

FRESH AIR, FOCUSED MINDS

LET'S KEEP OUR SCHOOLS DISTRACTION-FREE

Odor-Free Learning Environment Policy Updates

Policy 7:160 Student Appearance

Policy 7:190 Student Behavior

Policy 8:30 Visitor To and Conduct on School Property

To protect the health, focus, and well-being of everyone in our schools, individuals (students or visitors) who smell of marijuana or other offensive, distracting, or noxious odors will be asked to leave the premises or change clothing.

These odors:

- Can trigger allergic reactions
- Disrupt learning and concentration
- Impact indoor air quality
- Contain harmful or cancer-causing chemicals

POWER UP MINDS
CELL PHONE FREE LEARNING

REMINDER

DPS still remains cell phone free in our schools. Phones, earbuds, and other electronic devices must be put away during class passing periods and lunch hours.

Our top priority has always been providing impactful learning opportunities for students at Decatur Public Schools. These updates are a part of our continued efforts to maintain an environment that is conducive to learning for both students and staff.
