the adequacy and results of the services performed
- Accepting responsibility for the results of such services
- Designing, implementing, and maintaining internal controls, including monitoring ongoing activities

Heather Powell is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report(s) upon completion of our audit(s), addressed to the following parties:

**Entity Name**

Decatur School District No. 61

**Party Name**

Board of Education

You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports.

The following apply for the audit services described above:

**Our  
Responsibilities**

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and the Uniform Guidance. Those standards require that we plan and perform:

- The audit of the financial statements to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error
- The audit of compliance to obtain reasonable rather than absolute assurance about whether the entity complied with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each major federal award program

We will exercise professional judgment and maintain professional skepticism throughout the audit.

We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

We will identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the entity's compliance with compliance requirements subject to audit and performing such other procedures as the auditor considers necessary in the circumstances.

We will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that the auditor identified during the audit.

## **Limitations & Fraud**

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit that is planned and conducted in accordance with GAAS will always detect a material misstatement or material noncompliance with federal award programs when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

The risk of not detecting a material misstatement or material noncompliance resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and FORVIS.

## **Opinion**

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph(s) to our auditor's report, or if necessary, decline to express an opinion or withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

**Your  
Responsibilities**

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the accuracy and completeness of all information provided and for the following:

- **Audit Support** – to provide us with:
  - Unrestricted access to persons within the entity or within components of the entity (including management, those charged with governance, and component auditors) from whom we determine it necessary to obtain audit evidence
  - Information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including access to information relevant to disclosures
  - Information about events occurring or facts discovered subsequent to the date of the financial statements, of which management may become aware, that may affect the financial statements
  - Information about any known or suspected fraud affecting the entity involving management, employees with significant role in internal control, and others where fraud could have a material effect on the financials
  - Identification and provision of report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the audit, including whether related recommendations have been implemented
  - Additional information that we may request for the purpose of the audit
  
- **Internal Control and Compliance** – for the:
  - Design, implementation, and maintenance of internal control relevant to compliance with laws and regulations and the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
  - Alignment of internal control to ensure that appropriate goals and objectives are met; that management and financial information is reliable and properly reported; and that compliance with and identification of the laws, regulations, contracts, grants, or agreements (including any federal award programs) applicable to the entity's activities is achieved
  - Remedy, through timely and appropriate steps, of fraud and noncompliance with provisions of laws, regulations, contracts, or other agreements reported by the auditor
  - Establishment and maintenance of processes to track the status and address findings and recommendations of auditors
  
- **Accounting and Reporting** – for the:
  - Maintenance of adequate records, selection and application of accounting principles, and the safeguard of assets
  - Adjustment of the financial statements to correct material misstatements and confirmation to us in the representation letter that the effects of any uncorrected misstatements aggregated by us are immaterial, both individually and in the aggregate, to the financial statements taken as a whole
  - Preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (or other basis if indicated in the contract)
  - Inclusion of the auditors' report in any document containing financial statements that indicates that such financial statements have been audited by us
  - Distribution of audit reports to any necessary parties

The results of our tests of compliance and internal control over financial reporting performed in connection with our audit of the financial statements may not fully meet the reasonable needs of report users. Management is responsible for obtaining audits, examinations, agreed-upon procedures, or other engagements that satisfy relevant legal, regulatory, or contractual requirements or fully meet other reasonable user needs.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America provide for certain required supplementary information ("RSI") to accompany the basic financial statements. We understand the following RSI will accompany the basic financial statements:

1. Management's Discussion and Analysis ("MD&A")
2. Budgetary comparison
3. Pension and Other Postemployment Benefit information

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management is responsible for the fair presentation of the RSI. As part of our engagement, we will apply certain limited procedures to the RSI in GAAS. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Supplementary Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

Such information is:

- Presented for the purpose of additional analysis of the financial statements
- Not a required part of the financial statements
- The responsibility of management
- Subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS

**Written  
Confirmations  
Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

**Peer Review  
Report**

*Government Auditing Standards* require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract, upon request. If you would like a copy, please request from your engagement executive.

## FORVIS, LLP Terms and Conditions Addendum

### GENERAL

1. **Overview.** This addendum describes **FORVIS LLP's** standard terms and conditions ("Terms and Conditions") applicable to Our provision of services to the Client ("You"). The Terms and Conditions are a part of the contract between You and FORVIS, LLP. For the purposes of the Terms and Conditions, any reference to "Firm," "We," "Us," or "Our" is a reference to FORVIS, LLP ("FORVIS"), and any reference to "You" or "Your" is a reference to the party or parties that have engaged Us to provide services and the party or parties ultimately responsible for payment of Our fees and costs.

### BILLING, PAYMENT, & TERMINATION

2. **Billing and Payment Terms.** We will bill You for Our professional fees and costs as outlined in Our contract. Unless otherwise provided in Our contract, payment is due upon receipt of Our billing statement. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10 percent. All fees, charges, and other amounts payable to FORVIS hereunder do not include any sales, use, excise, value-added, or other applicable taxes, tariffs, or duties, payment of which shall be Your sole responsibility, and do not include any applicable taxes based on FORVIS' net income or taxes arising from the employment or independent contractor relationship between FORVIS and FORVIS' personnel.

We reserve the right to suspend or terminate Our work for this engagement or any other engagement for nonpayment of fees. If Our work is suspended or terminated, You agree that We will not be responsible for Your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against You resulting from Your failure to meet such deadlines, and for any other damages (including but not limited to consequential, indirect, lost profits, or punitive damages) incurred as a result of the suspension or termination of Our services.

Our fees may increase if Our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards. Our engagement fees do not include any time for post-engagement consultation with Your personnel or third parties, consent letters and related procedures for the use of Our reports in offering documents, inquiries from regulators, or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

3. **Billing Records.** If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, We agree to make available to the Secretary of Health and Human Services, or to the U.S. Comptroller General, or any of their duly authorized representatives, such of Our books, documents, and records that are necessary to certify the nature and extent of Our services, until the expiration of four (4) years after the furnishing of these services. This contract allows access to contracts of a similar nature between subcontractors and related organizations of the subcontractor, and to their books, documents, and records.

4. **Termination.** Either party may terminate these services in good faith at any time for any reason, including Your failure to comply with the terms of Our contract or as We determine professional standards require. Both parties must agree, in writing, to any future modifications or extensions. If services are terminated, You agree to pay FORVIS for time expended to date. In addition, You will be billed costs and fees for services from other professionals, if any, as well as an administrative fee of five (5) percent to cover certain technology and administrative costs associated with Our services. Unless terminated sooner in accordance with its terms, this engagement shall terminate upon the completion of FORVIS' services hereunder.

### DISPUTES & DISCLAIMERS

5. **Mediation.** Any dispute arising out of or related to this engagement will, prior to resorting to litigation, be submitted for nonbinding mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. The mediator will be selected by agreement of the parties. The mediation proceeding shall be confidential. Each party will bear its own costs in the mediation, but the fees and expenses of the mediator will be shared equally.
6. **Indemnification.** Unless disallowed by law or applicable professional standards, You agree to hold FORVIS harmless from any and all claims which arise from knowing misrepresentations to FORVIS, or the intentional withholding or concealment of information from FORVIS by Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. You also agree to indemnify FORVIS for any claims made against FORVIS by third parties, which arise from any wrongful actions of Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. The provisions of this paragraph shall apply regardless of the nature of the claim.
7. **Statute of Limitations.** You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether FORVIS performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of FORVIS in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.
8. **Limitation of Liability.** You agree that FORVIS' liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. This limitation shall not apply to the extent it is finally, judicially determined that the liability resulted from the intentional or

willful misconduct of FORVIS or if enforcement of this provision is disallowed by applicable law or professional standards.

9. **Waiver of Certain Damages.** In no event shall FORVIS be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise.
10. **Choice of Law.** You acknowledge and agree that any dispute arising out of or related to this contract shall be governed by the laws of the State of Texas, without regard to its conflict of laws principles.
11. **WAIVER OF JURY TRIAL. THE PARTIES HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THIS AGREEMENT, OR ANY CLAIM, COUNTERCLAIM, OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY THE PARTIES, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE.**
12. **Severability.** In the event that any term or provision of this agreement shall be held to be invalid, void, or unenforceable, then the remainder of this agreement shall not be affected, and each such term and provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.
13. **Assignment.** You acknowledge and agree that the terms and conditions of this contract shall be binding upon and inure to the parties' successors and assigns, subject to applicable laws and regulations.

You agree You will not rely on FORVIS to provide hosting, electronic security, or backup services, *e.g.*, business continuity or disaster recovery services, to You unless separately engaged to do so. You understand that Your access to data, records, and information from FORVIS' servers, *i.e.*, FORVIS portals used to exchange information, can be terminated at any time and You will not rely on using this to host Your data and records.
16. **FORVIS Workpapers.** Our workpapers and documentation retained in any form of media for this engagement are the property of FORVIS. We can be compelled to provide information under legal process. In addition, We may be

requested by regulatory or enforcement bodies (including any State Board) to make certain workpapers available to them pursuant to authority granted by law or regulation. Unless We are prohibited from doing so by law or regulation, FORVIS will inform You of any such legal process or request. You agree We have no legal responsibility to You in the event We determine We are obligated to provide such documents or information.

17. **Subpoenas or Other Legal Process.** In the event FORVIS is required to respond to any such subpoena, court order, or any government regulatory inquiry or other legal process relating to You or Your management for the production of documents and/or testimony relative to information We obtained or prepared incident to this or any other engagement in a matter in which FORVIS is not a party, You shall compensate FORVIS for all time We expend in connection with such response at normal and customary hourly rates and to reimburse Us for all out-of-pocket expenses incurred in regard to such response.
18. **Use of Deliverables and Drafts.** You agree You will not modify any deliverables or drafts prepared by Us for internal use or for distribution to third parties. You also understand that We may on occasion send You documents marked as draft and understand that those are for Your review purpose only, should not be distributed in any way, and should be destroyed as soon as possible.

Our report on any financial statements must be associated only with the financial statements that were the subject of Our engagement. You may make copies of Our report, but only if the entire financial statements (exactly as attached to Our report, including related footnotes) and any supplementary information, as appropriate, are reproduced and distributed with Our report. You agree not to reproduce or associate Our report with any other financial statements, or portions thereof, that are not the subject of Our engagement.

19. **Proprietary Information.** You acknowledge that proprietary information, documents, materials, management techniques, and other intellectual property are a material source of the services We perform and were developed prior to Our association with You. Any new forms, software, documents, or intellectual property We develop during this engagement for Your use shall belong to Us, and You shall have the limited right to use them solely within Your business. All reports, templates, manuals, forms, checklists, questionnaires, letters, agreements, and other documents which We make available to You are confidential and proprietary to Us. Neither You, nor any of Your agents, will copy, electronically store, reproduce, or make any such documents available to anyone other than Your personnel. This provision will apply to all materials whether in digital, "hard copy" format, or other medium.

## **REGULATORY**

20. **U.S. Securities and Exchange Commission ("SEC") and other Regulatory Bodies.** Where We are providing services either for (a) an entity that is registered with the SEC, (b) an affiliate of such registrant, or (c) an entity or affiliate that is subject to rules, regulations, or standards beyond those of the American Institute of Certified Public Accountants ("AICPA"), any term of this contract that would be prohibited by or impair Our independence under applicable law or regulation shall not apply to the extent necessary only to avoid such prohibition or impairment.

21. **Offering Document.** You may wish to include Our report(s) on financial statements in an exempt offering document. You agree that any report, including any auditor's report, or reference to Our firm, will not be included in any such offering document without notifying Us. Any agreement to perform work in connection with an exempt offering document, including providing agreement for the use of the auditor's report in the exempt offering document, will be a separate engagement.

Any exempt offering document issued by You with which We are not involved will clearly indicate that We are not involved by including a disclosure such as, "FORVIS, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. FORVIS, LLP also has not performed any procedures relating to this offering document."

22. **FORVIS Not a Municipal Advisor.** FORVIS is not acting as Your municipal advisor under Section 15B of the *Securities Exchange Act of 1934*, as amended. As such, FORVIS is not recommending any action to You and does not owe You a fiduciary duty with respect to any information or communications regarding municipal financial products or the issuance of municipal securities. You should discuss such matters with internal or external advisors and experts You deem appropriate before acting on any such information or material provided by FORVIS.
23. **FORVIS Not a Fiduciary.** In providing Our attest services, We are required by law and our professional standards to maintain our independence from You. We take this mandate very seriously and thus guard against impermissible relationships which may impair the very independence which You and the users of Our report require. As such, You should not place upon Us special confidence that in the performance of Our attest services We will act solely in Your interest. Therefore, You acknowledge and agree We are not in a fiduciary relationship with You and We have no fiduciary responsibilities to You in the performance of Our services described herein.

## TECHNOLOGY

24. **Electronic Sites.** You agree to notify Us if You desire to place Our report(s), including any reports on Your financial statements, along with other information, such as a report by management or those charged with governance on operations, financial summaries or highlights, financial ratios, etc., on an electronic site. You recognize that We have no responsibility to review information contained in electronic sites.
25. **Electronic Signatures and Counterparts.** This contract and other documents to be delivered pursuant to this contract may be executed in one or more counterparts, each of which will be deemed to be an original copy and all of which, when taken together, will be deemed to constitute one and the same agreement or document, and will be effective when counterparts have been signed by each of the parties and delivered to the other parties. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this contract are intended to authenticate this writing and to have the same force and effect as manual signatures. 26. **Electronic Data Communication and Storage.** In the interest of facilitating Our services to You, We may send data over the internet, temporarily store electronic data via computer software applications hosted remotely on the internet, or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, We employ measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with Our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that We have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by Us. You consent to Our use of these electronic devices and applications during this engagement.

28. **Third-Party Service Providers.** FORVIS may from time to time utilize third-party service providers, including but not limited to domestic software processors or legal counsel, or disclose confidential information about You to third-party service providers in serving Your account. FORVIS maintains, however, internal policies, procedures, and safeguards to protect the confidentiality and security of Your information. In addition, FORVIS will secure confidentiality agreements with all service providers to maintain the confidentiality of Your information. If We are unable to secure an appropriate confidentiality agreement, You will be asked to consent prior to FORVIS sharing Your confidential information with the third-party service provider.
29. **Independent Contractor.** When providing services to You, We will be functioning as an independent contractor; and in no event will We or any of Our employees be an officer of You, nor will Our relationship be that of joint venturers, partners, employer and employee, principal and agent, or any similar relationship giving rise to a fiduciary duty to You. Decisions regarding management of Your business remain the responsibility of Your personnel at all times. Neither You nor FORVIS shall act or represent itself, directly or by implication, as an agent of the other or in any manner assume or create any obligation on behalf of, or in the name of, the other.
30. **Use of FORVIS Name.** Any time You intend to reference FORVIS' firm name in any manner in any published materials,

including on an electronic site, You agree to provide Us with draft materials for review and approval before publishing or posting such information.

31. **Praxity.** FORVIS is an independent accounting firm allowed to use the name "Praxity" in relation to its practice. FORVIS is not connected, however, by ownership with any other firm using the name "Praxity." FORVIS will be solely responsible for all work carried out on Your behalf. In deciding to engage FORVIS, You acknowledge that We have not represented to You that any other firm using the name "Praxity" will in any way be responsible for Our work.
32. **Entire Agreement.** The contract, including this Terms and Conditions Addendum and any other attachments or addenda, encompasses the entire agreement between You and FORVIS and supersedes all previous understandings and agreements between the parties, whether oral or written. Any modification to the terms of this contract must be made in writing and signed by both You and FORVIS.
33. **Force Majeure.** We shall not be held responsible for any failure to fulfill Our obligations if such failure was caused by circumstances beyond Our control, including, without limitation, fire or other casualty, act of God, act of terrorism, strike or labor dispute, war or other violence, explosion, flood or other natural catastrophe, epidemic or pandemic, or any law, order, or requirement of any governmental agency or authority affecting either party, including without limitation orders incident to any such epidemic or pandemic, lockdown orders, stay-at-home orders, and curfews.

District-led summer school will be offered during the month of June only and will operate out of designated school campuses.

**CURRENT CONSIDERATIONS:**

In collaboration with Decatur’s community partners, the District is offering again, an event for families to learn more about and register for community-based summer programs. Last year’s event was a success and approximately 150+ families attended. This year’s Community Summer Sign Up & Family Resource Event will take place on Thursday, April 12 at MacArthur High School from 4:30 p.m. – 6:30 p.m.

Parents/guardians can visit and speak to representatives from the community to gain an overview of program offerings and register their child onsite to participate over the summer. Additionally, the Student Services Department held a Community Family Resource Fair last year where service partners, such as the Decatur-Macon County Opportunities Center and Crossing Healthcare were available to share information about resources and assistance available for families in need. The District is combining both events to better serve the families of DPS.

**FINANCIAL CONSIDERATIONS:**

District Administration recognizes the need to work with community partners to offset any financial hardship for DPS families seeking summer activities and will use federal funds (grant) and/or the Community Engagement budget to provide scholarships for active DPS students to participate in community programs for during the summer of 2023 and 2024.

**STAFF RECOMMENDATION:**

The Administration respectfully requests the Board of Education to approve the Summer Program Scholarship Agreements for the summer of 2023 and 2024 as presented.

**WITNESSETH:**

**WHEREAS**, the District is an education institution desiring to ensure its students are able to participate in summer programs;

**WHEREAS**, the Community Organization maintains and operates a summer program, between June 5, 2023 and August 4, 2023, in which District students may enroll;

**WHEREAS**, both Parties desire to ensure equitable access for District students to Summer Programming provided by Community Organization;

**NOW, THEREFORE**, in consideration of the mutual terms, covenants and conditions contained herein, it is agreed by and between the parties as follows:

1. **Incorporation of Preambles.** The parties find that all the preambles contained herein are full, true and correct and do incorporate them into this Agreement by reference.
2. **Services to be performed by Community Organization.** The Community Organization shall, during the period of this Agreement, provide enrollment in the Community Organization’s summer program for District students. The Community Organization in addition, agrees to the following provisions:
  - a. The Community Organization shall provide all necessary equipment and supplies for the summer program. The District shall not be responsible for any equipment or supplies.

- b. The Community Organization agrees to communicate directly with the District when a District student enrolls in the Community Organization's summer program. The Community Organization further agrees to

provide an invoice to the District containing District student enrollment and attendance data. This invoice shall be sent to the District no later than fourteen (14) calendar days after completion of the summer program.

- b. **Cap on District participants.** The Parties agree and acknowledge the District may cap funds at five-hundred (500) total students enrolled in summer programs. The District, however, reserves the right to increase this number should interest in summer programs exceed the District's current expectations. It shall, therefore, be the sole responsibility of the District to ensure a proper accounting of District students enrolled in Community Organization summer programs. It shall further be the sole responsibility of the District to inform the Community Organization when or if the total number of students exceeds the two-hundred (200) total District students enrolled in summer programs.

4. **Term and Termination.**

- a. This Agreement shall be for a period of one-hundred (100) calendar days, commencing on June 5, 2023 and terminating on September 13, 2023.
- b. This Agreement may be renewed upon agreement of the Parties.

**BACKGROUND INFORMATION:**

The districts large space projectors are aging and need to be upgraded. This includes auditoriums at EHS, MHS, Hope Academy, and SDMS.

**FINANCIAL CONSIDERATIONS:**

The winning bid was from Midwest Computer Products.

This purchase would be paid from the FY23 Information Technology budget in the amount \$89,226.25.

<b>Date:</b> March 28, 2023	<b>Subject:</b> Purchase of TVs for MacArthur High School and the FFA Agriculture (Ag) Education Center
<b>Initiated By:</b> Maurice Payne, Director of IT	<b>Attachments:</b> Bid 2023-6 From B and H Photo Video
<b>Reviewed By:</b> Dr. Jay Marino, Assistant Superintendent of Support Services, and Dr. Rochelle Clark, Superintendent	

**BACKGROUND INFORMATION:**

The current technology in Macarthur classrooms includes an Epson projector controlled by an Extron audio video system. The projectors in MHS classrooms have been failing in recent years. The model has since been discontinued and is reaching the end of life. The spare inventory has been exhausted and the rate of breakage is outpaced our ability to repair the projectors.

Each MHS classroom also has an Extron AV system to control the projector and sound. The Extron wall plate that controls the system is failing in multiple classrooms. As this system is expensive and geared more towards rooms with projectors, the Extron system will no longer be needed.

**CURRENT CONSIDERATIONS:**

As TVs have come down in price, they are a more economical option than to continue using projectors in classrooms. The goal would be to replace all projectors with at least an 80” TV in all classrooms by the start of the 2023-2024 school year.

The Ag Education center will be opening to DPS students starting in the fall of 2023. DPS will be providing 20 television displays for the Ag Education Center.

**FINANCIAL CONSIDERATIONS:**

The winning bid was from B&H Photo Video.

This purchase would be paid from the FY23 Information Technology budget in the amount \$85,672.25.

**STAFF RECOMMENDATION:**

The Administration respectfully requests that the Board of Education approve the purchase in the amount of \$85,672.25 for the TVs for MacArthur High School and the FFA Agriculture (Ag) Education Center as presented.

<b>Date:</b> March 28, 2023	<b>Subject:</b> MacBooks for Prep Academy
<b>Initiated By:</b> Maurice Payne, Director of IT, and Ashley Grayned, Executive Director of Strategic Planning & Innovative Programs	<b>Attachments:</b> MacBooks for Prep Academy – Apple Proposal
<b>Reviewed By:</b> Dr. Jay Marino, Assistant Superintendent of Support Services, and Dr. Rochelle Clark, Superintendent	

### **BACKGROUND INFORMATION:**

The Prep Academy is a joint sponsored program between DPS and Richland Community that is unique to DPS students. DPS enrolled students enrolled in the Prep Academy will have the opportunity to participate in Dual Credit classes that will enhance the student’s ability to complete academic requirements necessary to earn and achieve all degree requirements for an Associate’s of Arts Degree and a high school diploma concurrently. This program is intended to promote academic success for students so that they achieve their potential through the efforts of RCC and DPS.

Students enrolled in the Prep Academy will utilize the use of Macbooks to be more efficient in their work as they transition through their courses. As it stands currently, the ipads are not the best source of technology that will support the student’s efficiency in their work. The Macbook offers a keyboard, word processing, and other software that will ensure the students have the technology resources needed to complete their work accurately, efficiently, and effectively.

Strategic Plan alignment “We will ensure unqiue, innovatiuve learning experiences for all students.”

### **CURRENT CONSIDERATIONS:**

IT would supply the newly enrolled Prep Academy students with MacBooks. The MacBooks would be covered under an insurance plan to ensure the student has a working device for the duration of the program.

### **FINANCIAL CONSIDERATIONS:**

This purchase would be paid from the FY23 Information Technology budget in the amount \$54,530.00.

### **STAFF RECOMMENDATION:**

The Administration respectfully requests that the Board of Education approve the purchase in the amount of \$54,530.00 for the MacBooks for the Prep Academy as presented.

<b>Initiated By:</b> Dr. Mike Curry, Chief Operational Officer	<b>Attachments:</b> Contractual Agreement
<b>Reviewed By:</b> Dr. Rochelle Clark, Superintendent	

**BACKGROUND INFORMATION:**

The current Financial Software set-up is hosted locally on an aging server. Instead of rebuilding or purchasing a new server and hosting the software locally, I am recommending moving to a Cloud-based hosting option provided by the vendor.

**CURRENT CONSIDERATIONS:**

The three main reasons for making this recommendation are: 1) Locally hosted back-up issues will not be a problem that the district will be responsible for. 2) Cyber security is always a threat. 3) The locally hosted version of School ERP Pro is currently being left out of user and functionality upgrades. The end goal of the vendor is to move all users to the Cloud.

**FINANCIAL CONSIDERATIONS:**

The current cost for the Fiscal package is \$90,738.79 and would increase to \$112,065.11 with cyber safety and back-up history being the responsibility of the vendor.

## SECTION B – SAAS SERVICES

1. Rights Granted. We grant to you the non-exclusive, non-assignable limited right to use the SaaS Services solely for your internal business purposes for the number of Defined Users only. The Tyler Software will be made available to you according to the terms of the SLA. You acknowledge that we have no delivery obligations and we will not ship copies of the Tyler Software as part of the SaaS Services. You may use the SaaS Services to access updates and enhancements to the Tyler Software, as further described in Section C(9). The foregoing notwithstanding, to the extent we have sold you perpetual licenses for Tyler Software, if and listed in the Investment Summary, for which you are receiving SaaS Services, your rights to use such Tyler Software are perpetual, subject to the terms and conditions of this Agreement including, without limitation, Section B(4). We will make any such software available to you for download.

2. SaaS Fees. You agree to pay us the SaaS Fees. Those amounts are payable in accordance with our Invoicing and Payment Policy. The SaaS Fees are based on the number of Defined Users and amount of Data Storage Capacity. You may add additional users or additional data storage capacity on the terms set forth in Section H(1). In the event you regularly and/or meaningfully exceed the Defined Users or Data Storage Capacity, we reserve the right to charge you additional fees commensurate with the overage(s).
3. Ownership.
  - 3.1 We retain all ownership and intellectual property rights to the SaaS Services, the Tyler Software, and anything developed by us under this Agreement. You do not acquire under this Agreement any license to use the Tyler Software in excess of the scope and/or duration of the SaaS Services.
  - 3.2 The Documentation is licensed to you and may be used and copied by your employees for internal, non-commercial reference purposes only.
  - 3.3 You retain all ownership and intellectual property rights to the Data. You expressly recognize that except to the extent necessary to carry out our obligations contained in this Agreement, we do not create or endorse any Data used in connection with the SaaS Services.
4. Restrictions. You may not: (a) make the Tyler Software or Documentation resulting from the SaaS Services available in any manner to any third party for use in the third party's business operations; (b) modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of the SaaS Services; (c) access or use the SaaS Services in order to build or support, and/or assist a third party in building or supporting, products or services competitive to us; or (d) license, sell, rent, lease, transfer, assign, distribute, display, host, outsource, disclose, permit timesharing or service bureau use, or otherwise commercially exploit or make the SaaS Services, Tyler Software, or Documentation available to any third party other than as expressly permitted by this Agreement.
5. Software Warranty. We warrant that the Tyler Software will perform without Defects during the term of this Agreement. If the Tyler Software does not perform as warranted, we will use all reasonable efforts, consistent with industry standards, to cure the Defect in accordance with the maintenance and support process set forth in Section C(9), below, the SLA and our then current Support Call Process.
6. SaaS Services.
  - 6.1 Our SaaS Services are audited at least yearly in accordance with the AICPA's Statement on Standards for Attestation Engagements ("SSAE") No. 18. We have attained, and will maintain, SOC 1 and SOC 2 compliance, or its equivalent, for so long as you are timely paying for SaaS Services. The scope of audit coverage varies for some Tyler Software solutions. Upon execution of a mutually agreeable Non-Disclosure Agreement ("NDA"), we will provide you with a summary of our compliance report(s) or its equivalent. Every year thereafter, for so long as the NDA is in effect and in which you make a written request, we will provide that same information. If our SaaS Services are provided using a 3rd party data center, we will provide available compliance reports for that data center.

- 6.2 You will be hosted on shared hardware in a Tyler data center or in a third-party data center. In either event, databases containing your Data will be dedicated to you and inaccessible to our other customers.
- 6.3 Our Tyler data centers have fully-redundant telecommunications access, electrical power, and the required hardware to provide access to the Tyler Software in the event of a disaster or component failure. In the event of a data center failure, we reserve the right to employ our disaster recovery plan for resumption of the SaaS Services. We will provide you with a written or electronic record of the actions taken by us in the event that any unauthorized access to your database(s) is detected as a result of our security protocols. We will undertake an additional security audit, on terms and timing to be mutually agreed to by the parties, at your written request. You may not attempt to bypass or subvert security restrictions in the SaaS Services or environments related to the Tyler Software. Unauthorized attempts to access files, passwords or other confidential information, and unauthorized vulnerability and penetration test scanning of our network and systems (hosted or otherwise) is prohibited without the prior written approval of our IT Security Officer.
- 6.5 We test our disaster recovery plan on an annual basis. Our standard test is not client-specific. Should you request a client-specific disaster recovery test, we will work with you to schedule and execute such a test on a mutually agreeable schedule. At your written request, we will provide test results to you within a commercially reasonable timeframe after receipt of the request.
- 6.6 We will be responsible for importing back-up and verifying that you can log-in. You will be responsible for running reports and testing critical processes to verify the returned Data.
- 6.7 We provide secure Data transmission paths between each of your workstations and our servers.
- 6.8 Tyler data centers are accessible only by authorized personnel with a unique key entry. All other visitors to Tyler data centers must be signed in and accompanied by authorized personnel. Entry attempts to the data center are regularly audited by internal staff and external auditors to ensure no unauthorized access.
- 6.9 Where applicable with respect to our applications that take or process card payment data, we are responsible for the security of cardholder data that we possess, including functions relating to storing, processing, and transmitting of the cardholder data and affirm that, as of the Effective Date, we comply with applicable requirements to be considered PCI DSS compliant and have performed the necessary steps to validate compliance with the PCI DSS. We agree to supply the current status of our PCI DSS compliance program in the form of an official

Attestation of Compliance, which can be found at <https://www.tylertech.com/about-us/compliance>, and in the event of any change in our status, will comply with applicable notice requirements.

## **SECTION C – PROFESSIONAL SERVICES**

1. Professional Services. We will provide you the various implementation-related services itemized in the Investment Summary and described in the Statement of Work.
2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that the fees stated in the Investment Summary are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours.
3. Additional Services. The Investment Summary contains, and the Statement of Work describes, the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for thirty (30) days from the date of the quote.
4. Cancellation. If travel is required, we will make all reasonable efforts to schedule travel for our personnel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.
5. Services Warranty. We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.
6. Site Access and Requirements. At no cost to us, you agree to provide us with full and free access to your personnel, facilities, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us.
7. Background Checks. For at least the past twelve (12) years, all of our employees have undergone criminal background checks prior to hire. All employees sign our confidentiality agreement and security policies.
8. Client Assistance. You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project

deadlines and other milestones for implementation. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or to the failure by your personnel to provide such cooperation and assistance (either through action or omission).

9. Maintenance and Support. For so long as you timely pay your SaaS Fees according to the Invoicing and Payment Policy, then in addition to the terms set forth in the SLA and the Support Call Process, we will:

9.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (subject to any applicable release life cycle policy);

9.2 provide support during our established support hours;

9.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;

9.4 make available to you all releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and

9.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with any applicable release life cycle policy.

We will use all reasonable efforts to perform support services remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GotoAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain your VPN for backup connectivity purposes.

For the avoidance of doubt, SaaS Fees do not include the following services: (a) onsite support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (b) application design; (c) other consulting services; or (d) support outside our normal business hours as listed in our then-current Support Call Process. Requested services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks' advance notice.

## SECTION D – THIRD PARTY PRODUCTS

1. Third Party Hardware. We will sell, deliver, and install onsite the Third Party Hardware, if you have purchased any, for the price set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy.
2. Third Party Software. As part of the SaaS Services, you will receive access to the Third Party Software and related documentation for internal business purposes only. Your rights to the Third Party Software will be governed by the Third Party Terms.
3. Third Party Products Warranties.
  - 3.1 We are authorized by each Developer to grant access to the Third Party Software.
  - 3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive free and clear title to the Third Party Hardware.
  - 3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third Party Products.
4. Third Party Services. If you have purchased Third Party Services, those services will be provided independent of Tyler by such third-party at the rates set forth in the Investment Summary and in accordance with our Invoicing and Payment Policy.

## SECTION E - INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you the SaaS Fees and fees for other professional services in the Investment Summary per our Invoicing and Payment Policy, subject to Section E(2).
2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all SaaS Services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

## SECTION F – TERM AND TERMINATION

1. Term. The initial term of this Agreement is equal to the number of years indicated for SaaS Services in Exhibit A, commencing on the first day of the first month following the date Tyler makes the SaaS environment available to you, unless earlier terminated as set forth below. If no duration is indicated in Exhibit A, the initial term is one (1) year. Upon expiration of the initial term, this Agreement will renew automatically for additional one (1) year renewal terms at our then-current SaaS Fees unless terminated in writing by either party at least sixty (60) days prior to the end of the then-current renewal term. Your right to access or use the Tyler Software and the SaaS Services will terminate at the end of this Agreement.
2. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section E(2).
  - 2.1 Failure to Pay SaaS Fees. You acknowledge that continued access to the SaaS Services is contingent upon your timely payment of SaaS Fees. If you fail to timely pay the SaaS Fees, we may discontinue the SaaS Services and deny your access to the Tyler Software. We may also terminate this Agreement if you don't cure such failure to pay within forty-five (45) days of receiving written notice of our intent to terminate.
  - 2.2 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section H(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section H(3).
  - 2.3 Force Majeure. Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of the SaaS Services for a period of forty-five (45) days or more.
  - 2.4 Lack of Appropriations. If you should not appropriate or otherwise make available funds sufficient to utilize the SaaS Services, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us. You will not be entitled to a refund or offset of previously paid, but unused SaaS Fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.

## SECTION G – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.
  - 1.1 We will defend you against any third party claim(s) that the Tyler Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

- 1.2 Our obligations under this Section G(1) will not apply to the extent the claim or adverse final judgment is based on your use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties, or your willful infringement.
- 1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.
- 1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

## 2. General Indemnification.

- 2.1 We will indemnify and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by our negligence or willful misconduct; or (b) our violation of PCI-DSS requirements or a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.
- 2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. **DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CLIENT UNDERSTANDS AND AGREES THAT TYLER DISCLAIMS ANY LIABILITY FOR ERRORS THAT RELATE TO USER ERROR.**
4. **LIMITATION OF LIABILITY. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO**

**YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED (A) DURING THE INITIAL TERM, AS SET FORTH IN SECTION F(1), TOTAL FEES PAID AS OF THE TIME OF THE CLAIM; OR (B) DURING ANY RENEWAL TERM, THE THEN-CURRENT ANNUAL SAAS FEES PAYABLE IN THAT RENEWAL TERM. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS G(1) AND G(2).**

5. **EXCLUSION OF CERTAIN DAMAGES.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
  
6. Insurance. During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least \$1,000,000; (b) Automobile Liability of at least \$1,000,000; (c) Professional Liability of at least \$1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least \$5,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

## **SECTION H – GENERAL TERMS AND CONDITIONS**

1. Additional Products and Services. You may purchase additional products and services at the rates set forth in the Investment Summary for twelve (12) months from the Effective Date by executing a mutually agreed addendum. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.
  
2. Optional Items. Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.
  
3. Dispute Resolution. You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, then the parties shall participate in non-binding mediation in an effort to resolve the dispute. If the dispute remains unresolved after mediation, then either of us may assert our respective rights and remedies in a court of competent jurisdiction. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures.

4. Taxes. The fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. If you are a tax-exempt entity, you agree to provide us with a tax-exempt certificate. Otherwise, we will pay all applicable taxes to the proper authorities and you will reimburse us for such taxes. If you have a valid direct-pay permit, you agree to provide us with a copy. For clarity, we are responsible for paying our income taxes, both federal and state, as applicable, arising from our performance of this Agreement.
5. Nondiscrimination. We will not discriminate against any person employed or applying for employment concerning the performance of our responsibilities under this Agreement. This discrimination prohibition will apply to all matters of initial employment, tenure, and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, religion, national origin, age, sex, sexual orientation, ancestry, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight, marital status, or political affiliation. We will post, where appropriate, all notices related to nondiscrimination as may be required by applicable law.
6. E-Verify. We have complied, and will comply, with the E-Verify procedures administered by the U.S. Citizenship and Immigration Services Verification Division for all of our employees assigned to your project.
7. Subcontractors. We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.
8. Binding Effect; No Assignment. This Agreement shall be binding on, and shall be for the benefit of, either your or our successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, your consent is not required for an assignment by us as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of our assets.
9. Force Majeure. Except for your payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.
10. No Intended Third Party Beneficiaries. This Agreement is entered into solely for the benefit of you and us. No third party will be deemed a beneficiary of this Agreement, and no third party will have the right to make any claim or assert any right under this Agreement. This provision does not affect the rights of third parties under any Third Party Terms.
11. Entire Agreement; Amendment. This Agreement represents the entire agreement between you and us with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Purchase orders submitted by you, if any, are for your internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement may only be modified by a written amendment signed by an authorized representative of each party.

12. Severability. If any term or provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement will be considered valid and enforceable to the fullest extent permitted by law.
13. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.
14. Independent Contractor. We are an independent contractor for all purposes under this Agreement.
15. Notices. All notices or communications required or permitted as a part of this Agreement, such as notice of an alleged material breach for a termination for cause or a dispute that must be submitted to dispute resolution, must be in writing and will be deemed delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the other party at the address set forth on the signature page hereto or such other address as the party may have designated by proper notice. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.
16. Client Lists. You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.
17. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Confidential information is nonpublic information that a reasonable person would believe to be confidential and includes, without limitation, personal identifying information (*e.g.*, social security numbers) and trade secrets, each as defined by applicable state law. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:
  - (a) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its employees or agents;
  - (b) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure;
  - (c) a party receives from a third party who has a right to disclose it to the receiving party; or
  - (d) is the subject of a legitimate disclosure request under the open records laws or similar applicable public disclosure laws governing this Agreement; provided, however, that in the event you receive an open records or other similar applicable request, you will give us prompt notice and otherwise perform the functions required by applicable law.

18. Quarantining of Client Data. Some services provided by Tyler require us to be in possession of your Data. In the event we detect malware or other conditions associated with your Data that are reasonably suspected of putting Tyler resources or other Tyler clients' data at risk, we reserve the absolute right to move your Data from its location within a multi-tenancy Tyler hosted environment to an isolated "quarantined" environment without advance notice. Your Data will remain in such quarantine for a period of at least six (6) months during which time we will review the Data, and all traffic associated with the Data, for signs of malware or other similar issues. If no issues are detected through such reviews during the six (6) month period of quarantine, we will coordinate with you the restoration of your Data to a non-quarantined environment. In the event your Data must remain in quarantine beyond this six (6) month period through no fault of Tyler's, we reserve the right to require payment of additional fees for the extended duration of quarantine. We will provide an estimate of what those costs will be upon your request.
19. Business License. In the event a local business license is required for us to perform services hereunder, you will promptly notify us and provide us with the necessary paperwork and/or contact information so that we may timely obtain such license.
20. Governing Law. This Agreement will be governed by and construed in accordance with the laws of your state of domicile, without regard to its rules on conflicts of law.
21. Multiple Originals and Authorized Signatures. This Agreement may be executed in multiple originals, any of which will be independently treated as an original document. Any electronic, faxed, scanned, photocopied, or similarly reproduced signature on this Agreement or any amendment hereto will be deemed an original signature and will be fully enforceable as if an original signature. Each party represents to the other that the signatory set forth below is duly authorized to bind that party to this Agreement.
22. Cooperative Procurement. To the maximum extent permitted by applicable law, we agree that this Agreement may be used as a cooperative procurement vehicle by eligible jurisdictions. We reserve the right to negotiate and customize the terms and conditions set forth herein, including but not limited to pricing, to the scope and circumstances of that cooperative procurement.
23. Data & Insights Solution Terms. Your use of certain Tyler solutions includes Tyler's Data & Insights data platform. Your rights, and the rights of any of your end users, to use Tyler's Data & Insights data platform is subject to the Data & Insights SaaS Services Terms of Service, available at <https://www.tylertech.com/terms/data-insights-saas-services-terms-of-service>. **Exhibit B**  
**Schedule 1**  
**Business Travel Policy**

1. Air Travel

A. Reservations & Tickets

The Travel Management Company (TMC) used by Tyler will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within \$100 (each way) of the lowest logical fare. If a net savings of \$200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

## 2. Ground Transportation

### A. Private Automobile

Mileage Allowance – Business use of an employee’s private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee’s office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

### B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a “mid-size” or “intermediate” car. “Full” size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

### C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

### D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

## 3. Lodging

Tyler’s TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler’s work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

“No shows” or cancellation fees are not reimbursable if the employee does not comply with the hotel’s cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at [www.gsa.gov/perdiem](http://www.gsa.gov/perdiem).

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of State and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

\*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.\*

\*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to \$10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

## Exhibit C Service Level Agreement

### I. Agreement Overview

This SLA operates in conjunction with, and does not supersede or replace any part of, the Agreement. It outlines the information technology service levels that we will provide to you to ensure the availability of the application services that you have requested us to provide. This SLA does not apply to any Third Party SaaS Services. All other support services are documented in the Support Call Process.

**II. Definitions.** Except as defined below, all defined terms have the meaning set forth in the Agreement.

*Actual Attainment:* The percentage of time the Tyler Software is available during a calendar quarter, calculated as follows:  $(\text{Service Availability} - \text{Downtime}) \div \text{Service Availability}$ .

*Client Error Incident:* Any service unavailability resulting from your applications, content or equipment, or the acts or omissions of any of your service users or third-party providers over whom we exercise no control.

*Downtime:* Those minutes during Service Availability, as defined below, when all users cannot launch, login, search or save primary data in the Tyler Software. Downtime does not include those instances in which only a Defect is present.

*Emergency Maintenance:* (1) maintenance that is required to patch a critical security vulnerability; (2) maintenance that is required to prevent an imminent outage of Service Availability; or (3) maintenance that is mutually agreed upon in writing by Tyler and the Client.

*Planned Downtime:* Downtime that occurs during a Standard or Emergency Maintenance window.

*Service Availability:* The total number of minutes in a calendar quarter that the Tyler Software is capable of receiving, processing, and responding to requests, excluding Planned Downtime, Client Error Incidents, denial of service attacks and Force Majeure.

*Standard Maintenance:* Routine maintenance to the Tyler Software and infrastructure. Standard Maintenance is limited to five (5) hours per week.

### III. **Service Availability**

#### a. Your Responsibilities

Whenever you experience Downtime, you must make a support call according to the procedures outlined in the Support Call Process. You will receive a support case number.

#### b. Our Responsibilities

When our support team receives a call from you that Downtime has occurred or is occurring, we will work with you to identify the cause of the Downtime (including whether it may be the result of Planned

Downtime, a Client Error Incident, Denial of Service attack or Force Majeure). We will also work with you to resume normal operations.

c. Client Relief

Our targeted Attainment Goal is 100%. You may be entitled to credits as indicated in the Client Relief Schedule found below. Your relief credit is calculated as a percentage of the SaaS fees paid for the calendar quarter.

In order to receive relief credits, you must submit a request through one of the channels listed in our Support Call Process within fifteen days (15) of the end of the applicable quarter. We will respond to your relief request within thirty (30) day(s) of receipt.

The total credits confirmed by us will be applied to the SaaS Fee for the next billing cycle. Issuing of such credit does not relieve us of our obligations under the Agreement to correct the problem which created the service interruption.

Client Relief Schedule	
Actual Attainment	Client Relief
99.99% - 98.00%	Remedial action will be taken
97.99% - 95.00%	4%
Below 95.00%	5%

**IV. Maintenance Notifications**

We perform Standard Maintenance during limited windows that are historically known to be reliably low-traffic times. If and when maintenance is predicted to occur during periods of higher traffic, we will provide advance notice of those windows and will coordinate to the greatest extent possible with you.

Not all maintenance activities will cause application unavailability. However, if Tyler anticipates that activities during a Standard or Emergency Maintenance window may make the Tyler Software unavailable, we will provide advance notice, as reasonably practicable that the Tyler Software will be unavailable during the maintenance window.

## Exhibit C Schedule 1 Support Call Process

### Support Channels

Tyler Technologies, Inc. provides the following channels of software support for authorized users\*:

- (1) On-line submission (portal) – for less urgent and functionality-based questions, users may create support incidents through the Tyler Customer Portal available at the Tyler Technologies website. A built-in Answer Panel provides users with resolutions to most “how-to” and configuration-based questions through a simplified search interface with machine learning, potentially eliminating the need to submit the support case.
- (2) Email – for less urgent situations, users may submit emails directly to the software support group.
- (3) Telephone – for urgent or complex questions, users receive toll-free, telephone software support.

*\* Channel availability may be limited for certain applications.*

### Support Resources

A number of additional resources are available to provide a comprehensive and complete support experience:

- (1) Tyler Website – [www.tylertech.com](http://www.tylertech.com) – for accessing client tools, documentation, and other information including support contact information.
- (2) Tyler Search -a knowledge based search engine that lets you search multiple sources simultaneously to find the answers you need, 24x7.
- (3) Tyler Community –provides a venue for all Tyler clients with current maintenance agreements to collaborate with one another, share best practices and resources, and access documentation.
- (4) Tyler University – online training courses on Tyler products.

### Support Availability

Tyler Technologies support is available during the local business hours of 8 AM to 5 PM (Monday – Friday) across four US time zones (Pacific, Mountain, Central and Eastern). Tyler’s holiday schedule is outlined below. There will be no support coverage on these days.

New Year’s Day	Labor Day
Martin Luther King, Jr. Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Independence Day	Christmas Day

For support teams that provide after-hours service, we will provide you with procedures for contacting support staff after normal business hours for reporting Priority Level 1 Defects only. Upon receipt of

such a Defect notification, we will use commercially reasonable efforts to meet the resolution targets set forth below.

We will also make commercially reasonable efforts to be available for one pre-scheduled Saturday of each month to assist your IT staff with applying patches and release upgrades, as well as consulting with them on server maintenance and configuration of the Tyler Software environment.

## Incident Handling

### *Incident Tracking*

Every support incident is logged into Tyler’s Customer Relationship Management System and given a unique case number. This system tracks the history of each incident. The case number is used to track and reference open issues when clients contact support. Clients may track incidents, using the case number, through Tyler’s Customer Portal or by calling software support directly.

### *Incident Priority*

Each incident is assigned a priority level, which corresponds to the Client’s needs. Tyler and the Client will reasonably set the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain “characteristics” may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the Client towards clearly understanding and communicating the importance of the issue and to describe generally expected response and resolution targets in the production environment only.

References to a “confirmed support incident” mean that Tyler and the Client have successfully validated the reported Defect/support incident.

Priority Level	Characteristics of Support Incident	Resolution Targets*
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client’s remote location; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the incident. Once the incident has been confirmed, Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler’s responsibility for lost or corrupted data is limited to assisting the Client in restoring its last available database.

Priority Level	Characteristics of Support Incident	Resolution Targets*
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the incident. Once the incident has been confirmed, Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler's responsibility for loss or corrupted data is limited to assisting the Client in restoring its last available database.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the incident. Once the incident has been confirmed, Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack, which shall occur at least quarterly. For non-hosted customers, Tyler's responsibility for lost or corrupted data is limited to assisting the Client in restoring its last available database.
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days of receipt of the incident. Once the incident has been confirmed, Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

*\*Response and Resolution Targets may differ by product or business need*

### *Incident Escalation*

If Tyler is unable to resolve any priority level 1 or 2 defect as listed above or the priority of an issue has elevated since initiation, you may escalate the incident to the appropriate resource, as outlined by each product support team. The corresponding resource will meet with you and any Tyler staff to establish a mutually agreeable plan for addressing the defect.

### *Remote Support Tool*

Some support calls may require further analysis of the Client's database, processes or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Tyler's support team must have the ability to quickly connect to the Client's system and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.
