CHIEF OPERATIONAL OFFICER CONTRACT

Fiscal Years 2026 - 2029

This Contract is made between the Board of Education of Decatur Public School District No.61, Decatur, Illinois (hereinafter “the Board”) and **Thomas Osborne**, (hereinafter “the Chief Operational Officer”), ratified at the meeting of the Board held on **May 12, 2026**, as found in the minutes of that meeting.

IT IS AGREED:

1. Employment. The Chief Operational Officer is hereby hired and retained from **July 1, 2026 to June 30, 2029**, as Chief Operational Officer for the District.

2. Duties. The duties and responsibilities of the Chief Operational Officer shall be all those duties incident to the office of the Chief Operational Officer as set forth in the job description, a copy of which can be found in the employee’s file; those obligations imposed by the law of the State of Illinois upon a Chief Operational Officer; and to perform such other duties requiring ISBE administrative licensure normally performed by a Chief Operational Officer as from time to time may be assigned to the Chief Operational Officer by the Superintendent of Schools or the Board. Given the Chief Operational Officer’s previous experience as a Superintendent of Schools in Illinois, it is expected that he will be a primary resource for Illinois-specific educational issues. The work day, work year, contract year and holidays and holiday pay for the Chief Operational Officer shall be as provided in the document entitled Administrator and Administrative Support Staff Compensation and Benefits (October 14, 2025).

3. Salary. The Board shall set the salary for the Chief Operational Officer. For the periods of July 1, 2026 - June 30, 2027, the Chief Operational Officer shall be paid such annual salary as may be agreed to by the Board, but in no case less than the salary for the preceding year. The 2025-2026 fiscal year the amount of the Chief Operational Officer’s salary is **One Hundred Eighty-Seven Thousand, Ninety-One Dollars and 0/100 (\$187,091.00)* (*2026-2027 Admin. The Chief Operational Officer hereby agrees to devote such time, skill, labor and attention to his employment during the term of this Contract, except as otherwise provided in this Contract, and to perform faithfully the duties of Chief Operational Officer for the school district and the Board as set forth in this Contract. The annual salary shall be paid in substantially equal installments in accordance with the policy of the Board governing payment of salary to other licensed members of the professional staff. Any adjustment in salary made during the life of this Contract shall be in the form of an approved amendment and shall become a part of this Contract. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new Contract with the Chief Operational Officer, nor that the termination date of this Contract has been in any way extended, unless so stated in the Board motion.

4. Pension. In addition to the salary of the Chief Operational Officer as set forth hereinabove in paragraph 3, the Board shall pay 9.8901% of the salary set forth in paragraph 3 (or

Such payments shall be consideration for this Contract, shall be creditable earnings for purposes of Teacher Retirement System pension calculations and the Chief Operational Officer did not have the option of choosing to receive such amount directly instead of having such contribution paid by the employer to the Teacher Retirement System of the State of Illinois.

5. T.H.I.S. From and out of the salary and pension payments of the Chief Operational Officer, as set forth hereinabove in paragraphs 3 and 4, the Board shall withhold any such amount as may be required by law, on behalf of the Chief Operational Officer to the Teacher Health Insurance Security Fund.

In consideration for performance pursuant to a multi-year agreement, the Chief Operational Officer waives acquisition of tenure during the term of this contract.

7. Evaluation. Annually, but no later than March 1st of each year, the Superintendent or designee shall review with the Chief Operational Officer progress toward established goals and working relationships among the Superintendent, the District leadership team, the faculty, the staff and the community, and shall consider the Chief Operational Officer's annual salary for the next subsequent year (if any). A summary of the evaluation will be provided to the Chief Operational Officer in writing within 30 days following the evaluation, pursuant to the district's evaluation plan for administrators.

8. License. The Chief Operational Officer shall furnish to the Board, during the term of this Contract, a valid and appropriate license to act as Chief Operational Officer in accordance with the laws of the State of Illinois and as directed by the Superintendent and Board.

The Chief Operational Officer shall have the responsibility to discuss with the Superintendent and mutually agree to such outside activity in a timely fashion.

10. Discharge for Good Cause. Throughout the term of this Contract, the Chief Operational Officer shall be subject to discharge for good cause provided, however, that the Board shall not arbitrarily or capriciously call for dismissal and that the Chief Operational Officer shall have the right to service of written charges, notice of hearing and a hearing before the Board. If the Chief Operational Officer chooses to be accompanied by counsel at such a hearing, all such

personal expenses shall be paid by the Chief Operational Officer. Failure to comply with the terms and conditions of this Contract after notice and a reasonable opportunity to correct, when appropriate, shall also be sufficient cause for purposes of discharge, as provided in this Contract.

proportionate deduction from the salary stipulated. If such disability continues for sixty (60) days after the exhaustion of accumulated leave days (including FMLA) and vacation days during any school year, or if such disability is permanent, irreparable or of such nature as to make the performance of the Chief Operational Officer's duties impossible, the Board, at its option, may terminate this Contract, whereupon the respective duties, rights and obligations of the parties shall terminate. The Chief Operational Officer shall provide medical evidence of his ability to perform the essential functions of his job to the Board President upon request.

21. Criminal Records Check. Dear Macon/Piatt District Superintendents,

Over the past several years, we've developed a continuum of services to support the most under-resourced youth and families across ROE #39.

Our Mission

The Macon/Piatt Regional Office of Education is dedicated to leading, serving, and promoting quality educational programs that ensure academic achievement and excellence.

Continuum of Services

As your partner, we recognize the wide-ranging needs of students and families and offer the following programs to support them:

- **Regional Safe Schools Program (RSSP):** For students in grades 6–12 who are suspended, at risk of expulsion, or expelled. Offers an intensive academic program with mental health support (Milligan Academy).
- **Truants Alternative and Optional Education Program (TAOEP):** For high school students grades 9-12 not on track to graduate with their peers. Focuses on social-emotional learning and credit recovery (Futures Unlimited).
- **Option Three Alternative Program:** For students ages 14–16 who are chronically truant due to social anxiety or other barriers. This flexible, non-traditional program depends on funding and student need.

Enclosed is the FY2027 Intergovernmental Agreement between ROE #39 and your district for participation in one or more of these programs.

Please ensure a school board representative or designee signs and checks all programs your district may wish to utilize for the 2026-2027 school year. We recommend selecting all three programs to maintain flexibility throughout the year. Districts not selecting a program now will be unable to access it later in the school year.

For questions:

- **RSSP or TAOEP:** Contact Brian Plummer – bplummer@roe39.org | (217) 362-3080
- **Option Three:** Contact Crystal Whetstone – cwhetstone@roe39.org | (217) 362-3080

Thank you for your continued partnership in supporting our students and families.

Sincerely,

Jill R. Reedy

Futures Unlimited – TAOEP (ages 16+, grades 9-12)

Whereas: All students are entitled to and required by law to attend school up to and including the age of seventeen.

Whereas: Some students have fallen behind academically due to poor attendance and need opportunities to catch up.

Whereas: Student academic progress in a regular school setting can be impeded due to compounding circumstances.

Therefore, the Macon/Piatt Regional Office of Education #39 (ROE 39), and specifically, Futures Unlimited, will provide students in Macon and Piatt counties, alternative educational programs devised to assist students in achieving success by improving life skills, developing self-confidence, and growing educationally.

A. Futures Unlimited, also known as the serving school, agrees to:

1. Prepare a school calendar in accordance with all regulations in the Illinois School Code relating to the school calendar.
2. Expect the student to attend school every day (180 days) or provide a valid excuse. Futures Unlimited will enforce the truancy laws when applicable.
3. Enroll the student in a daily high school program unless a student's needs dictate specific time parameters.
4. Keep complete records of the student's progress and report back to the home school each year the success/failure of the student and re-enroll the student for the coming school year.
5. Provide a comprehensive educational program subject to the statutory and regulatory graduation minimums required in the School Code of Illinois and in 23 Illinois Administrative Code.
6. Administer the Test for Adult Basic Education (TABE) in reading and mathematics, to determine placement and establish growth outcomes.
7. Standardized testing
8. Provide free breakfast and lunch
9. 20 Credits

B. The District, also known as the home school, agrees to:

1. Plan with the student, parent, a representative from Futures Unlimited, and a representative of the home school an Individual Optional Educational Plan (IOEP) and achievement schedule, which if successfully completed by the student, will result in the awarding of a high school diploma by the

home school. All regular education students, successfully completing the requirements for graduation, will result in the awarding of a high school diploma by the home school.

2. Allow the Regional Office of Education to enroll and claim this student for the purpose of collecting state funding.
3. The home school will provide a diploma for this student. It is at the home school's discretion whether the student participates in the home school's graduation ceremonies.
4. Futures Unlimited is a voluntary, alternative program. Placement must be accepted by the student, parent/guardian, home school, and Futures Unlimited.
5. If the student returns to his/her home school, the local district will accept the credit at full value.

C. Both parties agree to the following graduation requirements:

1. 20 credits (adding a year of Writing Intensive and an additional year of Career Readiness)
2. Students enrolled will not graduate earlier than one semester before the graduating class to which he/she would belong (according to the student's birth date) in their respective home school. Exceptions to this agreement may be mutually agreed upon by the home school representatives and the director of Futures Unlimited.
3. Completion of a work-based program.
4. Revisiting and revising the Service Agreement between Milligan Academy and the School District, annually when necessary.

Milligan Academy – RSSP (6th -12th grade)

Whereas: All students are entitled and required by law to attend school up to and including the age of seventeen.

Whereas: A regular school setting is no longer a viable option for academic success for students exhibiting disruptive behaviors.

Therefore: The Macon/Piatt Regional Office of Education #39 (ROE 39) specifically the Milligan Academy: Regional Safe School Program, and the school district listed below agree to an alternative education program as authorized by **Article 13A of The Illinois School Code** to be arranged for individual students as mutually agreed upon.

A. Milligan Academy: Regional Safe School Program, also known as the serving school, agrees to:

1. Provide a comprehensive Individual Optional Education Program (IOEP) subject to statutory and regulatory graduation minimum requirements called for in the **State School Code of Illinois and Illinois Administrative Code 23**.
2. Administer various assessment tools to each student to determine the educational needs of that student and use that information to design an IOEP to address the needs.
3. Prepare a school calendar in accordance with all regulations in the Illinois State School Code relating to the school calendar.
4. Expect all students to attend school every day or provide a valid reason/excuse. Milligan Academy will enforce all truancy laws.
5. Enroll the student all day or on an abbreviated schedule as called for by the IOEP.
6. Keep complete records of the student's progress and report back to the home school each year the success or failure of the student and re-enroll the student for the coming year until graduation or transfer back to the home school.
7. Recommend when, and if, a student is capable of returning to his/her home school. Students may enter the program at the end of a complete quarter or episodically as needed. Students may exit in good standing at the end of the semester, as long as all requirements stated in this agreement and the students' IOEP are met, or at will, based on attendance or violation of school policies.
8. Use all available local, state, federal, and private social agencies to address behavior problems or concerns. Mentoring, tutoring, and counseling will be an active and important part of each student's program.
9. Sponsor a graduation ceremony through the Regional Office of Education at least once a year for all graduates. However, if the student and home school can agree the student may be excused from the Regional Office of Education ceremony and return to his/her home school for graduation.

B. The District, also known as the home school, agrees to:

1. Complete in full all forms and supply any additional information to Milligan Academy: Regional Safe School Program about a transferred student so a proper IOEP can be developed.
2. Designate a staff member to plan with the student, parent, and a representative of Milligan Academy a suitable Individual Optional Education Program. If the IOEP is successfully completed, the student may be administratively transferred back to his home school for additional schooling or remain in a Regional Office of Education program until graduation.
3. Prepare a diploma for each student who accumulates the necessary (20 credits) aligned with the State of Illinois graduation requirements (ILCS 5/27-22) based on a transcript issued by the program in which the student is enrolled.
4. Accept without exception all credits awarded to students as soon as they return to the home school.

5. Discontinue expulsion procedures upon the acceptance of a transferred student in the alternative program. The district can continue expulsion procedures at a later date if Milligan Academy: Regional Safe School Program or the parent/student fails to accomplish the terms of the IOEP or agreements made with the parent/student or unless the home school district chooses other alternatives.
6. Allow the Regional Office of Education to enroll and claim this student for the purpose of collecting state funding. Pay tuition at a rate of \$25.00 per day of enrollment to be billed at the end of each quarter.
7. Provide transportation for administratively transferred students.
8. **Limitations:** Transferred students enrolled in Milligan Academy: Regional Safe School Program will not graduate earlier than the class to which he/she belonged in the home school. Exception: The IOEP provides the opportunity for a student who enters the program as a junior high school student, if not too far behind academically, to apply himself in the program and qualify for graduation earlier than his class. As soon as the Regional Office of Education recognizes that a student is intending to do this, the home school, student, parents, and school representative will meet to discuss alternatives to early graduation. This program is an alternative program and cannot be interpreted as an accelerated program.

C. Both parties agree to the following graduation requirements:

1. 20 credits (adding a year of Writing Intensive and an additional year of Career Readiness)
2. No opportunity to graduate earlier than with the graduating class to which he/she would belong in their respective home school. Exceptions to this agreement may be mutually agreed upon by the home school representatives and the Director of Futures Unlimited.
3. Completion of a work-based learning program.
4. Revisiting and revising the Service Agreement between Futures Unlimited and the School District, annually when necessary.

Option Three (ages 14-16)

Whereas: All students are entitled to and required by law to attend school up to and including the age of seventeen.

Whereas: Some students have fallen behind academically due to mental health issues, such as anxiety and depression and need opportunities to catch up.

Whereas: Student academic progress in a regular school setting can be impeded due to poor attendance, social anxiety, limited coping strategies, and compounding circumstances.

Therefore, the Macon/Piatt Regional Office of Education #39 (ROE 39), and specifically, Option Three will provide students in Macon and Piatt counties an alternative educational program based on SEL competencies

and devised to assist students in achieving success by improving life skills, developing self-confidence, and growing educationally, while receiving experiential opportunities through career exploration.

A. Option Three, also known as the serving school, agrees to:

1. Follow the Milligan and Futures calendar, prepared in accordance with all regulations in the Illinois School Code relating to the school calendar.
2. Expect this student to attend school every day, for the duration of the cohort, or provide a valid excuse. Option Three staff will enforce the truancy laws when applicable.
3. Establish a cohort of students, not to exceed 30.
4. Utilize a SEL assessment to determine program design.
5. Ensure that students demonstrate progress toward program completion.
6. Keep complete records of the student's progress and report regularly back to the home school the success/failure of the student and re-enroll the student for the next cohort if necessary.
7. Provide a comprehensive educational program subject to the statutory and regulatory graduation minimums required in the School Code of Illinois and in 23 Illinois Administrative Code.

B. The District, also known as the home school, agrees to:

1. Refer only students who can be considered at risk of chronic truancy.
2. Provide transportation to and from for those students referred.
3. Audit credits of referred students to determine a program of study.
4. Plan with the student, parent, a representative from Option Three, and a representative of the home school an Individual Optional Educational Plan (IOEP) and achievement schedule, which if successfully completed by the student, will result in the awarding credit toward graduation by the home school.
5. Allow the Regional Office of Education to enroll and claim this student for the purpose of collecting state funding. Pay tuition at a rate of \$25.00 per day of enrollment to be billed at the end of each quarter for county schools' students and \$35.00 per day for DPS students, which includes DPS transportation costs.
6. Option Three is a voluntary alternative program. Placement must be accepted by the student, parent/guardian, home school, and the Regional Office of Education.
7. When the student returns to his/her home school, the local will accept the credit at full value.

available for use by CLIENT and continues for the time period stated in the Order.
