Date: March 03, 2020	Subject: Approve bids for Johns Hill precast panels and construction.
Initiated By: Dr. Fred Bouchard, Assistant Superintendent	Attachments: Bid Documents and O'Shea Recommendation Letter
Reviewed By: Dr. Paul Fregeau, Superintendent and Dr. Todd Covault, Chief Operational Officer	

BACKGROUND INFORMATION: As part of the final phase of projects in the DPS #61 BOLD Facility Plan is the new Johns Hill School being constructed. The new Johns Hill School is the most significant piece of the BOLD Facility Plan. The new Johns Hill School will be built on the same campus as the old Johns Hill building and will allow a 50% of increase in student enrollment.

CURRENT CONSIDERATIONS:

Administration, in conjunction with BLDD, recommends the attached precast bids for approval by the Board. The bids were gathered through the competitive bid process and then each contractor was vetted by O'Shea Builders. The precast panels are on an early bid schedule in order to get them a head in the manufacturing schedule. The rest of Johns Hill will be bid later this spring.

FINANCIAL CONSIDERATIONS:

Total possible cost for the precast panels at the new Johns Hill School is estimated to be \$1,700,000. Upon Board approval the lowest responsible bidder for the precast bid package is accepted and O'Shea Builder will direct the contracts and manage the work by lowest responsible bidder (see addendum).

Funding for this project will be paid from Fund 60 (Bond Fund) and Fund 90 (Health Life Safety).

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the accepted Precast Panel Bids for the "new" Johns Hill Magnet School as presented.
