Qualifications of Auditing Firm

* School District/Joint Agreement entities must verify the qualifications of the auditing firm by requesting the most current peer review report and the corresponding acceptance letter from the approved peer review program, for the current peer review period.

* A school district/joint agreement who engages with an auditing firm who is not licensed and qualified will be required to complete a new audit by a qualified auditing firm at the school district's/joint agreement's expense.

Independent Accountants' Report on Financial Statements and Supplementary Information

Administrative Board
Macon-Piatt Special Education District
Decatur, Illinois

Report on the Financial Statements

We have audited the accompanying basic financial statements and related notes of Macon-Piatt Special Education District (District), a component unit of Decatur School District No. 61, as of and for the year ended June 30, 2017, as listed in the table of contents pages 5 through 22.

We have also audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements. These basic financial statements are not presented as part of the Annual Financial Report form; however, these basic financial statements should be read in conjunction with this report.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. This also includes determining that the regulatory provisions are acceptable for the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in the notes to these financial statements, the District prepared these financial statements in accordance with regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. They are intended to assure effective legislative and public oversight of school district financing and spending activities and accountable Illinois public school districts.

The effects on the financial statements of the variances between the regulatory basis of accounting described in the notes to these financial statements and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, as of June 30, 2017 or changes in its financial position for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the assets and liabilities arising from cash transactions of the funds and account groups of Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, as of June 30, 2017, and the revenue received and expenditures disbursed of its funds for the year then ended, on the basis of accounting described in notes to these financial statements.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the District's basic financial statements. The accompanying financial information, listed as Statistical Section, pages 27 and 30 in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole. Pages 24 through 26, 28 through 29 and 31 through 32 as listed in the table of contents are not applicable to this joint agreement.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 10, 2017 on our consideration of Macon-Piatt Special Education District's, a component unit of Decatur School District No. 61, internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

**Independent Accountants' Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of the Financial Statements Performed in
Accordance With *Government Auditing Standards***

Administrative Board
Macon-Piatt Special Education District
Decatur, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the basic financial statements and related notes as listed in the table of contents of Macon-Piatt Special Education District (District), a component unit of Decatur School District No. 61, as of and for the year ended June 30, 2017, and have issued our report thereon dated October 10, 2017, which expressed an adverse opinion because the financial statements were prepared on a regulatory basis of accounting as stated in our report. However, the basic financial statements were found to be fairly stated on the cash basis of accounting, in accordance with the regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

Management of the District is responsible for establishing and maintaining effective internal control over financial reporting (internal control). In planning and performing our audit, we considered the District's internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to the District's management in a separate letter dated October 10, 2017.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or compliance. This communication is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements
June 30, 2017**

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Component Unit

Macon-Piatt Special Education District (District) is a component unit of Decatur School District No. 61. The District is established under a joint agreement involving several cooperating school districts. Decatur School District No. 61 administers the District, establishes and approves the District's budget, and has ultimate authority over the District's operations.

Nature of Operations

Macon-Piatt Special Education District is a joint agreement of the thirteen school districts located in Central Illinois for the purpose of serving students in all disability categories in a variety of educational settings.

Basis of Presentation - Fund Accounting

The accounts of the District are organized on the basis of funds or account group, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, net assets, cash receipts, and cash disbursements. The District maintains individual funds required by the State of Illinois. The various funds are summarized by type in the financial statements. These funds are grouped as required for reports filed with the Illinois State Board of Education. District resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The following fund types and account group are used by the District:

Governmental Fund Types:

Governmental Funds are those through which most governmental functions of the District are financed. The acquisition, use, and balances of the District's expendable financial resources and the related liabilities are accounted for through governmental funds. The financial statements, which focus on the measurement of spending and the determination of changes in financial position rather than upon net income determination, reflect cash-basis accounting.

The Educational Fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Fiduciary Fund Types

Fiduciary Funds are used to account for assets held by the District in a trustee capacity or as an agent for individuals, private organizations, other governments, or other funds.

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements
June 30, 2017**

The Agency Fund accounts for assets held by the District as an agent for the students and teachers. This fund is custodial in nature and does not involve the measurement of the results of operations. The financial statements reflect the amounts due to organizations equal to the assets owned.

General Fixed Assets:

The accounting and reporting treatment applied to the fixed assets associated with a fund are determined by its measurement focus.

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, rather than in governmental funds.

The account group is not a "fund." It is concerned only with the measurement of financial position. It is not involved with measurement of results of operations.

Governmental Funds – Measurement Focus

The financial statements of all governmental funds focus on the measurement of spending or “financial flow” and the determination of changes in financial position, rather than upon net income determination. This means that only current assets and current liabilities are generally included on their statements of assets, liabilities and net assets arising from cash transactions. Their reported fund balance (net current assets) is considered a measure of “available spendable resources.” Governmental fund operating statements present increases (cash receipts and other financing sources) and decreases (cash disbursements and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of “available spendable resources” during a period.

Fund Balance (Net Positions) Reporting

In accordance with government accounting standards, fund balances are to be classified into five major classifications; Nonspendable Fund Balance, Restricted Fund Balance, Committed Fund Balance, Assigned Fund Balance, and Unassigned Fund Balance. The regulatory provisions prescribed by the Illinois State Board of Education, followed by the District, only reports Reserved and Unreserved Fund Balances. Below are definitions of the differences and a reconciliation of how these balances are reported.

Nonspendable Fund Balance

The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. The “not in spendable form” criterion includes items that are not expected to be converted to cash, for example inventories and prepaid amounts. Due to the cash basis nature of the District, all such items are expensed at the time of purchase, so there is nothing to report for this classification.

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements
June 30, 2017**

Restricted Fund Balance

The restricted fund balance classification refers to amounts that are subject to outside restrictions, not controlled by the entity. Things such as restrictions imposed by creditors, grantors, contributors, or laws and regulations of other governments, or imposed by law through constitutional provisions or enabling legislation. The District has several revenue sources received within the Educational Fund that falls into these categories.

1. State Grants

Proceeds from state grants and the related expenditures have been included in the Educational Fund. At June 30, 2017, expenditures disbursed exceeded revenue received from state grants, resulting in no restricted balance.

2. Federal Grants

Proceeds from federal grants and the related expenditures have been included in the Educational Fund. The District receives money for the Illinois Medical Assistance Program administered by the Illinois Department of Public Aid. The Medicaid dollars are supplemental federal funds required to be used to expand and enhance special education services for students with at-risk disabilities. At June 30, 2017, revenues received from this grant exceeded expenditures disbursed resulting in a restricted balance of \$1,945,688. This balance is included in these financial statements as reserved in the Educational Fund.

3. The District receives money from the Department of Rehabilitation Services that must be spent to support the Macon-Piatt Special Education District vocational work-study program. At June 30, 2017, revenues received from this grant exceeded expenditures disbursed resulting in a restricted balance of \$174,790. This balance is included in these financial statements as reserved in the Educational Fund.

Committed Fund Balance

The committed fund balance classification refers to amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision making authority (the Administrative Board). Those committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of formal action it employed to previously commit those amounts.

The Administrative Board commits fund balance by making motions or passing resolutions to adopt policy or to approve contracts. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements
June 30, 2017**

Employee contracts for services rendered during the school year include provisions for paid vacation days. At June 30, 2017, the total amount of unpaid vacation days for services performed during the fiscal year ended June 30, 2017 amounted to \$40,230. This amount is shown as unreserved.

Assigned Fund Balance

The assigned fund balance classification refers to amounts that are constrained by the government's intent to be used for a specific purpose, but are neither restricted or committed. Intent may be expressed by (a) the Administrative Board itself or (b) the finance committee or by the Superintendent when the Administrative Board has delegated the authority to assign amounts to be used for specific purposes.

Unassigned Fund Balance

The unassigned fund balance classification is the residual classification for amounts in the General Operating Fund for amounts that have not been restricted, committed, or assigned to specific purposes within the General Fund. Unassigned Fund Balance amounts are shown in the financial statements as Unreserved Fund Balance in the Educational Fund.

Regulatory – Fund Balance Definitions

Reserved Fund Balances are those balances that are reserved for a specified purpose, other than the regular purpose of any given fund. Unreserved Fund Balances are all balances that are not reserved for a specific purpose other than the specified purpose of a fund.

Reconciliation of Fund Balance Reporting

The following table represents fund balance reporting in accordance with the accounting principles generally accepted in the United States of America and under the regulatory basis of accounting utilized in preparation of these financial statements.

Fund	Accounting Principles Generally Accepted in the United States of America					Regulatory Basis	
	Nonspendable	Restricted	Committed	Assigned	Unassigned	Reserved	Unreserved
Educational	\$ —	\$ 2,120,478	\$ 40,230	\$ —	\$ 1,152,251	\$ 2,120,478	\$ 1,192,481

Expenditures of Fund Balance

Unless specifically identified, expenditures act to reduce restricted balances first, then committed balances, next assigned balances, and finally act to reduce unassigned balances. Expenditures for a specifically identified purpose will act to reduce the specific classification of fund balance that is identified.

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements
June 30, 2017**

Basis of Accounting

Basis of accounting refers to when receipts and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The District maintains its accounting records for all funds and account group on the cash basis under guidelines prescribed by the Illinois State Board of Education. Accordingly, revenue is recorded when cash is received and expenditures are recorded when checks or cash are disbursed. Only assets representing a right to receive cash arising from a previous payment of cash are recorded as assets of a fund. In the same manner, only liabilities resulting from previous cash transactions (other than proceeds from a bond issue) are recorded as liabilities of a particular fund.

Cash-basis financial statements omit recognition of receivables and payables and other accrued and deferred items that do not arise from previous cash transactions.

Budgets and Budgetary Accounting

The District prepares a budget for the Educational Fund.

The District's budget is prepared so that budgeted receipts and expenditures can be compared to the cash basis of accounting. The budget, which was amended on June 27, 2017, was passed on August 23, 2016.

For each fund, total fund expenditures may not legally exceed the budgeted expenditures. The budget lapses at the end of each fiscal year.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

1. Prior to August 1, the Superintendent submits to the Board of Education a proposed operating budget for the fiscal year commencing July 1. The operating budget includes proposed expenditures and the means of financing them.
2. Public hearings are conducted at a public meeting to obtain taxpayer comments.
3. Prior to September 1, the budget is legally adopted through passage of a resolution.
4. The Board of Education is authorized to transfer up to 10 percent of the total budget between items within any fund.
5. Formal budgetary integration is employed as a management control device during the year.
6. The Board of Education may amend the budget (in other ways) by the same procedures required of its original adoption.

Notes to Financial Statements

June 30, 2017

Investments

Investment balances, which consist of money market funds or pooled separate accounts, are stated at cost, which approximate fair value. Assets of the different funds are commingled for investment purposes, and interest earnings are prorated back to the various funds when recognized as revenue. The District has adopted a formal written investment and cash management policy.

General Fixed Assets

General fixed assets have been acquired for general governmental purposes. At the time of purchase, assets are recorded as current expenditures in the Governmental Funds and capitalized at cost in the General Fixed Assets Account Group, except that property and equipment purchased prior to July 1, 1961, is stated at depreciated cost values as determined by expert appraisal. Donated general fixed assets are stated at estimated fair value as of the date of acquisition.

The District maintains a formal capitalization policy and follows grant guidelines when applicable.

No depreciation has been provided on fixed assets in these financial statements. The Illinois State Board of Education's Annual Financial Report Form includes depreciation of \$25,165 which has been utilized for the calculation of the per capita tuition charge, and accumulated depreciation totaling \$2,288,152. Depreciation has been computed over the estimated useful lives of the assets using the straight-line method.

The estimated useful lives are as follows:

Asset Class	Estimated Useful Lives
Buildings and Improvements	50 years
Equipment	5 to 10 years
Transportation Equipment	5 years

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements

Note 2: Changes in General Fixed Assets

A summary of changes in general fixed assets follows:

	<u>Balance July 1, 2016</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance June 30, 2017</u>
Building and improvements	\$ 43,068	\$ —	\$ —	\$ 43,068
Equipment	<u>2,321,734</u>	<u>—</u>	<u>—</u>	<u>2,321,734</u>
	<u>\$ 2,364,802</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 2,364,802</u>

Note 3: Common Bank Account

Separate bank accounts are not maintained for all District funds. Certain funds maintain their uninvested cash balances in a common checking account with accounting records maintained to show the portion of the common bank account balance attributable to each participating fund.

Occasionally, certain funds participating in the common bank account will incur overdrafts (deficits) in the account. The overdrafts result from expenditures which have been approved by the Board. Such overdrafts constitute unauthorized interfund loans since such loans are not authorized by the Board of Education.

Note 4: Deposits, Investments and Investment Income

Deposits

Custodial credit risk is the risk that, in the event of a bank failure, a governments' deposits may not be returned to it. The District's deposit policy for custodial credit risk requires compliance with the provisions of state law.

State law allows for deposits in banks, savings banks, savings and loan associations and credit unions. Deposits not collateralized or insured by an agency of the federal government shall not exceed 75 percent of the capital stock and surplus in the case of a bank, 75 percent of the net worth in the case of a savings bank or savings and loan association or 50 percent of the unimpaired capital and surplus in the case of a credit union. Under state law, the District may enter into an agreement requiring collateralization in an amount equal to at least the fair value of funds deposited in excess of federal depository insurance limits.

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements
June 30, 2017**

At June 30, 2017, the District's deposits were included in a common bank account of Decatur School District No. 61 where all deposits were insured or collateralized.

Investments

The District is authorized by state statute to invest in obligations of the U.S. Treasury, Agencies and Instrumentalities; commercial paper rated within the three highest classifications by at least two standard rating services; obligations of states and their political subdivisions; savings accounts; certificates of deposit; time deposits; money market mutual funds; credit union shares; the Illinois Funds; and the Illinois School District Liquid Asset Fund Plus.

At June 30, 2017, the District's investments were in the Illinois Funds and the Illinois School District Liquid Asset Fund Plus. The District's investments qualify as an exception to GASB Statement No. 72 as they are recorded at amortized cost and are not placed into the fair value hierarchy.

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the District will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. All of the underlying securities for the District's investments at June 30, 2017 are held by the counterparties in the District's name.

Credit Risk

Credit risk is the risk that an insurer of an investment will not fulfill its obligations to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The District's deposits with financial institutions are not subject to credit risk rating. Both the Illinois Funds and the Illinois School District Liquid Asset Fund Plus have been rated AAAM by Standard and Poor's. Credit risk exposure and investment guidelines are addressed in the District's investment policy.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of the District's investment with a single issuer. The investment policy of the District contains no limitations on the amounts that can be invested in any one issuer. Deposits with financial institutions and investments in external investment pools are exempt from the concentration disclosure.

Note 5: Retirement Commitments

As a component unit of Decatur School District No. 61 (DSD No. 61), the District participates in DSD No. 61's retirement plans. The following information generally consists of DSD No. 61 information, with some specific disclosures of the District.

DSD No. 61 provides pension benefits to its employees under two separate defined benefit plans as discussed below. As discussed in Footnote 1, because DSD No. 61 uses a modified cash basis of accounting for financial reporting purposes, it does not report pension obligations in its basic financial statements, thus the recognition requirements for such amounts (assets, deferred outflows of resources, liabilities and deferred inflows of resources) under Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27* are not presented in the District's financial statements. However, the footnote disclosure and required supplementary information required under GASB 68, which was adopted by DSD No. 61 for the year ended June 30, 2017, do apply and are provided herein.

Illinois Municipal Retirement Fund (IMRF)

Plan Description

DSD No. 61 contributes to the IMRF Plan, an agent multiple-employer defined benefit pension plan covering substantially all employees. The IMRF Plan is administered by the Illinois Municipal Retirement Fund.

Benefits Provided

Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publically available financial report that includes financial statements and required supplementary information. That report may be obtained on-line at www.imrf.org.

The employees covered by the Plan at December 31, 2016 are:

Inactive employees or beneficiaries currently receiving benefits	652
Inactive employees entitled to but not yet receiving benefits	346
Active employees	<u>550</u>
	<u><u>1,548</u></u>

Contributions

As set by statute, DSD No. 61 regular plan members are required to contribute 4.50 percent of their annual covered salary. The statutes require employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. DSD No. 61's annual required contribution rate for calendar year 2016 was 12.11 percent. DSD No. 61 also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

For the year ended December 31, 2016, employees contributed \$884,201 and DSD No. 61 contributed \$2,473,663 to the IMRF Plan.

Net Pension Liability

DSD No. 61's net pension liability was measured as of December 31, 2016, for the year ended June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date.

The total pension liability in the December 31, 2016, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75%
Salary increases	3.75% to 14.50%, average, including inflation
Investment rate of return	7.50%

Mortality rates were developed from the RP-2014 Blue Collar Health Annuity Mortality Table, with adjustments to match current IMRF experience.

The actuarial assumptions used in the December 31, 2016, valuation were based on the results of an actuarial experience study for the period 2011 through 2014.

The long-term expected rate of return on pension plan investments was based primarily on historical returns on plan assets, adjusted for changes in target portfolio allocations and recent changes in long-term interest rates based on publicly available information. The target allocation and best estimates of rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
U.S. Equities	38%	7.38%
International Equities	17%	1.88%
Fixed Income	27%	5.20%
Real Estate	8%	5.11%

Discount Rate

The discount rate used to measure the total pension liability was 7.50 percent for the year ended December 31, 2016. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that DSD No. 61 contributions will be made at rates equal to the difference between actuarially determined contribution rates and the employee rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Changes in the total pension liability, plan fiduciary net position and the net pension liability are:

	Total Pension Liability (a)	2016 Plan Fiduciary Net Position (b)	Net Pension Liability (a)-(b)

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

For the year ended June 30, 2017, DSD No. 61 did not recognize pension expense or deferred inflows and outflows of resources as their financial statements are on the modified cash basis of accounting. The pension expense that would have been recorded on the accrual basis was \$5,022,597. At June 30, 2017, DSD No. 61 would have reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources, under the accrual method:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 1,070,619	\$ 29,223

Teachers' Retirement System of the State of Illinois

Plan Description

DSD No. 61 participates in the Teachers' Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined-benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. TRS members include all active nonannuitants who are employed by a TRS-covered employer to provide services for which teacher licensure is required. The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The TRS Board of Trustees is responsible for the System's administration.

TRS issues a publically available financial report that can be obtained at <http://trsil.org>; by writing to TRS at 2815 West Washington Street, P.O. Box 19253, Springfield, Illinois 62794; or by calling (888) 678-3675.

Benefits Provided

TRS provides retirement, disability, and death benefits. Tier I members have TRS or reciprocal system service prior to January 1, 2011. Tier I members qualify for retirement benefits at age 62 with five years of service, at age 60 with 10 years, or age 55 with 20 years. The benefit is determined by the average of the four highest years of creditable earnings within the last 10 years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.2 percent of final average salary up to a maximum of 75 percent with 34 years of service. Disability and death benefits are also provided.

Tier II members qualify for retirement benefits at age 67 with 10 years of service, or a discounted annuity can be paid at age 62 with 10 years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the last four. Disability provisions for Tier II are identical to those of Tier I. Death benefits are payable under a formula that is different from Tier I.

Macon-Piatt Special Education District, A Component Unit of Decatur School District No. 61

Notes to Financial Statements

June 30, 2017

Essentially all Tier I retirees receive an annual 3 percent increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier II annual increases will be the lesser of three percent of the original benefit or one-half percent of the rate of inflation beginning January 1 following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

Contributions

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90 percent of the total actuarial liabilities of the System by the end of fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2017, was 9.4 percent of creditable earnings. On July 1, 2016, the rate dropped to 9.0 percent of pay due to the expiration of the Early Retirement Option (ERO). The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the employer.

On behalf contributions to TRS. The State of Illinois makes employer pension contributions on behalf of the District. For the year ended June 30, 2017, the State of Illinois contributions recognized by the employer were based on the State's proportionate share of the collective net pension liability associated with the District, and the District recognized revenue and expenditures of \$2,927,505 in pension contributions from the State of Illinois.

2.2 formula contributions. Employers contribute .58 percent of total creditable earnings for the 2.2 formula change. The contribution rate is specified by statute. DSD No. 61's contributions for the year ended June 30, 2017 were \$238,660 and are deferred outflows because they were paid after the June 30, 2016 measurement date.

Federal and special trust fund contributions. When TRS members are paid from federal and special trust funds administered by DSD No. 61, there is a statutory requirement for DSD No. 61 to pay an employer pension contribution from those funds. Under a policy adopted by the TRS Board of Trustees that has been in effect since the fiscal year ended June 30, 2006, employer contributions for employees paid from federal and special trust funds will be the same as the state contribution rate to TRS. Public Act 98-0674 now requires the two rates to be the same.

For the year ended June 30, 2017, the employer pension contribution was 38.54 percent of salaries paid from federal and special trust funds. For the year ended June 30, 2017, DSD No. 61 salaries totaling \$2,031,250 were paid from federal and special trust funds that required employer contributions of \$782,844. These contributions are deferred outflows because they were paid after the June 30, 2016 measurement date.

Notes to Financial Statements

June 30, 2017

District Retirement Cost Contributions. Under GASB Statement No. 68, contributions that a District is required to pay because of a TRS member retiring are categorized as specific liability payments. DSD No. 61 is required to make a one-time contribution to TRS for members retiring under the Early Retirement Option (ERO). The payments vary depending on the member's age and salary. The maximum employer ERO contribution under the program that ended on June 30, 2016 is 146.5 percent and applies when the member is age 55 at retirement. For the year ended June 30, 2017, the District paid \$105,916 to TRS for employer ERO contributions for retirements that occurred before July 31, 2016.

The employer is also required to make a one-time contribution to TRS for members granted salary increases over 6 percent if those salaries are used to calculate a retiree's final average salary. A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2017, DSD No. 61 paid \$42,181 to TRS for employer contributions due on salary increases in excess of 6.0 percent and \$2,580 for sick leave days granted in excess of the normal annual allotment.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2017, DSD No. 61 did not recognize a pension liability for its proportionate share of the net pension liability as their financial statements are on the modified cash basis of accounting. The pension liability on the accrual basis for its proportionate share of the net pension liability would have reflected a reduction for state pension support provided to DSD No. 61. The amount that would have been recognized by DSD No. 61 as its proportionate share of the net pension liability, the related state support, and the total portion of the net pension liability that was associated with DSD No. 61 were as follows:

District's proportionate share of the net pension liability	\$ 12,349,527
State's proportionate share of the net pension liability associated with DSD No. 61	<u>336,805,353</u>
Total	\$ <u>349,154,880</u>

The net pension liability was measured as of June 30, 2016 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2015, and rolled forward to June 30, 2016. DSD No. 61's proportion of the net pension liability was based on DSD No. 61's share of contributions to TRS for the measurement year ended June 30, 2016, relative to the contributions of all participating TRS employers and the state during that period. At June 30, 2016, DSD No. 61's proportion was .0156449777 percent, which was a decrease of .0125723297 from its proportion measured as of June 30, 2015.

Actuarial Assumptions

The total pension liability in the June 30, 2016 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50%
Salary increases	varies by amount of service credit
Investment rate of return	7.00%, net of pension plan investment expense, including inflation

Mortality rates were based on the RP-2014 White Collar Table with adjustments as appropriate for TRS experience. The rates are used on a fully-generational basis using projection table MP-2014.

For the June 30, 2016 valuation, the investment return assumption was lowered from 7.50 percent to 7.0 percent. Salary increase assumptions were lowered from their 2015 levels. Other assumptions were based on the 2015 experience analysis which increased retirement rates, improved mortality assumptions and made other changes.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class that were used by the actuary are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
U.S. equities large cap	14.4%	6.94%
U.S. equities/mid cap	3.6%	8.09%
International equities developed	14.4%	7.46%
Emerging market equities	3.6%	10.15%
U.S. bonds core	10.7%	2.44%
International debt developed	5.3%	1.70%
Real estate	15.0%	5.44%
Commodities (real return)	11.0%	4.28%
Hedge funds (absolute return)	8.0%	4.16%
Private equity	<u>14.0%</u>	10.63%

Discount Rate

At June 30, 2016, the discount rate used to measure the total pension liability was a blended rate of 6.83 percent, which was a change from the June 30, 2014 rate of 7.47 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions, employer contributions, and state contributions will be made at the current statutorily –required rates.

Based on those assumptions, TRS’s fiduciary net position at June 30, 2016 was not projected to be available to make all projected future benefit payments of current active and inactive member and all benefit recipients. Tier I’s liability is partially-funded by Tier II members, as the Tier II member contribution is higher than the cost of Tier II benefits. Due to this subsidy, contributions from future members in excess of the service costs are also included in the determination of the discount rate. Despite the subsidy, all projected future payments were not covered, so a slightly lower long-term expected rate of return on TRS investments was applied to all periods of projected benefit payments to determine the total pension liability.

At June 30, 2015, the discount rate used to measure the total pension liability was 7.47 percent. The discount rate was lower than the actuarially-assumed rate of return on investments that year as well as because TRS’s fiduciary net position and the subsidy provided by Tier II were not sufficient to cover all projected benefit payments.

Sensitivity of DSD No. 61’s Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents DSD No. 61’s proportional share of the net pension liability calculated using the discount rate of 6.83 percent, as well as what DSD No. 61’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.83 percent) or 1-percentage point higher (7.83 percent) than the current rate.

	1% Decrease	Current Discount Rate	1% Increase

Note 6: THIS Fund Employer Contributions

DSD No. 61 participates in the Teacher Health Insurance Security (THIS) Fund, a cost-sharing, multiple-employer defined benefit postemployment healthcare plan that was established by the Illinois legislature for the benefit of retired Illinois public school teachers employed outside the city of Chicago. The THIS Fund provides medical, prescription, and behavioral health benefits, but does not provide vision, dental, or life insurance benefits to annuitants of the Teachers' Retirement System (TRS). Annuitants, not enrolled in Medicare, may participate in the state administered participating provider option plan or choose from several managed care options. Annuitants who are enrolled in Medicare Parts A and B may be eligible to enroll in a Medicare Advantage Plan.

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of the THIS Fund and amendments to the plan can be made only by legislative action with the Governor's approval. The Plan is administered by the Illinois Department of Central Management Services (CMS) with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to TRS who are not employees of the state to make a contribution to the THIS Fund.

The percentage of employer required contributions in the future will not exceed 105 percent of salary actually required to be paid in the previous fiscal year.

- **On behalf contributions.** The State of Illinois makes employer retiree health insurance contributions on behalf of the District. State contributions are intended to match contributions to the THIS Fund from active members which were 1.12 percent of pay during the year ended June 30, 2017. State of Illinois contributions were \$65,089 and the District recognized revenue and expenditures of this amount during the year.
- **Employer contributions.** DSD No. 61 also makes contributions to THIS Fund. The employer THIS Fund contribution was 0.84 during the year ended June 30, 2017. For the year ended June 30, 2017, the District paid \$48,817 to the THIS Fund, which was 100 percent of the required contribution.

The publicly available financial report of the THIS Fund may be found on the website of the Illinois Auditor General: <http://www.auditor.illinois.gov/Audit-Reports/ABC-List.asp>. The current reports are listed under "Central Management Services" <http://www.auditor.illinois.gov/Audit-Reports/CMS-THISF.asp>. Note 7: Contingencies

The District has received funding from state and federal grants in the current and prior years which is subject to audit and approval by the granting agencies. The Board of Education believes any adjustments that may arise from these audits will be insignificant to District operations.

Note 8: Loss Exposure

Significant losses are covered by commercial insurance or memberships in insurance pools for all major programs: property, liability, and workers' compensation. During the year ended June 30, 2017, there were no significant reductions in coverage. Also, there have been no settlement amounts which have exceeded insurance coverage in the past three years.

Note 9: Postemployment Benefits Other Than Pension

As a component unit of Decatur School District No. 61 (DSD No. 61), the District participates in DSD No. 61's postretirement health plan. The following information consists of DSD No. 61 information.

Plan Description

The District administers a single-employer defined benefit healthcare plan ("the Postretirement Health Plan"). The plan provides lifetime healthcare insurance for eligible retirees and their spouses through the District's group health insurance plan, which covers both active and retired members. The Postretirement Health Plan does not issue a publicly available financial report.

Funding Policy

Employees can elect to continue coverage into retirement on the District plan if they pay the entire premium plus any surcharge imposed. Single retiree coverage ends upon attainment of age 65 by the retiree. Coverage for dependents of retirees ends at the earlier of attainment of age 65 by the retiree or the dependent. Coverage is the same for the following groups: Administrative Support Staff, Maintenance employees and Custodial employees.

Annual OPEB Cost and Net OPEB Obligations

The District's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC). The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and to amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The following table shows the components of DSD No. 61's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in DSD No. 61's net OPEB obligation to the Postretirement Health Plan:

Annual required contribution	\$	66,595
Interest on net OPEB obligation		24,976
Adjustment to annual required contribution		<u>(37,487)</u>
Annual OPEB cost (expense)		54,084
Estimated Employer Contributions (Payments)		<u>(131,473)</u>
Change in Net OPEB Obligation		(77,389)
Net OPEB obligation, July 1, 2016		<u>713,598</u>
Net OPEB obligation, June 30, 2017	\$	<u><u>636,208</u></u>

DSD No. 61's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for fiscal year 2017 was as follows:

Fiscal Year Ended	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
6/30/17	\$ 54,084	243%	\$ 636,208
6/30/15	77,760	87%	709,039

Funded Status and Funding Progress

As of June 30, 2017, the actuarial accrued liability for benefits was \$801,119, all of which was unfunded.

The projection of future benefit payments for an ongoing plan involves estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and net estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, is to present multiyear trend information, when available, about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The following simplifying assumptions were made:

Retirement age for active employees – Based on the historical average retirement age for the covered groups, active plan members were assumed to retire at age 55 through 70, or at the first subsequent year in which the member would qualify for benefits.

Marital status – 30 percent of actives are assumed to be married at retirement and elect spouse coverage with husbands three years older than wives. Actual spouse data was used for current retirees.

Mortality – Life expectancies were based on rates from the December 31, 2016 IMRF Actuarial Valuation Report.

Turnover – Non-group-specific age-based turnover data from the Pension's Actuary Handbook.

Healthcare cost trend rate – The expected rate of increase in healthcare insurance premiums was based on projections of the Office of the Actuary at the Centers for Medicare & Medicaid Services. A rate of 7.0 percent initially, reduced to an ultimate rate of 5.0 percent after ten years, was used.

**Macon-Piatt Special Education District,
A Component Unit of Decatur School District No. 61
Notes to Financial Statements
June 30, 2017**

Health insurance premiums – 2017 health insurance premiums for retirees were used as the basis for calculation of the present value of total benefits to be paid.

Based on the historical and expected returns of the District's short-term investment portfolio, a discount rate of 3.5 percent was used. In addition, a simplified version of the entry age actuarial cost method was used. The unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on an open basis. The remaining amortization period at June 30, 2017, was thirty years.

The schedule of funding progress, presented below, is to present multiyear trend information, when available, about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Note 10: Current Economic Conditions

The current economic environment presents school districts with unprecedented circumstances and challenges, which in some cases have resulted in large declines in the fair value of investments and other assets, declines in governmental support, grant revenue and tax revenue, constraints on liquidity and difficulty obtaining financing. The financial statements have been prepared using values and information currently available to the District.

Current economic conditions have made it difficult for many districts. A significant decline in governmental support, grant revenue and tax revenue could have an adverse impact on the District's future operating results.

In addition, given the volatility of current economic conditions, the values of assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments in investment values that could negatively impact the District's ability to maintain sufficient liquidity.

PART C - OTHER ISSUES

- 19. Student Activity Funds, Imprest Funds, or other funds maintained by the district were excluded from the audit.
- 20. Findings, other than those listed in Part A (above), were reported (e.g. student activity fund findings).
- 21. Federal Stimulus Funds were not maintained and expended in accordance with the American Recovery and Reinvestment Act (ARRA) of 2009. If checked, an explanation must be provided.
- 22. Check this box if the district is subject to the Property Tax Extension Limitation Law. Effective Date: _____ (Ex: 00/00/0000)
- 23. If the type of Auditor Report designated on the cover page is other than an unqualified opinion and is due to reason(s) other than solely Cash Basis Accounting, please check and explain the reason(s) in the box below.

PART D - EXPLANATION OF ACCOUNTING PRACTICES FOR LATE MANDATED CATEGORICAL PAYMENTS

(For School Districts who report on an Accrual/Modified Accrual Accounting Basis only)

School districts that report on the accrual/modified accrual basis of accounting must identify where late mandated categorical payments (Acct Codes 3100, 3105, 3110, 3500, and 3510) are recorded. Depending on the accounting procedure these amounts will be used to adjust the Direct Receipts/Revenues in calculation 1 and 2 of the Financial Profile Score. In FY2017, identify those late payments recorded as Intergovernmental Receivables, Other Receivables, or Deferred Revenue & Other Current Liabilities or Direct Receipts/Revenue. Payments should only be listed once.

24. Enter the date that the district used to accrue mandated categorical payments

Date:

25. For the listed mandated categorical (Revenue Code (3110, 3500, 3510, 3100, 3105) that were vouchered prior to June 30th, but not released until after year end as reported in ISBE FRIS system, enter the amounts that were accrued in the chart below.

Account Name	3110	3500	3510	3100	3105	Total
Deferred Revenues (490)						
Mandated Categoricals Payments (3110, 3500, 3510, 3100, 3105)						0
Direct Receipts/Revenue						
Mandated Categoricals Payments (3110, 3500, 3510, 3100, 3105)						0
Total						0

* Revenue Code (3110-Sp Ed Personnel, 3510-Sp Ed Transportation, 3500-Regular/Vocational Transportation, 3105-Sp Ed Funding for Children Requiring Services, 3100-Sp Ed Private Facilities)

PART E - QUALIFICATIONS OF AUDITING FIRM

- * School District/Joint Agreement entities must verify the qualifications of the auditing firm by requesting the most current peer review report and the corresponding acceptance letter from the approved peer review program for the current peer review.
- * A school district/joint agreement who engages with an auditing firm who is not licensed and qualified will be required to complete a new audit by a qualified auditing firm at the school district's/joint agreement's expense.

1	DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION New Provisions in the School Code, Section 17-1 (105 ILCS 5/17-1)					
2	Instructions: If the Annual Financial Report (AFR) reflects that a "deficit reduction plan" is required as calculated below, then the school district is to complete the "deficit reduction plan" in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2018 annual budget to be amended to include a "deficit reduction plan" and narrative.					
3	The "deficit reduction plan" is developed using ISBE guidelines and format in the School District Budget Form 50-36. A plan is required when the operating funds listed below result in direct revenues (line 7) being less than direct expenditures (line 8) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 10). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.					
4	DEFICIT AFR SUMMARY INFORMATION - Operating Funds Only <i>(All AFR pages must be completed to generate the following calculation)</i>

9	Fund Balance - June 30, 2017	3,312,959				3,312,959
10	Unbalanced - a "deficit reduction plan" and narrative must be adopted and submitted to ISBE with the most current fiscal year School District Budget Form 50-36. This plan must result in a balanced operating budget within three years as adopted by the local board of education. (See the School District Budget Form 50-36 -Tab: Deficit BudgetSum Calc 20)

Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance

Independent Auditor's Report

Administrative Board
Macon-Piatt Special Education District
Decatur, Illinois

Report on Compliance for Each Major Federal Program

We have audited the compliance of Macon-Piatt Special Education District (District), a component unit of Decatur School District No. 61, with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017. The District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, contracts and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the District's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the District's compliance.

Opinion on Each Major Federal Program

In our opinion, Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of Macon-Piatt Special Education District, a component unit of Decatur School District No. 61, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SINGLE AUDIT INFORMATION CHECKLIST

The following checklist is **OPTIONAL**; it is not a required form for completion of Single Audit information. The purpose of the checklist is to assist in determining if appropriate information has been correctly completed within the Annual Financial Report (AFR). This is not a complete listing of all Single Audit requirements, but highlights some of the more common errors found during ISBE reviews.

GENERAL INFORMATION

1. **Signed** and **dated** copies of audit opinion letters have been included with audit package submitted to ISBE.
2. All opinion letters use the **most current audit language and formatting** as mandated in SAS 115/SAS 117 and other pronouncements.
3. **ALL** Single Audit forms within the AFR Excel workbook have been completed, where appropriate.
 - For those forms that are not applicable, "N/A" or similar language has been indicated.
4. **ALL** Federal revenues reported in FRIS Report 0053 (Summary of Payments) are accounted for in the Schedule of Expenditures of Federal Awards (SEFA).
5. Federal revenues reported on the AFR reconcile to Federal revenues reported on the SEFA.
 - Verify or reconcile on reconciliation worksheet.
6. The total value of non-cash **COMMODITIES** has been included within the AFR on the **INDIRECT COSTS** page (ICR Computation 30) on Line 11. It **should not** be included in the Statement of Revenues Received (REVENUES 9-14) within the AFR Accounts 4210 - 4299. Those accounts are specific cash programs, not non-cash assistance such as **COMMODITIES**.
7. Complete audit package (Data Collection Form, audit reports, etc.) has been submitted electronically to the Federal Audit Clearinghouse <https://harvester.census.gov/facweb/Default.aspx>

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

8. All prior year's projects are included and reconciled to final FRIS report amounts.
 - Including receipt/revenue and expenditure/disbursement amounts.
9. All current year's projects are included and reconciled to most recent FRIS report filed.
 - Including receipt/revenue and expenditure/disbursement amounts.
10. Differences in reported spending amounts on the SEFA and the final FRIS reports should be detailed and/or documented in a finding, - discrepancies should be reported as Questioned Costs.
11. The total amount provided to subrecipients from each Federal program is included.
12. Prior-year and Current-year Child Nutrition Programs (CNP) are included on the SEFA (with prior-year program showing total cash received):
 Project year runs from October 1 to September 30, so projects will cross fiscal year;
 This means that audited year revenues will include funds from both the prior year and current year projects.
13. Each CNP project should be reported on a separate line (one line per project year per program).
14. Total CNP Revenue amounts are consistent with grant amounts awarded by ISBE for each program by project year.
15. Total CNP Expenditure amounts are consistent with grant amounts awarded by ISBE for each program by project year.
16. Exceptions should result in a finding with Questioned Costs.
17. The total value of non-cash **COMMODITIES** has been reported on the SEFA (CFDA 10.555).
 - The value is determined from the following, **with each item on a separate line**:
- * **Non-Cash Commodities**: Monthly Commodities Bulletin for April (From the Illinois Commodities System accessed through ISBE web site)
 Total commodities = A PAL Allocated + B PAL Allocated + Processing Deductions + Total Bonus Allocated
[Verify Non-Cash Commodities amount on ISBE web site: https://www.isbe.net/Pages/School-Nutrition-Programs-Food-Distribution.aspx](https://www.isbe.net/Pages/School-Nutrition-Programs-Food-Distribution.aspx)
- * **Non-Cash Commodities**: Commodities information for non-cash items received through **Other Food Services**
 Districts should track separately through year; no specific report available from ISBE
 Verify Non-Cash Commodities amount through Other Food Services on ISBE web site:
<https://www.isbe.net/Pages/School-Nutrition-Programs-Food-Distribution.aspx>
- * **Department of Defense Fresh Fruits and Vegetables** (District should track through year)
 - **The two commodity programs should be reported on separate lines on the SEFA.**
 Verify Non-Cash Commodities amount through DoD Fresh Fruits and Vegetables on ISBE web site:
<https://www.isbe.net/Pages/School-Nutrition-Programs-Food-Distribution.aspx>
- * Amounts verified for **Fresh Fruits and Vegetables cash** grant program (ISBE code 4240)
 CFDA number: 10.582
18. **TOTALS** have been calculated for Federal revenue and expenditure amounts (Column totals).
19. Obligations and Encumbrances are included where appropriate.
20. **FINAL STATUS** amounts are calculated, where appropriate.
21. Medicaid Fee-for-Service funds, E-Rate reimbursements and Build America Bond interest subsidies have **not** been included on the SEFA.
22. **All** programs tested (not just Type A programs) are indicated by either an * or (M) on the SEFA.
23. **NOTES TO THE SEFA** within the AFR Excel workbook (SEFA NOTES) have been completed.

SINGLE AUDIT INFORMATION CHECKLIST

Including, but not limited to:

24. Basis of Accounting
25. Name of Entity
26. Type of Financial Statements
27. Subrecipient information (**Mark "N/A" if not applicable**)
- * ARRA funds are listed separately from "regular" Federal awards

SUMMARY OF AUDITOR'S RESULTS/FINDINGS/CORRECTIVE ACTION PLAN

28. Audit opinions expressed in opinion letters **match** opinions reported in Summary.
29. **All** Summary of Auditor Results questions have been answered.
30. All tested programs **and** amounts are listed.
31. Correct testing threshold has been entered. (Title 2 CFR §200.518)

Findings have been filled out completely and correctly (if none, mark "N/A").

32. Financial Statement and/or Federal Award Findings information has been completely filled out for each finding, with finding numbers in correct format.
33. Finding completed for each **Significant Deficiency** and for each **Material Weakness** noted in opinion letters.
34. Separate finding for each Federal program (i.e., don't report same finding for multiple programs on one sheet).
35. Separate finding sheet for each finding on programs (e.g., excess interest earned and unallowable expenditures are two findings and should be reported separately, even if both are on same program).
36. Questioned Costs have been calculated where there are questioned costs.
37. Questioned Costs are separated by project year **and** by program (and sub-project, if necessary).
38. Questioned Costs have been calculated for Interest Earned on **Excess Cash on Hand**.
 - Should be based on actual amount of interest earned
 - Questioned Cost amounts are broken out between programs if multiple programs are listed on the finding
39. **A CORRECTIVE ACTION PLAN** has been completed for each finding.
 - Including Finding number, action plan details, projected date of completion, name and title of contact person
